UNC-Chapel Hill Coronavirus Research Collection
<https://cdr.lib.unc.edu/collections/j3860c88t?locale=en>

The **UNC-Chapel Hill Coronavirus Research collection**, is a collection of open access scholarly articles, student papers and presentations related to coronavirus research performed at the University of North Carolina at Chapel Hill. The collection was populated using a customized version of **Bulkcrax**, a bulk upload tool, and is preserved using **Longleaf**. Other features in this collection include people objects, which link creator names, ORCID and affiliations for more accurate metadata.
