

**Innovation Academy** invites you to join us for:  
***No School Excels East Stroudsburg***  
a participatory performance with Round the Corner Movers

“being physically brought into the ‘play’ ... was an amazing element, for me. It instantly, physically evoked memories of things, people, places and experiences I hadn't thought of in decades.”

***A participatory performance that combines dance and story circle to evoke sense memory and spur conversation.***

**Together we ask:**

- How are our interactions, expectations, and identities shaped in school?
- How is our sense of what we can do in the world shaped in school?
- How might asking these questions change the culture of education?

**Saturday, April 6, 1:00 PM**
