

HLS have a long history and a wide range of practical experience of supporting schools in their work with Refugees and Asylum-seekers. Therefore, we are ensuring that the specific language and learning needs of these pupils are included in all our courses. These strategies are particularly important in our 'Beginners' and 'Assessment' courses. This term, we are also offering a half day webinar to assist schools in welcoming and supporting refugee pupils.

## Hounslow Language Service

Your Leading EAL Trainers, Consultants and Practitioners

We are a highly qualified and experienced team of EAL consultants working with schools, teaching schools and universities both in the UK and overseas for the professional development of teachers and support staff. We specialise in raising the achievement of EAL pupils by developing their academic literacy across the curriculum.

The quality of our work is recognised by OFSTED, the Greater London Authority (GLA), the European Union, the British Council, the Education Endowment Fund (EEF) and the The Bell Foundation, to name a few, reflecting our strong national and growing international reputation.
