**Legend:**

- 1) **Price** indicates previous day's closing price;
- 2) Recommendation indicates the quantum of the total quantity the investor should trade, for example **"Buy 1/3 at mkt"** should be taken as **"Buy 1/3 of the total quantity you would normally purchase around the closing price of the previous day"**.
- 3) Current position indicates the current holding had one been following the calls, for example **"1/3"** should be taken as **"Current holding is 1/3 of the total quantity you would normally hold"**.
- 4) **"Fund"** means that the call has been given based on Fundamental Analysis, and **"Tech"** means that the call has been given based on Technical Analysis. Therefore **"Fund + Tech"** would mean that the call has been based on both.
