

THE INDICATOR
MARKET SUMMARY

The benchmark indices opened marginally green, brushing off negative cues from its other Asian counterparts. The markets then traded in a narrow range until the noon, when the selling pressure intensified to take the indices down almost 1% from the high of day. But the last trading hour saw bulls returning to the ring, as the indices recovered from the lows to close at high of the day. The Sensex ended 11 points up at 15,301, while the Nifty closed 3 points higher at 4,500.

Though the Sensex ended positive, broader indices closed red, thereby giving negative breadth. Realty index was the top gainer among the sectoral indices followed by Consumer Durables and Auto, while Capital Goods was the top loser, followed by FMCG and Oil & Gas. Hindalco, Bajaj Auto, and Bharti were the major gainers, while L&T, ONGC and Reliance Energy major losers.
