What?

We/Make will be part of Zona 11 Fest. A festival where, schools, businesses and associations from zona 11 district will gather and take over the street to present their very diverse activities.

Where?

Calle Bailén, from calle Casp to calle d'Ali Bei.

When?

November, 14th 2015.

For whom?

Families, friends, young and old souls, makers, creators, curious, who are all wishing to discover and participate to interactive **free** activities.

Why?

To dynamise zona 11 local community by promoting its innovative and creative organisations.
To engage with visitors through free interactive activities and active creation in group.

MOB

What will MOB present for Zona 11 Fest?

MOB will show what it's all about by organising We/Make.

What will be going on at We/Make?

A Raspberry Jam - Raspberry Pi learning session

A teens 8 hours hack-a-thon - intensive brainstorming and group creation

Workshops & talks about education, innovation, technologies and creation.

Interactive exhibitions of big variety of exhibitors.

How?

Stands will be made available to makers in Calle Bailén

You will present your project/activity/product in an interactive way (workshop, testing, games...)

What's our mission?

To present to general public Barcelona's best innovative and creative projects.

To introduce people of Barcelona to the "Do It Yourself" and the maker movements.

To think about how new technologies can influence & enhance our individual and collective life.
