Full text of statement (English & Hindi) and complete list of signatories below

Coming together to express their shock and horror at the pre-mature release of 11 men convicted of gang-rape and mass murder, about 6000 ordinary citizens, grassroot workers, women's, human rights, peace, secularism, anti-caste, disability, queer rights and other peoples' movements, groups and activists, eminent writers, historians, scholars, filmmakers, journalists and former bureaucrats and many more, came together to say, "On the morning of August 15, 2022, in his Independence Day address to the nation the Prime Minister of India spoke of women's rights, dignity and Nari Shakti. That very afternoon Bilkis Bano, a woman who embodied that 'Nari Shakti' in her long and daunting struggle for justice, learnt that the perpetrators who killed her family, murdered her 3 year old daughter, gang-raped and left her to die, had walked free." No one sent her notice. No one asked how she, a gang-rape survivor, felt about the release of her rapists... it shames us that the day we should celebrate our freedoms and be proud of our independence, the women of India instead saw gang-rapists and mass murderers freed as an act of State largesse.

The remission of sentences for the 11 convicted of gang-rape and mass murder will have a chilling effect on every rape victim who is told to 'trust the system', 'seek justice', 'have faith'. Further the statement stated that the "remission of these sentences is not only immoral and unconscionable, it violates the State of Gujarat's own existing remission policy..." and "the guidelines issued by the Central government to States on a prisoner release policy to coincide with Azadi ka Amrit Mahotsav which also clearly states that among the categories of prisoners NOT to be granted Special Remission are "those convicted of rape". Most importantly, in a case investigated and prosecuted by the CBI, no remission can be granted by a State without concurrence by the Centre. That such a remission was even considered, and then permitted, reveals the hollowness of the public posturing about Nari Shakti, Beti Bachao, women's rights and justice for victims.

Hence, the statement urged the Supreme Court to undo this grave miscarriage of justice. Prominent among the signatories to the statement are:

Revoke the pre-mature release of 11 gang-rapists and mass murderers in Gujarat.

WE STAND IN SUPPORT AND SOLIDARITY WITH BILKIS BANO'S 20 YEAR STRUGGLE FOR JUSTICE.

IT HAS A CHILLING EFFECT ON THE FIGHT FOR JUSTICE BY ALL RAPE VICTIMS.

WE CALL UPON THE SUPREME COURT OF INDIA TO UNDO THIS GRAVE MISCARRIAGE OF JUSTICE.

WE CALL UPON ALL CITIZENS TO STAND WITH ALL VICTIMS OF RAPE.

On the morning of August 15, 2022, in his Independence Day address to the nation the Prime Minister of India spoke of women's rights, dignity and Nari Shakti. That very afternoon Bilkis Bano, a woman who embodied that 'Nari Shakti' in her 17 year long struggle for justice, learnt that the perpetrators who killed her family, murdered her 3 year old daughter, gang-raped and left her to die, had walked free. No one asked for her views, or enquired about her safety. No one sent her a notice. No one asked how she, a gang-rape survivor, felt about the release of her rapists.

Bilkis has always said that her struggle for justice is a struggle for all women, and on August 15th the rights of each rape victim in India has received a blow.

It shames us that the day we should celebrate our freedoms and be proud of our independence, the women of India instead saw gang-rapists and mass murderers freed as an act of State largesse. The remission of sentences for the 11 convicted of gang-rape and mass murder will have a chilling effect on every rape victim who is told to 'trust the system', 'seek justice', 'have faith'. The early release of these murderers/rapists only strengthens the impunity of all men who commit rape and other acts of violence against women. The remission must be revoked.

Bilkis was just 21 years old, and 5 months pregnant in 2002 when she was gang-raped, watched her 3 year old daughter Saleha's head smashed on a rock, watched 14 members of her family murdered. Saw several female members of her family raped and murdered. It was the most heinous of crimes. As the sole adult survivor of this horrific massacre, Bilkis Bano then embarked upon a brave and long battle to secure justice. She did what we tell all rape victims to do – she found inner strength, stood her ground, testified to her truth and trusted the criminal justice system. It was a long journey but justice came. All perpetrators were convicted by the Special CBI Court in Mumbai in 2008. The conviction was upheld by the Bombay High Court, and by the Honorable Supreme Court. As Bilkis herself said in 2017, when the Bombay High Court upheld life sentences for the convicts - “.. *this verdict does not mean the end of hatred but it does mean that somewhere, somehow justice can prevail. This has been a long, seemingly never ending struggle for me, but when you are on the side of truth, you will be heard, and justice will be yours in the end.*”

Today, that justice stands undone.

The remission of these sentences is not only immoral and unconscionable, it goes against the State of Gujarat's own existing remission policy which expressly states such remission is "NOT" for those convicted of rape or gangrape.

Additionally, it violates the guidelines issued by the Central government to States on a prisoner release policy to coincide with Azadi ka Amrit Mahotsav which also clearly states that among the categories of prisoners NOT to be granted Special Remission are "those convicted of rape".

Most importantly, in a case investigated and prosecuted by the CBI, no remission can be granted by a State without concurrence by the Centre. That such a remission was even considered and then permitted reveals the hollowness of the public posturing about Nari Shakti, Beti Bachao, women's rights and justice for victims.

To those who facilitated the release of 11 murderers and gang-rapists in contravention of the law of the land, we say this: You have let down every woman in the country. Made us more unsafe, more threatened and more at risk of violation. You have diluted our faith in the idea of justice for women of India.

We end with reaffirming our solidarity to Bilkis Bano and every other victim of sexual assault who has the courage to stand up for justice today. We express deep concern for her safety and that of her family. We are pained that this brave woman has to relive the trauma of the past 20 years.

We demand that women's faith in justice be restored. We demand the remission of sentences for these 11 convicts be immediately revoked and they be sent back to prison to serve the remainder of their life terms.

गुजरात में हुए सामूहिक बलात्कार और हत्याओं के 11 दोषियों की समय से पहले रिहाई को तुरंत रद्द किया जाए!

न्याय के लिए बिलकिस बानो के 20 साल के संघर्ष में हम उसके समर्थन में एकजुट हैं

हम मांग करते हैं कि सामूहिक बलात्कार और हत्या के 11 दोषियों की समय से पहले रिहाई को तुरंत रद्द किया जाए!

न्याय के लिए संघर्ष कर रहे सभी बलात्कार पीड़ितों पर इसका अत्यधिक नकारात्मक और बुरा असर पड़ेगा !

हम भारत के सर्वोच्च न्यायालय से इस फैसले को जो कि न्याय पर एक गंभीर आघात है, को पलटने की मांग करते हैं

हम भारत के सभी नागरिकों को अपील करते हैं कि वे इस अन्याय के खिलाफ और बलात्कार पीड़ितों के समर्थन में खड़े हो

15 अगस्त 2022 की सुबह, 75वें स्वतंत्रता दिवस पर राष्ट्र को संबोधित करते हुए भारत के प्रधानमंत्री ने महिला अधिकार, गौरव और नारी-शक्ति के बारे में बात की। उसी दिन दोपहर में 'बिलकिस बानो', एक महिला जो उसी 'नारी - शक्ति' की मिसाल के रूप में पिछले 17 साल से न्याय की लम्बी लड़ाई लड़ रही है, को पता चलता है कि वे लोग जिन्होंने उसके परिवार के लोगों को मार डाला, उसकी 3 साल की मासूम बच्ची का कत्ल किया, उसके साथ सामूहिक बलात्कार किया और फिर उसे मरने के लिए छोड़ दिया, वो सभी जेल से बाहर आ गए हैं और आज़ाद हो गए हैं। किसी ने उससे उसके विचार नहीं पूछे या उसकी सुरक्षा के बारे में जानने की कोशिश नहीं की। किसी ने उसे नोटिस भी नहीं भेजा, किसी ने नहीं पूछा कि एक सामूहिक बलात्कार की पीड़ा से निकली महिला को अपने बलात्कारियों की रिहाई के बारे में सुनकर कैसा मेहसूस हुआ।

बिलकिस ने हमेशा कहा है कि न्याय के लिए उसकी लड़ाई केवल उसकी अकेले की लड़ाई नहीं है बल्कि सभी महिलाओं की लड़ाई है जो न्याय के लिए लड़ रही हैं, और इसलिए 15 अगस्त को भारत में हर एक संघर्षील बलात्कार पीड़िता को एक बड़ा झटका लगा है।

यह हमारे लिए बहुत ही शर्म के बात है कि जिस दिन हम भारतवासियों को अपनी आज़ादी की खुशी मनानी चाहिए और अपनी स्वतंत्रता पर नाज़ करना चाहिए, उसी दिन भारत की महिला अपने साथ हुए सामूहिक बलात्कार और हत्या करने वाले दोषियों को देश के कानून द्वारा बरी कर दिए जाने की साक्षी बनी। कानून द्वारा उन सभी 11 सामूहिक बलात्कार के दोषियों को छोड़ देने का आदेश उन सभी बलात्कार से पीड़ित महिलाओं को सुन्न कर देने वाला होगा जिन्हें यह कहा जाता है कि "देश की न्याय व्यवस्था पर भरोसा रखो.....न्याय की मांग करो... विश्वास रखो"। इन कातिलों/बलात्कारियों का सज़ा पूरी किए बिना, जल्दी छूटना इस बात को पुनः स्थापित और पुख्ता करता है कि वे सभी आदमी जो महिलाओं के साथ बलात्कार या अन्य किसी तरह की हिंसा करते हैं वे आसानी से दण्ड मुक्त हो सकते हैं। इस संदर्भ में यह और भी ज़रूरी है कि इस रिहाई को निरस्त किया जाए। 2002 में बिलकिस मात्र 21 साल की थी और 5 महीने के गर्भ से थी जब उसके साथ सामूहिक बलात्कार हुआ। उसने अपनी 3 साल की बच्ची सलेहा के सिर को चट्टान पे पटककर फटते हुए देखा, अपने परिवार के 14 लोगों का

कत्ल होते हुए देखा, अपने परिवार की कई औरतों के साथ बलात्कार और फिर कत्ल होते हुए देखा। ये बड़े जघन्य अपराध थे।

इस भयानक नरसंहार के बाद वहां एकमात्र बची बिलकिस बानो ने न्याय को पाने के लिए बहादुरी के साथ लंबी लड़ाई शुरू की। उसने वही किया जो हम सभी बलात्कार पीड़ितों को करने के लिए कहते हैं-उच्च उसने अपने अंदर की सारी शक्ति को जुटाया, सच्चाई की गवाही दी और अपराधिक न्याय प्रणाली पर भरोसा किया। यह एक लम्बी यात्रा थी लेकिन उसे न्याय मिला। इस मामले में सभी अपराधियों को 2008 में मुंबई में विशेष सीबीआई अदालत में दोषी ठहराया गया। मुंबई उच्च न्यायालय और सर्वोच्च न्यायालय द्वारा भी इस फैसले को बरकरार रखा गया। जब मुंबई उच्च न्यायालय ने दोषियों की उम्रकैद की सजा को बरकरार रखा था तब बिलकिस ने खुद 2017 में कहा था कि ”.....इस फैसले का मतलब नफरत का अंत नहीं है बल्कि इसका मतलब है कि कहीं न कहीं न्याय की जीत होती है। यह मेरे लिए एक लंबा, कभी न खत्म होने वाला संघर्ष रहा है, लेकिन जब आप सच्चाई के पक्ष में होते हैं तो आपकी बात सुनी जाती है और अंततः आपके साथ न्याय होता है”।

आज उस न्याय को वापस छीन लिया गया है।

न्यायालयों द्वारा दिए गए इस फैसले में छूट देकर सजा में कटौती करना, न केवल अनैतिक और अनुचित है बल्कि यह गुजरात सरकार की अपनी छूट की नीति के खिलाफ है जिसमें यह साफ तौर पर कहा गया है कि बलात्कार या सामूहिक बलात्कार के दोषियों पर यह नीति लागू नहीं होती। साथ ही यह केंद्र सरकार द्वारा राज्य सरकारों को कैदियों को रिहा करने दिए गए निर्देशों का भी उल्लंघन करता है जो कि आजादी का अमृत महोत्सव के संदर्भ में जारी किए गए। इसमें स्पष्ट लिखा गया है कि जिन कैदियों को इस नीति के तहत विशेष छूट नहीं मिल सकती उनमें ‘बलात्कार के दोषी’ शामिल हैं। एक और महत्वपूर्ण बिन्दु यह है कि सीबीआई द्वारा जांच और मुकदमा चलाए जाने वाले मामले में कि केंद्र सरकार की सहमति के बिना राज्य द्वारा कोई छूट दी ही नहीं जा सकती। और यदि केंद्र द्वारा इस तरह की छूट पर विचार किया गया और अनुमति दी गई है तो यह सरकार की नारी-शक्ति, महिलाओं के अधिकार और पीड़ितों के लिए न्याय के दिखावे और दावों के खोखलेपन को दर्शायेगा।

देश के कानून का उल्लंघन कर 11 कातिलों और सामूहिक बलात्कार करने वालों की रिहाई में मदद करने वालों से हम यह कहते हैं: आपने देश की हर महिला को कमतर महसूस कराया है। इससे हिंसा के खतरे जिससे हम और अधिक असुरक्षित और डरे हुए हैं। आपने भारत की महिलाओं का न्याय व्यवस्था में विश्वास और कमजोर किया है।

हम बिलकिस बानो और यौन हिंसा की शिकार हर उस संघर्षशील महिला के साथ दृढ़ता से खड़े हैं जो न्याय के लिए लड़ने का साहस रखती हैं। हम बिलकिस और उसके परिवार की सुरक्षा के लिए चिंतित हैं और हमें इस बात का दुःख है कि इस साहसी महिला को पिछले 20 सालों की पीड़ा को फिर से जीना पड़ेगा।

हम यह मांग करते हैं कि महिलाओं का न्याय में विश्वास को फिर से स्थापित किया जाए।

हम यह भी मांग करते हैं कि इन 11 दोषियों के लिए सजा की छूट को तुरंत वापस लिया जाए और उन्हें उनके शेष आजीवन कारावास की सजा के लिए वापस जेल भेजा जाय.

		This is just saddening to see that on one hand the PM is making such statemtns and on the ohter hand these demons are let go scot-free. Makes me lost faith in not just the political system but in the judicial system as well. IS the release of these vicious demons part of this great big 'Azaadi ka Amrit Mahatosav' Is this the freedom that we are to celebrate of the the freedom of India as an idea which seems to have lost its independence to one man and one party and one ideology. Makes me ask what Mahotsav. I feel ashamed to be an Indian right now. This is just not right.

Meher Bharucha	Gurugram	This a bizzare situation. Everyday we read of rape and murder. How can a country move forward if the worst or the worst are back on the streets. These people are not thieves but murderers. What kind of example is the country setting for itself in the world. How much more backward does the Govt want to take us. I want to hide my face in shame. How do we Indians hold our heads high if these things happen. It just shows the money and power people have and how deep seated corruption is.
