Django Developer

"Django Developer Crafting Scalable and Innovative Web Solutions"

Seasoned Django Developer with over a decade of hands-on experience in developing and deploying robust web solutions. Proficient in Python programming and its associated libraries, with deep understanding of Agile/SCRUM practices. Adept in Django framework, ready to contribute expertise to a collaborative and dynamic team environment. Possesses excellent communication skills and a commitment to delivering high-quality results.

Areas of Expertise

- Web Development
- Python Programming
- Database Design
- Data Modelling
- Backend Development
- User Authentication
- Performance Optimization
- Deployment Automation
- Code Debugging

Technical Proficiencies

Skills	Software & Technology
Developer Library - Framework & System	Django Web Framework – Django REST Framework – Bootstrap – NextJS – React – React Native – WordPress Developer– Shopify
Data & Database Skills	PostgreSQL - SQL for Data Analysis – Tableau Desktop for Data Visualization – Microsoft Excel – SPSS
Video Editing & Audio Software	Adobe Premier Pro CC – Davinci Resolve – Adobe Audition – Adobe After Effects
Screenwriting Software	Final Draft – Celtix
2D animation Software	Cartoon Animator 5
Film Producing	Movie Magic Scheduling & Budgeting
MS Office	Windows - Power Point – MS Word – MS Excel

Career Experience

Fondation SEROvie (ECP2) PEPFAR & USAID Founded Project, PAP, Haiti   **Feb 2020 – Present**
Data Officer - Developer

Lead implementation of Epidemic Control Against Priority Population (ECP2) program. Leverage expertise as Data Associate Specialist to conduct data collection, entry, and cleaning. Utilize Design and Analysis Toolkit for Inventory and Monitoring (DATIM), U.S. Government Information System, to ensure efficient data entry processes. Execute data entry, processing, and analysis for key population mapping, size estimation, operational research, and routine program monitoring and evaluation.

- Oversaw HIV Prevention – Testing and Treatment initiatives to enhance quality of life for Key Population groups.
- Spearheaded efforts to reduce HIV transmission and encouraged treatment for achieving undetectable Viral Load.
- Mentored and provided guidance to Data Officer Clerks working on project.
- Advocated for implementation of PrEP, highly effective once-daily pill regimen, to prevent HIV transmission.

FHI 360 (Family Health International), LINKAGES Project, PAP, Haiti   Oct 2016 – Jan 2020
Data Associate

Enhanced reach to key populations at risk of acquiring or transmitting HIV, improving the HIV prevention and care cascade (LINKAGES). Collected, entered, and cleaned data as Data Associate Specialist. Executed entry, processing, and analysis of data pertaining to key population mapping, size estimation, operational research, and program monitoring and evaluation. Conducted data entry in Design and Analysis Toolkit for Inventory and Monitoring (DATIM), U.S. Government Information System.

- Oversaw HIV prevention initiatives, testing, and treatment to enhance quality of life for key populations.
- Reduced HIV transmission & promoted feat of untraceable Viral Load through effective HIV treatment.
- Provided management, mentorship, and support to both project partners and Data Officer Clerk.
- Assisted in managing, mentoring, and supporting members of Key Population and Priority Population.

University of North Carolina at Chapel Hill (UNC), NC   Oct 2015 – Oct 2016
Data Associate

Executed entry, processing, and analysis of data concerning key population mapping, size estimation, operational research, and routine program monitoring and evaluation. Performed data entry, data cleaning, and database management. Constructed tables for reports. Conducted basic data analyses with guidance from SI Advisor and Senior M&E Officer. Maintained security and confidentiality of all collected data.

- Verified accuracy and promptly respond to data requests.
- Supported reporting & dissemination of project results to Linkages, USAID, and Government of Haiti.
- Developed and optimized client CPC and CPA ad campaigns.

Public Services International (PSI Haiti), PAP, Haiti   Sep 2014 – Mar 2015
