Disclaimer

Religare Securities Limited (Religare) has two independent equity research groups: Institutional Equities (Institutional Equity Research) and Priority Client Group (Religare Research). Religare Institutional Equity Research is aimed to service the institutional clients of Religare Securities Limited including the Portfolio Management Services of Religare whereas Religare Research is published with a view to service all segments of clients including Retail, HNIs and Institutional clients and PMS.

This document has been prepared by Religare Securities Limited – Priority Client Group. Affiliates of Religare-PCG may have issued other reports that are contrary with and reach different conclusion from the information presented in this report. The views and opinions expressed in this document may or may not match or may be contrary with the views, estimates, rating and target price of the Institutional Equities Research Group of Religare Securities Limited.

We are not soliciting any action based upon this material. This report is not to be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It is for the general information of clients of Religare-PCG. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. Religare-PCG will not treat recipients as customers by virtue of their receiving this report. We have reviewed the report, and in so far as it includes current or historical information, it is believed to be reliable. It should be noted that the information contained herein is from publicly available data or other sources believed to be reliable. Neither Religare, nor any person connected with it, accepts any liability arising from the use of this document.

This document is prepared for assistance only and is not intended to be and must not alone be taken as the basis for any investment decision. The investment discussed or views expressed may not be suitable for all investors. The user assumes the entire risk of any use made of this information. The recipients of this material should rely on their own investigations and take their own professional advice. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. Price and value of the investments referred to in this material may go up or down. Past performance is not a guide for future performance. Certain transactions -including those involving futures, options and other derivatives as well as non investment grade securities - involve substantial risk and are not suitable for all investors. Reports based on technical analysis centers on studying charts of a stock's price movement and trading volume, as opposed to focusing on a company's fundamentals and as such, may not match with a report on a company's fundamentals.
