ASSESSMENT

Questions

- ○ Can you talk about the type of assessment your group does?

- ○ What projects from the past year do you want to highlight?

- ○ What would someone new joining your group need to know?

Metadata Working Group

We explore all aspects of doing or supporting metadata evaluation/assessment activities, such as:

- Providing public-facing information & documentation of work
- Compiling literature, tools, skill-building resources, etc.
- Research around metadata quality benchmarking
