Subject : ITTP Selection of Students for 2012 Spring

To whom it may concern:

We are pleased to inform you that we have started to recruit new ITTP students for 2012 spring.

ITTP, sponsored by the Korean Ministry of Knowledge Economy, offers a customized master's and doctoral degree program for government officials, employees of public institutions or senior-level researchers at national research centers working in the IT fields of foreign countries. All the students will receive scholarships, up to 2 years for master's students and up to 3 years for doctorate students.

Details regarding the selection are attached. Please contact us if you have any inquiries or need our assistance.

Thank you.

Best Regards,

Jae Jeung Rho, Director,
