

WELCOME TO *Gangplank* Henrico

What is Gangplank?

Gangplank is a place for creators.

When diverse backgrounds and ideas collide, those moments provide the necessary fuel to innovate. Gangplank provides the infrastructure, both physical and social, for this to happen.

We serve as a place for people to explore their creativity, then challenge them to build their ideas into a viable startup – forging a vibrant economy in the process.

We envision a new economic engine comprised of collaboration and community, where industries come together to transform our culture.

We're not coworking – we're a collaborative workspace.

We are currently sharing some temporary space upstairs at the Employment Transition Center (the former Innsbrook Library at 4060 Innslake Drive, Glen Allen, VA 23060).

Getting Started

1. Give your name and county to the people in reception. Smile. They are friendly people!
2. Walk upstairs (or take the elevator). It might be empty. It's OK.
3. You'll see a small shelf with some places to leave your card. Grab an index card, write your name & other relevant info (Twitter, Website, etc).
4. Pick a spot in the center space, display your badge and get to work!
5. Collaboration is important. Please do not set up shop in one of the offices. It is extremely awesome what happens when you are here. Welcome.
6. When you leave, drop off your name badge and holder where you picked it up when you walked in.

Get Involved

1. Ask for a tour from anyone here. We are all learning together. Talk to people. It's okay to be awkward.
