Disclaimer

This report has been issued by Indsec Securities and Finance Limited (ISFL), which is a SEBI regulated entity.

This document is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of security.

This document has been prepared and issued on the basis of publicly available information, internally developed data and other sources believed to be reliable. However, we do not guarantee its accuracy and the information may be incomplete and condensed. Note however that, we have taken meticulous care to ensure that the facts stated are accurate and opinions given are fair and reasonable, neither the analyst nor any other employee of our company is in any way responsible for its contents. The Company's research department has received assistance from the subject company (ies) referred to in this document including, but not limited to, discussions with management of the subject company (ies). All opinions, projections and estimates constitute the judgment of the author as of the date of this document and these, including any other information contained in this document, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. While we would endeavor to update the information herein on reasonable basis, we are under no obligation to update or keep the information current. Also, there may be regulatory, compliance, or other reasons that may prevent us from doing so.

Securities recommended in this document are subject to investment risks, including the possible loss of the principal amount invested. Any decision to purchase/sale securities mentioned in this document must take into account existing public information on such security or any registered prospectus. The appropriateness of a particular investment, decision or strategy will depend on an investor's individual circumstances and objectives. The securities, instruments, or strategies discussed in this document may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved).

This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject the company to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction

The company may trade in securities, which are the subject of this document or in related instruments and may have acted upon, use or used the information contained in this document or the research or the analysis on which it is based, before its publication. The company or its directors may have a position or be otherwise interested in the investment strategy referred to in this document. The company may be involved in any other transaction involving such securities and earn brokerage or other compensation or act as advisor or lender/borrower to such company(ies) or have other potential conflicts. of interest with respect to any recommendation and related information and opinions. This is just a suggestion and the company will not be responsible for any profit or loss arising out of the decision taken by the reader of this document. Any comments or statements made herein are those of the analyst and do not necessarily reflect those of the company. No matter contained in this document may be reproduced or copied without the consent of the company. Any unauthorized use, duplication, redistribution or disclosure is prohibited by law and will result in prosecution. The information contained in this document is intended solely for the recipient and may not be further distributed by the recipient. The Company accepts no liability whatsoever for the actions of third parties.

The research analyst(s) of this report certifies that all of the views expressed in this research report accurately reflect their personal views about those issuer(s) or securities and that no part of his/her/their compensation was, is, or will be, directly or indirectly, related to the specific recommendation(s) or view(s) expressed by that research analyst in this research report.
