

CALLING ALL GAMERS

SEEKING EXPRESSIONS OF INTEREST

Calling out to all interested in the computer games industry. Especially coders, digital artists, adults, children, teenagers, professionals, amateurs, hobbyists, noobs, and anyone willing to learn.

Do you want to be involved in the gaming industry?

The Eden Game Development Centre is opening soon.

The Eden Game Development Centre is about bringing together people interested in the art of making computer games, providing education, equipment, and advice.

Are you a game developer? Would you like to be one?

Email us now so that we can ensure that the Eden Game Development Centre will cater to your needs:
