

THE INDICATOR
MARKET SUMMARY

With the global counterparts entering a consolidation phase, our markets remained almost pacific, however, some extent of volatility was witnessed. Both the benchmark indices marked days high in the first hour of trade before plunging in to the red. Indices hovered around the dotted line then after, until the penultimate hour when, considerable buying pulled them higher to close on small gains. At closing Nifty was up 5 points at 4479 and Sensex was at 15465, 43 points higher. Small and Mid cap indices outperformed the benchmark indices for the second consecutive session.

Realty and Health Care Indices gained most among the sectoral space with Auto and Metal indices remaining weak. On Sensex, REL gained 6% followed by Cipla, up 4.4%. NTPC and Hindalco slid in excess of 2%. The advance-decline ratio on BSE was 7:4.

MARKET INDICATORS
