

We would like to take this opportunity to thank you for all your support and very positive feedback from our webinars as well as our bespoke whole school full day and twilight training. This summer, we continue to run all our extremely popular webinars covering a wide range of EAL issues. Our aim is to share best practice in EAL so that all staff are equipped with effective classroom strategies and resources to develop the language and raise the attainment of EAL learners from Beginners to Advanced learners.

We continue to offer our well received HLS Certificate Course and we look forward to working with you again this term.
