[Textbook on Land Law, Judith-Anne MacKenzie, Mary Phillips](#) , 2010, 0199578915, 9780199578917. Textbook on Land Law guides students through the principles of contemporary land law from a practical perspective. It focuses on the modern law, confining discussion of historical developments to the minimum, necessary to understand basic principles and concentrate on the law as it is now. The book is consistently recommended to students for its accuracy and ease of use. It is written in a direct and informal style, explaining the law in non-technical language and warning of possible misunderstandings and confusions. Rules are illustrated by reference to real-life situations in a fictitious town, bringing the subject to life and enhancing the reader's understanding of problem areas. Useful features include a glossary, sample documents and further reading references. The unique and straightforward approach taken by the authors has established Textbook on Land Law as the ultimate practical land law book and makes the subject interesting and accessible. Online Resource Centre The accompanying Online Resource Centre includes additional detail in relation to certain areas, designed for those needing to have a greater knowledge of some older or more complex areas of land law. It also includes annotated web links and regular cases and legislation updates.

[Principles of Pediatric Nursing: Caring for Children, Jane W. Ball, Ruth C. Bindler, Kay J. Cowen](#) , 2012, 0133096238, 9780133096231. ALERT:Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Written for today's nurse, PRINCIPLES OF PEDIATRIC NURSING: CARING FOR CHILDREN, 5/e explores the conditions and nursing interventions for health conditions affecting children, adolescents and their families. Emphasizing research and evidence-based practice, it organizes material by body system instead of developmental stage, allowing faculty to teach pediatrics in integrated courses/short courses without redundancy. This edition includes a new chapter on genetic and genomic influences, more emphasis on culturally competent care, and new features that emphasize clinical reasoning and health promotion. Designed to help students bridge the gap between classroom and clinical situations, the book emphasizes

health promotion and maintenance, growth and development, and family-centered care. 0133096238 / 9780133096231

[Team Coaching: Artists at Work : South African Coaches Share Their Theory and Practice, Helena Dolny](#) , 2010,

0143025821, 9780143025825. No company has ever succeeded simply because it has brilliant individuals in its ranks - in

fact many have failed because they have not succeeded in getting great talent to work together as a team. Every single

South African business lives or dies by its ability to get its people to work together, in constantly changing teams,

towards achieving the common goals of the company. Team Coaching: Artists at Work shows how the right coaching

interventions can build skills in individuals so that they can become effective team players in a variety of work

situations. The book is, not surprisingly, a team effort. A group of top South African coaches got together to share

everything they had used individually when coaching teams. This pooling of best practice was so exciting, the outcome so

much more than anticipated, that they decided to write this book together. This is not a DIY manual, nor is it a bible.

Corporate teams are often temporary and shifting in nature with continuous restructuring, promotions, new people

moving in, others resigning. Flexibility and creativity are critical. That's precisely where team coaching interventions come

in, to increase individual self-awareness, enhance people's ability to adapt to the styles of others, and create cohesion

and commitment of how to work together. That's when the real people power of an organisation starts to make itself felt,

when talented individuals become effective team members. Coaches are artists, who bring their facilitation talents and

tools to the team to make this happen. This is a book for business and team leaders who would like to turn a collection of

outstanding individuals into an unbeatable team. Coaching is one of the fastest growing professions and this book

contributes to wider understanding of what potential coaching offers not only for business teams but also for societal

transformation.

After changing identities and moving to Memphis, the past comes back to haunt Cameron-forcing him to make a deadly choice that changes his life forever.

[Love's Melody Lost, Radclyffe](#) , 2004, 1933110007, 9781933110004. A secretive artist with a haunted past and a young woman escaping a life that has proved to be a lie find their destinies entwined. A fragile melody of love is played between these damaged souls, a song made sweeter and stronger by the day... but will their blossoming romance be destroyed by an outsider's greed or will it succumb to the discord of one woman's tormented heart? A reprint of the classic lesbian high-romance between a deeply secretive musician and the woman who returns the light to her dark days and the melody to her soul.

[The woodlanders, Volume 1980, , Thomas Hardy, Dale Kramer](#) , 1981, 0198125046, 9780198125044. Set in the secluded forest community of Little Hintock, Thomas Hardy's "The Woodlanders" inextricably links the dramatic English landscape with the story of a woman caught between two rivals of radically different social statures. Grace Melbury is promised to her longtime companion, Giles Winterborne, a local woodlander and a gentle, steadfast man. When her socially motivated father pressures her to wed the ambitious doctor Edred Fitzpiers, Grace's loyalties shift--and her decision leads to tumultuous consequences. With its explorations of class and gender, lust and betrayal, "The Woodlanders" is one of Hardy's most vivid and powerful works. This Modern Library Paperback Classic is set from the text of the 1912 Wessex edition and includes Hardy's map of fictional Wessex. "The finest English novel."--Arnold Bennett "From the Trade Paperback edition."

[Pagan Virtue: An Essay in Ethics, John Casey](#) , 1990, 0198249586, 9780198249580. The study of the virtues has largely dropped out of modern philosophy, yet it was the predominant tradition in ethics from the ancient Greeks until Kant. Traditionally the study of the virtues was also the study of what constituted a successful and happy life. Drawing on such diverse sources as Aristotle, Augustine, Aquinas, Shakespeare, Hume, Jane Austen, Hegel, Nietzsche, and Sartre, Casey

here argues that the classical virtues of courage, temperance, practical wisdom, and justice centrally define the good for humans, and that they are insufficiently acknowledged in modern moral philosophy. He suggests that values of success, worldliness, and pride are active parts of our moral thinking, and that the conflict between these and our equally important Christian inheritance leads to tensions and contradictions in our understanding of the moral life.

Henry David Thoreau, Ralph Waldo Emerson, and Daniel Webster, as well as painters such as panoramic landscapist Frederic Church, are among the creators whose contributions to the period of cultural reformation are discussed.

[African American Quilting: The Warmth of Tradition, Sule Greg Wilson](#) , 1999, 0823918548, 9780823918546. Accelerated Reader is a program based on the fact that students become more motivated to read if they are tested on the content of the books they have read and are rewarded for correct answers. Students read each book, individually take the test on the computer, and receive gratification when they score well. Schools using the Accelerated Reader program have seen a significant increase in reading among their students. Globally and locally, teens are confronted with a wide variety of social issues and difficult political realities. These titles are excellent for community service learning and tolerance building.

[Femitokon: Waxami, Tina Anderson](#) , , 0974419575, 9780974419572. After the death of their Empress, the Slavic Empire puts her son Grand Duke Mikolaj, on the throne, an action that results in the dissolution of their diplomatic treaty with Ramaxia. When Komad Kul and Donmat Dox arrive to retrieve Ambassador Velto Wram and her wife Ilo, they discover that Mikolaj's advisers are unwilling to part with the technology given to them.

[The Immaculate Invasion, Bob Shacochis](#) , 2010, 0802196160, 9780802196163. Widely celebrated upon its original publication in 1999, National Book Awardwinning writer Bob Shacochiss The Immaculate Invasion is a gritty, poetic, and revelatory look at the American intervention in Haiti in 1994. In 1994, the United States embarked on Operation Uphold Democracy, a response to the overthrow of the democratically elected Haitian government by a brutal military coup. Bob Shacochis traveled to Haiti for Harpers and was embedded long before the idea became popular in Iraq with a team of Special Forces commandos for eighteen months and came away with tremendous insight into Haiti, the character of American fighters, and what can happen when an intervention turns into a misadventure. With the eye for detail and narrative skills of a critically acclaimed, award-winning novelist, Shacochis captures the exploits and frustrations, the inner lives, and the heroic deeds of young Americans as they struggle to bring democracy to a country ravaged by tyranny. The Immaculate Invasion is required reading, essential for anyone who wants to understand what has happened

in Haiti in the past and what will happen in the future.

[Playback: The Magic of William S. Burroughs, Sven Davisson](#) , 2009, 0979083834, 9780979083839. The elusive wild boys, the magical Zimbu, the embattled Johnsons... They are all here in this revised and expanded reincarnation of Ashe Journal #2.3. In these pages magicians, poets, and academicians explore the magical dimensions of William Burroughs' mythology for the space age. Contributors examine the magical rituals practiced by the Wild Boy tribes, the revolutionary attempts to break from Control, the radical disruption of gender, Burroughs' relation to Gnosticism and his vision of the Apocalypse.

[ECG Made Easy, Atul Luthra](#) , 2012, 935025591X, 9789350255919. ECG Made Easy is a complete overview of ECG, examining its interpretation and resulting diagnosis, the possible causes of abnormalities and their clinical relevance. Assisted by 164 illustrations, this book discusses in detail the diagnosis and management of numerous cardiac rhythms, with a separate chapter dedicated to each ECG reading.

[Nat's Nat and That's That: A Surfing Legend, Nat Young](#) , 1998, 0958575002, 9780958575003. The book is a autobiography of Nat Young, a surfers and a pioneer of the 'shortboard' style. With short stories, anecdotes, and

adventures with some of surfing's most colorful and well known characters, Nat Young recounts his life from Australia to Hawaii to the Pacific Coast of America and beyond. In text and dozens of black and white photos, Young combines surfing history, personal journals, stories, and press clippings. Young has been the subject of surfing movies, showcasing an list of accomplishments such as his 1963 Australian Open win, his first sponsorship at 16 years of age with 'Hang Ten', opening his surf shops, and his four-time World Champion status. He also earned a pilots license, worked as a model for Ralph Lauren, and worked for French clothier Oxbow, and is an accomplished snowboarder and skier as well. In the late 1960s, he and a handful of others ushered in the 'new era' in surfboard riding, a power-oriented style which formed the basis of contemporary surfing.

[Global Warming: A Very Short Introduction, Mark Maslin](#) , 2008, 0191579122, 9780191579127. Global warming is arguably the most critical and controversial issue facing the world in the twenty-first century. This Very Short Introduction provides a concise and accessible explanation of the key topics in the debate: looking at the predicted impact of climate change, exploring the political controversies of recent years, and explaining the proposed solutions. Fully updated for 2008, Mark Maslin's compelling account brings the reader right up to date, describing recent developments from US policy to the UK Climate Change Bill, and where we now stand with the Kyoto Protocol. He also includes a chapter on local solutions, reflecting the now widely held view that, to mitigate any impending disaster, governments as well as individuals must to act together. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[The HTML Pocket Guide, Bruce Hyslop](#) , 2010, 0321703510, 9780321703514. This handy low-priced book is packed with HTML/XHTML definitions and tips, including those for HTML5 elements in depth. Snappy writing and illustrative code samples walk readers through HTML uses and element definitions. Handy pocket size provides a convenient reference for

HTML coders. A true companion to standards-compliant design. The HTML Pocket Guide is for both beginning users, who want an introduction to HTML, and more advanced users, who are looking for a convenient reference. While HTML5 is still under development, browser manufacturers are already supporting many of its features in Google Chrome, Firefox, Opera, Safari, and the upcoming Internet Explorer 9. So, now is the time to start learning about it. The HTML Pocket Guide is a valuable companion to creating standards-compliant markup that will help Web designers and developers quickly define content and meaning. Accessible, convenient, and inexpensive, this pocket guide is exactly what web designers and developers need.

[The Wellness Blueprint: An Integrative Approach to Health and Wellness Body, Mind, and Soul, Maiysha Clairborne](#) , 2012, . In this straight-to-the-point manual, Dr. Maiysha Clairborne takes it back to the basics to teach you how to integrate very simple habits into your life to improve your mental, physical, and emotional well-being. The Wellness Blueprint provides you with easy-to-remember exercises that have been proven to work, clear explanations of wellness concepts, and inspiring insights that will shift you from being a passive recipient to an active participant in your health and well-being. Within these pages you will learn how all areas of your life can be affected by just one unhealthy behavior; why sustainable change is so difficult; how to counteract negative attitudes that lead to unhappiness and "stuckness" in your life; how to overcome stressful and challenging situations with ease; what behaviors are harming your personal and work relationships and how to change them immediately; how feelings, thoughts, and eating patterns are linked; how to make exercise and physical activity fun; the key tips and exercises for connecting with the inner self and reaching inner stillness; how to find your own path and meaning in life. Let Dr. Maiysha Clairborne take you on an inspired journey of body, mind, and soul. It will result in you gaining complete control of your health and wellness. By the end of the book, you will find that when you change your mind and shift your heart, you will also transform your life.

[Hot Pants in a Cold Cold World: Works, 1987-2007, Noel Daniel, Dunedin Public Art Gallery](#) , 2008, 0958278946, 9780958278942. "The fundamental problem of art is finding a suitable form - a shape for your philosophy, a form that is as persuasive as language. ... It has taken me my whole artistic life to figure out why anyone gives a shit about form." (Meg Cranston, "Big Problems #1", 2006) Californian artist Meg Cranston's twenty-year career (1987-2007) is the subject of HOT PANTS IN A COLD COLD WORLD. Her work encompasses object making, writing, performance, theatre and mixed media installation and is for the first time lavishly surveyed in text and images. This substantial 200-page full colour monograph includes installation images and texts by Nico Israel, Carole Ann Klonarides, Tirdad Zolghadr and previously published and unpublished writing by the artist

[The Media City: Media, Architecture and Urban Space, Scott McQuire](#) , 2008, 1412907934, 9781412907934. Offering social commentary at the deepest levels of historical and critical reference, The Media City links Myspace to Howard

Hughes; trams to cinema; security cameras to exploding buildings; reality TV to Marx; and Lenin on privacy to Kracauer on the mass ornament. Wide-ranging and richly illustrated, it intersects disciplines and connects phenomena which are too often left isolated from each other to propose a new way of understanding public and private space and social life in contemporary cities.

[The Angel with a Broken Heart, Leslie Michael](#) , 2010, 0973722460, 9780973722468. The incredible story of the great battle for Heaven. Lucifer was the "Bearer of Light," the "Shining Star of Dawn," the "Son of the Morning." He was a magnificent angel of dazzling brightness and awesome beauty. A supernatural being, perfect in every way from the day he was created from fire and embedded with precious stones, he chose to challenge the power and majesty of God. "Commanding a third of the rebellious angels, Satan ordered 24 commanders, 2,500 senior angels and 280,000 other angels to launch a massive assault against Michael and his loyal angelic hosts. The rumbling of fiery chariots rained fire and thunderbolts unto frontier positions. Angels were flying at incredible speed, conducting both strategic and tactical raids against numerous targets with frightening success. The loyal angels could hardly believe that this battle was taking place. The sheer weight of numbers, the shock of betrayal, the devastating element of surprise and heavy casualties took their toll. The loyal angels began to retreat..." At a dinner party in the spring of 2007 a woman asked Leslie Michael how the Serpent came to be in the Garden of Eden, free to mingle with Adam and Eve - God's noblest of creations. Mr. Michael admitted he did not know but assured the lady that there must be a story to it. He was determined to find out what could have possibly taken place and set about the unenviable task of putting his research into this book. Written in a non-confrontational manner, it invites further intelligent discussion and a meaningful dialogue about a magnificent angel who was cast into the Sea of Flames; a revengeful angel who swore vengeance; a rebellious angel who dared to challenge God.

[The Improvisational Cook, Sally Schneider](#) , 2011, 0062025368, 9780062025364. What happens if you pair prosciutto with roasted pears? . . . shave Parmesan on French fries? . . . add pepper to a chocolate cake? . . . pan-fry macaroni and cheese? In *The Improvisational Cook*, Sally Schneider helps home cooks declare their independence from recipes and set lists of ingredients by offering a fun, more spontaneous way to cook. The secret lies in understanding the internal "logic" of a recipe and its creative possibilities. Start with an essential dish, such as Caramelized Onions. Following Schneider's clear advice, it can become a savory onion jam; a real onion dip; a quick bruschetta topping with anchovies and olives; or a rustic onion soup with dried porcini mushrooms all in just a step or two. The possibilities are endless. Prepare a savory lemon jam to go with lamb or veal chops, or turn it into a cake filling. Roast a whole lobster instead of a fish in a salt crust. Add minced rosemary or Earl Grey tea to butter cookie dough. Turn a brownie batter into an elegant, pepper-scented chocolate cake. Schneider gives cooks the know-how to embellish, adapt, change, alter, modify, and experiment in their cooking with plenty of encouragement and helpful information. Here are the tools and insights everyone needs to find his or her own voice in the kitchen from where to get inspiration, to learning "what goes with what," to pantry staples that make improvising easy.

[Tai Chen on Mencius: Explorations in Words and Meaning : a Translation of the Meng Tzu Tzu-i Shu-cheng, with a Critical Introduction, Zhen Dai](#) , 1990, 0300046545, 9780300046540. The Ch'ing scholar-thinker Tai Chen (1724-1777) was a passionate explorer. He loved words, and his most important philosophical treatise, the *Meng Tzu tzu-tshu-cheng* (An evidential study of the meaning of terms in the Mencius), was an exhaustive search for the meaning of the words first uttered by Mencius in the 4th century B.C. This book is the first complete and annotated English translation of that treatise. Drawing on scholarship from the 18th century to the present, it also includes two essays that reconstruct Tai

Chen's life and times and reinterpret his thought.

[Energy Healing: The Essentials of Self-Care, Ann Marie Chiasson](#) , 2013, 1604078928, 9781604078923. Where does true wellness start? For thousands of years, traditional healers have been able to detect and correct imbalances at the energetic level in order to heal our physical ailments. Today, these traditions are expanding the medical understanding of our subtle anatomy and its role in our overall well-being. With Energy Healing, integrative physician Ann Marie Chiasson offers a complete guidebook of easy-to-use energy practices to enhance your health and vitality. Drawing from the material she teaches at Dr. Andrew Weil's Arizona Center for Integrative Medicine, Dr. Chiasson explores: Our subtle anatomy understanding the chakras, meridians, and the key principles of energy healing Self-diagnosis techniques for detecting the movement of energy in our bodies even if you've never sensed energy before Practices for daily self-care and specific techniques to address energy blocks often seen in common illnesses and health issues Why our energy wanes as we age, and how we can replenish our vitality from sources in the world around us Your body as your teacher insights for adapting and developing your own energy healing techniques In creating this book Dr. Chiasson has selected the methods she has found to be most accessible, effective, and beneficial in the long-term informed by the latest research, healing traditions from around the world, and her own practice. With Energy Healing, she presents an indispensable guide for understanding the energetic dimension of your well-being and essential tools to help you take charge of your own health.

[Saving the Holy Sepulchre: How Rival Christians Came Together to Rescue Their Holiest Shrine, Raymond Cohen](#) , 2008, 0195339908, 9780195339901. The Church of the Holy Sepulchre is the mother of all the churches, erected on the spot where Jesus Christ was crucified and rose from the dead and where every Christian was born. In 1927, Jerusalem was struck by a powerful earthquake, and for decades this venerable structure stood perilously close to collapse. In Saving the Holy Sepulchre, Raymond Cohen tells the engaging story of how three major Christian traditions--Greek Orthodox, Roman Catholic, and Armenian Orthodox--each with jealously guarded claims to the church, struggled to restore one of the great shrines of civilization. It almost didn't happen. For centuries the communities had lived together in an atmosphere of tension and mistrust based on differences of theology, language, and culture--differences so sharp that fistfights were not uncommon. And the project of restoration became embroiled in interchurch disputes and great

powerpolitics. Cohen shows how the repair of the dilapidated basilica was the result of unprecedented cooperation among the three churches. It was tortuous at times--one French monk involved in the restoration exclaimed: "I can't take any more of it. Latins--Armenians--Greeks--it is too much. I am bentover double." But thanks to the dedicated efforts of a cast of kings, popes, patriarchs, governors, monks, and architects, the deadlock was eventually broken on the eve of Pope Paul VI's historic pilgrimage to the Holy Land in 1964. Today, the Church of the Holy Sepulchre is in better shape than it has been for five hundred years. Light and space have returned to its ancient halls, and its walls and pillars stand sound and true. Saving the Holy Sepulchre is the riveting story of how Christians put aside centuries of division to make this dream a reality.

[Great Expectations, Charles Dickens](#) , 2010, 0956266835, 9780956266835. 'Great Expectations' was published in 1860-61 and its story of admirable ambition overcoming social limitations has made it Dickens' most popular novel.

[Data Privacy Management and Autonomous Spontaneous Security: 7th International Workshop, DPM 2012, and 5th International Workshop, SETOP 2012, Pisa, Italy, September 13-14, 2012. Revised Selected Papers, Roberto Di Pietro, Javier Herranz, Ernesto Damiani, Radu State](#) , 2013, 3642358896, 9783642358890. This book constitutes the thoroughly refereed joint post proceedings of two international workshops, the 7th International Workshop on Data Privacy Management, DPM 2012, and the 5th International Workshop on Autonomous and Spontaneous Security, SETOP 2012, held in Pisa, Italy, in September 2012. The volume contains 13 full papers selected out of 31 submissions and 3 keynote lectures from the DPM workshop and 10 papers selected among numerous submissions from the SETOP workshop. The contributions from DPM cover topics from location privacy, citizens' privacy, privacy, authentication with anonymity, privacy in distributed systems, privacy policies, and automated privacy enforcement. The SETOP contributions provide a unique view of ongoing security research work in a number of emerging environments that are becoming part of the global ICT infrastructure, from content-centric to mobile and wireless networks. Also, some of them cover the key role of run-time enforcement in process and service security. The topics of SETOP papers include: security policy deployment; distributed intrusion detection; autonomous and spontaneous response; privacy policies; secure localization; context aware and ubiquitous computing; identity management.

[Pip and Posy: The Little Puddle, ,](#) , 2011, 0763658782, 9780763658786. Introducing Pip and Posy from Nosy Crow, an imprint of Candlewick Press! Pip comes to Posy's house to play, and they have a lovely time. But Pip is having so much fun that he forgets that he needs to pee.

[Tantra and Kama Sutra Sex Positions, Al Link, Pala Copeland](#) , 2004, . Adult content, beautifully erotic, tastefully explicit. * 131 pages * 100 large format erotic photographs and illustrations * 183 internal document links * 120 external product and information links * Get free updates in electronic format for one year after date of purchase. Expand your lovemaking repertoire and increase your pleasure with this photo manual of Tantra and Kama Sutra sex positions. In this modern interpretation of classic love postures each of the color photos appears in large format on a single page. They capture the emotional and energetic connection of sacred lovemaking as well as illustrating sexual positions and techniques. Each photo is accompanied by comments on how and why the position is used. We also include useful information about sacred sex practices. The lovers in these sensual photos are experiencing and expressing the beauty and pleasure of artful lovemaking. Most of the positions illustrated are suitable for lovers of all ages, and with some selectivity, in various stages of physical fitness and health. In other words, you don't have to be an athlete, young, or perfectly fit to use this manual. The message of this eBook is that you too can have what the photos show.

[Australian Animal Toxins: The Creatures, Their Toxins and Care of the Poisoned Patient, Struan K. Sutherland, James Tibballs](#) , 2001, 019550643X, 9780195506433. This second edition provides a comprehensive and up-to-date review of every venomous and poisonous creature in Australia that poses a threat to man or beast. Both terrestrial and marine creatures are discussed. The distribution and habits of many of the creature are described in detail, as are the potency, constituents, and mode of action of their venoms. It also provides updated information on the emergency treatment of bites and stings, such as specific first-aid measures and selection of antivenoms. Hospital management, including appropriate laboratory investigations and supportive care, is extensively described, and a large number of human and veterinary case histories are included. Controversial issues, such as the use of calcium channel blockers for Box jellyfish envenomation, are also addressed. Along with this extremely important clinical information are included photographs to help identify creatures and illustrate injuries related to the case histories. This clear, comprehensive and authoritative medical textbook is a must for clinicians and researchers and should be in any library, emergency department, intensive care unit, laboratory or general practitioner's office.

[The Magic Christian, Terry Southern](#) , 2011, 1453217312, 9781453217313. In this uproarious and wicked cult-classic, Southern skewers American greed and pomposity Guy Grand, an eccentric billionaire prankster, is rich enough to do whatever he likes. And what he likes is to carefully execute projects where he can cauterize by ridicule what the rest of the world ignores: complacency, greed, corruption, and idiocy. Determined to make it hot for people, Grand spends his billions staging a series of hilarious, sometimes bewildering stunts, lampooning along the way the American holy cows of

money, status, power, beauty, media, and stardom. Concocting deliciously perverse mayhem, he throws a million one-hundred-dollar bills into an enormous vat of steaming offal, proving just what people will do for money, and he promotes a new silky shampoo that turns hair to wire and a deodorant that becomes a time-released stench-bomb. He inserts subliminally suggestive and perverse images into well-loved classic films, takes a howitzer on safari, and brings a panther to a kennel club dog show. His most elaborate adventure is an ultra-exclusive cruise aboard the S.S. Magic Christian, where elite passengers are treated to a series of madcap indignities. The Magic Christian is a hilarious and savagely satiric view of American commercialism, rich in Southern deft handling of detail, dialogue, and delightful deviancy. This ebook features an illustrated biography of Terry Southern including rare photos and never-before-seen documents from the authors estate.

[Family of Bennie Gray Halsted and Alpha Arvilla Ohlhausen, Benjamin Donald Halsted](#) , , 0974972533, 9780974972534.

Bennie Gray Halsted (1907-1970), son of Robert Gray Hallsted and Mary Christian Head, was born in Sweetwater, Texas. He married Alpha Arvilla Ohlhausen (1907-1985), daughter of James Henry Ohlhausen and Allie Perthine Wright, in 1925 in Hylton, Texas. They had six children.

[The Limits of Regulation: A Critical Analysis of Capitalist Development, Stavros Mavroudeas](#) , 2012, 0857938649, 9780857938640. 'Whilst the regulation approach has gone beyond its peak of influence and has been diluted of much of its radical content, this outstanding critical appreciation of its strengths and weaknesses will prove an invaluable point of reference for all those engaged in the political economy of the national within the global economy.' Ben Fine, University of London, UK This unique and original book offers a critical survey of the regulation approach, an influential theoretical school born in the 1970s and belonging to the neo-Marxist and radical political economy traditions. The author's persuasive argument is that regulation, in order to explain capitalist development, resorts to historicism and institutionalism and thereby adopts a 'middle-range' methodology. He contends that both its theoretical and methodological perspectives are currently unfit for this purpose. This novel critique of regulation will prove a challenging and stimulating read for academics, researchers and graduate students with an interest in heterodox economics, the history of economic thought, political economy, regional development and labour process theory.

[Denying Divinity: Apophasis in the Patristic Christian and Soto Zen Buddhist Traditions, J. P. Williams](#) , 2000,

0198269994, 9780198269991. The classical texts of Christianity and Zen Buddhism contain resources with potent appeal to contemporary spirituality. The 'apophatic', or 'negative', may offer a means to integrate the conservation of traditional religious practices and beliefs with an openness to experience beyond the limits of doctrine and of rational thought.

Denying Divinity argues for a new understanding of what is meant by apophatic theology, supported by extensive analysis of the texts of Dionysius the Areopagite, St Maximus the Confessor, and Zen Master Dogen. It demonstrates how an apophatic spirituality might inform personal and communal spiritual development; and sketches out the contribution it can offer to modern debate on theology and postmodernism, entropy, and interfaith dialogue, and to development of an active theological commitment to humanity.

[Hellenistic Engraved Gems, Dimitris Plantzos](#) , 1999, 0198150377, 9780198150374. Engraved gems were used by the Greeks as seals and amulets, but were primarily valued as ornaments. Their iconography was drawn from a wide range of motifs and standard devices current in other art forms. In the Hellenistic period gem cutters remained faithful to the classical tradition, but were able to develop new subjects and styles. Portraits, especially of royalty, became the commonest subject in glyptic after Alexander, a practice that continued through the Roman period and was still popular with patrons and artists of the Renaissance and even later. This volume follows the development of gem engraving from Alexander's conquest of the East to the Augustan period. Hellenistic gems are studied in their archaeological and historical context: evidence on their use, significance, and value; questions of technique and style; and problems of chronology and distribution. Special sections have been devoted to patronage of gem-engravers and the relationship of gem-cutting with other miniaturist arts and coinage.

[A Dangerous Age: A Novel, Ellen Gilchrist](#) , 2008, 1565125428, 9781565125421. The women in the Hand family are no strangers to controversy or sadness. Those traits seem, in fact, to be a part of their family's Southern heritage, one that stretches back through several generations. For Louise Hand, it means coping with the possible loss of the young man she has improbably fallen in love with, especially now that he has vowed revenge for the injuries suffered by his twin brother in Iraq. Winifred Hand's loss came before the war began, when her fiance flew to New York for an early morning meeting at the World Trade Center on 9/11. Now just as she is starting to experience life again, the war once more threatens to take away what happiness she has found. And for Olivia Hand, the strong-willed independent editor of Tulsa, Oklahoma's preeminent newspaper, the war is a subject for editorials, a far-off conflict that she can write about with both passion and detachment until her newly wedded husband gets called up for service. All three are reconnecting the pieces of their lives and rediscovering love. But each is unwittingly on a collision course with a seemingly distant war that is really never more than a breath away. By turns humorous and heartbreaking, "A Dangerous Age" is a celebration of the strength of these women and of the bonds of blood and shared loss that hold them together. Haunting and elegantly crafted, it is a wonderfully human story about the centuries-old struggle of women who are left to carry on with

life when their men go off to war, by a writer the "Washington Post" says "should be declared a national cultural treasure.""

[The Garden of Immortality, Joe Hanley](#) , 2012, 0983665192, 9780983665199. Author Joe Hanley once again offers a challenge to conventional and traditional theology by examining the Garden of Eden, Adam the first image of God, the mysterious trees of this exclusive place, and even Satan. Was this garden literal in all points, or is there more to this story? Does the Bible really reveal more detail regarding how we should view this Garden of Immortality? "The Garden of Immortality" addresses some of these issues. The main thesis is the restoration of immortality. It will ask and answer questions about the soul that are not normally addressed.

[Flush, Virginia Woolf](#) , 2009, 0199539294, 9780199539291. 'I lay in the garden and read the Browning love letters, and the figure of their dog made me laugh so I couldn't resist making him a Life.' Throughout her career, Woolf invokes the animal world both directly and metaphorically. She started to write a biography of Elizabeth Barrett Browning's spaniel after finishing *The Waves*, tracing the life of the spaniel from his country origins, his puppyhood spent with the writer Mary Mitford, through his sheltered existence with Elizabeth Barrett in her sick room, and later travels in Florence. But *Flush* is much more than a playful writer's holiday. As well as offering an exploration of a life of the senses free from the tyranny of words, *Flush* can be read as an allegorical testimony to the inscrutable, discarded, unrepresentable lives of the Victorian women poets, who were barely discussed or read in the 1930s. From a quite literally low point of view, Woolf explores class and gender in Victorian London, with gently mocking humour. Charming yet also radical, *Flush* is a work of sensuous imagination, an apparently light text that opens up a range of questions concerning difference which are woven through the whole of Woolf's writing. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The book examines the subtle forces at work and paints a vivid picture of the many new American lifestyles.

[Starting Drama Teaching, Mike Fleming, Michael P. Fleming](#) , 2011, 0415601339, 9780415601337. Why teach drama? How can a newcomer teach drama successfully? How do we recognise quality in drama? Starting Drama Teaching is a comprehensive guide to the teaching of drama schools. It looks at the aims and purposes of drama and provides an insight into the theoretical perspectives that underpin practice alongside practical activities, examples of lessons and approaches to planning. Written in an accessible style, the book addresses such practical issues as setting up role play, how to inject depth into group drama, working with text, teaching playwriting, as well as common problems that arise in the drama classroom and how to avoid them. The third edition of this popular text has been fully updated to take account of recent developments in policy and educational thinking and includes: The implications of drama's place in the curriculum and the way in which drama practice relates to, and in many ways has anticipated, such concepts as dialogic teaching, engagement, community cohesion and diversity; Guidance on different approaches to drama; Advice on how teachers can achieve and recognise quality work in drama; A discussion of drama concepts including applied theatre, ensemble and rehearsal approaches; A new chapter on teaching Shakespeare and an additional section on play writing; Suggestions for further reading. Written by a leading authority in the field, this textbook emphasises the need for quality drama education and will be valuable reading for trainee teachers who are new to drama and teachers who wish to update and broaden their range.

one can hear you cry, And in its depth your soul will die. Reggie Halloway thought she was finished with the Vours the demons who had possessed her brother, Henry forever. She'd once faced them in a deathly battle for Henry's soul and now she wants to forget them. But Quinn, the Vour she left at the bottom of a lake, is back. And he is not alone.

[The Carbon Crunch, Dieter Helm](#) , 2012, 0300188641, 9780300188646. Despite commitments to renewable energy and two decades of international negotiations, global emissions continue to rise. Coal, the most damaging of all fossil fuels, has actually risen from 25% to almost 30% of world energy use. And while European countries have congratulated themselves on reducing emissions, they have increased their carbon imports from China and other developing nations, who continue to expand their coal use. As standards of living increase in developing countries, coal use can only increase as well--and global temperatures along with it. In this hard-hitting book, Dieter Helm looks at how and why we have failed to tackle the issue of global warming and argues for a new, pragmatic rethinking of energy policy--from transitioning from coal to gas and eventually to electrification of transport, to carbon pricing and a focus on new technologies. Lucid, compelling and rigorously researched, this book will have a lasting impact on how we think about climate change.

[The Case for Impeachment: The Legal Argument for Removing President George W. Bush from Office, Dave Lindorff, Barbara Olshansky](#) , 2007, 031237254X, 9780312372545. It's time to act--and this is the guide. Now in paperback to meet a rising public demand, here is a hard-hitting argument for the impeachment of George W. Bush--and top members of his administration. Events since the book's hardcover release--including court decisions regarding war crimes and violations of the FISA law on wiretapping--have only heightened the urgency. Methodically detailing the Bush regime's offenses and refuting its lies and deceptions, investigative reporter Dave Lindorff and constitutional rights specialist Barbara Olshansky explain why the president and his inner circle should be removed from office for high crimes and misdemeanors. Among the most grievous harms: misleading the nation into war authorizing and encouraging the use of torture failing in almost every way to defend the homeland and our borders undermining habeas corpus and other traditional rights illegal NSA wiretapping, mail opening, and other assaults on the Bill of Rights the catastrophic federal failure to respond to Hurricane Katrina

[Self-Portrait of Percy Grainger, Malcolm Gillies Deputy Vice-Chancellor Australian National University, Melbourne David Pear Senior Lecturer and Research Fellow Monash University, Elder School of Music University of Adelaide Mark Carroll Senior Lecturer](#) , 2006, 0199719411, 9780199719419. Shortly before his death, Percy Grainger (1882-1961) lodged over twenty unpublished sketches in his Australian Museum. Self-Portrait of Percy Grainger draws exclusively from these sketches, revealing for the first time an illuminating portrait of the composer's life. With such titles as "The Aldridge-Grainger-Strom Saga," "Thanks," "Ere-I-Forget," "The Love-Life of Helen and Paris," and "Anecdotes," these manuscripts were intended as precursors to Grainger's autobiography, *My Wretched Tone-Life*, which he only commenced in his final years. Expertly shaping these sketches, the editors have created a "self-portrait" along the lines that Grainger himself had intended. The volume first introduces Grainger's forebears, parents, friends, wife, and himself before moving on to his views on composition, performance, and the musical world. In these sketches, Grainger addresses such topics as racial and national identity, the meaning of work, physical culture, language reform, sexual practice, and artistic patronage. Grainger also probes the nature of musical genius, discussing a broad range of composers including Igor Stravinsky, Thomas Beecham, Frederick Delius, Edvard Grieg, Charles Stanford, Cyril Scott, Fritz Kreisler, Donald Tovey, Ferruccio Busoni, and Balfour Gardiner. Among the works of his own that Grainger most featured are his *The Warriors* --Music for an Imaginary Ballet, *Colonial Song*, the *Lincolnshire Posy* series of band pieces, his greatest "hit" *Country Gardens*, and his many settings of English folk-music. Written in Grainger's own self-created "Nordic English" as well as translated from Danish, the language of his most intimate confessions, *Self-Portrait of Percy Grainger* sheds light on some of the most revealing details of the composer's life. The sketches trace Grainger's changing self-perception, from the romantically

tinged, even lustful, views of his forties and fifties, through a period of wistfulness in his sixties, to the bitterness and self-loathing of his old age. The volume also includes several of Grainger's own drawings as well as both public and private photographs. A fascinating and revealing collection of vignettes, this extraordinary book will appeal to instructors, students, and enthusiasts in musicology, music history, cultural studies, and Australian, British, and American history.

[Rascal and the Cheese, Paul Jennings](#) , 2008, 0143502417, 9780143502418. 'Dad, ' says Ben. 'The cheese has gone.' Rascal has something in his mouth. Is he a thief? Read a Rascal story to your children and before long they'll read it to you.

[The Fate of the Corps: What Became of the Lewis and Clark Explorers After the Expedition, Larry E. Morris](#) , 2005, 0300109725, 9780300109726. The story of the Lewis and Clark Expedition has been told many times. But what became of the thirty-three members of the Corps of Discovery once the expedition was over?The expedition ended in 1806, and the final member of the corps passed away in 1870. In the intervening decades, members of the corps witnessed the momentous events of the nation they helped to formfrom the War of 1812 to the Civil War and the opening of the transcontinental railroad. Some of the expedition members went on to hold public office; two were charged with murder. Many of the explorers could not resist the call of the wild, and continued to adventure forth into America's western frontier.Engagingly written and based on exhaustive research, The Fate of the Corps chronicles the lives of the fascinating men (and one woman) who opened the American West.

[Seeing in the Dark: How Amateur Astronomers Are Discovering the Wonders of the Universe, Timothy Ferris](#) , 2003, 0684865807, 9780684865805. In *Seeing in the Dark*, a poetic love letter to science and to the skies, Timothy Ferris invites us all to become stargazers. He recounts his own experiences as an enthralled lifelong amateur astronomer and reports from around the globe -- from England and Italy to the Florida Keys and the Chilean Andes -- on the revolution that's putting millions in touch with the night sky. In addition, Ferris offers an authoritative and engaging report on what's out there to be seen -- what Saturn, the Ring nebula, the Silver Coin galaxy, and the Virgo supercluster really are and how to find them. The appendix includes star charts, observing lists, and a guide on how to get involved in astronomy. Ferris takes us inside a major revolution sweeping astronomy, as lone amateur astronomers, in global networks linked by the Internet, make important discoveries that are the envy of the professionals. His ability to describe the wonders of the universe is simply magical, and his enthusiasm for his subject is irresistible.

[Soybeans: An A-To-Z Book, Susan Anderson, JoAnne Buggiey](#) , 2008, 0981133517, 9780981133515. The *Awesome Agriculture A to Z* books introduce young readers to agriculture by providing basic information about the seven major food sources: Cattle, Corn, Dairy, Pigs, Poultry, Soybeans, and Wheat. The information is presented simply and to the point. Readers learn where these foods come from, how they are used, and their relationship to the economy, the environment, and energy consumption. Using twenty letters in the alphabet to identify informational points gives the A to Z books a unity and provide a handy summary, from book to book, of the most important things a child should know about the seven food sources. To make the A to Z books fun to read, stylized caricatures of food products will talk directly to the children by means of a cartoon dialog ballon. The caricatures will help explain what is shown on the page or ask thoughtful questions that relate directly to the visual material.

Includes the most advanced and high-tech aspects of the chemical analysis techniques based on x-raysIntroduces new types of X-ray optics and X-ray detectors, covering history, principles, characteristics and future trendsWritten by internationally recognized scientists, all

of whom are eminent specialists in each of the sub-fields Sections include: X-Ray Sources, X-Ray Optics, X-Ray Detectors, Special Configurations, New Computerization Methods, New Applications This valuable book will assist all analytical chemists and other users of x-ray spectrometry to fully exploit the capabilities of this set of powerful analytical tools and to further expand applications in such fields as material and environmental sciences, medicine, toxicology, forensics, archaeometry and many others.

[Encyclopedia of Hell, Miriam Van Scott](#) , 1998, 031218574X, 9780312185749. The Encyclopedia of Hell is a comprehensive survey of the underworld, drawing information from cultures around the globe and eras throughout history. Organized in a simple-to-use alphabetic format, entries cover representations of the dark realm of the dead in mythologies, religions, works of art, operas, stage plays, songs, films, and television productions. Sources include African legends, Native American stories, Asian folktales, and other less-well-known references, in addition to familiar internal chronicles from Western lore. The result is a catalog of underworld data, with entries running the gamut from descriptions of grisly pits of torture to humorous cartoons lampooning the everlasting abyss. Its extensive cross-referencing also supplies links between various concepts and characters from the place of the damned and provides further information on particular theories.

[African Religions: A Very Short Introduction, Jacob K. Olupona](#) , 2014, 0199790582, 9780199790586. Africa is home to hundreds of ethnic groups, who together speak more than a thousand languages. It is not surprising, then, that Africa's enormous range of peoples, cultures, and ways of life has engendered a wide diversity of religious practices. This Very Short Introduction offers a wide-ranging look at the myriad indigenous religious traditions on the African continent. Drawing on archeological research, historical evidence, ethnographic studies, and archival materials such as missionary records, Jacob Olupona-one of the world's leading authorities on African religions-captures a wealth of information in a short compass. The book not only gives the reader a full and vivid sense of African religious belief-exploring myths, gods and local deities, ancestor worship, rites of passage, festivals, divination, and much more-but it also underscores the role these religions play in everyday African life. Indeed, traditional religions inform everything from birthing and death, marriage and family dynamics, to diet, dress and grooming, health care, and even governance. Monarchs, chiefs, and

elders play both political and religious roles, imparting secular and spiritual guidance to their subjects, while also being guardians of religious centers such as shrines, temples, and sacred forests. The author also examines the spread of Christianity and Islam throughout Africa, both the moderate sects (which often blend aspects of indigenous faith into their own practice) and the more extreme fundamentalist sects, which the author states have had a dire effect on African life. In fact, radical forms of Christianity and Islam-both of which decry traditional religion as paganism have driven a near total collapse of indigenous practice. But if traditional religions are engaged in a battle for their lives in Africa, Olupona shows that they are thriving elsewhere in the world-particularly in the Americas and in Europe. About the Series: Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology, Politics to Classics, Literary Theory to History, and Archaeology to the Bible. Not simply a textbook of definitions, each volume in this series provides trenchant and provocative yet always balanced and completed discussions of the central issues in a given discipline or field. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how the subject has developed and how it has influenced society. Eventually, the series will encompass every major academic discipline, offering all students an accessible and abundant reference library. Whatever the area of study that one deems important or appealing, whatever the topic that fascinates the general reader, the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[Viking Age Iceland, Jesse L Byock](#) , 2001, 0141937653, 9780141937656. Medieval Iceland was unique amongst Western Europe, with no foreign policy, no defence forces, no king, no lords, no peasants and few battles. It should have been a utopia yet its literature is dominated by brutality and killing. The reasons for this, argues Jesse Byock, lie in the underlying structures and cultural codes of the islands' social order. 'Viking Age Iceland' is an engaging, multi-disciplinary work bringing together findings in anthropology and ethnography interwoven with historical fact and masterful insights into the popular Icelandic sagas, this is a brilliant reconstruction of the inner workings of a unique and intriguing society.

[Concrete Jungle, Shannon Holmes, Anthony White, A J Rivers](#) , 2005, 0976911205, 9780976911203. Short Stories Where, There Are No rules!! With a diverse group of writers, including bestsellers Shannon Holmes (B-More Careful) and Anthony Whyte (Ghetto Girls), this anthology takes you to the exact moment of a brick being dropped from a rooftop. As you read, you'll have no choice but to watch from below and bear witness to the pain. Ultimately, Concrete Jungle comprises authors from different parts, offering different stories, crafted with a similar place in mind: stories of money, sex, lies, videotapes, drugs, violence, and finding a place to fit in. Above all, these are stories of decisions made, good or bad, in the face of the sheer desperation that comes from trying to survive in this corner of American known as the Concrete Jungle.

[Getting Naked: A Business Fable About Shedding The Three Fears That Sabotage Client Loyalty, Patrick Lencioni](#) , 2010, 0787976393, 9780787976392. I'm not going to lie; Michael Casey was one of my least favorite people in the world. Even the mention of his name could put me in a moderately bad mood. And so, if you had told me a year earlier that I would spend four solid months of my professional life learning about him and his annoying little consulting firm, I would have told you it was time for me to change careers. But that's exactly what happened, and I've lived to tell about it. After focusing on topics ranging from teamwork and leadership to employee engagement and meetings, acclaimed management expert, consultant, speaker, and New York Times best-selling author Patrick Lencioni has finally turned his attention toward his own craft consulting and client service. Tapping into the simple but powerful model that his firm, The Table Group, has been built on for more than a dozen years, Lencioni presents what may be his most engaging, humorous book yet. Getting Naked tells the remarkable story of a management consultant who is trying desperately to merge two firms with very different approaches to serving clients. One relies on vulnerability and complete transparency; the other focuses on proving its competence and protecting its reputation for intellectual prowess. In the process of managing the merger, the consultant is forced to learn life-changing lessons that prove to be as relevant as they are painful. As he does in his other books, Lencioni provides readers with concepts that are accessible and compelling. Here, he explains the three fears that provoke service providers whether they are internal consultants, sales people, financial advisors, or anyone else serving long-term clients to unknowingly sabotage their ability to build trust and loyalty. And, as always, Lencioni provides a practical approach for overcoming those fears.

[Why This World: A Biography of Clarice Lispector: A Biography of Clarice Lispector, Benjamin Moser](#) , 2009, 019538556X, 9780195385564. "That rare person who looked like Marlene Dietrich and wrote like Virginia Woolf," Clarice Lispector is

one of the most popular but least understood of Latin American writers. Now, after years of research on three continents, drawing on previously unknown manuscripts and dozens of interviews, Benjamin Moser demonstrates how Lispector's development as a writer was directly connected to the story of her turbulent life. Born in the nightmarish landscape of post-World War I Ukraine, Clarice became, virtually from adolescence, a person whose beauty, genius, and eccentricity intrigued Brazil. *Why This World* tells how this precocious girl, through long exile abroad and difficult personal struggles, matured into a great writer. It also asserts, for the first time, the deep roots in the Jewish mystical tradition that make her the true heir to Kafka as well as the unlikely author of "perhaps the greatest spiritual autobiography of the twentieth century." From Chechelnyk to Recife, from Naples and Berne to Washington and Rio de Janeiro, *Why This World* strips away the mythology surrounding this extraordinary figure and shows how Clarice Lispector transformed one woman's struggles into a universally resonant art.

[Hatchet, Gary Paulsen](#) , 2009, 1442403322, 9781442403321. This award-winning contemporary classic is the survival story with which all others are compared and a page-turning, heart-stopping adventure. Thirteen-year-old Brian Robeson is on his way to visit his father when the single-engine plane in which he is flying crashes. Suddenly, Brian finds himself alone in the Canadian wilderness with nothing but a tattered Windbreaker and the hatchet his mother gave him as a present and the dreadful secret that has been tearing him apart since his parents' divorce. But now Brian has no time for anger, self-pity, or despair; it will take all his know-how and determination, and more courage than he knew he possessed, to survive.

[What Women Want: Evidence from British Social Attitudes, Geoff Dench](#) , 2010, 0952352958, 9780952352952. The British government has recently intensified its efforts to create a workforce in which men and women occupy identical positions. But is this what women actually want? This book originated in a series of family policy seminars, held at the Centre for Policy Studies, which explored the findings of Britain's leading national annual survey, British Social Attitudes, to see what light these can throw on the issue.

[You Don't Need to Smack: Simple Strategies for Dealing with Misbehaviour, Glen Stenhouse](#) , 2008, 0143008676, 9780143008675. This is a practical, encouraging guidebook for parents and caregivers who want to learn more about effective, non-violent ways of parenting children. From toddlers to teenagers, *You Don't Need to Smack* offers workable solutions for dealing confidently with children's difficult behaviour, and also suggests how to prevent problems from occurring in the first place. Glen Stenhouse, a well-known child psychologist, maintains that you don't have to be an expert in order to be a good parent, but you do need to put simple, clear strategies in place in your home - and stick to them. Glen's advice has been tried and tested in thousands of homes and has proven its worth. This is essential reading for all parents and caregivers.

[French Home, Josephine Ryan, Hilary Robertson](#) , 2007, 1845974492, 9781845974497. From the classic elegance of Haussmann's Parisian boulevards and the glorious excesses of Versailles, to the bohemian charms of Toulouse Lautrec's Montmartre and the artist's garret, France has a legendary style. This illustrated book explores the elements that combine to create spaces with an identifiably French feel - the architectural details that enhance the framework of a room, the textures and colours that flatter various styles of furniture, options for lighting, mirrors and paintings. Looking at real homes, antiques dealer and stylist Josephine Ryan demonstrates a keen eye for objects both ordinary and extraordinary, and examines the alchemy of a style that can be either lush and complex or pared-down and rigorous. 'French Home' will help you reinvent your surroundings and gain a touch of French style.

[Everything's Jake, S. J. Garretson](#) , 2007, 0977626016, 9780977626014. As a child, Samantha O'Connell played in the woods and swam in the lake near her grandparents' general store and cabins in Michigan's rural northlands. For her, it is a place and time that fills her with memories of love, home and happiness. Now grown to maturity, but left feeling disillusioned and alone, Sam returns to this place to try and shape a new future from the property left to her by memories past. Unfortunately, nothing is truly what it seems...other parties have interest in the property and as Sam begins to question whether or not to sell, two very different men enter her life. One man, Frank offers her a tentative friendship and the hope for something more, while the other revels in the chaos that he has been employed to create. With her hopes for the future seemingly reduced, systematically, to flame and ash, Sam discovers that indeed everything is not what it seems and instead comes to the grim realization that in fact, everything is Jake.

[Visages de la Shoah: Marcel Jabelot, Barbara P. Barnett](#) , 2009, 0981941729, 9780981941721. "Original French edition. Through interviews and photographs, the story of Marcel Jabelot, French Holocaust survivor, is recounted. After surviving

Auschwitz-Birkenau, the death march, and the loss of his entire family and possessions, Jabelot found hope and courage to start a new life in Paris, including a business career, marriage, and study at the Sorbonne"--Provided by publisher.

[The Bible Jesus Read, Philip Yancey](#) , 2010, 0310870208, 9780310870203. Philip Yancey has a way of confronting our most cherished but misguided notions about the Christian life. In his newest book, Yancey challenges the perception that the New Testament is more important than the Old, that the Hebrew Scriptures aren't worth the time they take to read and understand them. Writing as always with keen insight into the human condition and God's provision for it, Yancey debunks this theory once and for all. Yes, he agrees, the Old Testament can be baffling, boring, and even offensive to the modern reader. But as he personally discovered, the Old Testament is full of rewards for the one who embraces its

riches. With his candid, signature style, Yancey unfolds his interactions with the Old Testament from the perspective of his own deeply personal journey. From Moses, the amazing prince of Egypt, to the psalmists turbulent emotions and the prophets oddball rantings, Yancey paints a picture of Israels God and ours that fills in the blanks of a solely New Testament vision of the Almighty. As he reconnects for us the strong, sinuous chords that bind the Old and New Testaments, Yancey reclaims the Reformers deep sense of unity between the two. Most important, he says, reading the Scriptures that Jesus so revered gives believers a profound new understanding of Christ, the Cornerstone of the new covenant. The more we comprehend the Old Testament, Yancey writes, the more we comprehend Jesus.

[DarkMarket: How Hackers Became the New Mafia, Misha Glenny](#) , 2011, 0307700550, 9780307700551. "This extraordinarily powerful book demonstrates how utterly we lack the shared supranational tools needed to fight cybercrime. Essential reading." --Roberto Saviano, author of Gomorrah The benefits of living in a digital, globalized society are enormous; so too are the dangers. The world has become a law enforcers nightmare and every criminals dream. We bank online; shop online; date, learn, work and live online. But have the institutions that keep us safe on the streets learned to protect us in the burgeoning digital world? Have we become complacent about our personal security sharing our thoughts, beliefs and the details of our daily lives with anyone who might care to relieve us of them? In this fascinating and compelling book, Misha Glenny, author of the international best seller McMafia, explores the three fundamental threats facing us in the twenty-first century: cybercrime, cyberwarfare and cyberindustrial espionage. Governments and the private sector are losing billions of dollars each year fighting an ever-morphing, often invisible and often supersmart new breed of criminal: the hacker. Glenny has traveled and trawled the world. By exploring the rise and fall of the criminal website DarkMarket he has uncovered the most vivid, alarming and illuminating stories. Whether JiLsi or Matrix, Iceman, Master Splynter or Lord Cyric; whether Detective Sergeant Chris Dawson in Scunthorpe, England, or Agent Keith Mularski in Pittsburgh, Pennsylvania, Glenny has tracked down and interviewed all the playersthe criminals, the geeks, the police, the security experts and the victimsand he places everyone and everything in a rich brew of politics, economics and history. The result is simply unputdownable. DarkMarket is authoritative and completely engrossing. Its a must-read for everyone who uses a computer: the essential crime book for our times.From the Hardcover edition.

[Mastery of Your Anxiety and Worry: Monitoring Forms - Includes Client Monitoring Forms, and a Pad of 50 Worry Records, Michelle G. Craske, Martin M. Antony, David H. Barlow](#) , 2004, 019518694X, 9780195186949. This 13-session program incorporates new procedures to help clients learn to monitor their anxiety, gain control, and initiate needed change through cognitive restructuring, progressive muscle relaxation, and direct confrontation of unnecessary worry using imagery and In Vivo Experience. The videotape helps therapists gain a better understanding of cognitive behavioral therapy for the treatment of generalized anxiety disorder. In this program, clients will learn to control their "out-of-control" worry and anxiety. The program is divided into 13 components or lessons. In each lesson, clients will learn specific skills. The skills will build on each other so that in each new lesson, they will use skills learned in earlier lessons. The types of skills that they will learn include reducing physical tension, controlling excessive worry, and dealing with real problem situations. The program is obviously structured, but within that structure, there is room for individual tailoring, since individual differences are very important for understanding what will help each client the most. At the end of each lesson, there is an exercise and a self-assessment section that is there for clients to see if they have learned the important information. If not, it is a sign for them to go back over the material again. Most people go over the lesson repeatedly. In addition, specific exercises are outlined at the end of each chapter. These Monitoring Forms accompany the Client Workbook for Mastery of Your Anxiety and Worry (ISBN 0-19-518692-3). A pad of 50 Worry Records is also included.

[Pocket Guide to Crisis Intervention, Albert R Roberts, Kenneth R Yeager, Kenneth Yeager](#) , 2009, 0195382900, 9780195382907. Crisis workers make split-second decisions every day that affect the mental health and well-being of individuals, families, and entire communities. They support and guide people through health diagnoses, bankruptcies, sexual assaults, deaths of loved ones, suicide attempts, and natural or man-made disasters from the front lines. While professions vary from mental health professionals, emergency responders, educators, business managers or volunteers such as suicide hotline workers, all have a common and urgent need for a rapid reference that covers every type of traumatic event they may be asked to respond to in the course of an unpredictable and highly stressful day. The Pocket Guide to Crisis Intervention is a complete crisis toolkit, a trusted resource to consult on the fly, packed with easy-to-follow, step-by-step evidence-based protocols for responding effectively to a broad range of traumatic events. Checklists, bullets, and boxes highlight symptoms & warning signs and provide action plans, do's & don'ts, and screening & assessment questions. The open layout and two-color design make this pocket guide as visually appealing as it practical, ensuring at-a-glance lookup of the essentials of managing the most common types of crisis. More than just a collection of action lists, though, this pocket guide explains theories and models in clear, jargon-free language, offering tips for clinical practice, treatment planning, referrals, and coordinating services as needed. It can be used as a field manual for seasoned professionals or as a training tool for new recruits and practitioners seeking to sharpen their skills.

[Kiss of the Yogini: "Tantric Sex" in Its South Asian Contexts, David Gordon White](#) , 2003, 0226894835, 9780226894836.

For those who wonder what relation actual Tantric practices bear to the "Tantric sex" currently being marketed so successfully in the West, David Gordon White has a simple answer: there is none. Sweeping away centuries of misunderstandings and misrepresentations, White returns to original texts, images, and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day. Kiss of the Yogini focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra: sexualized ritual practices, especially as expressed in the medieval Kaula rites. Such practices centered on the exchange of powerful, transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis. It was only by "drinking" the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods. By focusing on sexual rituals, White resituates South Asian Tantra, in its precolonial form, at the center of religious, social, and political life, arguing that Tantra was the mainstream, and that in many ways it continues to influence contemporary Hinduism, even if reformist misunderstandings relegate it to a marginal position. Kiss of the Yogini contains White's own translations from over a dozen Tantras that have never before been translated into any European language. It will prove to be the definitive work for persons seeking to understand Tantra and the

crucial role it has played in South Asian history, society, culture, and religion.

[Westminster Shorter Catechism for Kids: Workbook One \(Questions 1-10\): Who Is God?](#), Caroline Weerstra , 2011, 0983724911, 9780983724919. This is the second edition of the first workbook in the Westminster Shorter Catechism for Kids series. This series explores the Westminster Shorter Catechism on a level which children can easily understand. These convenient and easy-to-use worksheets help children learn the Westminster Shorter Catechism and also understand and apply it to everyday Christian life.

[Alzheimer's Disease, Gunhild Waldemar, Alistair Burns](#) , 2009, 0199569851, 9780199569854. Alzheimer's disease is a progressive, degenerative and irreversible brain disorder that causes significant neurological impairment. The condition is closely associated with ageing, and it is estimated that 2-5% of people over 65 years of age and up to 20% of those over 85 years of age suffer from the disease. Although the disorder is well characterised neuropathologically, accurate diagnosis can be problematic for the clinician. Part of the Oxford Neuropsychiatry Library series, this practical pocketbook will summarise the latest understanding of the possible causes of the disease, the methods of diagnosis and assessment, and current management techniques. The book will also include helpful chapters on supporting the patient/caregiver and safety/legal issues.

[The Orthodox Corruption of Scripture: The Effect of Early Christological Controversies on the Text of the New Testament, Bart D. Ehrman](#) , 2011, 0199739781, 9780199739783. Victors not only write history: they also reproduce the texts. Bart Ehrman explores the close relationship between the social history of early Christianity and the textual tradition of the emerging New Testament, examining how early struggles between Christian "heresy" and "orthodoxy" affected the transmission of the documents over which many of the debates were waged. He makes a crucial contribution to our understanding of the social and intellectual history of early Christianity and raises intriguing questions about the relationship of readers to their texts, especially in an age when scribes could transform the documents they reproduced. This edition includes a new afterword surveying research in biblical interpretation over the past twenty years.

[The Flavors of Life: Culinary Reflections of Mary Nell Reck, Mary Nell Reck](#) , 2004, 0976080303, 9780976080305. Nationally renowned Houston chef Mary Nell Reck truly added flavor to life. The tribute cookbook, "The Flavors of Life..Culinary Reflections of Mary Nell Reck," honors her culinary legacy and benefits a cause dear to her ? breast cancer

research and treatment. Proceeds from the elegant, hardcover collection of Mary Nell's recipes will benefit the Breast Center at Baylor College of Medicine, The Rose, a preeminent non-profit breast healthcare center, and The Pink Ribbons Project. Additionally, proceeds benefit the Culinary Scholarship Fund, which was established in Mary Nell's honor, to provide scholarships to women pursuing a culinary career. A four-color, glossy coffee table-style cookbook, published by the Coronado Club of Houston, features more than 170 of Mary Nell's unique and delightful recipes including such culinary delights as Grilled Jalapeno Quail Breast with Apple Smoked Bacon and Allspice Crusted Lamb Chops with Roasted Red Pepper Sauce. The book also includes cooking tips, helpful hints and ideas for entertaining. The newly released "The Flavors of Life" cookbook is available by calling 713-659-2426 or visiting www.coronadoclub.com. The retail price is \$49.95. Mary Nell told many, "The way we cook is a statement about our life's experiences. The food we place before others and ourselves says something about our dexterity, our confidence, our creativity, our openness, our approach to life, our generosity, our need for praise, our fears and our inventiveness." This attitude reflects the zest and passion with which Mary Nell approached her cooking, her entertaining and her life. In December of 2003, Mary Nell's life was taken by breast cancer. A leader in the culinary world, Mary Nell Reck received the exclusive Chaine des Rotisseurs Maitre D'Honneur award from the world's oldest gourmet society, an award shared with only four other chefs in the country. She served as managing director of The Coronado Club in Houston for ten years.

[Financial Statement Analysis and Security Valuation, Stephen H. Penman](#) , 2010, 0071267808, 9780071267809.

Valuation is at the heart of investing. A considerable part of the information for valuation is in the financial statements. Financial Statement Analysis and Security Valuation, 5 e by Stephen Penman shows students how to extract information from financial statements and use that data to value firms. The 5th edition shows how to handle the accounting in financial statements and use the financial statements as a lens to view a business and assess the value it generates.

[Battle for Investment Survival, Gerald M. Loeb](#) , 2007, 0470110031, 9780470110034. "Loeb tells us to put all our eggs in one basket, and watch the basket." John Rothchild Financial Columnist, Time magazine "This book is very special in my life. It is the very first Wall Street book I ever read. After reading 1,200 additional finance books, The Battle for Investment Survival's principles and concepts are still valid for consistent success." Victor Sperandeo Author of Trader Vic on Commodities In The Battle for Investment Survival, the turf is Wall Street, the goal is to preserve your capital at all costs, and to win is to "make a killing without being killed." This memorable classic, originally written in 1935, offers a fresh perspective on investing from times past. The Battle for Investment Survival treats investors to a straightforward account of how to profit and how to avoid profit loss in what Loeb would describe as the constant tug-of-war between rising and falling markets.

[Reconstructing America, , Joy Hakim, Byron Hollinshead](#) , 2005, 0195189000, 9780195189001. Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text. Covering a time of great hope and incredible change, Reconstruction and Reform is a dramatic look at life after the Civil War in the newly re United States. Railroad tycoons were roaring across the country. New cities sprang up across the plains, and a new and different American West came into being: a land of farmers, ranchers, miners, and city dwellers. Back East, large scale immigration was also going on, but not all Americans wanted newcomers in the country. Technology moved forward: Thomas Edison lit up the world with his electric light. And social justice was on everyone's mind with Carry Nation wielding a hatchet in her battle against drunkenness and Booker T. Washington and W. E. B. DuBois counseling newly freed African Americans to behave in very different ways. Through it all, the reunited nation struggles to keep the promises of freedom in this exciting chapter in the A History of US. About the Series: Master storyteller Joy Hakim has

excited millions of young minds with the great drama of American history in her award-winning series A History of US. Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text, A History of US weaves together exciting stories that bring American history to life. Hailed by reviewers, historians, educators, and parents for its exciting, thought-provoking narrative, the books have been recognized as a break-through tool in teaching history and critical reading skills to young people. In ten books that span from Prehistory to the 21st century, young people will never think of American history as boring again.
