Operating profit margin down YoY basis at 28%

The company's operating profit margin was 28.4%, down 1,100bps YoY but up 330bps on QoQ basis. The mature edition registered an EBIDTA margin of 37.1%. Operating profit was down 12% at ₹1,003mn, raw material costs have moved up sharply by 42% at ₹1,184mn due to increase in newsprint prices and entry into new geographies. Selling and distribution expenses were at ₹174mn, up 52% YoY. Personnel cost was up 40% and total costs were ₹2,534mn, 37% increase from 1QFY11. Its tax rate was stable at 32% in 1QFY12. Adjusted PAT was ₹611mn down 12% YoY.

Strong business dynamics

The company continues to be among the leading dailies in Madhya Pradesh, Chhattisgarh, Haryana, Chandigarh, Rajasthan (urban), Punjab (major cities) and Gujarat (circulation). In Madhya Pradesh and Chattisgarh, *Dainik Bhaskar* is in a dominating position with a market lead of 2.5 times over nearest competitor. The company launched its second Marathi edition from Nashik in July and it plans to launch in other cities of Maharashtra including Jalgaon over 2011-12. It has postponed its launch in Bihar to next fiscal. The company is looking to ramp up its digital business rapidly, which includes dainikbhaskar.com, diyvabhaskar.com, divyamarathi.in and dailbhaskar.com. Its page views have gone up from 8 million to over 100 million in the last 15 months. It has planned a capex of ₹900mn to ₹1bn for FY12E.

Our research professionals provide important inputs into our Investment Banking and other business selection processes. Recipients of this report should assume that SBICAP Group is seeking or may seek or will seek Investment Banking, advisory, project finance or other businesses and may receive commission, brokerage, fees or other compensation from the company or companies that are the subject of this material/ report. SBICAP group and its officers, directors and employees, including the analysts and others involved in the preparation or issuance of this material and their dependant, may on the date of this report or from, time to time have "long" or "short" positions in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. Our sales people, dealers, traders and other professionals may provide oral or written market commentary or trading strategies to our clients that reflect opinion that are contrary to the opinions expressed herein, and our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. SBICAP Group may have earlier issued or may issue in future reports on the companies covered herein with recommendations/ information inconsistent or different from those made in this report. In reviewing this document, you should be aware that any or all of the foregoing, among other things, may give rise to potential conflicts of interest. SBICAP Group may rely on information barriers, such as "Chinese Walls" to control the flow of information contained in one or more areas within SBICAP Group into other areas, units, groups or affiliates of SBICAP Group.

The projections and forecasts describe in this report were based upon a number of estimates and assumptions and are inherently subject to significant uncertainties and contingencies. Projections and forecasts are necessarily speculative in nature, and it can be expected that one or more of the estimates on which the projections and forecasts were based will not materialize or will vary significantly from actual results, and such variances will likely increase over time. All projections and forecasts described in this report have been prepared solely by the authors of this report independently of the Bank. These projections and forecasts were not prepared with a view toward compliance with published guidelines or generally accepted accounting principles. No independent accountants have expressed an opinion or any other form of assurance on these projections or forecasts. You should not regard the inclusion of the projections and forecasts described herein as a representation or warranty by or on behalf of the Bank, SBICAP, the authors of this report or any other person that these projections or forecasts or their underlying assumptions will be achieved. For these reasons, you should only consider the projections and forecasts described in this report after carefully evaluating all of the information in this report, including the assumption underlying such projections and forecasts.

This report is for information purposes only and this document/material should not be construed as an offer to sell or the solicitation of an offer to buy, purchase or subscribe to any securities, and neither this document nor anything contained herein shall form the basis of or be relied upon in connection with any contract or commitment whatsoever. This document does not solicit any action based on the material contained herein. It is for the general information of the clients of SBICAP Group. Though disseminated to clients simultaneously, not all clients may receive this report at the same time. SBICAP Group will not treat recipients as clients by virtue of their receiving this report. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Similarly, this document does not have regard to the specific investment objectives, financial situation/circumstances and the particular needs of any specific person who may receive this document. The securities discussed in this report may not be sui for all the investors. The securities described herein may not be eligible for sale in all jurisdictions or to all categories of investors. The countries in which the companies mentioned in this report are organized may have restrictions on investments, voting rights or dealings in securities by nationals of other countries. The appropriateness of a particular investment or strategy will depend on an investor's individual circumstances and objectives. Persons who may receive this document should consider and independently evaluate whether it is sui for his/ her/their particular circumstances and, if necessary, seek professional/financial advice. Any such person shall be responsible for conducting his/her/their own investigation and analysis of the information contained or referred to in this document and of evaluating the merits and risks involved in the securities forming the subject matter of this document. The price and value of the investments referred to in this document/material and the income from them may go down as well as up, and investors may realize losses on any investments. Past performance is not a guide for future performance. Future returns are not guaranteed and a loss of original capital may occur. Actual results may differ materially from those set forth in projections. Forward-looking statements are not predictions and may be subject to change without notice. SBICAP Group does not provide tax advice to its clients, and all investors are strongly advised to consult regarding any potential investment. SBICAP Group and its affiliates accept no liabilities for any loss or damage of any kind arising out of the use of this report. Foreign currency denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of or income derived from the investment. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies effectively assume currency risk. Certain transactions including those involving futures, options, and other derivatives as well as non-investment grade securities give rise to substantial risk and are not sui for all investors. Please ensure that you have read and understood the current risk disclosure documents before entering into any derivative transactions.
