## Introduction

---

### **What is FIRST® Tech Challenge?**

FIRST® Tech Challenge is a student-centered program that focuses on giving students a unique and stimulating experience. Each year, teams engage in a new game where they design, build, test, and program autonomous and driver operated robots that must perform a series of tasks. To learn more about FIRST® Tech Challenge and other FIRST® Programs, visit [www.firstinspires.org](http://www.firstinspires.org).

### **Gracious Professionalism®**

---

FIRST® uses this term to describe our programs' intent.

*Gracious Professionalism®* is a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community.

Watch Dr. Woodie Flowers explain *Gracious Professionalism* in this [short video](#).

### **What is the FIRST® Tech Challenge Dean's List Award?**

---

In an effort to recognize the leadership and dedication of FIRST's most outstanding secondary school students, the Kamen family sponsors an award for selected 10<sup>th</sup> and 11<sup>th</sup> grade students known as the FIRST Robotics Competition *and* FIRST Tech Challenge Dean's List Award.

Similar to the very prestigious National Merit Scholarship Award winners, there are three (3) "categories" of FIRST Dean's List Award students:

1. **FIRST Dean's List Semi-finalists** – comprised of the two (2) students in their 10<sup>th</sup> or 11<sup>th</sup> grade school year nominated by each team.
2. **FIRST Dean's List Finalists** – comprised of the students (2, 3, or 4, depending on the region) selected at each Regional Championship.

3. **FIRST Dean's List Winners** – comprised of the ten (10) *FIRST* Robotics Competition and ten (10) *FIRST* Tech Challenge students selected from the applicable *FIRST* Dean's List finalists at the *FIRST* Championship.

The students who earn *FIRST* Dean's List Award status as a semi-finalists, finalist or winner, are great examples of student leaders who have led their teams and communities to increased awareness of *FIRST* and its mission. These students have also achieved personal technical expertise and accomplishment. It is *FIRST*'s goal that these individuals will continue, post-award, as great leaders, student alumni, and advocates of *FIRST*.

Prestigious colleges and universities have expressed great interest in meeting *FIRST* Dean's List's Award winners and *FIRST* hopes that each team will take advantage of the opportunity to nominate the most qualified students as *FIRST* Dean's List nominees!

## Dean's List Award Criteria

---

Criteria for selection of the *FIRST* Dean's List shall include, but not be limited to a student's:

- Demonstrated leadership and commitment to *FIRST* Core Values
- Effectiveness at increasing awareness of *FIRST* in their school and community
- Interest in and passion for a long-term commitment to *FIRST*
- Overall individual contributions to their team
- Technical expertise and passion
- Entrepreneurship and creativity
- Ability to motivate and lead fellow team members

## Who is Eligible?

---

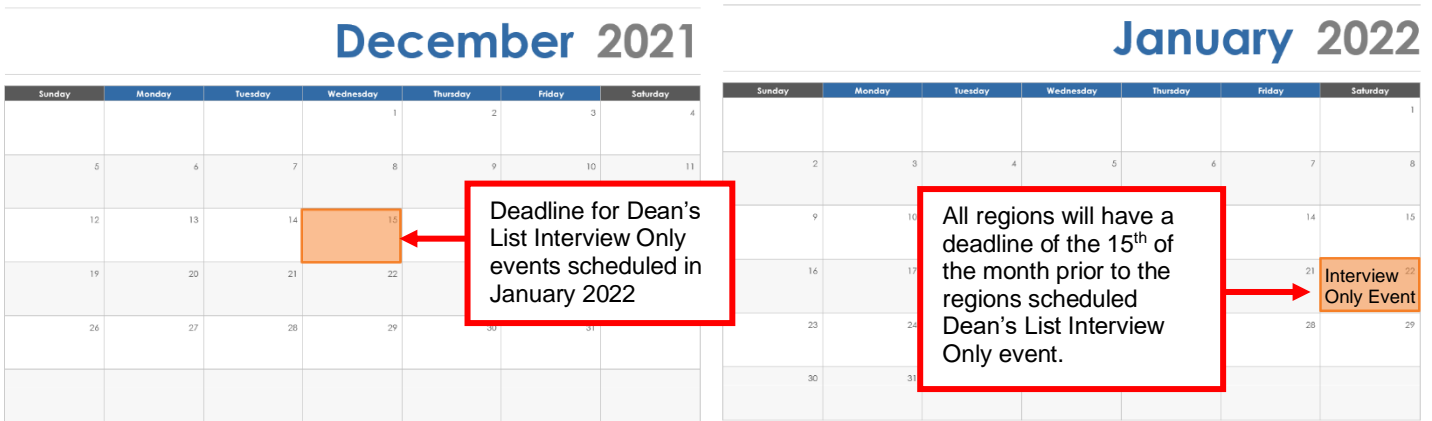

Any team member in North America (includes Canada and Mexico) who is in 10<sup>th</sup> or 11<sup>th</sup> grade may be nominated for the Dean's List Award. Each team may submit a maximum of two nominations. Students who are in 10<sup>th</sup> and 11<sup>th</sup> grade that mentor the team (and do not actively participate as members of the team) are not eligible. Teams must have two screened coaches and also must have paid the current season's registration fee to be eligible.

### ***FIRST* Robotics Competition/*FIRST* Tech Challenge**

Students from both *FIRST* Robotics Competition and *FIRST* Tech Challenge are eligible to be nominated for the Dean's List Award in their state/region's program. There is no rule that states a student cannot be nominated for both programs. However, the coach or mentor writing the nomination should focus the essay on the student's accomplishments in the program in which they are being nominated. If the student is being nominated in each, the coach/mentor should adjust the content of each essay to the specific program.

## What is the Deadline to Submit a Nomination?

The deadline to make a submission will be the 15<sup>th</sup> of the month prior to their region's Dean's List Interview Only event. **The nomination window will close on the 15<sup>th</sup> at 11:59pm Eastern time.** For example:

## Submitting the Nomination

### Deciding Which Students to Nominate

The entire *FIRST* Tech Challenge team should work together to determine which two of their teammates they feel should be nominated for the Dean's List Award. *FIRST* is relying upon the team to review the accuracy of the submission data.

### Who Submits the Nominations?

A mentor or coach of the team who is unrelated to the student being nominated can submit the nomination for the Dean's List Award. This can either be done by the lead coach 1 or 2, or by a role called Dean' List Award Submitter.

### Lead Coach 1 and 2

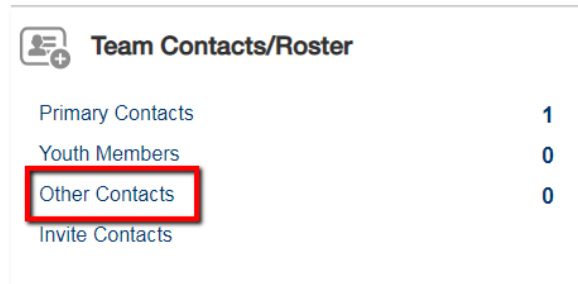

The lead coaches 1 and 2 can make the nomination through the team dashboard. If a mentor or coach (who is not listed as the main or alternate contact in the team dashboard) would like to nominate a student for the Dean's List Award, they can send the nomination essay and required information to the team's lead coach 1 or 2 to be officially submitted through the team dashboard or be added as a Dean's List Award Submitter (covered in the next section). All nominations **must** be entered through the system, any nominations sent straight to *FIRST* will not be considered.

In instances when a student's parent(s) are listed as the lead coach 1 and 2, but the non-relative coach/mentor is writing the nomination, *FIRST* Tech Challenge has required that the non-relative mentor or coaches name be added to the end of the nomination essay. The name added to the end of the essay does count against the 4,000-character limit.

## Dean's List Award Submitter

The lead coach 1 or 2 has the option to add the role “Dean's List Award Submitter” to the team to complete the nomination. Follow these steps to add this role to the team from the team's dashboard.

Click “Other Contacts” from the team dashboard. Click “Invite”

Select “Dean's List Award Submitter” and enter the full name and email address of the person who will be submitting the nomination.

The screenshot shows the "Invite Team Contacts" form for "FIRST Tech Challenge Team# 15934". It includes a dropdown menu for "Contact Type" with the following options:

- Please Select
- Lead Coach/Mentor 2
- Team Administrator
- Mentor
- Youth Mentor
- Corporate
- School
- Scholarship
- Guidance
- Technical
- Dean's List Award Submitter

The "Dean's List Award Submitter" option is selected and highlighted. The form also has fields for "Full Name" and "Email Address", an "add another" button, an "Email me a copy" checkbox, and "Cancel" and "Send Invitation" buttons.

## What Information is Required for the Nomination?

Although a single coach or mentor must submit the nomination, the entire team must verify the accuracy of the submission.

The mentor or coach, who is not related to either of the students chosen as the team's Dean's List semi-finalists, should gather the required information for the student team member to interview for the *FIRST* Dean's List finalist designation at one (1) qualifying tournament, league tournament or interview only event.

Applications will require:

- Nominee name
- Nominee year of graduation
  - This award is intended for students who are two (2) to three (3) years away from entering college or university. Students that would be attending college or university in the next academic year are not eligible.
- Nominee GPA – Although the award is not strictly academic, the GPA may be considered when determining a student's academic excellence. Mentors will enter the nominee's GPA and any qualifying details. Mentors will have 200 characters to describe academic excellence. Examples include:
  - 3.8 on a 4.0 scale
  - Note that the GPA is weighted, 4.2 on a 4.0 scale
  - 94% on a scale of 100%
- How many years the student has participated in *FIRST*
- Tournament for the Dean's List interview to take place
- Nomination essay of no more than 4,000 characters (spaces and punctuation are included in this limit)
- Student Address (if the student is not registered in the Youth Registration System)
  - Coaches can use the address of the school
- **NEW! To be nominated and to receive an interview, students MUST have a signed *FIRST* Consent and Release form.** Students with a *FIRST* Dashboard account and a signed Consent and Release form in their profile can be selected in the drop-down list in the nomination portal. If the student does not have a signed form in their Dashboard account, or does not have a Dashboard account, Mentors may check off a new checkbox acknowledging that they have a signed paper copy of the *FIRST* Consent and Release form before submitting. Paper forms may be acquired by reaching out to your [local leadership](#).

A photograph of the *FIRST* Dean's List semi-finalist is optional. Coaches can only submit one photo of the student, and *FIRST* encourages that the photo is a head shot of the student. The nomination essay and such photos may be used, in promotion of the recipient and/or the award, at the discretion of *FIRST*.

### **Consent and Release Form**

Every student participating in *FIRST* must have a signed consent and release form on file. *FIRST* requires all youth to be registered through the [www.firstinspires.org](http://www.firstinspires.org) dashboard, where the parent can complete the consent and release form electronically. Instructions on how to register youth can be found on our website: <https://www.firstinspires.org/resource-library/youth-registration-system>.

If the student you wish to nominate is registered with *FIRST* but does not have a signed consent and release form on file, the student will not show in the dropdown list. You must manually fill in the information, and a signed paper consent and release form **MUST** be brought to each event where the student participates in *FIRST* activities. We strongly encourage to have every youth register in the *FIRST* dashboard and have a parent complete the youth's consent and release form.

## What Should Be Included in the Essay?

The Dean's List Award honors students who are true ambassadors of *FIRST*. These students are leaders who participate in fundraising, outreach, and spreading the word about *FIRST*; all while excelling in school and other extracurricular activities.

Mentors must write and submit essays following the five prompts below. Each essay section is limited to 800 characters (punctuation and spaces included) with a total 4,000 character limit. Essays should be specific about the semi-finalist's contributions to *FIRST* generally, and to their team specifically as well as inform judges of specifics on the semi-finalist's entrepreneurial, technical, creativity, and innovation skills. Specific examples are helpful to the judges. Information about the semi-finalist outside of *FIRST* may also be supportive of the nomination (as it relates to skills learned in *FIRST*) but is secondary to information about the student's participation in *FIRST*. Essays must be submitted in English.

1. Explain how the student embodies the philosophies of *Gracious Professionalism* and *Coopertition* through the *FIRST* Core Values: Discovery, Innovation, Impact, Inclusion, Teamwork and Fun. Please provide examples.
2. How has the student increased the awareness of *FIRST*? Describe the student's interest and/or plans to continue to engage with *FIRST* beyond high school. Please provide examples.
3. Describe the student's technical expertise, using specific examples in the areas of programming, electronics, design, fabrication, making, illustrating how these skills have contributed to the team's success.
4. How does the students' individual contributions to the team benefit the team as a whole in the areas of fundraising, outreach, entrepreneurship, and creativity? Please provide examples.
5. Explain the student's leadership to their fellow team members. How do they motivate others? What is their leadership style? Please provide examples.

When writing the essay, it is important to remember that this essay is a vital tool used to decide which students should advance to the next level. Only including a few short sentences in the essay can limit an otherwise great candidate from moving to the next level. Try to be as detailed as possible while remaining in the character limit. Additional tips to keep in mind when writing an essay are:

- The nomination essay should mainly focus on *FIRST* related activities and accomplishments.
  - Mentioning other achievements outside of *FIRST* as they demonstrate leadership, entrepreneurship, etc. is okay but should not be the sole focus of the nomination.
- Include specific examples of what makes the nominee so exceptional and how they meet the award criteria. Don't just say it – prove it!
- Describe the difference your nominee's contributions have made and show why they are important. Include benefits from their efforts and what the impact was. Use measurable results whenever possible.
- What sets this student apart from others? Focus on why you selected this student, apart from all others on the team, to nominate.
- Consider: How this student is a model *FIRST* participant – for example, major position on the team, has created/furthered the team's initiatives in a meaningful way, and believes in the missions of *FIRST*.
- Avoid sweeping generalities.
- Avoid run-on sentences.
- Be concise. Make the narrative clear and easy to read.
- Topics in the submission should be able to be validated in an interview. If the submission talks about certain things the student should expect questions about those things during the interview.
- We recommend reviewing Appendix A: Dean's List Awards Helpful Terms in this document.
- Follow the prompts and keep the criteria for the award in mind. Remember things such as:
  - How is the student a leader?
  - How has the student helped increase the awareness of *FIRST*?

- Describe the student's interest and passion that demonstrates their long-term commitment to *FIRST*.
- Describe their technical expertise.
- Describe their entrepreneurship and creativity.
- What are the student's *individual* contributions to outreach or fundraising efforts?
- What are the student's *individual* contributions to the team, whether it is building, programming, team captain, etc.?

Please note that nominations made without an essay will not be considered for an interview.

## Which Event Should I Apply For?

---

### **Dean's List Interview Only Event**

Every region will have a "Dean's List Interview Only" event associated with that region. Coaches must select this event in the dropdown when they are submitting the Dean's List nomination.

A separate dropdown allows the coach to select where the student will be competing. Some regions may choose to interview the student in person where they are competing, however other regions may opt to have remote interviews.

If an event is not listed in the nomination page, please contact [FTCDeansList@firstinspires.org](mailto:FTCDeansList@firstinspires.org).

## How Are Students Notified if They Advanced to the Next Level?

---

### **Semi-Finalists**

Once a student is nominated, they are automatically considered a semi-finalist. An email confirmation will be sent to the student, the submitter of the nomination, and the student's parent (if registered in the Student Registration System) notifying them of the submission. The email will include the nomination essay as well as where the interview will take place.

### **Finalists**

Finalists for each state/region will be announced at their state/region's championship tournament. Generally, the students will be announced at the opening or closing ceremony; however, this is subject to change based on each region.

**NOTE:** There are no further interviews after the student is selected as a Finalist. The Championship Dean's List Award Judge Committee will review the essays and any available interview feedback for each Finalist to determine who the ten winners are. Finalists need not be present at the *FIRST* Championship in order to be considered.

### **Award Winners**

At the *FIRST* Championship, all *FIRST* Dean's List finalists will be considered for the award as applicable. No interviews will take place at *FIRST* Championship. Judges will use the essays provided and any interview feedback available. Finalists do not need to be present at the *FIRST* Championship to be considered. Ten (10) *FIRST* Robotics Competition students will be selected as *FIRST* Robotics Competition Dean's List Award winners and ten (10) *FIRST* Tech Challenge students will be selected as *FIRST* Tech Challenge Dean's List Award winners.

The ten *FIRST* Tech Challenge Dean's List Award winners and ten *FIRST* Robotics Competition Dean's List Award winners will each receive the following:

- A unique trophy and recognition at *FIRST* Championship\*
- A written recommendation from *FIRST* leadership to the college(s) or employers of their choice.
- The original team of the winning student will receive a credit toward the next seasons registration fee.
- The 10 *FIRST* Robotics Competition and 10 *FIRST* Tech Challenge winners will have the opportunity to apply for the [Woodie Flowers Memorial Grant](#), with one student out of the 20 winners will be awarded the grant.
- An invitation for them and a chaperone to attend an expense paid *FIRST* Dean's List Award Summit at *FIRST* headquarters in Manchester, NH; and\*
- An opportunity to work with all members of the *FIRST* Dean's list and *FIRST* leaders to advance the Alumni mission of *FIRST*.

\*For the 2021-2022 season, these activities will be reviewed at a later date to determine if it is feasible to host in person events.

## Number of Advancing Finalists by Region

The number of semi-finalists that will move onto the next level as finalists depends upon the region. Regions with larger team numbers will have additional spots to advance students. The list below outlines the number of advancing finalists by region:

The student will not be interviewed at an event without a form.

## Preparing for the Interview

---

### **What to Expect**

Upon the nomination window closing, every semi-finalist will receive an email from *FIRST* which provides the Semi-finalist the essay nomination written by the coach. Semi-finalists should make sure to read the essay to help prepare for the interview. Be prepared to discuss topics written in your nomination essays and anything else that you might want to mention that is relevant. It is also helpful to prepare a list of topics you want to discuss during the interview.

**New:** Interviews are now 6-10 minutes long. Students needing a translator or sign language interpreter may include an additional person to act as that translator/interpreter. The translator/interpreter does not need to be a team member. For these students, the duration of the interview is increased by up to 5 minutes.

The interview is where the Dean's List Interviewers can meet you and potentially learn some new information about you. There is no need to dress up for your interview, but we do recommend that you prepare for it as if it were a job interview. Come up with some talking points so you can remember things that you want to tell the judges in response to questions, do mock interviews, and come into the interview planning to be confident and engaging.

During the interview, please remember that it is about YOU, your contributions, leadership, etc. in relation to the criteria of the award. For example, if you are discussing accomplishments of your team as a whole, make sure to specify how your individual efforts were vital in the success of those accomplishments. Do not be afraid to share your personal successes!

Only the nominated student is allowed to present information or answer questions from the interviewers. In instances where a mentor is present, the adult team mentor may observe and later provide feedback to the student, but the mentor is not allowed to provide any assistance during the interview.

Recording video, audio or taking pictures (including screenshots) are prohibited during the interview. In addition to *FIRST* prohibiting recording, there may be other legal restrictions governing recording.

Although the interviewers are not prescribed a list of required questions to ask, they are given a list of suggestions. Examples of questions you might expect:

- How long have you been involved with *FIRST*?
- Describe your roles and responsibilities.
- What is your specialty role on the team? Describe your contribution.
- Describe one example of how you were a leader.
- Give me your thoughts on how you could improve the *FIRST* experience?
- Describe how you plan to continue to be active in *FIRST* through college and beyond.
- Give me examples of your *FIRST* activities in your school?
- Give me examples of your *FIRST* activities in your community?
- What technical innovations have you brought to your team's robot?
- What are your plans for college and beyond?

We also recommend reviewing the Dean's List Award Helpful Terms in Appendix B in preparation for your interview.

### ***When is My Interview?***

Each region schedules the Dean's List Interview Only event based on the timing of their season. There will also be differences of remote interviews or in person interviews at an event.

Coaches will be contacted by a Tournament Director or Dean's List Interviewer to schedule when the interview will take place. Interviews are always completed prior to the regional championship event, where the finalists for each region are announced.
