

- CoolTechGirls is a joint initiative between City of Dublin, Dublin Entrepreneurial Center (DEC), TechDEC and Cybervation.
- Our vision is to provide a supportive and collaborative environment to school age girls to ignite their passion in science and technology.

You're smart, inquisitive and like to break barriers. You're one of the CoolTechGirls. We're excited to invite you to get together with other girls who are interested in technology and STEM and learn about careers from professional women working in the field.

Join Us Where Girls Rule!

You are invited to an exciting kick-off event geared toward girls in grades 6-12 that will include topics like public speaking, digital technology and interaction with professional women from diverse careers such as biochemistry. You will also have the opportunity to participate in a hands-on activity. You will hear from a CoolTechGirl like you who designed an app for Autism that has made a difference in the lives of others.

When: Saturday, May 18 from 3pm to 5pm

**Where: Dublin Entrepreneurial Center (DEC),
First Floor Training Room, Suite 180
565 Metro Place South, Dublin, Ohio 43017**

-  *Discover how to put your best self forward*
-  *Learn about careers in digital technology*
-  *Learn about breast cancer treatment from a researcher from the OSU Wexner Medical Center*
-  *You will meet a young woman who will inspire you to develop your own mobile app*

*There is no charge for this event
Light Refreshments will be Served*
