# Bike ride around Issaquah!

**Tuesday**  
**May 17th**  
**6-7:30pm**  
**Rain or Shine!**

The ride will start and end at the **Issaquah Brew House** 35 West Sunset Way in Issaquah's Historic Old Town. We'll ride around **Issaquah's roads**, learn about how city planning can **improve bike safety** and enjoy the fine spring evening. Stick around afterward at the Brew House to chat more about how to shape current City plans to improve "bike-ability" in the **Central Issaquah Plan**.

# All are welcome!

## Bring your friends & neighbors!
