

Eighth international conference  
«**New Information Technologies in Education for All:  
Lifelong Learning**» (ITEA-2013)  
November 26-27, 2013  
Kiev, Ukraine

Eighth international conference “**New information technologies in education for all: Lifelong Learning**” continues a series of scientific events organized by the International Research and Training Center for Information Technologies and Systems as a National Coordinator of the Intergovernmental UNESCO “Information for all” supported by the National Academy of Sciences of Ukraine, Ministry of Education and Science of Ukraine.

The main topics of the conference:

1. Lifelong Learning: challenges of the modern information society.
2. ICT in education for all.
3. Organizational and methodological aspects of Lifelong Learning.
4. Pedagogical aspects of Lifelong Learning.
5. ICT in pre-school and school education.
6. Specialists’ training and retraining system development.

Participation in the conference requires registration at the conference website:

<http://itea-conf.org.ua/2013/>

Video broadcasts of the presentations will be available at the website of the conference. Visitors of the website will be able to send questions to the presenters.

Participation in the conference is possible in on-site and distance formats. Distant participants will have the opportunity to make their presentations and answer the questions through the video conferencing.

Papers, slides and videos of the presentations will be published at the conference website. Selected papers will be published in the conference proceedings.

A paper must be 3-7 pages of A5 format.

Working languages: English, Ukrainian and Russian.

**Important dates:**

October 25	Registration deadline
October 28	Paper submission deadline
November 11	Notification of paper acceptance
November 15	Presentation submission deadline (for presenters only)
November 26-27	Conference ITEA-2013
