International News:

- Gross Domestic Product, the broadest measure of the health of the economy, declined at a 1.0% annual pace in the second quarter, unchanged from the initial reading last month. Economists thought GDP would be revised to show it slowed at a 1.5% annualized pace, according to Briefing.com estimates. In the first quarter, GDP declined at a 6.4% annualized rate. (Source: CNNMoney)
- The number of Americans filing new claims for unemployment last week dipped to 570,000 from a revised 580,000 the previous week. Economists surveyed by Briefing.com thought claims would fall to 565,000. (Source: CNNMoney)
- Japan's unemployment rate rose to a record 5.7 percent in July and deflation worsened, dealing a blow to Prime Minister Taro Aso on the eve of an election that polls indicate his ruling Liberal Democratic Party will lose. (Source: Bloomberg)

Domestic news:

- The government announced that industry output, as measured by the index of industrial production (IIP) grew 7 per cent in July 2009. (Source: BS)
- The Reserve Bank of India painted a grim picture and laid bare the dilemma of low growth and high inflation that it faced in the months ahead. (Source: BS)
- The government approved a bulk order for power equipment, envisaging an investment of RS.40,000 crore, for the upcoming thermal power plants of NTPC and Damodar Valley Corporation (Source: BS)
- The government extended popular export-promotion schemes and announced fresh ones as it looks to improve the country's competitiveness and double exports in five years. (Source: ET)
- The Kharif crop output is expected to be lower by around 20% this year, as per Finance Minister, Mr. Pranab Mukherjee. (Source: ET)

Corporate news:

- The Murugappa Group is planning to acquire an overseas gas resource for around USD900 million. (Source: ET)
- RIL has bagged rights to retail CNG to automobiles and pipe gas to households in two cities of Andhra Pradesh and one in Madhya Pradesh. (Source: BS)
- Tata Steel has posted a net loss of Rs. 2209 crore in Q1FY'09. (Source: ET)
- JSW Group is in advanced talks to acquire a coal mine in Swaziland, Africa, at an estimated cost of about USD350 million. (Source: ET)
- Six overseas funds are seen eyeing stake in MCX-SX. (Source: ET) (Impact: +ve for Financial Technologies)
- McNally Bharat has bagged two orders worth Rs.180 crore from Hindalco. (Source: BL) (Impact: +ve for McNally Bharat)
- BGR Energy has bagged an order of Rs.1633 crore. (Source: BL) (Impact: +ve for BGR Energy)
- BPCL Bina refinery is expected to be ready by December 2009. (Source: BL)
- BHEL has bagged an order of Rs.190 crore from Oil India. (Source: BL)
- Apollo Hopitals will get a USD50 million loan from IFC. (Source: BL)
- IVRCL secures an order for Rs.583 crore. (Source: BL)

Technical Analysis

hitesh.chotalia@centrum.co.in 91-9748776689

Nifty: (4688): The index opened on a flat note and saw range bound throughout the day's trading session. It ended the day with gains of 7 points.

The index is trading around the key resistance level of 4700. It has failed to sustain above 4700 on previous occasion. 4700 is a key resistance level to be watched out for. Choppy intra day movements can be expected. Higher resistance is around 4760 levels. On the downside index has support around 4645-4620 level, intra day declines should find support around this level.

Conclusion: Critical resistance around 4700.

DERIVATIVE STATISTICS & ANALYSIS

manoj.abraham@centrum.co.in +91 9870988818

- ➤ Nifty Sep contract ends the Day marginally up by 16.95 points at a premium of 9.60 points in Sep contracts adding OI by 25.1% across all active Nifty contracts.
- > Nifty Open Int PCR at 1.182 compared to 0.945 in the first day of last expiry.
- > Highest OI in Nifty put at 4500 Sep strike and calls is at 4900 Sep strike.
- > 4600, 4500, 4700 & 4300 Sep Strike Nifty puts adds significantly over the Day.
- > Call addition was seen in Sep 4900, 4800, 4700 & 5000 strike.
- > FII side begins the expiry with higher OI compared to the opening day of the last expiry.
- > Nifty VIX at 34.84 from 36.28 the previous Day.

Views and Analysis:

At the end of Aug expiry Nifty sees a rollover of 76.20 % highest in percentage since Feb 2009. In quantity rolled over it was the highest since April 2009.

Market wide futures rollover was seen at 83.55% compared to the 3 month average at 76.97% and six month average at 76.78%.

Falling IV's and higher opening PCR is indicating positive bias to the market. Strong resistances seen at 4740-50 levels.

DISCLAIMER

Centrum Broking (Pvt) Ltd.("Centrum") is a full-service, Stock Broking Company and is a member of The Stock Exchange, Mumbai (BSE) and National Stock Exchange of India Ltd. (NSE). Our holding company Centrum Capital Ltd. is an investment banker and an underwriter of securities. As a group Centrum has Investment Banking, Advisory and other business relationships with a significant percentage of the companies covered by our Research Group. Our research professionals provide important inputs into the Group's Investment Banking and other business selection processes.

Recipients of this report should assume that our Group is seeking or may seek or will seek Investment Banking, advisory, project finance or other businesses and may receive commission, brokerage, fees or other compensation from the company or companies that are the subject of this material/report. Our Company and Group companies and their officers, directors and employees, including the analysts and others involved in the preparation or issuance of this material and their dependants, may on the date of this report or from, time to time have "long" or "short" positions in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. Our sales people, dealers, traders and other professionals may provide oral or written market commentary or trading strategies to our clients that reflect opinion that are contrary to the opinions expressed herein, and our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations/ expressed herein. We may have earlier issued or may issue in future reports on the companies covered herein with recommendations/ information inconsistent or different those made in this report. In reviewing this document, you should be aware that any or all of the foregoing, among other things, may give rise to or potential conflicts of interest. We and our Group may rely on information barriers, such as "Chinese Walls" to control the flow of information contained in one or more areas within us, or other areas, units, groups or affiliates of Centrum.

This report is for information purposes only and this document/material should not be construed as an offer to sell or the solicitation of an offer to buy, purchase or subscribe to any securities, and neither this document nor anything contained herein shall form the basis of or be relied upon in connection with any contract or commitment whatsoever. This document does not solicit any action based on the material contained herein. It is for the general information of the clients of Centrum. Though disseminated to clients simultaneously, not all clients may receive this report at the same time. Centrum will not treat recipients as clients by virtue of their receiving this report. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Similarly, this document does not have regard to the specific investment objectives, financial situation/circumstances and the particular needs of any specific person who may receive this document. The securities discussed in this report may not be suitable for all the investors. The securities described herein may not be eligible for sale in all jurisdictions or to all categories of investors. The countries in which the companies mentioned in this report are organized may have restrictions on investments, voting rights or dealings in securities by nationals of other countries. The appropriateness of a particular investment or strategy will depend on an investor's individual circumstances and objectives. Persons who may receive this document should consider and independently evaluate whether it is suitable for his/her/their particular circumstances and, if necessary, seek professional/financial advice. Any such person shall be responsible for conducting his/her/their own investigation and analysis of the information contained or referred to in this document and of evaluating the merits and risks involved in the securities forming the subject matter of this document.

The projections and forecasts described in this report were based upon a number of estimates and assumptions and are inherently subject to significant uncertainties and contingencies. Projections and forecasts are necessarily speculative in nature, and it can be expected that one or more of the estimates on which the projections and forecasts were based will not materialize or will vary significantly from actual results, and such variances will likely increase over time. All projections and forecasts described in this report have been prepared solely by the authors of this report independently of the Company. These projections and forecasts were not prepared with a view toward compliance with published guidelines or generally accented accounting principles. No independent accountants have expressed an opinion or any other form of assurance on these projections or forecasts. You should not regard the inclusion of the projections and forecasts described herein as a representation or warranty by or on behalf of the Company, Centrum, the authors of this report or any other person that these projections or forecasts or their underlying assumptions will be achieved. For these reasons, you should only consider the projections and forecasts described in this report after carefully evaluating all of the information in this report, including the assumptions underlying such projections and forecasts.

The price and value of the investments referred to in this document/material and the income from them may go down as well as up, and investors may realize losses on any investments. Past performance is not a guide for future performance. Future returns are not guaranteed and a loss of original capital may occur. Actual results may differ materially from those set forth in projections. Forward-looking statements are not predictions and may be subject to change without notice. Centrum does not provide tax advice to its clients, and all investors are strongly advised to consult regarding any potential investment. Centrum and its affiliates accept no liabilities for any loss or damage of any kind arising out of the use of this report. Foreign currency denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of or income derived from the investment. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies effectively assume currency risk. Certain transactions including those involving futures, options, and other derivatives as well as non-investment-grade securities give rise to substantial risk and are not suitable for all investors. Please ensure that you have read and understood the current risk disclosure documents before entering into any derivative transactions.

This report/document has been prepared by Centrum based upon information available to the public and sources, believed to be reliable. No representation or warranty, express or implied is made that it is accurate or complete. Centrum has reviewed the report and, in so far as it includes current or historical information, it is believed to be reliable, although its accuracy and completeness cannot be guaranteed. The opinions expressed in this document/material are subject to change without notice and have no obligation to tell you when opinions or information in this report change.

This report or recommendations or information contained herein do/does not constitute or purport to constitute investment advice in publicly accessible media and should not be reproduced, transmitted or published by the recipient. The report is for the use and consumption of the recipient only. This publication may not be distributed to the public used by the public media without the express written consent of Centrum.
