Market Wrap-Up

Post four consecutive sessions of losses—markets on the day of August series F&O expiry impelled in the final hour of trade clocking gains of about half a percentage point after instigating and trading in the negative terrain for most part of the day amid cautious global markets ahead of the lackson Hole meeting and the first quarter GDP number for FY13. Reports from Germany, Japan and South Korea deepened concerns that the global economy is slowing which added to the woes of the global indices. Domestic markets that flouted in the final hour of trade parked the benchmark Nifty and the Sensex above their crucial levels of 5300 and 17500 respectively at 5315.05 and 17541.64 correspondingly.

Domestic Update

- Parliament was adjourned till noon amid din as BJP persisted with its demand for Prime Minister Manmohan Singh's resignation provoking Congress members to raise slogans. The deadlock in both Lok Sabha and Rajya Sabha over the CAG report on coal block allocation issue entered its seventh day as the Houses met after a day's break on account of Onam.
- Amid din over CAG report on coal block allocation issue, the Lok Sabha passed a bill that would allow the government to set up AIIMS-like institutes across the country by a notification.
- As India seeks to control high inflation, RBI Governor D Subbarao has said a little sacrifice in growth is "inevitable" amid efforts to bring down prices to acceptable levels.

Sector Update

- Government made it clear that no further extension will be given to the mandatory cable digitization in the four metros of Delhi, Mumbai, Kolkata and Chennai. According to the law enacted by Parliament, over 12 million homes with television in metros have to move to digital signals by October 31 this year.
- The Food Ministry is looking to sell additional three million tonne wheat in the open market to bulk consumers such as flour millers, a move aimed at containing price rise and offloading surplus stocks.
- India is expected to see renewable energy capacity addition of 30,000 MW, with significant contribution from wind power, over the next five years. At the end of 12th Five Year Plan (2012-17), the country is expected to have total renewable energy generation capacity of 55,000 MW. India has renewable generation capacity of about 25,000 MW.
- The Micro, Small and Medium Enterprises (MSME) Ministry said it has not received any proposal to dilute guidelines related to foreign direct investment in the single-brand retail sector.
- Union Ministry of Environment and Forest has directed two mines operating close to Bhagwan Mahaveer Wildlife Sanctuary in Goa to stop their operations.
- The government has allowed cement companies to do away with disclosures such as capacity and production figures. This is due to the recent revision in Schedule VI of the Companies Act--which has a clause on exempted disclosures on installed capacity and production statistics of manufacturing companies to align reporting norms with global standards.

Corporate Update

- With the advent of festival season India's largest lender the State Bank of India has embarked upon a special campaign to ramp up its home loan book. It is going to reduce the processing fee for home loans to Rs.1000 per loan irrespective of the size. The offer would be made available from September 01 onwards.
- Elgi Equipments has acquired 100% stake in Rotair S.p.a. The acquisition is through its subsidiary Elgi Compressors Italy.
- Indian fertilisers and petrochem firm Deepak Fertilisers has abandoned plan to build a USD 350 million plant at Port Bonython, South Australian Mining minister Tom Koutsantonis said.
- Orchid Chemicals sold its penicillin and penem business to US-based Hospira Inc for USD 200 million.
- Global player British Telecom began sale of a part of its over 23% stake in IT major **Tech Mahindra** in the open market.
