

## Elie Wiesel died

Bucharest July 2<sup>nd</sup>, 2016

We, at MCA Romania, are deeply saddened by the news of Elie Wiesel passing. We express our sincere condolences on the death of the one man, one Holocaust survivor, that will always remain in our hearts and memory as the man who established, in Romania, the Holocaust Remembrance national institutions.

In 2003, when no one in Romania responded to our initiative for constructing the Holocaust Memorial in Bucharest, we turned, for support, to Elie Wiesel. He responded to our appeal and our project became a reality that, for generations, will honor the memory of the victims, Jews and Roma, of the WWII Romanian fascist regime.
