

# Virtual Office Hours

with the Renz Weed Science Lab

*What's new with weed management in pastures*

Join the Renz Weed Science Lab for this pasture-focused session of our Virtual Office Hours! We'll provide a brief introduction and leave the rest of the time for your questions and discussion.

**Wednesday, March 23rd, noon–1 pm CDT.**

**[Register in advance here](#)** to get the link to join Virtual Office Hours. This registration will also give you access to other weeks of [Virtual Office Hours](#).
