Community Spotlight and Crime Overview

### "WE STAND WITH YOU!"

#### **SPOTLIGHT!**

Brenda
Demonbreun
dedicated her
poem, "We
Stand With
You," to the
Midtown Hills
Precinct.

Thank you for this amazing work of art and message!

#### "We Stand With You!"

Living in this day, tormented by its struggle
I wonder the pain of badges without honor
Societal decay of tumultuous strain
Aromatic displeasures amid costly betrayal
Life but a humble sacrifice in the eyes of honors call
Shifting shadows, loyal yet wounded
Loyal to the decree of community and peace
Wounded by the anger festering all around
Solidarity never so harrowing in desire
Integrity without shame
Loyal though abandoned
We stand with you!

Your hands grip the blood of human frailty
Courageous and bold, gutted and beaten
Burdened in view by the onslaught before you
Though wounded in heart you press forward
Hindered by soul pestering division
Embattled by flaws of human perception
Engulfed in corruption, stained by its lesion
Despised in realms of misunderstanding
Serving and protecting in valor's victorious hope
Longing to be seen, aching to be heard
Yet, you stand immoveable, unshakeable
We stand with you!

Immoveable with strength embodied in your soul
Resilience captures the linger of survivals sweet goal
Stand firm we see you! Press on we hear you!
Unified in love we hold you in the highest regard
Unshakeable in uniform bold in blue's tenacious resolve
Storms break the rudder though glory secures the anchor
Never imprisoned in shifting shadows
Integrity never in fear of shames bellowing fall
Abandoned no more!

We so only an eclipse of vesterday's regret

Illusion only an eclipse of yesterday's regret
Legacy recalls the victorious path lead by a greater vision
We stand with you!

#### **BAR/RESTAURANT SAFETY**

Tips to Keep You Safe While Out on the Town

- Watch your drink 1) never accept premade drinks; 2) cover your drink; 3) if you leave your drink alone, even for a minute, DO NOT drink it. It only takes seconds for a drug to be slipped into your drink.
- Carry your essentials with you (i.e. wallet, phone, purse, cash, etc.). Do NOT leave it at the table or turn your back to it even for a few seconds.
- Know where your primary and emergency exits are in case of emergency.

- Utilize ride shares for safe travel leaving the bar or have a designated driver.
- Have a code word with your friends for when it is time to leave or somebody is bothering you/making you feel uncomfortable.
- Know your limits and when to stop drinking.
- Have a bar buddy listen to them when it is time to stop drinking and/or leave!
- Stay together. Don't go to the bar alone unless you are a regular and know the employees and majority of other regulars.

"Summer is a state of mind."

#### SAFE TRAVELS

Tips to Keep You Safe on the Road

- Lock up your valuables when away from your vehicle. Keep an eye on your wallet, phone, purse, etc. at all times when out and about (do not leave these unattended!).
- Pay attention to your surroundings (situational awareness). Imagine your head being on a swivel and always be looking.
- Criminals are adept at choosing targets who are unaware.
- Notify your bank you are traveling so your cards do not accidentally get locked.

- Travel in numbers the more people around you, the more eyeballs on your valuables and your safety.
- Pack a first aid kit.
- Trust your gut instinct. Your body sees and hears more things than you are consciously aware of.
- Carry a door wedge with you for hotels and other rooms. These are often stronger than the door they secure.
- Stick to well-lit and populated areas, especially when alone.
- Risk is unavoidable but it can be managed, keeping you safer.

"Perseverance is failing 19 times and succeeding the 20th."

#### **SCAMS AND ONLINE SAFETY**

**Protect Yourself From Identity Theft** 

- Use a nickname when communicating online.
- Keep personal information confidential (home address, phone number, SSN).
- Instruct family members to do the same!
- Keep virus protection updated, be aware of current frauds, scams, etc.
- Keep your SSN card at home in a safe place.
- Never give out your credit card information over the phone or internet without first verifying the source.
   Look for the lock icon in the URL bar, which means the website is encrypted and safe (see picture below).
- Do not agree to pay an entity over the phone with gift cards for any reason (known scam).

"June suns, you cannot store them."

#### **SAFEPROOF YOUR HOME**

**Home Security Tips** 

- Lighting is everything! Bright lighting
  is a great deterrent to a would-be
  criminal. A well-lit yard is visible to
  neighbors, people passing by, and from
  the inside of your home.
- Avoid an empty appearance. Leave a light or TV on when you plan to be away. Have the post office hold your mail or a trusted neighbor collect your mail while you are away.
- Hide valuables out of sight (new lawnmower, grill, car, etc.). Use curtains to cover windows after dark to prevent criminals from seeing valuable inside your home.

- Do not keep a spare key outside. Use a quality smart lock (keypad entry) if being locked out or having a pet sitter check on pets is a concern.
- Secure your doors and windows. Lock the latches on the windows. Ensure the dead bolts on doors are in good repair. Keep your garage door(s) closed.
- Eliminate blind-spots in your yard.
   Trim overgrown shrubs to 2 feet or shorter. Trim trees up to a height of 6 feet so a criminal cannot hide.
- Utilize camera systems (doorbell cameras, spotlight cameras, etc.).

"You were born to be real, not perfect."

#### **SECURING YOUR VEHICLE**

YOU Can Prevent the Loss of Your Valuables

#### Park Smart

- Lock your vehicle.
- Remove any valuables from your vehicle or secure them out of sight if you cannot.
- Do NOT store firearms in your vehicle when unoccupied.
- Buy a lockbox and cable to secure a firearm inside your vehicle out of sight if you absolutely cannot remove it from your vehicle.
- Do NOT store your car keys inside the vehicle (upwards of 65%+ of all motor vehicle are stolen due to the vehicle being unlocked with keys inside).
- Do NOT leave your vehicle running when unattended (i.e. warming up in driveway or at a gas station).
- Park in well-lit areas.
- Remove your garage opener.

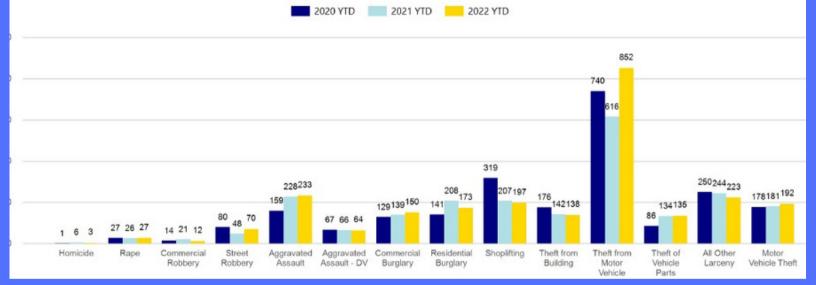

VIOLENT CRIMES ARE INCREASING IN NASHVILLE. MANY OF THE VIOLENT OFFENDERS USING GUNS TO COMMIT VIOLENT CRIMES ARE OBTAINING THESE GUNS FROM LAW ABIDING CITIZENS' VEHICLES. THESE GUNS ALSO FALL INTO THE HANDS OF YOUTH. YOU CAN PREVENT THIS.

LOCK
YOUR
VEHICLE.
REMOVE
