3rd enetCollect STSM Webinar

09 February 2021, 3pm CET

Q&A session for potential STSM applicants

This informal information session provides an opportunity for anyone interested in becoming an enetCollect STSM applicant to talk to former STSM grant holders. With the mediation of the STSM coordinator and the chairs, during this informal Q&A session, an invited grantee will share their experiences of carrying out a STSM.

If you are interested in joining this session, just drop us a line at stsm.enetcollect@eurac.edu so that we can send the meeting link to you ahead of the Webinar.

**Invited grantee:
Marianne Grace Araneta,
University of Trento, Italy**

5 days STSM on “Testing and evaluation of an intergenerational game that fosters language learning and collects language data through explicit crowdsourcing” at the Sorbonne University, France.
