

The First Annual Hopkins Imaging Conference

**Submit Abstracts
by September 7th, 2011!!**

Acquisition, Analysis, Application: showcasing imaging research at Johns Hopkins University

*** 6 October 2011 ***

Turner Auditorium and Concourse (720 Rutland Avenue, Baltimore, MD 21205)

FREE for ALL PARTICIPANTS

1:30pm - 2:00pm: Turner Auditorium: Introductory Lecture

- Dr. Elliot McVeigh (Director, Department of Biomedical Engineering)

2:00pm - 5:30pm: Turner Auditorium: Faculty Lectures:

- Xingde Li, PhD (Associate Professor, Biomedical Engineering; Laboratory of Biophotonics Imaging & Therapy)
- Andrew Ewald, PhD (Assistant Professor, Center for Cell Dynamics)
- Jonathan Lewin, MD (Chairman, Department of Radiology)
- Elliot Fishman, MD (Director, Diagnostic Imaging and Body CT, Radiology)
- Jeffrey Siewerdsen, PhD (Associate Professor, Biomedical Engineering; Imaging for Surgery, Therapy, and Radiology)
- Jerry Prince, PhD (William B. Kouwenhoven Professor of Electrical and Computer Engineering)
- Peter van Zijl, PhD (Director, F. M. Kirby Research Center for Functional Brain Imaging)
- Benjamin Tsui, PhD (Director, Division of Medical Imaging Physics)

5:30pm - 6:30pm: Turner Concourse: Happy Hour with Poster Presentations, Refreshments, and Raffle

More Information: <http://imaging.jhu.edu/conferences/imaging-conference-2011>

Submit an Abstract for a Traditional Poster by **September 7th, 2011!** (We ARE accepting abstracts that have already been submitted at other conferences -- see our [abstract submission section](#) for details.)

Register for the Conference (and be eligible for a raffle prize) by **October 1st, 2011!** Registration is FREE for all participants! Only registrants present at the Poster Presentation Happy Hour are eligible for raffle prizes. Even if you do not register ahead of time, you and anyone interested in imaging are welcome to attend the conference.

Organized by the **Hopkins Imaging Initiative:** <http://imaging.jhu.edu>
