

# FIXIT CLINIC

Saturdays, 1 – 4 p.m.  
September 10  
October 8  
November 5

Newark Library  
6300 Civic Terrace Ave.

Bring and fix your broken small electronics, appliances, and toys (or at least learn more about them) with the help of fixit coaches. A textile/clothing coach will also be available. We provide the workspace, tools, and coaches. This is an all-age do-it-together (D.I.T) repair event.

Registration is required. Sign up at the Information Desk, call (510) 284-0677 during library open hours, or email Barbara at [btelford-ishida@aclibrary.org](mailto:btelford-ishida@aclibrary.org). Please mention what item(s) you hope to fix or let us know you want to be a coach and what your skills are.

**We also need coaches!** Jacks & Jills of all trades, tinkerers, and seamsters are invited to become fixit coaches; all you need is curiosity and a willingness to encourage & help others open up their broken stuff and try to fix it. Bringing some tools would also help. The library has sewing machines and supplies.
