

Imagine.

A skills and idea-development workshop

**Got a great idea for your community?
Come along to learn new skills to help you
get your idea underway at our free workshop.**

Whether it's stuck in your brain or already starting to take shape, we'll meet you where you are to support you to reach your goal.

You will collaborate with others to:

- enhance existing ideas
- brainstorm some new ideas
- determine your project's focus
- identify resources needed for your project
- start a plan to move your project forward.

By the end of the workshop you will have actionable steps to immediately start your project within your community.

Bring questions, a notepad and an open mind.

This workshop is for people with a lived experience of disability and carers. No matter your age, ability, or experience, this workshop is for you.

Date:
Wednesday 19 June

Time:
9am - 2.30pm
(Morning tea and lunch provided)

Location:
Club Bega
Downstairs meeting room
82 Gipps St
Bega NSW 2550
