

CAE 2023

Argentine Conference on Electronics

EAMTA Argentine School of Micro-Nano Electronics,
Technology and Applications

Topics:

- Micro/Nano Electronics
- Digital and Analog Design
- VLSI / FPGA
- Communications
- Signal Processing and Filtering
- IoT
- Neural Networks and Machine Learning
- Power Electronics
- Implantable Electronics and Medical Applications
- Space and Nuclear Applications
- Devices Modeling & Testing
- Automation and Control
- Instrumentation and Testing
- Robotics and Autonomous Navigation
- Teaching and Education

Facultad Regional
CÓRDOBA

Call For Papers

5th Argentine Conference on Electronics (CAE) and 16th Argentina School of Micro-Nanoelectronics, Technology and Applications (EAMTA).

The Argentine Conference on Electronics is a high technical quality forum for researchers and technologists in the field of electronic and associated technologies, that arises as a spinoff of the Argentine School of Microelectronics.

REGULAR PAPERS

The regulars papers will be submitted for inclusion in IEEE Xplore. A selection of the best papers will be invited to submit an extended version to the International Journal of Circuit Theory and Applications (Wiley).

POSTER SESSION

The poster session gives an opportunity to students, and professionals to present their progress on their research. Prospective authors should submit a two page summary of their work. Summaries will be evaluated by a committee and accepted works will be presented in poster format.

IMPORTANT DATES:

- Regular Paper submission deadline: OCTOBER 17, 2022
- Poster summary submission deadline: DECEMBER 20, 2022
- Regular Paper acceptance notification: DECEMBER 10, 2022
- Poster summary acceptance notification: JANUARY 10, 2023
- Regular Paper final submission: JANUARY 09, 2023

From March 09 to 10, 2023
Córdoba, Argentina
