[Erotic Poems, Peter Washington](#) , 1994, 0679433228, 9780679433224. These poems, selected from most of the cultures and histories of world literature, provide magnificent witness to the fact that love is as much an act of the imagination as it is of the body. From fourth-century Li Ch'ung's "Parody of a Lover" to John Betmeman's "Late-Flowering Lust, " they re-create, through the revelations of language, that experience of the erotic. Other poets include Theodore Roethke, Robert Graves, Octavio Paz, Joseph Brodsky, Sylvia Plath, Federico Garcia Lorca, Percy Bysshe Shelley, and many others.

[The Changing prairie: North American grasslands, Anthony Joern, Kathleen H. Keeler](#) , 1995, 0195074106, 9780195074109. Grasslands have figured prominently in our North American heritage. Prairies first provided significant barriers to westward expansion, then offered both economic and sociological opportunity, as well as heartache, for settlers. Many artists have gained significant inspiration from the beauty as well as the harshness of these regions and its biota. And, because of ideal climate and soil conditions, these grasslands have provided the agricultural foundation upon which much of the growth and stability of the United States economy rests. Yet, many see North America prairies as beautiful only when manipulated or exploited--green croplands or manicured park lawns are attractive, whereas native grasslands are "those ugly weeds." In the past, plowing virgin prairie could be easily defended on both economic and sociological grounds. And historically, North American prairies must have seemed threatening in both their wildness and vastness. But preservation of these prairies is now an urgent need. This book describes the ecology of the North American prairie and urges conservation measures to protect the remaining North American grasslands. It provides non-economic arguments for the value of prairies, presents a current synthesis of prairie ecology to facilitate the best possible management, and deftly summarizes conservation and management issues, pointing out the costs and benefits of alternative actions. By approaching its subject from a variety of perspectives, including ethical and aesthetic considerations, the book will appeal to environmentalists and conservationists as well as to ecologists, botanists, and conservation biologists.

[Social Problems in American Society, James M. Henslin, Larry T. Reynolds](#) , 1979, 0205065759, 9780205065752. A collection of articles presenting contemporary social problems as to arouse interest in examining its relationship with the current structure of American society.

[How Rome Fell: Death of a Superpower, Adrian Keith Goldsworthy](#) , 2009, 0300155603, 9780300155600. In AD 200, the Roman Empire seemed unassailable. Its vast territory accounted for most of the known world. By the end of the fifth

century, Roman rule had vanished in western Europe and much of northern Africa, and only a shrunken Eastern Empire remained. What accounts for this improbable decline? Here, Adrian Goldsworthy applies the scholarship, perspective, and narrative skill that defined his monumental Caesar to address perhaps the greatest of all historical questions?how Rome fell. It was a period of remarkable personalities, from the philosopher-emperor Marcus Aurelius to emperors like Diocletian, who portrayed themselves as tough, even brutal, soldiers. It was a time of revolutionary ideas, especially in religion, as Christianity went from persecuted sect to the religion of state and emperors. Goldsworthy pays particular attention to the willingness of Roman soldiers to fight and kill each other. Ultimately, this is the story of how an empire without a serious rival rotted from within, its rulers and institutions putting short-term ambition and personal survival over the wider good of the state. How Rome Fell is a brilliant successor to Goldsworthy's "monumental" (The Atlantic) Caesar.

[Impassion, B. C. Burgess](#) , 2013, 0988695162, 9780988695160. A Magical Journey of Epic Romance Layla According to the fairy tales Layla Callaway read as a child, she'd stepped into one. She suddenly has the extended family she always wanted, a beautiful home in Oregon, and the ability to perform astonishing magic. But her perfect world has a price, and she may end up paying with her life. Quin Quin Kavanagh wants nothing more than to shed his playboy past and devote himself to Layla, but his womanizing reputation threatens to destroy their budding relationship and shatter his dreams. The Enemy Obsessed with Layla's immense power, Agro eliminates leads on his way to Oregon. But there's a stranger lurking much closer to Layla's new home, and he's closing in quicker than anyone knows. Leaving a trail of tragedy in their wakes, both wizards crave what Layla has, and they'll stop at nothing to get it. Stretching from coast to coast and teeming with loathed villains and beloved heroes, The Mystic Series is rich with emotion, magic and intrigue. Whether the reader is laughing, crying or falling in love, they'll find themselves invested in Layla's fate through the rich dialogue and emotionally driven characters that weave the web of this fiery tale.

[How to Keep Score in Business: Accounting and Financial Analysis for the Non-Accountant, Robert Follett](#) , 2011, 0132849305, 9780132849302. In How to Keep Score in Business, Second Edition, long-time CEO Robert Follett shows you exactly how to "keep score" in business by reading and interpreting company financials. Step by step, Follett helps you capture crucial insights buried in balance sheets, income statements, and other key reports. Follett shows how to apply core tools for analyzing financial reports and investment opportunities, and demystifies key accounting terms every business decision-maker and investor needs to know. You'll learn how to uncover a company's true financial position

through its balance sheet and income statements and identify crucial information those documents may not be showing. Follett demonstrates how to use modern ROI tools to evaluate performance or analyze potential investments; how to track ongoing changes in a company's financial position; how to build cash flow budgets for more effective planning; and how to use common analysis ratios (without misusing them). Practical from start to finish, this fully updated book won't transform you into an accountant but it will help you work more confidently with financial professionals, make smarter business decisions, and choose better investments.

[Intercept, Patrick Robinson](#) , 2010, 159315612X, 9781593156121. A left-leaning appeal court judge liberates four of the most dangerous al-Qaeda terrorists from Guantanamo Bay and the CIA field officers track them back to Pakistan's northwest frontier mountain range. But disaster overtakes them and the four men vanish, to rejoin the dark and mysterious forces trained by Osama bin Laden high in the Hindu Kush. These are men with hatred in their hearts, with hatred for the United States and Great Britain, and they are sworn to hit back at the USA, which imprisoned so many of their high command. A fateful communication from the mountains of the Afghan side of the border is intercepted by Britain's secret surveillance station on the Mediterranean island of Cyprus. Al-Qaeda is almost certainly planning a new hit on the US mainland. The CIA is at its wits end, all their fears coming home to roost. They know there is only one man who can stop them: retired Navy SEAL Lt. Commander Mack Bedford and he is called in to assist on one of the most highly classified missions ever launched from CIA headquarters. Bedford names his price, and once more, the nobility of the man is spun into a breathtakingly fast action novel.

[Introductory Botany: Plants, People, and the Environment, Media Edition, Linda Berg](#) , 2007, 0534466699, 9780534466695. Clear, concise, and readable, Linda Berg's INTRODUCTORY BOTANY: PLANTS, PEOPLE, AND THE ENVIRONMENT teaches the science of plant biology--not just the facts. This topical, up-to-date text helps students develop an appreciation of the diverse organisms we call plants, including their remarkable adaptations to the environment and their evolutionary and ecological relationships. Filled with engaging feature boxes, intriguing chapter-opening stories, and other applied content, the text imparts interesting, topical information that promotes curiosity and stimulates students to explore more about plant biology. Berg shows students the ways in which plants are fascinating in

their own right, important for the existence of all life on Earth, and useful for humans in all aspects of our lives.

INTRODUCTORY BOTANY: PLANTS, PEOPLE, AND THE ENVIRONMENT is beautifully and clearly illustrated and features a dynamic new art program that helps students visualize even the most complex concepts. New for this edition, the text's clear and compelling art and photos are now available in a Multimedia Manager CD, which allows you to create a multimedia learning experience in the classroom and in the lab. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[The Departure: God's Next Catastrophic Intervention Into Earth's History, Terry James](#) , 2010, 0984061169, 9780984061167. As the world races toward its momentous end-times encounter with God, cascading fulfillment of Bible Prophecy clearly points to the catching away of the saints -- an event popularly known as the Rapture of the Church. Specific circumstances, which were prophesied to occur in the days just before this Departure, would appear as signs of the nearing moment, including:- The emergence of a new global order and global government.- Technological developments making possible the Mark of the Beast.- Apocalyptic turmoil in the Middle East, pointing toward nuclear Armageddon.- Global fascination with occult, demonic, and otherworldly manifestations.- Departure from the faith giving space to false doctrines.- Worldwide violence, upheaval, like it was in the days of Noah. In *The Departure: God's Next Catastrophic Intervention into Earth's History*, leading national and international researchers, scholars, authors, and speakers share their specialized knowledge about what you can expect in the coming days, and, more importantly, what you can do to be prepared for the Rapture of the Church. Contributing authors: Terry James, Chuck Missler, Thomas Horn, Larry Spargimino, Phillip Goodman, Jack Kinsella, Michael Hile, Joseph Chambers, Don McGee, Alan Franklin, Pat Franklin, Todd Baker, Daymond Duck, Wilfred Hahn, Don Perkins, Jim Fletcher, Todd Strandberg, Alan Franklin.

[The Best of Daughters, Dilly Court](#) , 2012, 009956257X, 9780099562573. Her first duty was to her family. The

compelling new novel from the Sunday Times bestselling author of A Mother's Trust. Despite her privileged upbringing

Daisy Lennox has always longed to make something of her life. She is drawn to the suffragette movement, but when her

father faces ruin they are forced to move to the country and Daisy's first duty is to her family. Here she becomes

engaged to her childhood friend -- a union both families have dreamed of. But on the eve of their wedding war is

declared and life is never the same again.

[The Lloyd Cotsen Study Collection of Chinese Bronze Mirrors: Catalogue - Studies, Lothar von Falkenhausen, Susan Cahill](#)

, 2012, 0974516880, 9780974516882. The Lloyd Cotsen Study Collection of Chinese Bronze Mirrors is a co-publication of

the Cotsen Occasional Press and the Cotsen Institute of Archaeology Press. Volume I, The Lloyd Cotsen Study Collection

of Chinese Bronze Mirrors: Catalogue, includes an engaging foreword by Lloyd Cotsen, an overview of major Chinese

dynasties and periods, and a brief history of Chinese bronze mirrors by Suzanne Cahill. This volume presents a detailed

catalogue of the extensive Cotsen Collection through high-quality images and illustrations of the mirrors in their

approximate chronological sequence. Volume II, a set of eleven scholarly essays, goes further to investigate these

mirrors as a study collection. Guided by the conviction that this particular constellation of mirrors may lead to substantive insights that cannot easily be obtained otherwise, the leading scholars who contributed to this volume used the materials in Volume I as a point of departure for explorations of topics of their own choice. The resulting diversity of the chapters is notable with coverage ranging from a discussion of Han mirror inscriptions as modular texts to an analysis of mirrors inlaid with mother of pearl and the findings are as novel and stimulating as they are preliminary.

[Minor Poets of the Caroline Period: Volume II: Marmion's Cupid and Psyche, Kynaston's Leonine and Sydanis, and Cynthiades, Poems of John Hall, Sidney Godolphin and Philip Ayres, Chalkhill's Thealma and Clearchus, Poems of Patrick Carey and William Hammond, Bosworth's Arcadius and Sepha, &c., Shakerley Marmion, Sir Francis Kynaston, John Hall, Sidney Godolphin, Philip Ayres, John Chalkhill, Patrick Carey, William Hammond, William Bosworth, George Saintsbury](#) , 1968, 0199697361, 9780199697366. A scholarly edition of poems by Shakerley Marmion, Francis Kynaston, John Hall, Sidney Godolphin, Philip Ayres, John Chalkhill, Patrick Carey, William Hammond, and William Bosworth. The edition presents an authoritative text, together with an introduction, commentary notes, and scholarly apparatus.

MOORE CAMPBELL, Author of *Your Blues Aint Like Mine When Sara Edgehill* is given a scholarship to leave Trinidad and attend a college in Wisconsin, she is thrilled. America, the one she has seen in the movies, is a land of dreams, prosperity, and equality. Not like Trinidad, where her parents cast disappointed glances her way because she wasn't born with lighter-colored skin. But when Sara leaves her island's brilliant green fields and warm sparkling waters for the pale cornfields of the Midwest, the ties to her home and her past grip her as strongly as America's cold, winter winds. For as soon as Sara sets foot in her new home, she must make tough decisions. Wanting desperately to fit in, she begins to understand that in America, the color lines run deeper than they did even in Trinidad. And as Sara forms ties with two other West Indian students—the beguiling, haunted Courtney and the passionate, vivacious Samshe—is irrevocably pulled into the very center of America's exploding civil rights movement.

[The Sunday Philosophy Club, Alexander McCall Smith](#) , 2008, 0748110747, 9780748110742. Amateur sleuth Isabel Dalhousie is a philosopher who also uses her training to solve unusual mysteries. Isabel is Editor of the Review of Applied Ethics - which addresses such questions as 'Truth telling in sexual relationships' - and she also hosts The Sunday Philosophy Club at her house in Edinburgh. Behind the city's Georgian facades its moral compasses are spinning with greed, dishonesty and murderous intent. Instinct tells Isabel that the young man who tumbled to his death in front of her eyes at a concert in the Usher Hall didn't fall. He was pushed. With Isabel Dalhousie Alexander McCall Smith introduces a new and pneumatic female sleuth to tackle murder, mayhem - and the mysteries of life. As her hero WH Auden

maintained, classic detective fiction stems from a desire for an uncorrupted Eden which the detective, as an agent of God, can return to us. But then Isabel, being a philosopher, has a thing or two to say about God as well.

[Tracking the Vanishing Frogs: An Ecological Mystery, Kathryn Phillips](#) , 1995, 0140246460, 9780140246469. When considering endangered species, public concern is most intense for the more visible and charismatic of animals - such as dolphins, koala bears, buffaloes. But in recent years, there is one creature whose decline could have a monumental impact on the world - the humble frog. In 1990, a group of scientists sounded an unusual alarm that was literally heard around the earth. Frogs and their cousin amphibians, the researchers warned, are declining in number and facing extinction at an unusually fast pace. And, some suggested, this decline could be a signal that human-caused environmental degradation has reached a new and potentially lethal level. Kathryn Phillips heard the alarm and followed the scientists as they responded to the possible catastrophe. Some headed straight into the wetlands and woodlands, with Phillips tagging along, to search for and study the disappearing amphibians. Others turned to their laboratories and experiments to seek the answer. One straddled the boundary between scientist and conservationist and took on a badly managed U.S. Forest Service to save a rare toad. Phillips tells a riveting story of these scientists' efforts to comprehend why their beloved frogs are dying. She draws a fascinating real-world picture of how scientists and science works, and she explores and clearly explains the environmental problems that threaten frogs - and people. And she entertains with some of the quirkier characteristics of frogs and the humans who study them. Both enlightening and entertaining, Ms. Phillips brilliantly explores the mystery of the extinction of this biological "barometer" of the planet's environment in a book that is paradoxically and simultaneously terrifying and delightful.

[In Broad Daylight, Harry N. MacLean](#) , 2006, 0312942362, 9780312942366. New York Times bestseller FOR TEN YEARS, HE TERRORIZED THEM WITHOUT MERCY... Ken McElroy robbed, raped, burned, shot, and maimed the citizens of Skidmore, Missouri, without conscience or remorse. Again and again, the law had failed to stop him. UNTIL THEY TOOK JUSTICE INTO THEIR OWN HANDS. On July 10, 1981, Ken was shot to death on the main street of this small farming community. Forty-five people watched. No indictments were ever issued, no trial held...and the town of Skidmore protected the killers with silence. With this powerful, true-life account, Edgar Award-winning author Harry N. MacLean reveals what drove a community of everyday American citizens to commit murder...IN BROAD DAYLIGHT"GRIPPING...excellent and disturbing...a fine and richly rewarding book."--The Washington Post Book World"FIRST-CLASS...Read and you may find yourself haunted."--Houston Chronicle"A GUARANTEED PAGE-TURNER. [A] truly compelling...piece of reporting."--Rocky Mountain News Sunday Magazine WITH 8 PAGES OF CHILLING PHOTOS

[Sicilian Odyssey, Francine Prose](#) , 2011, 1426209088, 9781426209086. A blending of art and cultural criticism, travel writing, and personal narrative, Sicilian Odyssey is Francine Prose's imaginative consideration of the diverse cultural legacies found juxtaposed and entangled on the Mediterranean island of Sicily. She writes of the intensity of Sicily, the "commitment to the extreme," where the history is more colorful, the sun hotter, the cooking earthier, the violence more horrific, the carnival more raucous, the politics more Byzantine than other places on Earth, and how much the island can teach us about the triumph of beauty over violence and life over death. Prose examines architectural sites and objects and looks at the ways in which myth and actuality converge. Exploring the intact and beautiful Greek amphitheaters at Siracusa and Taormina, the cathedral at Monreale, the Roman mosaics at Piazza Armerina, and some of the masterpieces of the Baroque scattered throughout the island, Prose focuses her keen insight to imagine them in their own time, to examine the evolution and decline of the cultures that produced them, and to deconstruct powerful responses each evokes in her. Illuminated by the author's own photographs, Sicilian Odyssey brings exotic and enigmatic Sicily to life through the prism of its past. From the Hardcover edition.

[Tea with Jane Austen, Kim Wilson](#) , 2004, 097212179X, 9780972121798. "You must drink tea with us tonight." Sense & Sensibility Who would not want to sit down with Jane Austen and join her in a cup of tea? Here for the first time is a book that shares the secrets of one of her favorite rituals. Tea figures prominently in Jane Austen's life and work. In fact, the beloved novelist was the keeper and maker of tea in her family. Tea with Jane Austen begins with tea drinking in the morning and ends with tea in the evening, at balls and other gatherings. Each chapter includes a description of how tea was taken at a particular place or time of day, along with history, recipes, excerpts from Austen's novels and letters and illustrations from the time. The book also reveals how to make a perfect cup of tea!

[What Really Happened in Peru, Cassandra Clare, Sarah Rees Brennan](#) , 2013, 1442494786, 9781442494787. Fans of The Mortal Instruments and The Infernal Devices know that Magnus Bane is banned from Peru and now they can find out why. One of ten adventures in The Bane Chronicles. There are good reasons Peru is off-limits to Magnus Bane. Follow Magnus Peruvian escapades as he drags his fellow warlocks Ragnor Fell and Catarina Loss into trouble, learns several instruments (which he plays shockingly), dances (which he does shockingly), and disgraces his host nation by doing something unspeakable to the Nazca Lines. This standalone e-only short story illuminates the life of the enigmatic Magnus Bane, whose alluring personality populates the pages of the #1 New York Times bestselling series The Mortal Instruments and The Infernal Devices. This story in The Bane Chronicles, What Really Happened in Peru, is written by Cassandra Clare and Sarah Rees Brennan.

[The Good, the Bad and the Living Dead: Venture Capital Cases in the Healthcare Industry, Albert J. Henry](#) , 2005, 0976388804, 9780976388807. A guide for people who aspire to practice as venture capitalists and also for those interested in gaining in-depth knowledge of the rigid system of venture capital. It explores the various aspects of venture capital investing. Almost 25% of venture capital companies are successful, while one third of them go bankrupt. Around 40% of these companies face difficulties coping with the growing economy. The companies in these different categories are respectively termed the good, the bad and the living dead.

[Bridges: The science and art of the world's most inspiring structures: The science and art of the world's most inspiring structures, David Blockley](#) , 2010, 0199543593, 9780199543595. Bridges touch all our lives - every day we are likely to cross a bridge, or go under one. How many of us stop to consider how the bridge stands up and what sort of people designed and built something so strong? Bridge building is a magnificent example of the practical and every day use of science. However, the story of bridges goes beyond science and technology, and involves issues relating to artistic and cultural development. After all, bridges are built by people, for people. Bridges can be icons for whole cities; just consider New York's Brooklyn Bridge, London's Tower Bridge, and Sydney's Harbour Bridge. Such bridges can be considered functional public art, as they have the power to delight or be an eyesore. David Blockley explains how to read a bridge, in all its different forms, design, and construction, and the way the forces flow through arches and beams. He combines the engineering of how bridges stand up with the cultural, aesthetic, and historical importance they hold. Drawing on examples of particular bridges from around the world, he also looks in detail at the risk engineers take when building bridges, and examines why things sometimes go wrong.

, 2013, 019930162X, 9780199301621. What role do human rights play in the development of regional organizations? What human rights obligations do states assume upon joining regional bodies? This work is the first text of its kind devoted to the European, Inter-American and African systems for the protection of human rights. It illustrates how international human rights law is interpreted and implemented across international organizations and offers examples of political, economic, social problems and legal issues to emphasize the significant impact of international human rights law institutions on the constitutions, law, policies, and societies of different regions. Regional Protection of Human Rights provides readers with access to the basic documents of each legal system and their inter-relationships, enabling readers to apply those documents to ever-changing global situations, and alerting them to the dynamic nature of regional human rights law and institutions. The jurisprudence of the European and Inter-American Courts and decisions of the Inter-American and African Commissions are emphasized, including decisions on the interpretation and application of various human rights, procedural requirements and remedies. Prospects for regional systems in the Middle East and Asia are also discussed. The relevant basic texts are reproduced in a documentary supplement. In addition to serving as a text for courses on human rights law, the book will be useful for courses in international law, international relations, and political science. It is also be a helpful resource for lawyers and policy-makers concerned with the protection of human rights.

[Take Her Man, Grace Octavia](#) , 2009, 0758245440, 9780758245441. New York City "It Girl" Troy Smith thought she'd have her ring by spring. But there's been a change in plans. . . Troy is a beautiful, successful black woman who's convinced her boyfriend, Dr. Julian James, is the man of her dreams--until he says he wants a break. Brokenhearted and

confused, Troy knows there's only one thing to do: get her girls to throw her an official 3T Break Up Party! Established during their days at Hampton University, the break up party was how Troy, Tamia, and Tasha--"The 3Ts"--survived the drama of relationship bust-ups. Now it's Troy's turn to step out and party again. There's just one problem: Julian's stepping out too. . .with a new sister on his arm. So it's time to get down and dirty and put the 3T Take-Her-Man plan into action. No matter how long it takes, she is going to win back her man. A devilishly entertaining novel, Take Her Man also includes rules, regulations, and recipes for becoming a real life "It Girl". . . "A hilarious and emotional roller-coaster ride of breakups, new relationships and sisterhood." --Romantic Times"Octavia has crafted an enjoyable story that will capture the attention of readers from the very first page." --Rawsistaz Book Club

[The Theory of Interest, Friedrich A. Lutz](#) , 1968, 1412839823, 9781412839822. This book contains a critical analysis of the main theories of interest which have been published since Bhm-Bawerk. The last part of the book gives an account of the author's own theory. The first part, which deals with the history of doctrines, discusses the theories of Bhm-Bawerk, Wicksell, Akerman, and Hayek, authors who proceed from the assumption of stationary state. The second group of authors consists of Walras, Irving Fisher, and F. H. Knight, who assume a progressive economy in which net saving and investment occur. The third group of authors are those who stress the monetary factor. The central figure of this part is Keynes; but other authors, among them Patinkin, are also dealt with. The theories on the term structure of interest rates are discussed in the last part of the history of doctrines. The author's own theory deals with the problem of the interest rate first in terms of partial equilibrium analysis, whereby particular attention is paid to the influence of the banking system on the structure of interest rates. In the final chapter the author proceeds to expound the interest theory in the framework of general equilibrium analysis. A mathematical appendix concludes this book. Friedrich A. Lutz (1901-1975) taught economics at Princeton University for fifteen years before becoming Professor of Economics at the University of Zurich. He was also the president of the Mont Pelerin Society from 1964-1967.

[For Lincoln: & Other Poems, Austin Alexis](#) , 2010, 0984184430, 9780984184439. "Austin Alexis contemplates the way time's passage alters our sense of artists such as Chopin, Haydn, Poe, and Martha Graham as well as, among others, grandparents, Einstein, and presidents Lincoln and Obama. The way the poet cultivates sound, sense, and form, he grows, as he writes George Sand did for Chopin, 'the branch he needs / in order to soar.'" - George Held, author of PHASED, GROUNDED, and other poetry collections "By use of precise imaginings, Austin Alexis allows us an intimacy with

select artists: Chopin, or a street poet, or Lincoln, that great artist of rhetoric and vision. An engaged and observant poet, Alexis reveals grace, connection, legend and mortality. This book is an ode to all of us." - Sarah Sarai, author of THE FUTURE IS HAPPY

[Forbidden, Caroline B. Cooney](#) , 1993, 0590465740, 9780590465748. Bestselling Young Adult author Caroline Cooney heats up the reading-for-pleasure season with this big, glamorous novel of politics, power, and young love. Caught up in a world of dangerous intrigue, a billionaire's daughter and the son of an assassinated senator are drawn to each other by a love so strong it threatens to overwhelm them.

[Town of Shadows \(paperback\), Lindsay Stern](#) , 2012, 0578112590, 9780578112596. Fiction. "That the fresh and haunting new voice Lindsay Stern exercises in TOWN OF SHADOWS is difficult to classify ought to serve only to make it impossible to ignore. Rife with arch urgency, brief density, and fruitful disregard for traditional genre bounds, Stern's debut is an important addition to the recent rejuvenation of the novella form. Through its razor-sharp technique, translucent diction, and elliptical vignette structure, TOWN OF SHADOWS peels layer from layer to reveal a complex, perspicacious author who is unafraid to trouble the water where poetry and prose mingle. Stern's youth and precocity are certainly striking, but don't let them dupe you: here is a young Lydia Davis or Anne Carson unspooling only the beginning of a corpus all her own. Lindsay Stern defines the term 'one to watch.'" Laura Goode "TOWN OF SHADOWS is Winesburg, Ohio coated in arsenic, stippled with word math, and carved on a butterfly's body. What Lindsay Stern creates here is throttling and gorgeous, a child's hand grasping for a lightning storm trapped in a white balloon." J. A. Tyler

[Critical Reasoning and the Art of Argumentation, M. E. S. Van den Berg](#) , 2010, 1868885976, 9781868885978. This revised edition draws on years of lecturing experience and feedback from students. The result is a popular, lively and accessible book which offers an improved and reader-friendly introduction to the art of clear thinking. Developing and

applying critical reasoning skills is globally recognised as a basic competency, like reading and writing. Critical thinkers who think for themselves are the key role players in a free and democratic society. Several up-to-date and new examples from major South African socio-political events from the past few years are given, such as the Zuma trial, political conflict, race relations, and xenophobia. Other new examples are based on events that took place in the rest of Africa and the world. New exercises are drawn from newspapers, advertisements, political speeches, literary works, the Internet, and debates about xenophobic violence, crime, the death penalty, abortion, euthanasia, inequality, and health care. Numerous activities lead readers to practise critical reasoning skills. The book is valuable to students of Philosophy but also for those studying Communication Science, Development Studies, Health Care, Law, English Studies, Medical Ethics, Political Science, Psychology and Public Administration.

[The Word "Desire", Rikki Ducornet](#) , 2005, 1564783987, 9781564783981. From Algeria to Egypt to Italy to France, these stories range across many centuries and cultures and all demonstrate time and again why Rikki Ducornet has been called "one of the most interesting American writers around" (Nation). A madman recalls his first erotic encounter, a priest loses sleep over a heretic, a scholar searches for the anomaly that inspired the Hindu divinities, a spinster hallucinates her own seductions, a pope suckles a wet nurse. Erotic and fiercely funny, these stories range across many centuries and cultures, from Algeria to Egypt to Italy to France, and all demonstrate time and again why Rikki Ducornet has been called "one of the most interesting American writers around" (Nation).

[Quantum Theory, David Bohm](#) , 1951, 0486659690, 9780486659695. This superb text by David Bohm, formerly Princeton University and Emeritus Professor of Theoretical Physics at Birkbeck College, University of London, provides a formulation of the quantum theory in terms of qualitative and imaginative concepts that have evolved outside and beyond classical theory. Although it presents the main ideas of quantum theory essentially in nonmathematical terms, it follows these with a broad range of specific applications that are worked out in considerable mathematical detail. Addressed primarily to advanced undergraduate students, the text begins with a study of the physical formulation of the quantum theory, from its origin and early development through an analysis of wave vs. particle properties of matter. In Part II, Professor Bohm addresses the mathematical formulation of the quantum theory, examining wave functions, operators, Schrödinger's equation, fluctuations, correlations, and eigenfunctions. Part III takes up applications to simple systems and further extensions of quantum theory formulation, including matrix formulation and spin and angular momentum. Parts IV and V explore the methods of approximate solution of Schrödinger's equation and the theory of scattering. In Part VI, the process of measurement is examined along with the relationship between quantum and classical concepts. Throughout the text, Professor Bohm places strong emphasis on showing how the quantum theory

can be developed in a natural way, starting from the previously existing classical theory and going step by step through the experimental facts and theoretical lines of reasoning which led to replacement of the classical theory by the quantum theory.

[Jane Eyre, Charlotte Bront](#) , 2008, 0199535590, 9780199535590. 'Such a strange book! Imagine a novel with a little swarthy governess for heroine, and a middle-aged ruffian for hero.' Sharpe's London Magazine (June 1855) Jane Eyre is an orphan grown up under the harsh regime first of her aunt and then as a pupil at Lowood Institution. She leaves to become a governess to the daughter of the mysterious Mr Rochester; gradually their relationship deepens, but Jane's passionate nature has yet to endure its deepest blows. In this new edition Sally Shuttleworth explores the power of a narrative that questions the rights of women, the nature of servitude and madness, martyrdom and rebellion in a story whose emotional charge is as strong today as it was more than 150 years ago. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

[Orphan Paul, Maxim Gorky](#) , 2001, 0898751896, 9780898751895. Maxim Gorky takes a brooding orphan boy and a prostitute as the hero and heroine of this, his first novel. Here are characters like those of *The Lower Depths*; and here is the same passionate hatred of the environment which produced them. Here is the beginning of his protest against life in Russia which brought him the devotion of the younger generation that build the new. Gorky ventured far and wide to find the figures and facts of life. He understands the despair and loneliness of downtrodden humanity, and describes it with clarity relieved by a penetrating humor. The world's outcasts, the injured, the "creatures who once were men" had a powerful voice as long as Gorky lived among them. One of the great figures of world literature, he never forgot his origin. Orphan Paul relates vividly the inarticulate suffering of little Paul, his violent protests against life, his helpless frustration. Paul and Natasha never had a chance. In this respect Orphan Paul is a literary forerunner of Dreiser's *An American Tragedy*. An even more tragic background produces similar outbursts of unexpected violence. Love betrayed by life, might be an apt description of the inevitable destruction of the novels warm-hearted but thwarted people. This is a tale

of "baby farms", drunkenness, prostitution, thievery and murder. But it is not a story "told by an idiot", for Gorky clarifies whatever he relates. Gorky was the link between the old and the new in Russian literature, His writing marked the beginning of an epoch, and epoch in which protest, and, later, optimism replaced the earlier writers' fatalistic acceptance of the life of old Russia. His writing, and his personal association, has had an enormous effect on all the Russian writers of today. Upton Sinclair says, "I was a young writer in my formative years when Gorky made his great success in America. He had much to do with teaching me that great literature can be made out of the struggles of the poor and disinherited."

[My Father Is Not a Comedian!, Ursula Dubosarsky](#) , 1999, 0141302089, 9780141302089. When Claudie's picture appears in the newspaper, it sets off an alarming chain of events. Her father is in hiding from creditors, and now she may have given him away! Taking matters into her own hands, Claudie sets out to save her hapless father... with hilarious results!

[Sociology, Fourth Canadian Edition. Instructor's Manual with Transparency Masters, Ronald M. Oldham, Harry W. \(Harry William\) Rosenbaum](#) , 2002, 0130421375, 9780130421371.

[Teaching African American Religions, Institute for African American Studies University of Georgia Carolyn M. Jones Associate Professor of Religion, New College and Religious Studies University of Alabama Theodore Louis Trost Assistant Professor](#) , 2005, 0198037503, 9780198037507. The variety and complexity of its traditions make African American religion one of the most difficult topics in religious studies to teach to undergraduates. The sheer scope of the material to be covered is daunting to instructors, many of whom are not experts in African American religious traditions, but are called upon to include material on African American religion in courses on American Religious History or the History of Christianity. Also, the unfamiliarity of the subject matter to the vast majority of students makes it difficult to achieve any depth in the brief time allotted in the survey courses where it is usually first encountered. The essays in this volume will supply functional, innovative ways to teach African American religious traditions in a variety of settings.

[Walking in Britain, Sandra Bardwell, Belinda Dixon, Peter Dragicevic](#) , 2007, 174104202X, 9781741042023. From ancient

trails in southern England and coastal paths in Wales, to windswept moors in northern England and mountain ascents in Scotland, your opportunities for walking in Britain are as varied as the landscapes, people and cultures of this island. In This Guide: Over 50 detailed descriptions for walkers of all levels. Ridges, Rivers & Romans color section outlining the range of walking options in Britain. Foreward by Christine Elliott, chief executive of the Ramblers' Association. Two-color maps for all featured walks. Essential accommodation and transport information. Expert advice on equipment, health and environmentally responsible walking.

[In Search of Perfection: Reinventing Kitchen Classics, Heston Blumenthal](#) , 2006, 0747584095, 9780747584094. One of the world's most renowned chefs, Heston Blumenthal has made his name creating such original - and some might say bizarre - dishes as Snail Porridge and Nitrogen Scrambled Egg & Bacon Ice Cream at his internationally acclaimed restaurant, The Fat Duck. Heston decided, though, that it was time to go back to both his and our roots and to focus his creative talent on reinventing some of our most well-known and abused dishes. In order to do this he travelled around the world in search of 'perfect' versions of eight dishes which represent the essence of our culinary heritage: Roast Chicken & Roast Potatoes Pizza Bangers & Mash Steak Spaghetti Bolognese Fish & Chips Black Forest Gateau Treacle Tart & Ice Cream Everybody's idea of 'perfection' is different, and so Heston, drawing on interviews with experts and cooks as well as using his own culinary and scientific research, sets out to discover what makes these standards so great. He explores the origins of each dish, how to find the best ingredients, and of course the many different ways - and whys - of cooking them to perfection. He reveals priceless culinary tips along the way: everything from how to cut potatoes for flawless frying, to what makes the choicest beef, to the secret ingredients in the perfect spaghetti Bolognese, to capturing the essence of a fish and chip shop in a perfume bottle, to making aerated chocolate bars at home with a vacuum cleaner. In Search of Perfection examines the role of food in our lives and memories and is a completely original, inspiring and fascinating exploration of these kitchen classics.

[The Watch House, Robert Westall](#) , 2002, 0330398636, 9780330398633. The dust flew in clouds, making her cough. Anne looked inside the last glass case. More writing. It was moving! Balls of fluff being pushed around like tiny mice. More letters appeared as she watched. AnHelpAnHelpAnHelp Anne Help Who is writing the messages in the dust? What is the story behind the huge skull in the old Watch House? Alone and unhappy in Garmouth, Anne knows the shadows are following her. Spirits of long-dead sailors who won't rest. And from behind its empty windows, the Watch House is watching her...

[A Very Rude Book about Willies, Martin Baxendale](#) , 2006, 0955050030, 9780955050039. The latest in Martin Baxendale's best-selling range of cartoon books is a wickedly funny look at the world of willies. With his usual off-beat style of humour, Martin will have readers of this new book laughing out loud. A perfect gift for men everywhere, whether for birthdays, Father's Day, Easter or just for a laugh. This is the first in a new series of "Very Rude Books" by Martin

Baxendale to be published in the coming months. Martin's range of cartoon gift-books (which includes the best-selling 'Your New Baby - An Owners Manual') has sold over a million copies in the UK, and more than two million worldwide, in 21 countries (including a recent successful launch of his full range of titles in Russia).

[Parenting by Strengths, a Parent's Guide for Challenging Situations, Cathy Rodrigues, Toni Schutta, Sarah Gillen](#) , 2009, 0980217520, 9780980217520. PARENTS! Do you have questions about how to deal with: Discipline...Stress...Respect? Answers to these questions and more are on the pages of Parenting by Strengths. Tips and coping strategies for raising competent, caring, and self-confident children. Ideas that you can try today using the principles of Positive Psychology and the latest research. How to identify your own personal strengths. How to work as a team to make parenting easier and your family happier.

[Seven Days with Mary, Michael H. Brown](#) , 1998, 1880033267, 9781880033265. This book of devotion is based on the most ancient and solid of Mary's historic apparitions. Taking one of Mary's appearances for each day of the week, author Michael H. Brown explains their often hidden aspects and offers prayers and meditations to go along with each one. A week of prayers aimed at bringing a week of "special graces."

[Brendan Monroe, Brendan Monroe](#) , 2008, 0978873912, 9780978873912. Since graduating from the Art Centre in Pasadena, Brendan Monroe has been painting, drawing, and sculpting a mythical world that is inhabited by blobbish oozy, paint-chip, trash-laden life-forms interspersed with human figures. Loosely based on the notion that studying smaller environments can help us understand the greater world around us, Monroe sets out to create this imaginary world with enthusiasm, creating characters and situations that are charmingly surreal. Although he has self-published a wonderful run of miniature artist-books, this is the first inclusive monograph of Monroe's work including over 70 paintings, 15 sculptures, and installation shots. This volume represents the artist's progression as well as his most current body of work and it includes an interview with the artist conducted by Dr David Park. Shana Nys Dambrot created an index of terms related to viewing and experiencing Brendan Monroe's work.

[Meditating Selflessly: Practical Neural Zen, James H. Austin](#) , 2011, 0262015870, 9780262015875. This is not the usual kind of self-help book. Indeed, its major premise heeds a Zenmaster's advice to be less self-centered. Yes, it is "one more book of words about Zen," as the author concedes, yet this book explains meditative practices from the perspective of a "neural Zen." The latest findings in brain research inform its suggestions. In *Meditating Selflessly*, James Austin -- Zen practitioner, neurologist, and author of three acclaimed books on Zen and neuroscience -- guides readers toward that open awareness already awaiting them on the cushion and in the natural world. Austin offers concrete advice -- often in a simplified question-and-answer format -- about different ways to meditate. He clarifies both the concentrative and receptive styles of meditation. Drawing widely from the exciting new field of contemplative neuroscience, Austin helps resolve an ancient paradox: why both insight wisdom and selflessness arise simultaneously during enlightened states of consciousness.

[Sticker Strategies: Practical Strategies to Encourage Social Thinking and Organization, Michelle Garcia Winner](#) , 2007, 0979292212, 9780979292217. The sticker strategies are designed to span both school and home and are organized by topics: Asking for help - Emotions and problems solving - Organization, writing and homework - Group work - Social thinking - Family time- Home strategies. Once the sticker is peeled away the information on the sticker is still available on

the page for the user to copy.

From Hank and Loretta, to Willie and Johnny, the most western alphabet book in history. Grab your partner, Do-Si-Do, it's learning' time don't ya know!

[Live and Work in the UK: The Essential Guide to UK Immigration, the Points Based System and Life in the UK, Mathew Collins, Nicky Barclay](#) , 2010, 1845283724, 9781845283728. Completely updated and revised 2nd edition, the first book published which includes changes to the UK immigration regulations just completed, the biggest ever made, including the Life in the UK test An essential handbook and reference written by immigration practitioners. For anyone coming to the UK to work, study, settle, join family, or visit on a visa. Updated information for the 1 million foreign students in the UK. Complete guide to making a visa applications. Includes preparation for passing the Life in the UK test as set by the Home Office for anyone applying for British citizenship For those employing non-UK/EU citizens, this book explains: What essential checks you must put in place; Details of the Points Based System and how individuals can qualify: How to obtain a licence to employ foreign nationals and the HR compliance issues that need to be in place in order to remain compliant with the UK Border Agency.

[Ultimate Price: Testimonies of Christians who Resisted the Third Reich, Annemarie S. Kidder](#) , 2012, 1570759553, 9781570759550. The witness of seven courageous Christians whose faith inspired them to resist the Nazi regime and who paid the ultimate sacrifice. Through their stories and their own words this volume highlights seven inspiring men and women who felt compelled by their Christian faith to oppose the idolatrous Nazi regime. Some of their stories are well

known, others less so: Theologian Dietrich Bonhoeffer, imprisoned and executed for his role in a plot to overthrow Hitler; Jesuit Alfred Delp, executed for his role in the anti-Nazi Kreisau Circle; Franz Jagerstatter, an Austrian peasant who refused to take a military oath; Sophie Scholl, a young university student and part of the doomed White Rose conspiracy; hymn writer and novelist Jochen Klepper; Berlin's Cathedral provost Bernhard Lichtenberg; and recently beatified Jesuit preacher Rupert Mayer. What were their motives? What convinced them, long before their vindication by history, that they must defend the truth and the dignity of human life at the cost of their own lives? In tracing their journeys, they challenge us to heed our own conscience; they bid us examine our own loyalties to kin and country in light of Christ's claims. They prod us to take our own stand with those Christ called "the least of these."

[Deploying IPv6 in 3GPP Networks: Evolving Mobile Broadband from 2G to LTE and Beyond, Jouni Korhonen, Teemu Savolainen, Jonne Soininen](#) , 2013, 1118398327, 9781118398326. Deploying IPv6 in 3GPP Networks Evolving Mobile Broadband from 2G to LTE and Beyond A practical guide enabling mobile operators to deploy IPv6 with confidenceThe most widely used cellular mobile broadband network technology is based on the 3GPP standards. The history and background of the 3GPP technology is in the Global Mobile Service (GSM) technology and the work done in European Telecommunications Standards Institute (ETSI). This primary voice service network has evolved to be the dominant mobile Internet access technology.Deploying IPv6 in 3GPP Networks covers how Internet Protocol version 6 (IPv6) is currently defined in the industry standards for cellular mobile broadband, why and how this route was taken in the technology, and what is the current reality of the deployment. Furthermore, it offers the authors views on how some possible IPv6 related advances 3GPP networks may be improved during the coming years. It gives guidance how to implement and deploy IPv6 correctly in the Third Generation Partnership Project (3GPP) mobile broadband environment, and what issues one may face when doing so. The book covers 3GPP technologies from 2G to LTE, and offers some ideas for the future. Key featureswritten by highly respected and experienced authors from the IPv6 / mobile worldProvides an explanation of the technical background for some not-so-obvious design choices, what to concentrate on, and what transition strategies should be used by the vendors and the operatorsOffers a useful reference guide for operators and vendors entering into IPv6 business

[Business Vocabulary in Use Advanced with Answers and CD-ROM, Bill Mascull](#) , 2010, 0521749409, 9780521749404.

Business Vocabulary in Use Advanced Second edition is for students and professionals looking to expand their business vocabulary. Bringing learners up to date with the language they need for business today, this book explains words and expressions and also provides practice of using the new language. This second edition comes with a CD-ROM which offers practice exercises and games, audio of each word or phrase, tests and a phonemic chart for pronunciation support. This second edition reflects recent developments in technology, global relations and financial practice and covers a range

of topics from Competitive Strategy to Globalisation. It also helps learners develop skills in key areas including Working in international teams.

[Kargil from Surprise to Victory, V. P. Malik](#) , 2006, 8172236352, 9788172236359. An Incisive And Hard-Hitting Narrative That Reveals The Behind-The-Scenes Activities Affecting The Kargil War. In The Garb Of Jehadi Militants, Pakistan Army Personnel Infiltrated Into The Indian Territory Of Kargil And Triggered Off A Limited Conventional War Between The World S Newest Nuclear Weapon States.The Pakistan Army Achieved A Tactical Surprise But Failed At The Strategic Level. The Outbreak Of War In Kargil Also Revealed That Pakistani Political Leadership Was Out Of Synch With The Thinking And Planning Of Its Military Brass. The Author Seeks To Analyse The Reasoning Behind The Pakistani Army S Strategy And Tactics And Also Focuses On The People Responsible. This Volume Seeks To Answer Questions Such As: What Was The Rationale For India S Grand Strategy Of Restraint Despite Being A Victim Of Aggression? How Was The War Managed? How Were Battles Planned, And Executed, To Recapture The Strategically Important High Altitude Mountaintops?

[Read Write Inc. Phonics: Purple Set 2 Storybooks: Billy the Kid, Gill Munton](#) , 2006, 0198461577, 9780198461579. The Read Write Inc. Phonics storybooks provide structured practice in decoding words and reading through phonics. Each book offers practical and effective advice in guiding children through every story. They build confidence using fun and engaging stories with opportunities for talk and praise throughout. Every story uses artwork by Tim Archbold, who uses a style that has been likened Quentin Blake's, which children love. Read Write Inc Phonics is a proven synthetic phonics programme that ensures early success in reading, writing and spelling. This book is also available as part of a mixed pack of 10-13 different books or a class pack of 100-130 books.

[Decisions: Making the Right Ones, Righting the Wrong Ones, Jim Treliving](#) , 2012, 1443411833, 9781443411837. Co-owner of Boston Pizza and star of CBC-TV's Dragons Den, Jim Treliving reveals the secrets of his success, taking you behind the scenes at critical points in the building of his businesses which also include Mr. Lube and interests in real estate and sports franchising. Covering the big decisions from what to do with your life to how to source capital, find partners, handle change and inspire growth Treliving sets out the tools for making effective choices and explains why every decision requires action. He also discusses how to bounce back from those no-so-good decisions, explaining how to refocus and recalibrate, just as Treliving had to do when he realized that Boston Pizzas expansion into Asia was causing the company to drift off-brand. Pulling back from Asian opportunities was a tough decision at the time, but the move became crucial to guiding successful BP expansions later on. Always candid, Treliving also shares his insights on some very public choices, ones you may have seen him make on The Big Decision or Dragons Den. Down to earth, sensible and

filled with vision and humour, *Decisions* is a book for budding entrepreneurs and for those who want the inside business stories beyond what we see on TV. But its also for people who want to transform their companies into ones that create steady wealth and lasting success. Even if youre not in business, Trelivings inspiring story and astute advice will help you make wiser decisions in your life and move forward with confidence in your chosen field.

[The Idea of India, Sunil Khilnani](#) , 2003, 0141937246, 9780141937243. THE IDEA OF INDIA was originally published to mark the 50th anniversary of India's independence and has since established itself as a uniquely valuable and authoritative book on a key subject. At the heart of India's self-image since independence has been 'the idea of India' - modern, technocratic, egalitarian, secular - but the tensions between the idea and the reality have become almost intolerable. With the legacy of Nehru and Gandhi everywhere under attack and ferociously religious and militant politicians in power has the idea of India lost all meaning?

[Trick Yourself Thin, Jane King](#) , 2005, 0964030020, 9780964030022. What distinguishes Jane Kings Trick Yourself Thin from other diet books is her voice. Its direct and funny and lacks the typically didactic, clinical and often condescending tone of the vast slew of other diet books out there. Her viewpoint, too, is unique. As she sets out in the book: A. You can continue to eat a lot and still not get fat.B. There are three simple, but profound, reasons why people gain weight, so that, when you lose it, you will always gain it back unless you understand and cope with the reasons you gained it in the first place. C. The book is very funny. 1) Whats the principal idea? Lets face it. People often eat for reasons besides sating their hunger. This book doesnt demand that you stop, it shows you how to get away with doing just that, still enjoy food . . . and do it without gaining weight.2) Whos the audience? This is a book for regular people. Written not by a fitness expert, but by a woman who has been overweight sometimes, thin sometimes, but mostly in-between. Shes not perfect, shes not aiming for perfect, shes aiming for not-quite-perfect, all the while still indulging in the deeply, deeply, totally satisfying pleasure of eating. 3) Who else will love this book? People who dont really want to be preached to, people not into rules or a regimen. The book describes how each person customizes their diet to suit themselves. Its about exploring who you are, what works and doesnt work for you. 4) Whats the book not about? Its not about getting to some perfect weight. If you dont get it right one day, no big deal. Tomorrow is tomorrow. Every day you start again and do what you can that day. 5) What else is great about this book? Its filled with lots of real-life stories of dieting scenarios that people can relate to.

[Dancing with the Virgin: Body and Faith in the Fiesta of Tortugas, New Mexico, Deidre Sklar](#) , 2001, 0520227913, 9780520227910. Deidre Sklar went to Tortugas, New Mexico, where an annual three-day fiesta honors the Virgin of Guadalupe, in order to seek answers to her questions about community, performance, and the embodiment of belief. How do we know what we know? Where do we belong, and how do we fit in? Sklar's own background and learned values form the conscious, constantly challenged raw material for the undertaking, and the intimate language of the body and sensation is her medium. Her ten-year study and movement analysis of the sacred dances and the "backstage" work involved in the festival take her deep into the life of the community, as dancer, participant-observer, and self-interrogating woman merge in a vividly narrated experience of "communal sacred time."

[Clones, Fakes and Posthumans: Cultures of Replication, ISSN 1570-7253, Philomena Essed, Gabriele Schwab](#) , 2012, 9042034165, 9789042034167. "Clones, Fakes and Posthumans: Cultures of replication" explores cloning and related phenomena that inform each other, like twins, fakes, replica, or homogeneities, through a cultural prism. What could it mean to think of a cloning mentality? Could it be that a "cloning culture" has made biotechnological cloning desirable in the first place, and vice versa that biotechnological cloning then enforces technologies of social and cultural cloning? What does it mean to say that a culture replicates? If biotechnological cloning has to do with choice and repetitive reproduction of selected characteristics, how are those kinds of desires expressed socially, politically and culturally? Lifting the issue of cloning above the biotechnological domain, we problematize the cultural context, including modernity's readiness to imitate and manipulate nature, and the skewed privileging of desirable socialities as a basis for exclusive replication. We also explore possible relations between a cloning mentality and a consumer society that fosters a brand-name mentality. The construction and (coercive) implementation of copy-prone technological and symbolic items are at the very heart of the consumer society and its modes of mass production as they have emerged from and seek to articulate, define, and refine modernity and modernization.

[Edie Investigates, Nick Harkaway](#) , 2012, 0307961672, 9780307961679. From the author of The Gone-Away World and the forthcoming Angelmaker an exhilarating espionage murder-mystery eShort. There has been a strange death in the quiet village of Shrewton: old Donny Caspian has lost his head. In the Copper Kettle tea rooms, Tom Rice, a junior nobody from the Treasury, puzzles over the details of the case. He has been sent by his superiors to oversee the investigation, but is he supposed to help or hinder? At the next table, octogenarian superspy Edie Banister nibbles a slice of cake and struggles not to become Miss Marple. But what is the connection between the two? Who killed Donny Caspian, and why? Taking in Rice's present and Edie's daring past, from duels on shipboard to death in back alleys, Edie Investigates is a superb short story from the incomparable Nick Harkaway. Also included with this short, the first chapter of Nick Harkaway's long-awaited new novel Angelmaker.

[Home Office Solutions: Creating the Space that Works for You, Lisa Kanarek](#) , 2004, 1592530613, 9781592530618. Most homes don't come equipped with an office and most offices come with enough paper to bury the average living room or kitchen table. This information-packed guidebook, now out in paperback, offers solutions and layouts for carving out home offices that work with your space and boost your success. Home Office Design Solutions helps readers take charge of productivity, find their optimum work style, and organize space for efficiency and creativity. Practical advice is intermingled with sumptuous, creative, and hardworking office environments that don't detract, but complement your home. Home offices don't have to be eyesores that require the door always be kept shut tight. More important, if your office shares a room with another family activity, it need not be kept hidden behind a screen. The offices featured in Home Office Solutions are ones anyone would be proud to showcase centerstage in their home.

[Releasing the Bonds: Empowering People to Think for Themselves, Steven Hassan](#) , 2000, 0967068800, 9780967068800.

The number of destructive mind control groups is growing, with estimates as high as 5,000 in the U.S. alone. Steven Hassan, himself a former member of the Unification Church, addresses the problem in *Releasing the Bonds*. Based on insider knowledge, years of scientific study, and the author's frequent workshops, the book offers a noncoercive, legal model for helping victims of mind control. The Strategic Interaction Approach teaches family and friends how to strategically influence the individual involved, laying out practical methods for recognizing the signs of a destructive relationship, undoing residual effects of past cult experiences, refuting fallacies about these groups, and becoming active in opposing them.

[Managing Global Software Projects, Ramesh](#) , 2005, . *Managing Global Software Projects* about the three dimensions of Software Project Management people, process and technology and the interactions between them, particularly when the team is geographically distributed. The book focuses on the following:1. Project management issues that confront global and distributed teams2. A fair balance across the three dimensions people, process and technology contributing to the success of geographically distributed teams3. Practical examples of the things that work and the common pitfalls4. Descriptive frameworks rather than prescriptive formulae5. Coverage of some of the issues vital for a project s success, for example the skill set required for each function, business significance of process models, etc.This book also covers the key practice areas of CMM and the 20 clauses of ISO-9001.

[It Chooses You, Miranda July](#) , 2012, 1938073010, 9781938073014. In the summer of 2009 Miranda July was struggling to write her second screenplay, The Future, when she began to obsessively read the PennySaver classified ads. The iconic Los Angeles newsprint booklet served a computerless demographic?a quickly disappearing group, but one rife with stories. Who was the person selling the LARGE LEATHER JACKET, \$10 OR BEST OFFER? It seemed important to find out, or, at least it was a great distraction from the screenplay.Working with photographer Brigitte Sire, July interviewed thirteen PennySaver sellers to create portraits of their surprisingly moving, profoundly specific realities. Among these was Joe, an energetic 82-year-old with his own sweetly perverse body of artwork. By the end of the summer, July had written Joe into the movie as himself and the voice of the moon. July reveals her hilariously random and blindly faithful creative process as we travel with her all over the city, and eventually to the set of The Future (in theaters in July). Combining narrative, interviews, and photographs, this book tells the story not only of the making of a movie in Los Angeles, but of the city itself.

[Regulating Financial Services and Markets in the Twenty First Century, Eils Ferran, Charles Albert Eric Goodhart](#) , 2001, 1841132799, 9781841132792. The essays in this work offer a high-level examination of the most important issues facing financial services regulation,and the far-reaching effects of the Financial Services and Markets Act 2000 on the UK financial sector in the context of rapid global change. Taking an interdisciplinary approach the book includes contributions by many distinguished academic authorities on the law and economics of regulation, and also some of the most influential practitioners, regulators and policymakers. As such it provides an authoritative analysis of the underlying issues affecting the broad development of financial services regulation: the objectives of regulation, the responsibilities of the regulated community, the accountability of regulators, the regulation of electronic financial markets and the impact of stock market mergers, regional regulation within Europe, and the development of global financial regulation.

[Forever Slim, Mary Kay Bray](#) , 2000, 0595148158, 9780595148158. Weight loss isnt just about food. Join Mary Bray as

she tells her personal story of weight loss and explores the mental, emotional, and physical dynamics of transforming your body and your life. Available for the first time in English, FOREVER SLIM was a bestseller in Switzerland, where thousands of readers have joined the author in sold-out seminars to lose weight and gain new life.

[Stories of the Old South, Ben Forkner, Patrick H. Samway](#) , 1989, 0140120068, 9780140120066. Mining the same terrain as in their previous collection, Stories of the Modern South, Forkner and Samway turn their attention to an earlier era. Most of the stories in this collection were written in the 19th century.

"This book documents in rare detail the back-room haggling and the attempted ego-bashing that is part of the movie business." - Gene Siskel; "Told with the passion of an advocate yet with the objectivity of a crack reporter, The Battle of Brazil is a chilling, inevitably hilarious account of a great film that almost got away." - USA Today.

[Computer Simulated Experiments for Electric Circuits Using Electronics Workbench Multisim, Volume 1, Richard H. Berube](#) , 2004, 0130487880, 9780130487889. For courses in Electric Circuits. This unique and innovative laboratory manual helps students learn and understand circuit analysis concepts by using Electronic Workbench software to simulate actual laboratory experiments on a computer. Students work with circuits drawn on the computer screen and with simulated instruments that act like actual laboratory instruments. Circuits can be modified easily with on-screen editing, and analysis results provide fast, accurate feedback. Hands-on in approach throughout in both interactive experiments and a series of questions about the results of each experiment it is more cost effective, safer, and more thorough and efficient than using hardwired experiments. This lab manual can be sold for use with any DC/AC text. Note: This book no longer comes with a CD. Any reference to a CD within the book is out of date and will be updated on our next printing. [Institutional Selves: Troubled Identities in a Postmodern World, Jaber F. Gubrium, James A. Holstein](#) , 2001,

0195129288, 9780195129281. Today, identities are created and selves are constructed in more organizational settings than ever before. Institutions large and small-from psychiatric hospitals, schools, and prisons to job clinics, counseling centers, and support groups-are virtually in the business of self construction. New institutions not only produce new forms of identity by presenting additional options for who and what we are but also place practical limits on the range of possible selves we can be. Institutional Selves acknowledges the socially practical self we live by. It brings together nine distinctive chapters that collectively address the institutional construction of troubled identities. From the victims and villains of television talk shows, to battered women in support groups, to the violent selves of prison inmates, this book illustrates how selves are organizationally informed and structured in institutional practice. The institutional construction of selves is an especially interesting issue as social problems, their causes, and their victims are endlessly reinterpreted by the various organizations devoted to helping resolve associated troubles. This book deals with fundamental and complex issues in a well-illustrated, multi-faceted manner. It provides common vocabulary that offers students a consistent language for discussing the construction of troubled identities. The style of the book is accessible and appropriate to a wide range of undergraduate students in sociology. The book neither "talks down" to the novice nor strains the patience of more experienced researchers. It can be used to lay the foundation for discussion of how the self is constructed in today's world by linking the social psychology of the self to the organizational processing of deviance and social problems.

[In the Beginning: Creation Stories from Around the World, Virginia Hamilton](#) , 1991, 0833550853, 9780833550859. The origin of the universe, and all that is in it, has always been cause for wonder. For thousands of years, people have made up stories in an attempt to explain the beginning of humankind, the earth, and the cosmos. Beautifully told by Virginia Hamilton and splendidly illustrated by Barry Moser, "In The Beginning" is a collection of twenty-five creation myth stories that will engage and fascinate readers while introducing them to cultures around the world. Researched extensively by both author and illustrator, each story includes one or more illustrations - all stunning complements to the text. And each story is followed by author comments that tell about its origin. The stories in this book reflect the wonderful range of the human imagination. In an Eskimo myth, for example, the first man pushes his way out of a pea pod. In a story from the Kono people of Guinea, death starts the world. A dramatic myth from China tells that the universe was originally in the shape of a hen's egg - and from this burst the first being. To read the diverse beliefs of people around the world, both ancient and contemporary, broadens our understanding of others and strengthens our own spirituality. Intriguing, often humorous, and always fascinating, "In The Beginning" is a memorable book for readers of all ages.

[All the Mermaids in the Sea: The Lost Journals of the Little Mermaid, Robert W. Cabell](#) , 2012, 0984474862,

9780984474868. Denmark's King Valdemar I, was a young prince when he was washed overboard in a violent storm. His

life was saved, but his heart was lost, to Poseidon's daughter Helmi. Twenty-five years later, he faked his death and returned to her in the sea. Their daughter Miranda protected their realm from the ravages of two world wars and then met her own true love, Halder, a marine biologist. On the day of their daughter's birth, Miranda and Halder were mysteriously killed along Seattle's waterfront, but their child survived. Adopted by a loving couple, she was named for the lavender pearl around her neck --- the only clue to her true identity. While in Hawaii for her thirteenth birthday she visits Dolphin Quest and everything changes. As Pearl swims with the dolphins, she magically transforms into a mermaid. During her journey through the depths of the oceans, she learns of the murder of her parents and that her grandmother is the immortal Little Mermaid. The stories of Helmi, Miranda, and Pearl are woven together in a sweeping epic of romance and adventure, with a dazzling conclusion that changes the fate of mankind.

[Village School, Miss Read](#) , 2001, 061812702X, 9780618127023. The first novel in the beloved Fairacre series, VILLAGE SCHOOL introduces the remarkable schoolmistress Miss Read and her lovable group of children, who, with a mixture of skinned knees and smiles, are just as likely to lose themselves as their mittens. This is the English village of Fairacre: a handful of thatch-roofed cottages, a church, the school, the promise of fair weather, friendly faces, and good cheer -- at least most of the time. Here everyone knows everyone else's business, and the villagers like each other anyway (even Miss Pringle, the irascible, gloomy cleaner of Fairacre School). With a wise heart and a discerning eye, Miss Read guides us through one crisp, glistening autumn in her village and introduces us to a cast of unforgettable characters and a world of drama, romance, and humor, all within a stone's throw of the school. By the time winter comes, you'll be nestled snugly into the warmth and wit of Fairacre and won't want to leave.

[\(Nevertheless Enjoyment, Elizabeth Bryant](#) , 2010, 0979299993, 9780979299995. With vivid language that denies easily attained unambiguous and unlayered emotion, the poems in (nevertheless enjoyment examine and reexamine what satisfaction means through the lens of intimate experience. From "[s]lumps in the middle where history is" to "[t]he drab-colored female being more of a challenge," Elizabeth Bryant portrays details of life's challenges in surprising and, at times, unsettling terms. Central to this work of serial prose poetry is the concept of jouissance, sometimes loosely translated as "enjoyment." Bryant uses the word to convey not only pleasure, happiness, achievement and satisfaction, but also fixation, difficulty, obstruction and conflict. These nuanced poems convey the sense that a precise understanding of jouissance is elusive and may be fully perceived only in hindsight. Showing the influence of writers such as Lyn Hejinian, Leslie Scalapino and Carla Harryman, Bryant's direct prose illustrates a series of bittersweet and timeless vignettes. (nevertheless enjoyment provides evidence of an ever-present life force that is at once ineffable and brutally powerful.

[Wrigley Season Ticket 2007: An Annual Guide to Chicago Cubs Baseball, Stuart Shea](#) , 2007, 0977743675, 9780977743674. Wrigley Season Ticket 2007 gives fans the detailed information about the Chicago Cubs that theyve

craved for so long. Other preseason annuals cover all of baseball, and they're either too expensive, too long, or not focused completely on the Cubs. But now there's a publication just about the Cubs that can quench your desire! Along with a preview of the 2007 National League Central and an examination of the team's rookie pitchers, fans get to explore recent Cubs history. Included is an analysis of the team's injury history from 2001 to 2006 and its impact, an evaluation of general manager Jim Hendry's moves, a look back at the historic 1967 Cubs, and a celebration of Mr. Cub, Ernie Banks, as he turns seventy-five. Moreover, the Season Ticket evaluates the entire organization as well, not just the majors. Within these pages fans will find information on the team's top prospects, a story on Felix Pie, and a discussion of the organization's overall lack of interest in on-base percentage. On the business side, readers can see how the Cubs are covered in the media, learn about Cubs ticket scalping, and even get an account of ticket prices and broadcasting throughout Cubs history. It's all packed into more than a hundred pages of full-color, ad-free Cubs information unlike anything else on the market. Written by Cubs fans for Cubs fans, Wrigley Season Ticket 2007 is the essential season reference for all Cubs fans! A publication of Maple Street Press, distributed by Potomac Books, Inc.

[The Elephant Vanishes: Stories, Haruki Murakami](#) , 2010, 0307762734, 9780307762733. With the same deadpan mania and genius for dislocation that he brought to his internationally acclaimed novels *A Wild Sheep Chase* and *Hard-Boiled Wonderland and the End of the World*, Haruki Murakami makes this collection of stories a determined assault on the normal. A man sees his favorite elephant vanish into thin air; a newlywed couple suffers attacks of hunger that drive them to hold up a McDonald's in the middle of the night; and a young woman discovers that she has become irresistible to a little green monster who burrows up through her backyard. By turns haunting and hilarious, *The Elephant Vanishes* is further proof of Murakami's ability to cross the border between separate realities -- and to come back bearing treasure.

[New Gospel Parallels: 2. Mark, , Robert Walter Funk](#) , 1990, 0944344135, 9780944344132. A unique tool for the study and teaching of the gospels. The entire primary text of Mark is presented in sequence, with parallel texts matched side-by-side. Parallel texts include all the canonical and known extra-canonical texts through 300 C.E.

[Ex-Wives, Deborah Moggach](#) , 2006, 0099479699, 9780099479697. From the bestselling author of *The Best Exotic Marigold Hotel* Meet Buffy. With three ex-wives, a failing career and only his dog George for company, Buffy's bachelorhood is looking worryingly confirmed. Until he meets Celeste. Dazzled by love, Buffy has no idea that Celeste is systematically researching his ex-wives, children and step-children, and unearthing secrets that will change all their lives.

[Endovascular Surgery: Expert Consult, Wesley S. Moore](#) , 2010, 1437735924, 9781437735925. In the 4th edition of Endovascular Surgery, Drs. Wesley S. Moore, Samuel S. Ahn, and a host of experts guide you through the latest developments in this innovative field. New procedures and special features, such as key points and case reviews, help illustrate effective patient care, and new topics such as endoscopic management of aneurismal disease and traumatic injuries review with you the latest endovascular surgical techniques. Review basic principles and new techniques, and follow a practical, problem-solving approach to help address challenging areas. Gain greater detail and depth than other current texts, as well as fresh perspectives with contributions from new authors. Broaden your surgical skills with new chapters on endoscopic management of aneurismal disease and traumatic injuries, and review a valuable new section covering the TIPS Procedure for Portal Hypertension, Anesthetic Management for Endovascular Procedures, the Use of Coil Embolization in Endovascular Surgery, and more. See case presentations from the authors own review course to help you apply key information to real clinical situations.

[Purified by Fire: A History of Cremation in America, Stephen R. Prothero](#) , 2001, 0520929748, 9780520929746. Just one hundred years ago, Americans almost universally condemned cremation. Today, nearly one-quarter of Americans choose to be cremated. The practice has gained wide acceptance as a funeral rite, in both our private and public lives, as the cremations of icons such as John Lennon and John F. Kennedy Jr. show. "Purified by Fire" tells the fascinating story of cremation's rise from notoriety to legitimacy and takes a provocative new look at important transformations in the American cultural landscape over the last 150 years. Stephen Prothero synthesizes a wide array of previously untapped source material, including newspapers, consumer guides, mortician trade journals, and popular magazines such as "Reader's Digest" to provide this first historical study of cremation in the United States. He vividly describes many noteworthy events from the much-criticized first American cremation in 1876 to the death and cremation of Jerry Garcia in the late twentieth century. From the Gilded Age to the Progressive Era to the baby boomers of today, this book takes us on a tour through American culture and traces our changing attitudes toward death, religion, public health, the body, and the environment."

[Fun Nature, Geoff Lucas](#) , 2004, 0953217515, 9780953217519.

[Hinterland, Caroline Brothers](#) , 2012, 1408821613, 9781408821619. It is night, and two boys are crossing a river that is

also a border. They have nothing but the clothes on their backs, their inheritance stitched into the lining of a belt, and the courage of an enormous gamble: that Europe will offer them a future they can no longer wait for in Afghanistan. Travelling by truck, by boat, by train, by bus and on foot, Aryan and his younger brother Kabir have embarked on an epic journey, clinging to an itinerary they repeat like a mantra so as not to lose their way: KabulTehranIstanbulAthensRomeParisLondon. There are moments of wonder and adventure but also battles against cold, heat, hunger, violence and exhaustion. Whether they are harvesting half-frozen oranges in Greece, or hiding behind a false wall on a truck to Italy, or sleeping under the rafters of a sawmill in France, the brothers are exploited for their labour, hustled for their money and ignored by almost everyone, except the police. Hinterland is a novel about two children in the aftermath of trauma; underage, homeless and invisible in a foreign land. It shows what happens when the adult world rushes in, and what our universe looks like from the other side of the glass, to those displaced children who are out there, even now, on the road.

[Strategic Brand Management: A European Perspective, Kevin Lane Keller, Tony Apria, Mats Georgson](#) , 2011, 0273737872, 9780273737872. Incorporating the latest industry thinking and developments, this exploration of brands, brand equity, and strategic brand management combines a comprehensive theoretical foundation with numerous techniques and practical insights for making better day-to-day and long-term brand decisions -- and thus improving the long-term profitability of specific brand strategies. Finely focused on "how-to" and "why" throughout, it provides specific tactical guidelines for planning, building, measuring, and managing brand equity. It includes numerous examples on virtually every topic and over 75 Branding Briefs that identify successful and unsuccessful brands and explain why they have been so. Case studies will familiarize readers with the real-life stories of Levi's Dockers, Intel Corporation, Nivea, Nike, and Starbucks.

The Rough Guide to iPods and iTunes is the ultimate companion to the defining gadget of the digital music era - and an essential guide to music and video on the Net, on your PC or Mac. Fully updated and revised, The Rough Guide to iPods and iTunes covers the full iPod range of products: from the best of the iTunes App Store, iPod Touch, iTunes 8 to practical information for the iPod Nano and Classic Shuffle. Written by Peter Buckley, author of the best-selling Rough Guides to the Internet and Rough Guide to Macs & OSX, this guide will suit novices and experts alike. Complete with reviews of all the latest gadgets and extras; including the new Apple Headphones, the latest home stereo and TV systems that work

with iPods, history of the iPod and the truth about iTunes going DRM-free. Discover how to import your CDs and DVDs, manage your music and video library, how to digitize music from vinyl or cassette and download from the best online sites and stores, all this plus much, much more. Whether you already have an iPod or you're thinking of buying one, you need *The Rough Guide to iPods and iTunes!*

[*The Oxford Dictionary of the Classical World, John Willoby Roberts*](#) , 2007, 0192801465, 9780192801463. Authoritative, wide-ranging, and unrivalled in its accessibility, *The Oxford Dictionary of the Classical World* is a concise and lucid survey of life in ancient Greece and Rome, spanning 776 BC - AD 180, from the first Olympic games to the death of Marcus Aurelius. An approachable, user-friendly abridgement of the highly acclaimed *Oxford Classical Dictionary*, this book offers over 2,500 A-Z entries on aspects of life in the classical world, from politics, medicine, philosophy, art, and architecture, to history, myth and religion, mathematics, and literature, with biographical entries on the important individuals--both real and mythological--of the period. It provides a fascinating insight into the attitudes of the ancient Greeks and Romans towards key elements of everyday life, including science, the arts, politics, religion and mythology, philosophy, and social and family life. Appendices include a clear and comprehensive account of money and its value in the classical world; a chronology of events across Greece and the east and Rome and the west; maps; and a two-way quick-reference gazetteer. Affordable and easy to use, this is an invaluable resource for students and teachers of classics and classical civilization as well as being a fascinating guide for anyone interested in learning more about the foundations of Western culture.

[*Constructing Bangladesh: Religion, Ethnicity, and Language in an Islamic Nation: Religion, Ethnicity, and Language in an Islamic Nation, Sufia M. Uddin*](#) , 2006, 0807877336, 9780807877333. Highlighting the dynamic, pluralistic nature of Islamic civilization, Sufia M. Uddin examines the complex history of Islamic state formation in Bangladesh, formerly the eastern part of the Indian province of Bengal. Uddin focuses on significant moments in

[*Data Converters, Franco Maloberti*](#) , 2007, 0387324860, 9780387324869. This book is the first graduate-level textbook presenting a comprehensive treatment of Data Converters. The advancement of digital electronics urged the availability of a still missing support for teaching and self-learning analog-digital interfaces at many levels: the specification, the conversion methods and architectures, the circuit design and the testing. *Data Converters* is a textbook that is also essential for engineering professionals as it was written for responding to a shortage of organically organized material on the topic. The book assumes a solid background in analog and digital circuits as well as a working knowledge of

simulation tools for circuit and behavioral analysis. A background on statistical analysis is also helpful, though not strictly necessary.

[No One Left to Lie to: The Triangulations of William Jefferson Clinton, Christopher Hitchens](#) , 2012, 0857898434, 9780857898432. In No One Left to Lie To, Christopher Hitchens portrays President Bill Clinton as one of the most ideologically skewed and morally negligent politicians of recent times. In a blistering polemic which shows that Clinton was at once philanderer and philistine, crooked and corrupt, Hitchens challenges perceptions - of liberals and conservatives alike - of this highly divisive figure. With blistering wit and meticulous documentation, Hitchens masterfully deconstructs Clinton's abject propensity for pandering to the Left while delivering to the Right and argues that the president's personal transgressions were inseparable from his political corruption.

[Michelangelo And The Pope's Ceiling, Ross King](#) , 2012, 1446418839, 9781446418833. In 1508, Pope Julius II commissioned Michelangelo to paint the ceiling of the Sistine Chapel. The thirty-three-year-old Michelangelo had very little experience of the physically and technically taxing art of fresco; and, at twelve thousand square feet, the ceiling represented one of the largest such projects ever attempted. Nevertheless, for the next four years he and a hand-picked team of assistants laboured over the vast ceiling, making thousands of drawings and spending back-breaking hours on a scaffold fifty feet above the floor. The result was one of the greatest masterpieces of all time. This fascinating book tells the story of those four extraordinary years and paints a magnificent picture of day-to-day life on the Sistine scaffolding - and outside, in the upheaval of early sixteenth-century Rome.
