[Blake's Critique of Transcendence: Love, Jealousy, and the Sublime in The Four Zoas, Peter Otto](#) , 2000, 019818719X, 9780198187196. Blake's Critique of Transcendence is the first full-length book to examine in any detail or consistency the relation between Blake's text and the visual designs in The Four Zoas, one of the most important works in Blake's oeuvre. It uncovers a Blake deeply engaged with the cultural discourses of his time, in profound dialogue with Swedenborg, Locke, and Young. In the course of this conversation, Blake anatomizes a remarkable variety of cultural practices (including religion, science, and art) designed to achieve transcendence. He focuses in particular on the fate of the body in cultures of transcendence, developing perhaps the first theory of sexual sublimation. Blake's radical visual and verbal strategies in this poem are part of an attempt to defer the movement of transcendence, long enough for the reader to see the warring elements of the fallen world as the dismembered body of humanity.

[The Person I Marry: Things I'll Think About Long Before Saying "I Do", Gary Bower](#) , 2008, 0970462174, 9780970462176. Respect, integrity, kindness...such qualities lead to strong friendships and, eventually, marriages. It's never too early to train children to look for these traits in others - and in themselves. Adorable illustrations and cute poetry are seasoned with nostalgia and light humor.

[Personal Networks: Wireless Networking for Personal Devices, Martin Jacobsson, Ignas Niemegeers, Sonia Heemstra de Groot](#) , 2011, 1119957362, 9781119957362. Written by experts in the field, this book describes the Personal Network architecture and its various components. This book focuses on networking and security aspects of Personal Networks (PNs). Given a single user, the authors propose an architecture for PNs in which devices are divided into one of two types of nodes: personal nodes and foreign nodes. Furthermore, the authors demonstrate the ways in which PNs can be formed in a self-organized and secure way, how they can be interconnected using infrastructure networks, how multiple PNs can be connected, and how their services and resources can be shared. In addition, the book shows how security and ease-of-use can be achieved through automatic configuration and how mobility can be supported through adaptability and self-organization. The motivations for the PN concept, the PN architecture, its functionalities and features, as well as future challenges are covered in depth. Finally, the authors consider the potential applications for PNs and briefly discuss additional support systems for PN applications. The latter includes service discovery and context information management among others.

Key Features: Describes the PN network architecture and its various components in-depth. Written by experts who developed this concept. Discusses the newer topic of federations of PNs. Considers potential PN applications, and demonstrates how applications support systems, such as service discovery and context management, can assist the applications. Provides an insight into the challenges of future personal networking, architectures for PNs, potential and important solutions, and their implications. This book will serve as an invaluable reference for researchers, developers, and standardization experts in mobile and wireless communication systems and services. It will also be of interest to postgraduate students in the field of telecommunications.

[The Commonwealth Yearbook 2010, Rupert Jones-Parry](#) , 2010, 0956306012, 9780956306012. The Commonwealth Yearbook is the flagship annual publication of the Commonwealth Secretariat. It is the essential reference guide to the countries, organizations, activities and values of the modern Commonwealth. The 2010 edition has been fully updated and includes:

- * The history, structure and activities of the Commonwealth Secretariat and other leading organizations
- * A guide to Commonwealth Heads of Government Meetings and other key events
- * Full texts of essential communiqués and declarations
- * 'The Commonwealth in Action': how the Commonwealth Secretariat and its partner agencies change the lives of Commonwealth citizens for the better
- * Comprehensive profiles of 54 member states including overseas territories
- * A directory of over 80 Commonwealth intergovernmental, cultural and professional organizations
- * An extensive statistics and reference section

[Defying Death: Zakaria Botross - Apostle to Islam - a Biography, Stuart Robinson, Peter Botross](#) , 2008, 0977560228, 9780977560226.

[A Gathering of Shadows, Bob MacKenzie](#) , 2012, 0968542247, 9780968542248. Steve Lansing, a down and out freelance journalist in Windsor, a Canadian border city across the river from Detroit, Michigan, is gradually but inexorably drawn to a story of international crime and conspiracy with political implications, yet is unable to penetrate the web of deceit protecting whoever is behind it all. Finding himself ever deeper in a world that seems controlled by fantasy, dreams, and visions, it's not that Steve is stubborn, but that it seems he can find no way out. In time, Steve hooks up with the widow of a murdered cabbie and an honest cop on the city force, but can the three of them find their way out of this dark hole into which they've fallen?

[Introduction to Clinical Radiation Oncology, Lawrence R. Coia, David J. Moylan](#) , 1991, 0944838197, 9780944838198. A common sense approach to the patient receiving radiation therapy.

[Terminal Mind, David Walton](#) , 2008, 0978732634, 9780978732639. Years in the future, the U.S. is a splintered country. The city-state of Philadelphia is ripe for revolution. Mark McGovern, the son of a rich politician, lives in a world of expensive parties and frivolous biological mods, a sharp contrast to the poor underworld of his best friend, Darin Kinsley. When the two accidentally release a sophisticated virus called a 'slicer' into the net, Mark must try to stem the tide of casualties before the charged political situation explodes. But the slicer is more than a virus. To destroy it, Mark must first sort truth from lies, not only for himself, but for the mind of the child who holds his fate.

[A Reason to Breathe,](#) , 2005, .

[Dear America: A Light in the Storm, Karen Hesse](#) , 2011, 0545415616, 9780545415613. Newbery Medal winner Karen Hesse's Civil War diary, A LIGHT IN THE STORM, is now back in print with a beautiful new cover! In 1861, Amelia Martin's father is stripped of his post as a ship's captain when he is caught harboring the leader of a slave rebellion. Now he is an assistant lighthouse keeper on Fenwick Island, off the coast of Delaware -- a state wedged between the North and the South, just as Amelia is wedged between her warring parents. Amelia's mother blames her abolitionist husband for their living conditions, which she claims are taking a toll on her health. Amelia observes her mother's hate and her father's admiration for Abraham Lincoln. But slavery is the deeper issue separating the two sides. As the Civil War rages on, Amelia slowly learns that she cannot stop the fighting, but by keeping watch in the lighthouse each day, lighting the lamps, cleaning the glass, and rescuing victims of Atlantic storms, she can still make a difference.

[The Big Book of Desserts and Pastries: Dozens of Recipes for Gourmet Sweets and Sauces, Claes Karlsson](#) , 2013, 1620870509, 9781620870501. Cookbook author and professional pastry chef Claes Karlsson has gathered together delicious recipes for his very best cakes, pastries, cookies, and puddings. All of these treats are equally well-suited for a fancy party or rounding off a simple coffee break. Ranging from the divinely simple to the stunningly sophisticated, the sweets in The Big Book of Desserts and Pastries will become your go-to recipes for every occasion! Some of the delectable treats you'll master include: Vanilla Panna Cotta with Raspberry Syrup Cinnamon Waffles with Apple Cream Chocolate

Mousse with Caramel and Almonds
Vanilla Cakes with Lemon Curd
Coffee Cheesecake
Mixed Berry and Vanilla
Crumble
Chocolate Sandwich Cookies
There is also an entire chapter devoted to basic recipes, like frostings, sauces, and edible decorations, so you can begin to experiment with different combinations and create your own amazing desserts! Beautiful full-color photographs illustrate the recipes, inspiring you to take your baking skills to new heights. Guided by the knowledge and techniques of this master pastry chef, you will find these recipes a joy to make and a delight to consume!

[The Blackwell Guide to Plato's Republic, Gerasimos Santas](#) , 2008, 1405150254, 9781405150255. The Blackwell Guide to Platos Republic consists of thirteen new essays written by both established scholars and younger researchers with the specific aim of helping readers to understand Platos masterwork. This guide to Platos Republic is designed to help readers understand this foundational work of the Western canon. Sheds new light on many central features and themes of the Republic. Covers the literary and philosophical style of the Republic; Platos theories of justice and knowledge; his educational theories; and his treatment of the divine. Will be of interest to readers who are new to the Republic, and those who already have some familiarity with the book.

[Risk Management in Social Work: Oxford Bibliographies Online Research Guide, Oxford University Press](#) , 2010, 0199802629, 9780199802623. This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related. A reader will discover, for instance, the most reliable introductions and overviews to the topic, and the most important publications on various areas of scholarly interest within this topic. In social work, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Social Work, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.aboutobo.com.

[Practice Tasks for Certificate 1 in Spoken and Written English: A Photocopiable Resource for Teachers, Karen Barber, Veronica Ribbons, Linda Frizelle](#) , 2006, 0977548813, 9780977548811.

[The Globalisation of Finance: A Citizen's Guide, Kavaljit Singh](#) , 1999, 0958422486, 9780958422482. Globalisation of finance has now surpassed the globalisation of production and taken on a life of its own. No longer associated with flows of real resources, international trade or productive investment, but merely attracted by short-term speculative gains, these volatile financial flows make it difficult for governments to pursue independent economic policies that are inconsistent with the interests of global finance capital. This book argues that the global economy itself has become highly vulnerable. What is now needed are effective regulatory mechanisms, backed up by citizen action, to exercise social control over global finance capital.

[I Love Saturdays Y Domingos, Alma Flor Ada](#) , 2004, 1417740523, 9781417740529. Saturdays and Sundays are very special days for the child in this story. On Saturdays, she visits Grandma and Grandpa, who come from a European-American background, and on Sundays -- los domingos -- she visits Abuelito y Abuelita, who are Mexican-American. While the two sets of grandparents are different in many ways, they also have a great deal in common -- in particular, their love for their granddaughter. While we follow our narrator to the circus and the pier, share stories from her grandparents' pasts, and celebrate her birthday, the depth and joy of both cultures are conveyed in Spanish and English. This affirmation of both heritages will speak to all children who want to know more about their own families and ethnic backgrounds.

[Introduction to Geography People, Places, & Environment: Pearson Etext Student Access Code Card, Carl Dahlman, William H. Renwick, Edward Bergman](#) , 2010, 0321699378, 9780321699374. In today's world, what happens in places depends more and more on what happens among places. Introduction to Geography: People, Places, and Environment, Fifth Edition demonstrates that fact and shows that we can understand mapped patterns only if we recognize the movement that creates and continuously rearranges those patterns. The authors discuss what happens in one set of geographic processes and how that process affects others. For example, what happens in economic systems affects environmental conditions; what happens to climate affects political dynamics. This text will introduce you to the major tools, techniques, and methodological approaches of the discipline of geography. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This does not include the actual bound book.

[Achieving Service-Oriented Architecture: Applying an Enterprise Architecture Approach, Rick Sweeney](#) , 2010, 0470622539, 9780470622537. A complete, comprehensive methodology and framework for adopting and managing a successful service oriented architecture environment. Achieving Service-Oriented Architecture helps to set up an SOA

Architecture Practice defining the policies, procedures, and standards that apply not just to IT developers but to the entire corporation as it relates to business applications. Why a new architectural approach is necessary for your business to achieve all the value SOA has to offer. Focuses on setting up an enterprise architecture practice for service-oriented architecture. Discusses the implementation and governance processes for SOA. Defines and describes an overall architectural framework for managing SOA assets at an enterprise architecture level. Shows how to set up and run an SOA Enterprise Architecture Practice using the methodology and framework presented. Defining how an Architecture Practice can transform itself and your corporation to maximize the benefits of the SOA approach, Achieving Service-Oriented Architecture provides a pragmatic enterprise architecture approach and framework for implementing and managing service oriented architecture from a business organization and business practices perspective. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

[Prince Rupert's Patent Guns, Sarah Barter Bailey](#) , 2000, 0948092297, 9780948092299. An account of Prince Rupert, the Royalist cavalry general's, plans to develop lighter and cheaper cast-iron ordnance by a secret patent. The author traces the story of these guns through contemporary documents and describes the ramifications of this episode.

[Confessions of a Touretter, Isabel Cohen](#) , 2012, 098820343X, 9780988203433. ISABEL COHEN was born in Solingen, Germany in the early 1930s, a Jewish girl in a proper Jewish home. She had an idyllic childhood until the Nazis jackbooted her front door and ransacked the house on the 9th of November, 1938. Out of this night arose an existence of anxiety and stress. Yet, the family was able to elude the concentration camps by meandering throughout Europe. They wandered through Belgium, France and Switzerland and after a decade of fear they immigrated to America and became citizens. Despite the death of her mother, the author juggled school and care of the house. After college, the author

became ill and had to be hospitalized. She recovered with the help of an excellent psychiatrist, was able to get a position in a biochemistry lab and later managed to go to graduate school and obtain a master's degree and a PhD in neurophysiology. She married, had a daughter and worked in her husband's laboratory, proceeding from Research Associate to Research Professor. She is author and coauthor of some six hundred plus scientific papers and is a

[A Shrine to Lata Mangeshkar, Kerry Leves](#) , 2008, 0975240587, 9780975240588. Out of travelling in India came these poems: an outsider's inside journey. This book of poems recounts Leves' experiences in India over many years; it is also a tribute to the legendary Lata Mangeshkar, singer of thousands of songs for Indian films since the 1940s.

[Gentlemen, Michael Northrop](#) , 2010, 054523123X, 9780545231237. This debut YA novel combines the wrong-side-of-the-tracks edginess of books like THE OUTSIDERS and FREAK THE MIGHTY and the searingly honest storytelling of authors like Chris Lynch and John Green. Micheal, Tommy, Mixer, and Bones aren't just from the wrong side of the tracks--they're from the wrong side of everything. Except for Mr. Haberman, their remedial English teacher, no one at their high school takes them seriously. Haberman calls them "gentlemen," but everyone else ignores them--or, in Bones's case, is dead afraid of them. When one of their close-knit group goes missing, the clues all seem to point in one direction: to Mr. Haberman. Gritty, fast-paced, and brutally real, this debut takes an unflinching look at what binds friends together--and what can tear them apart.

[Martyrdom in Islam, David Cook](#) , 2007, 0521850401, 9780521850407. In recent times Islamic martyrdom has become associated with suicide missions conducted by extremists. However, as David Cook demonstrates, this type of martyrdom is very different from the classical definition which condemned suicide and stipulated that anyone who died a believer could be considered a martyr. Ideas about martyrdom have evolved to suit prevailing circumstances, and it is the evolution of these interpretations that Cook charts in this fascinating history. The book covers the earliest sources on martyrdom including those from the Jewish and Christian traditions, discussions about what constituted martyrdom, and differences in attitudes between Sunnis and Shi'ites. A concluding section discusses martyrdom in today's radical environment. There is no other book which considers the topic so systematically, and which draws so widely on the literary sources. This will be essential reading for students of Islamic history, and for those looking for an informed account of this controversial topic.

[Spiritual Warfare: The Battle for God's Glory, Jerry Rankin](#) , 2009, 0805448802, 9780805448801. Christians already have

victory over the world through Jesus, but Satan picks a fight with believers nonetheless, tempting them with the influences of the world in an effort to steal God's glory. Indeed, the battle rages on, but the nature of the enemy is baldly exposed in *Spiritual Warfare*, helping readers better understand feelings of resentment, anger, doubt, pride, and adversity for what they really are: fiery darts of deception. Written by International Mission Board president Jerry Rankin, who has witnessed spiritual warfare at work around the world, the book in turn becomes an inspiring guide to the Spirit-filled life, illuminating spiritual disciplines that equip us for victory including prayer, Bible study, fasting, Sabbath observance, active church membership, and praising God in all things.

[Annie, Thomas Meehan](#) , 2013, 0147511151, 9780147511157. It's a hard-knock life for America's favorite orphan! Everyone knows the story of the irrepressible Annie, who lives at Miss Hannigan's orphanage until she beats the odds and finds a new life with the benevolent and wealthy Daddy Warbucks. Annie has enchanted millions of readers from her original comic strip appearance to the hit Broadway musical. Now, with a Tony-nominated revival playing on Broadway, Puffin is reissuing this novelization of the classic story, with a new introduction by Tony and Emmy Award-winning author Thomas Meehan. This is an adaptation that delves even deeper into Annie's story, as she lives on the streets during the Great Depression, finds Sandy the dog, and encounters characters both familiar and new.

[Active noise control, M. O. Tokhi, R. R. Leitch](#) , 1992, 0198562438, 9780198562436. The prospect of the active control of noise has intrigued, and frustrated, scientists and engineers in many countries for over five decades. The basic idea is relatively simple: to artificially generate a secondary acoustic field that destructively interferes with the field produced by the unwanted sound. However the limitations of the available electronic technology have restricted practical realization to a few simple applications. With the development of flexible and cheap digital signal processing devices, capable of processing signals within the audio range, there has been a resurgence in interest in the theory and practice of developing active noise control systems. Further, the flexibility of these devices allows the developer to concentrate on the design procedure and corresponding control algorithms, rather than the acoustic properties of the arrangements. This

book provides an introduction to the design of such systems from the perspective of control engineering. The approach allows the designer to predict the performance of the system in advance and reduces the empirical aspect of many previous approaches. The use of control engineering methods moreover permits the progressive development of various control techniques--from fixed digital control to self-tuning adaptive control--to be realized within a single coherent framework.

[The Colour, Rose Tremain](#) , 2004, 0099425157, 9780099425151. A sweeping saga of love and greed set during the mid-nineteenth century gold rush in New Zealand. Joseph and Harriet Blackstone, along with Joseph's mother Lilian, emigrate from England in search of new beginnings and prosperity in New Zealand. But the harsh land near Christchurch where they settle threatens to destroy them almost before they begin. When Joseph finds gold in the creek, he guiltily hides the discovery from his wife and mother, and is seized by a rapturous obsession with the voluptuous riches awaiting him deep in the earth. Abandoning his farm and family, he sets off alone for the new gold fields over the Southern Alps, a moral wilderness where many others, under the seductive dreams of the colour, are violently rushing to their destinies. Harriet bravely decides to pursue her own journey towards an uncertain future. But nothing has prepared her for what happens when she too arrives at the gold diggings. Amid squalor and confusion, burning heat and icy flood, Harriet Blackstone comes face to face with the true cost of desire. Hauntingly evocative and, by turns, both moving and terrifying, *The Colour* is the story of a quest for the impossible, an attempt to mine the complexities of love and in the process discover what it is that makes men and women happy.

[What to Expect When You Go to the Dentist, ,](#) , 2002, 0694013285, 9780694013289. Growing Up Just Got Easier...With the help of Angus, the lovable Answer Dog, best-selling author Heidi Murkoff extends a hand to children and parents as they tackle life's first experiences together. When you were growing up, chances are visiting the dentist wasn't your favorite thing to do. Luckily for your child there have been many changes around the dentist's office since your first visit -- changes that have made "opening up wide" a lot less scary and a lot more fun. We're here to explain who dentists are, what they do, why they use all those funny tools, and why regular visits to them can mean a healthier smile, so that your child can sit back, relax, and enjoy the checkup. Have fun at the dentist! Heidi and Angus

[The Goat Without Horns, Thomas Burnett Swann](#) , 2012, 1434441334, 9781434441331. "The Goat Without Horns" was Thomas Burnett Swann's first book-length work -- a strange tale of a remote island, an island which should be a paradise, but quickly becomes a nightmare in which all known rules of behaviour seem reversed. There, a young man brought up amidst the proprieties of Victorian England finds that his only friend is one small, lonely dolphin...and his enemies include several well-ordered hammerhead sharks...

[Philosophic Classics: Medieval philosophy, , , ,](#) , 1997, 0132345013, 9780132345019. Since 1961, Philosophic Classics has provided a generation of students with an anthology of quality in the history of Western philosophy. Using complete works, or where appropriate, complete sections of works, this series allows the philosophers to speak directly to the reader. This series includes texts central to the thinker's philosophy, using the best available translations. Introductions to the readings are divided into three sections: Biographical - provides a glimpse into the life of the philosopher; Philosophical - presents a resume of the philosopher's thought; and Bibliographical - offers suggestions for further reading. In addition, drawings, photographs, and time lines help put the readings in context. In short, every effort has been made to help the reader understand the primary source materials.

[Delivering the NHS Plan: Next Steps on Investment, Next Steps on Reform,](#) , 2002, 0101550324, 9780101550321. This document summarises the further steps the Government plans to take to deliver the NHS reforms set out in their 2000 White Paper 'The NHS Plan' (Cm 4818-I, ISBN 0101481829). It outlines the improvements expected from the implementation of the Plan's targets, and the extra resources made available over a five year programme. It focuses on

the reform of the supply side system design and addresses a number of issues including: expected benefits of reforms such as reduced waiting times for operations, and a cut in cancer and cardiac deaths; increased staffing resources and emphasis upon training; incentives for the performance of primary care trusts; the identification of NHS 'foundation hospitals' which will be given greater management flexibility; reform of the relationship between health and social services, particularly with regards to the care of older people; and the creation of a single independent healthcare inspectorate to regulate the NHS and the private sector.

[A Small Town in Germany, John Le Carr](#) , 2009, 0143171089, 9780143171089. A man is missing. Harting, refugee background, a Junior Something in the British Embassy in Bonn. Gone with him are forty-three files, all of them Confidential or above. It is vital that the Germans do not learn that Harting is missing, nor that there's been a leak. With radical students and neo-Nazis rioting and critical negotiations under way in Brussels, the timing could not be worse -- and that's probably not an accident. Alan Turner, London's security officer, is sent to Bonn to find the missing man and files as Germany's past, present, and future threaten to collide in a nightmare of violence.

It leads the reader on a fascinating journey through the highs, the lows, the designs and the decisions that put the Solihull firm on the map. It includes over 500 illustrations that help set the scene.

[Crown, Church, and Episcopate Under Louis XIV, Joseph Bergin](#) , 2004, 0300103565, 9780300103564. This monographic study is an elegant and eloquent account of the power, character and mentalite of the French church under Louis XIV and of its relationship to the crown and other elite institutions, and to its critics and other congregations. Bergin also fills a gap in our understanding of the personal rule of Louis XIV, for the church was vital to the functioning of the ancien regime and the period simply cannot be understood without integrating this element into the story. Joseph Bergin explores the king's practice of appointing qualified and worthy men as bishops, and of the difficulties and tensions inherent in it. Candidates generally began their careers with theology degrees and graduated to minor clerical positions, where they might gain valuable, practical experience, prior to their appointment as relatively mature men. Rarely were archbishops chosen who had not served as bishops, but appeal was to be found in family credit as well as demonstrable ability. The author explains the provenance of this system, illustrating it with numerous well-drawn examples and examining it in detail. In addition he accounts for the deficiencies of this policy of appointment, which occasione

[Oxford Literacy Web: Poetry: Stages 1-5 - Pit-a-Pat-a-Parrot: Animal Poems,](#) , 1999, 019915841X, 9780199158416. The

Oxford Literacy Web is an exciting new literacy programme designed to guide schools successfully through the primary years. Fitting the requirements of the National Literacy Strategy, National Curriculum in England and Wales, English Language 5-14 in Scotland, and Common Curriculum in Northern Ireland, the Oxford Literacy Web guides pupils through the core skills associated with learning to read and write with a diverse range of literary styles within the genres of fiction, non-fiction, rhymes, language, and poetry. The "Poetry" strand covers all the NLS reception and Year 1 requirements with strong rhyme patterns, chants and action verse, and predictable structures. The poems, from Britain and world-wide, both humorous and serious, are chosen for poetic quality and depth as well as readability, making them suitable for language study. The packs contain a 32pp Teacher's Notes booklet, giving advice on how to teach poetry in the classroom with particular reference to the Literacy Hour. The books are available in both standard and 'big book' format.

[HomeSpun: A Novel, Nilita Vachani](#) , 2008, 1590512855, 9781590512852. Superb tale-spinning a beam of light in contemporary Indian fiction. Mira Nair, director of *The Namesake* When Nanaji was shown Naneeji's photograph, he looked at it for a long time. He had said no so often that it was surprising when he looked up and said yes just like that. They were married a month later. Nanaji was 17, Naneeji, 15. But the photograph had lied. A marriage between the nationalistic Nanaji, deeply committed to Mahatma Gandhi, and Naneeji, equally committed to her wardrobe, could only spell trouble. Spanning three generations, from India's struggle for independence against British rule, up to the present-day, *HomeSpun* traces the lasting imprints of war and the search for peace at levels that are both historical and familial. Setting in motion an irreversible chain of events, a cast of unforgettable characters criss-cross and affect one another in unlikely ways: a Bombay movie producer with a love for pakoras; a fighter pilot who never should have been one; a war correspondent who stumbles upon a disquieting truth; and at the heart of the story, a young girl on a fractured quest for

family. Painted on a wide canvas with a deft and intimate hand, HomeSpun's reach is alluringly diverse: it is at once historical saga, military intrigue, and a moving, coming-of-age portrayal. Intricately plotted, beautifully written, HomeSpun is the story of an Indian family, and of modern India itself. Cinematic in scope and imagery, and with a dark secret at its core that keeps you racing through the pages, it is the brilliant debut of a multiply gifted writer. Suketu Mehta, author of Maximum City HomeSpun is a warm, sweeping novel full of history, laughter and tears, and generations of characters that dance off the page. Nilita Vachani is a storyteller of the first order. Joe Sacco, author of Safe Area Gorazde and Palestine

[Tales from a Revolution: Bacon's Rebellion and the Transformation of Early America, James D. Rice](#) , 2012, 0195386957,

9780195386950. In the spring of 1676, Nathaniel Bacon, a hotheaded young newcomer to Virginia, led a revolt against the colony's Indian policies. Bacon's Rebellion turned into a civil war within Virginia--and a war of extermination against the colony's Indian allies--that lasted into the following winter, sending shock waves throughout the British colonies and into England itself. James Rice offers a colorfully detailed account of the rebellion, revealing how Piscataways, English planters, slave traders, Susquehannocks, colonial officials, plunderers and intriguers were all pulled into an escalating conflict whose outcome, month by month, remained uncertain. In Rice's rich narrative, the lead characters come to life: the powerful, charismatic Governor Berkeley, the sorrowful Susquehannock warrior Monges, the wiley Indian trader and tobacco planter William Byrd, the regal Pamunkey chieftain Cockacoeske, and the rebel leader himself, Nathaniel Bacon. The dark, slender Bacon, born into a prominent family, soon earned a reputation in America as imperious, ambitious, and arrogant. But the colonial leaders did not foresee how rash and headstrong Nathaniel Bacon could be, nor how adept he would prove to be at both inciting colonists and alienating Indians. As the tense drama unfolds, it becomes apparent that the struggle between Governor Berkeley and the impetuous Bacon is nothing less than a battle over the soul of America. Bacon died in the midst of the uprising and Governor Berkeley shortly afterwards, but the profoundly important issues at the heart of the rebellion took another generation to resolve. The late seventeenth century was a pivotal moment in American history, full of upheavals and far-flung conspiracies. Tales From a Revolution brilliantly captures the swirling rumors and central events of Bacon's Rebellion and its aftermath, weaving them into a dramatic tale that is part of the founding story of America.

The Year of Four Emperors will change everything-especially the lives of two sisters with a very personal stake in the outcome. Elegant and ambitious, Cornelia embodies the essence of the perfect Roman wife. She lives to one day see her loyal husband as Emperor. Her sister Marcella is more aloof, content to witness history rather than make it. But when a bloody coup turns their world upside-down, both women must maneuver carefully just to stay alive. As Cornelia tries to pick up the pieces of her shattered dreams, Marcella discovers a hidden talent for influencing the most powerful men in Rome. In the end, though, there can only be one Emperor...and one Empress.

[Visions of Awakening Space and Time: Dogen and the Lotus Sutra, Taigen Dan Leighton](#) , 2007, 019532093X, 9780195320930. As a religion concerned with universal liberation, Zen grew out of a Buddhist worldview very different from the currently prevalent scientific materialism. Indeed, says Taigen Dan Leighton, Zen cannot be fully understood outside of a worldview that sees reality itself as a vital, dynamic agent of awareness and healing. In this book, Leighton explicates that worldview through the writings of the Zen master Eihei Dogen (1200-1253), considered the founder of the Japanese Soto Zen tradition, which currently enjoys increasing popularity in the West. The Lotus Sutra, arguably the most important Buddhist scripture in East Asia, contains a famous story about bodhisattvas (enlightening beings) who emerge from under the earth to preserve and expound the Lotus teaching in the distant future. The story reveals that the Buddha only appears to pass away, but actually has been practicing, and will continue to do so, over an inconceivably long life span. Leighton traces commentaries on the Lotus Sutra from a range of key East Asian Buddhist thinkers, including Daosheng, Zhiyi, Zhanran, Saigyō, Myōe, Nichiren, Hakuin, and Ryōkan. But his main focus is Eihei Dogen, the 13th century Japanese Soto Zen founder who imported Zen from China, and whose profuse, provocative, and poetic writings

are important to the modern expansion of Buddhism to the West. Dogen's use of this sutra expresses the critical role of Mahayana vision and imagination as the context of Zen teaching, and his interpretations of this story furthermore reveal his dynamic worldview of the earth, space, and time themselves as vital agents of spiritual awakening. Leighton argues that Dogen uses the images and metaphors in this story to express his own religious worldview, in which earth, space, and time are lively agents in the bodhisattva project. Broader awareness of Dogen's worldview and its implications, says Leighton, can illuminate the possibilities for contemporary approaches to primary Mahayana concepts and practices.

[Lived to Tell It, Hanna Lulgjuraj-Murray](#) , 2011, 0983324719, 9780983324713. Hanna was living a beautiful fulfilled life, a life of dreams that suddenly all changed. Her dreamlike life turned to horror as her raging husband stood across from her and fired his gun. The bullet hit her on the chest, her legs weakened and fell. She was left for dead. By some miracle she survived to tell her story. Hanna's story is compelling and riveting. It is a true crime story about survival and courage. Reading her story, one will gain courage and the power to overcome similar situations and give hope to every woman trapped in an abusive relationship. You too can be a survivor and no longer a victim. Hanna was born in Yugoslavia and came to America when she was ten months old. Raised with the traditions of the old country, a tradition where the husband rules, she never saw the tragedy unfold. It was her strength, the support of her family and the love for her children that allowed her to rebuild her life. She has now learned a valuable lesson about relationships and cultural responsibilities; a lesson that set her free from abusive men and traditions that kept her obedient to others. Hanna lives in Phoenix, Arizona and is the mother of two girls and a grandmother to a boy.

[The World and Its Double: The Life and Work of Otto Preminger, Chris Fujiwara](#) , 2009, 0571223702, 9780571223701.

"Otto Preminger was one of Hollywood's first truly independent producer-directors. He sought to address the major social, political, and historical questions of his time in films designed to appeal to a wide public. Blazing a trail in the examination of controversial issues such as drug addiction (*The Man with the Golden Arm*) and homosexuality (*Advise & Consent*) and in the frank, sophisticated treatment of adult material (*Anatomy of a Murder*), Preminger in the process broke the censorship of the Hollywood Production Code and the blacklist. He also made some of Hollywood's most enduring film noir classics, including *Laura* and *Fallen Angel*." "An Austrian migr, Preminger began his Hollywood career in 1936 as a contract director. When the conditions emerged that led to the fall of the studio system, he had the insight to perceive them clearly and the boldness to take advantage of them, turning himself into one of America's most powerful filmmakers. More than anyone else, Preminger represented the transition from the Hollywood of the studios to the decentralized, wheeling-and-dealing new Hollywood of today. Chris Fujiwara's critical biography - a detailed new look at the director's life and legacy - follows Preminger throughout his varied career, penetrating his carefully constructed public persona and revealing the many layers of his work."--BOOK JACKET.

[The Lonely Land, Sigurd F. Olson](#) , 1997, 0816629978, 9780816629978. "There are few places left on the North American continent where men can still see the country as it was before Europeans came and know some of the challenges and freedoms of those who saw it first, but in the Canadian Northwest it can still be done". With these words Sigurd Olson begins *The Lonely Land*, the breathtaking account of a five-hundred-mile Canadian canoe journey. Olson and five companions retraced the waterways used by the Voyageurs, the Hudson Bay traders, and a succession of adventurers who used the mighty Churchill River as a major waterway from Hudson Bay to the Mackenzie. Now available for the first time in paperback, *The Lonely Land* tells two stories: that of Olson's expedition and that of the Voyageurs who came before them. The text is illuminated by historical quotes, maps, and research about life on the Churchill during the fur-trading years. But each chapter is driven by the beauty and challenges that faced Olson's group. *The Lonely Land* is a tribute to the unspoiled beauty of the deep wilderness and the rugged individuals past and present who take up a canoe paddle to explore it.

Distilling years of research into the psychology of winning, Waitley shows how you can make these mental traits your own and outlines a 21-day program for doing so. Among the topics covered in The New Dynamics of Winning: Focusing your mind for peak performance anywhere, anytime How paying the price prepares you for success. How to use stress to your advantage Prevalent self-destructive beliefs The psychology traits of those who become winners A guide and an inspiration to achieving your personal best, The New Dynamics of Winning clear, no-nonsense advice on what it takes to succeed in any field of endeavor.

[A Resilient Life: You Can Move Ahead No Matter What, Gordon MacDonald](#) , 2005, 141857936X, 9781418579364. It makes little difference how fast you can run the 100 meters when the race is 400 meters long. Life is not a sprint; it is a

distance run, and it demands the kind of conditioning that enables people to go the distance. Gordon MacDonald's *Running Strong*: Whose heart doesn't leap at the sight of a beautifully conditioned runner, effortlessly gliding along, stride-by-stride, mile-by-mile? And what runner gets to this place without a thankless and often lonely regimen of strategy and self-denial? Isn't this the perfect metaphor of what your heart is longing for: running life's race with intentionality and grace? With strength and focus? Well, you can. Veteran pastor and best-selling author Gordon MacDonald says you must develop resilience—the courage and ability to get up when you fall, to keep running when you're bone-weary, and to keep your eye on the goal even in the murkiest moments. Using the backdrop of his own experiences as a champion runner, MacDonald demonstrates how resilient people practice spiritual self-discipline to build stamina and grit; know what's up ahead, what obstacles they will likely face; and bond with special friends who share their commitment to finishing well. Because he has also run many long, punishing laps in the tough race of life, MacDonald is uniquely qualified to coach and encourage you in developing that resilient spirit to weather adversity, to finish what you start, and to never be satisfied with anything short of God's best for you.

[What It Takes: The Way to the White House, Richard Ben Cramer](#) , 2011, 1453219641, 9781453219645. A masterpiece of political reportage that exposes the emotional reality of the modern American campaign system. Pulitzer Prize-winning journalist Richard Ben Cramer cracks open the heart of the American political system in this classic exploration of the 1988 presidential campaign. Cramer delves into the personal, intimate lives of the key candidates, including George H. W. Bush, Bob Dole, Joe Biden, and Michael Dukakis, as he seeks to understand the drives, passions, egos, and failings that transform an individual into a president. Exhaustively researched from thousands of hours of interviews, *What It Takes* creates powerful portraits of the men who would be president, and how the campaign for the highest office transforms them.

[Invisible Helpers, C. W. Leadbeater](#) , 2007, 1602062781, 9781602062788. Do "guardian angels" watch over us from the astral plane? What do the many examples of "invisible helpers" coming to the aid of those in danger say about the afterlife, and about the eternal soul's ability to continue to interact with the physical world after death? Here, in this 1896 work, the renowned spiritualist Charles W. Leadbeater explores the universal belief in spiritual assistance in times of need, the reality of superphysical life, and what lies beyond for us all. A classic work of theosophy—the esoteric philosophy popular at the turn of the 20th century as a means of reconciling science and religion—this will intrigue all those fascinated

by the paranormal. British author CHARLES WEBSTER LEADBEATER (1854-1934) was ordained as an Anglican priest, but later joined the prominent Theosophical Society and traveled to India to study alternative spiritual and occult practices, eventually settling into his life as a clairvoyant and author. His other works include *Man Visible and Invisible* and *The Science of the Sacrament*.

[The End of Money and the Future of Civilization](#), Thomas Greco , 2009, 160358224X, 9781603582247. Like the proverbial fish who doesn't know what water is, we swim in an economy built on money that few of us comprehend, and, most definitely, what we don't know is hurting us. Very few people realize that the nature of money has changed profoundly over the past three centuries, or has been clear with the latest global financial crisis the extent to which it has become a political instrument used to centralize power, concentrate wealth, and subvert popular government. On top of that, the economic growth imperative inherent in the present global monetary system is a main driver of global warming and other environmental crises. *The End of Money and the Future of Civilization* demystifies the subjects of money, banking, and finance by tracing historical landmarks and important evolutionary shifts that have changed the essential nature of money. Greco's masterful work lays out the problems and then looks to the future for a next stage in money's evolution that can liberate us as individuals and communities from the current grip of centralized and politicized money power. Greco provides specific design proposals and exchange-system architectures for local, regional, national, and global financial systems. He offers strategies for their implementation and outlines actions grassroots organizations, businesses, and governments will need to take to achieve success. Ultimately, *The End of Money and the Future of Civilization* provides the necessary understanding for entrepreneurs, activists, and civic leaders to implement approaches toward monetary liberation. These approaches would empower communities, preserve democratic institutions, and begin

to build economies that are sustainable, democratic, and insulated from the financial crises that plague the dominant monetary system.

[Writing: urban calligraphy and beyond, Markus Mai, Robert Klanten](#) , 2004, . "Long ignored and belittled for its proximity to comic culture and vandalism, graffiti has steadfastly remained in the public view: ubiquitous and with a natural affinity to architecture it has become a fundamental aspect of the modern city, influencing public perception and borrowed by fashion, packaging, graphic designers and architects alike. An offspring of this graffiti scene, born out of tags and throw-ups, writing is modern urban calligraphy. While the classic New York style of writing originated in typography, it in turn has left its mark on virtually all visual disciplines: strictly speaking the arrangement of space by outlines, writing has become an invaluable influence and inspiration, especially in the realm of illustration, logo design, motion graphics and architecture. Complemented by a number of essays, "Writing" (compiled by Berlin activists and designers Markus Mai and Arthur Remke) now surveys this appropriation of public space and examines the detailed fusion of analogue writing and digital design. Divided by contributors the content spans from straight documentation of this low tech conspiracy to extremely intricate architectural exercises, integrating the unique spatial properties of graffiti writing, its shapes, forms and angles, into three-dimensional objects or buildings."--BOOK JACKET.

[The United States Constitution: The Full Text with Supplementary Materials, Bob Blaisdell](#) , 2012, 0486115569, 9780486115566. The basis of our nation's law and government, the Constitution is America's most important political and social document. This convenient and inexpensive reference contains not only the Constitution's main text and amendments but also a wealth of background information. Supplements include selected "Federalist Papers," consisting of memoranda by James Madison, the "Father of the Constitution," as well as speeches by John Jay and Patrick Henry and remarks by Alexander Hamilton. Highlights from the 1787 Constitutional Convention in Philadelphia include spirited

debates on suffrage, executive power, slavery, and other subjects vital to the founding of a nation. In addition, correspondence between the Founding Fathers including letters from Madison to George Washington and from John Adams to Thomas Jefferson offers a glimpse at the personalities behind the historic events.

[I HAVE LANDED, Stephen Jay Gould](#) , 2011, 0674061624, 9780674061620. Here is bestselling scientist Stephen Jay Gould's tenth and final collection based on his remarkable series for Natural History magazine--exactly 300 consecutive essays, with never a month missed, published from 1974 to 2001. Both an intellectually thrilling journey into the nature of scientific discovery and the most personal book he has ever published, I Have Landed marks the end of a significant chapter in the career of one of the most acclaimed and widely read scientists of our time. Gould writes about the themes that have defined his career, which his readers have come to expect and celebrate, casting new light upon them and conveying the ideas that science professionals exchange among themselves (minus the technical jargon). Here, of course, is Charles Darwin, from his centrality to any sound scientific education to little-known facts about his life. Gould touches on subjects as far-reaching and disparate as feathered dinosaurs, the scourge of syphilis and the frustration of the man who identified it, and Freud's "evolutionary fantasy." He writes brilliantly of Nabokov's delicately crafted drawings of butterflies and the true meaning of biological diversity. And in the poignant title essay, he details his grandfather's journey from Hungary to America, where he arrived on September 11, 1901. It is from his grandfather's journal entry of that day, stating simply "I have landed," that the book's title was drawn. This landing occurred 100 years to the day before our greatest recent tragedy, also explored, but with optimism, in the concluding section of the book. Presented in eight parts, I Have Landed begins with a remembrance of a moment of wonder from childhood. In Part II, Gould explains that humanistic disciplines are not antithetical to theoretical or applied sciences. Rather, they often share a commonality of method and motivation, with great potential to enhance the achievements of each other, an assertion perfectly supported by essays on such notables as Nabokov and Frederic Church. Part III contains what no Gould collection would be complete without: his always compelling "mini intellectual biographies," which render each subject and his work deserving of reevaluation and renewed significance. In this collection of figures compelling and strange, Gould exercises one of his greatest strengths, the ability to reveal a significant scientific concept through a finely crafted and sympathetic portrait of the person behind the science. Turning his pen to three key figures--Sigmund Freud, Isabelle Duncan, and E. Ray Lankester, the latter an unlikely attendee of the funeral of Karl Marx--he highlights the effect of the Darwinian revolution and its resonance on their lives and work. Part IV encourages the reader--through what Gould calls "intellectual paleontology"--to consider scientific theories of the sixteenth and seventeenth centuries in a new light and to recognize the limitations our own place in history may impose on our understanding of those ideas. Part V explores the op-ed genre and includes two essays with differing linguistic formats, which address the continual tug-of-war between

the study of evolution and creationism. In subsequent essays, in true Gould fashion, we are treated to moments of good humor, especially when he leads us to topics that bring him obvious delight, such as Dorothy Sayers novels and his enduring love of baseball and all its dramas. There is an ardent admiration of the topsy-turvy world of Gilbert and Sullivan (wonderfully demonstrated in the jacket illustration), who are not above inclusion in all things evolutionary. This is truly Gould's most personal work to date. How fitting that this final collection should be his most revealing and, in content, the one that reflects most clearly the complexity, breadth of knowledge, and optimism that characterize Gould himself. *I Have Landed* succeeds in reinforcing Gould's underlying and constant theme from the series' commencement thirty years ago--the study of our own scientific, intellectual, and emotional evolution--bringing reader and author alike to what can only be described as a brilliantly written and very natural conclusion. "From the Hardcover edition."

[Twentieth-Century Britain: A Very Short Introduction, Kenneth O. Morgan](#) , 2000, 019285397X, 9780192853974. First published as part of the best-selling The Oxford Illustrated History of Britain, Kenneth Morgan's Very Short Introduction to Twentieth-Century Britain examines the forces of consensus and of conflict in twentieth-century Britain. The account

covers the trauma of the First World War and the social divisions of the twenties; fierce domestic and foreign policy debates in the thirties; the impact of the Second World War for domestic transformation, popular culture and the loss of empire; the transition from the turmoil of the seventies to the aftermath of Thatcherism and the advent of New Labour. Throughout, cultural and artistic themes are woven into the analysis, along with the distinct national experiences of Scotland, Wales, and Ireland. The profound tension that shook the United Kingdom are juxtaposed against equally deep forces for stability, cohesion, and a sense of historic identity. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[Net Working: Work Patterns and Workforce Policies for the New Media Industry](#) , 2001, 0944826938, 9780944826935.

A study was made of the labor market issues facing professionals and employers in the new media industry, an industry that combines elements of computing technology, telecommunications, and content to create products and services that can be used interactively by consumers and business owners. The study was carried out through a Web-based survey of members of five intermediary associations that serve workers in the industry. The study focused on a group of highly accomplished professionals in New York City to identify lessons for success in a project-oriented environment with highly complex skill demands and rapidly changing technology. The study found that the professionals surveyed earned an average of \$99,000 from new media work in 1999, far more than the national average for people employed in this area. Yet they faced significant challenges in acquiring new skills, managing their careers, and establishing employment and income security. They spent an average of 13.5 hours per week in unpaid time learning new skills and more than 6 hours per week in looking for employment. The researchers concluded that challenges for the industry include establishing criteria for evaluating job skills and creating ways for professionals to acquire more training and find jobs or projects in less time. Research methodology is appended. (Contains 14 references, 13 figures, and 7 tables.) (KC)

[Pyramid of Trivia, First Publishers Group, Limited, George B. Moffat](#) , 2011, 0970425449, 9780970425447.

[Outsider in the House, Bernie Sanders](#) , 1998, 1859841775, 9781859841778. Bernie Sanders is the first Independent elected to the US House of Representatives in forty years, and the only Independent ever elected to four consecutive

terms. This book recounts his unique political progress from socialist Mayor of Burlington to a leader of the fight in Congress against the Republican majority. Sanders places the 1996 Congressional race in his home state Vermont at the center of his story, capturing the drama and tension of an election targeted by the Republican National Committee. The Republicans' campaign included massive negative advertising and the hiring of a private detective to dig up dirt on their opponent. Sanders responded with straightforward opposition to the Contract with America, and a positive message. He won with a substantially increased majority and 55% of the vote in a three-way race. On the Hill, Sanders chairs the House Progressive Caucus, now 58 members strong, which helped to spearhead the successful opposition to Newt Gingrich. He describes his one-on-one meetings with Bill Clinton in the Oval Office where discussions ranged over the need to raise the minimum wage, the role of the corporate media and farming in Vermont. Sanders continues to take the fight to the Democrats as well as the Republicans, insisting that the two party system fails to represent working people in America, most of whom don't vote. Sanders' vivid descriptions of the battles raging in Congress over the Gulf War, NAFTA, health care and welfare reform reveal the powerful forces behind government that have produced the most inequitable distribution of wealth in American history. The top one percent of Americans now own more of the nation's wealth than the bottom ninety. Sanders and the Progressive Caucus respond with a positive strategy for Congress, offering an Alternative Budget which cuts' military spending and corporate welfare and uses the savings made to rebuild America for the benefit of all its citizens. Here, in a passionate and personal

[Value Trai Based Risk Management, Christopher Leslie Duggleby](#) , 2011, 0956677703, 9780956677709. The Value TRAI is a four part classification which has been developed to enable any business entity, process, project or job to be broken down into its component value elements. This then provides a framework for the identification, prioritisation, evaluation and management of business risks. In addition to the value TRAI this book introduces a series of simple tools which address business risks: both threats and opportunities. The Author, Chris Duggleby, has spent over thirty years managing chemicals businesses around the world working with several internationally respected partners. His recent work focused on the management of Joint Ventures and the design of Management of Change processes for transformation projects. His first-hand knowledge of managing industrial business risks has been used in the design of the tools and processes described in this book. Using a standardised set of easy to apply risk management tools is fundamental to the introduction of an enterprise wide risk management system. This book, supported by the www.bizchangers.com website, describes these tools and how to apply them.

All of Eden has become a war camp, and citizens are being forced to take sides in an eternal battle.

[Master the Toeic: Strategies Teacher's Manual, Chris Quinn](#) , 2012, 098492681X, 9780984926817. In "Master the TOEIC: Strategies Teacher's Manual" the ESL teacher will find more detailed explanations of activities and strategies to use in class with our Master the TOEIC Strategies: Student Workbook. This Teacher's Manual will help any TOEIC teacher cover all seven parts of the TOEIC Listening and Reading test, introducing unique and effective Techniques and Strategies for the each part of TOEIC Reading and Listening Test, including tips for students to remember and for teachers to use as discussion topics in class. These TOEIC secrets and TOEIC tips will help your students get a great TOEIC score. Most test-preparation books for English-language students are written for students who already have a high-level of English, as well as have pages not useful in a classroom setting. Our "Master the TOEIC: Strategies" is different. It is the perfect workbook to use in class, enabling you to concentrate on individual parts of the TOEIC test. The activities and exercises on each page are designed to help test-takers of all levels improve their score. The techniques in "Master the TOEIC: Strategies" were developed from years of classroom use. Most students see their score improve by 50 points or more in just 2 months, and many students improve their score by 100-150 points!

[The Beer Log, James Robertson](#) , 1994, 0963533258, 9780963533258. The ultimate reference tool for beer lovers!

Contains descriptions and ratings of over 3400 beers from around the world, 1100 more than the previous edition. The Beer Log serves as a personal reference for beer lovers and connoisseurs, store owners and restaurateurs alike. To

assure objectivity in the ratings of individual products, the author used a panel of six experts for most evaluations. Yearly updates will be made available as new beers appear on the market to ensure the book will not become obsolete.

[Life's Spices from Seasoned Sistahs: A Collection of Life Stories from Mature Women of Color, Vicki L. Ward](#) , 2005, 0975516205, 9780975516201. The stories are interspersed with powerfully evocative poems that express the heartfelt feelings and emotions of some seasoned sisters. "Rebirth of a Woman" is about a woman who walks out on her husband "after a lifetime of living in misery." In another poem, a woman "rejoice(s) with the reflection of freedom / Much like the Negro slave of the old," when the shackles binding her soul are cut off. In the insightful poem "Transformation," one sister realizes, "I need to forgive the pain I have inside. / I need to do the hardest thing, / I need to forgive myself. / Only then... / will I be able to make a change." Vicki Ward looks back on her life in the closing poem and feels content that she has "Moved forward assured. / Climbed out of potholes, tamed fears, / Enemies slain, loves won." These unique and compelling real life accounts will touch the hearts and stir the souls of readers. Women all over the world will be able to relate to the experiences of these mature women and feel reassured they are not alone in their personal journeys. This book is enhanced by appendices containing biographies of the contributors as well as addresses and online resources for women that provide valuable information on services ac.

[Dear Life, Alice Munro](#) , 2013, 0099578638, 9780099578635. **Winner of the Nobel Prize in Literature**Alice Munro captures the essence of life in her brilliant new collection of stories. Moments of change, chance encounters, the twist of fate that leads a person to a new way of thinking or being: the stories in Dear Life build to form a radiant, indelible portrait of just how dangerous and strange ordinary life can be.

[Decoding the Kindle: A Comprehensive Guide to Getting the Most Out of Your Kindle, Jim Cheshire](#) , 2008, 0132797097, 9780132797092. This is the eBook version of the printed book. The revolutionary Amazon Kindle is getting rave reviews, but most Kindle users feel that a far better manual is needed in order to get the most out of this extraordinary device. Introducing Decoding the Kindle: A Comprehensive Guide to Getting the Most Out of Your Kindle. Meticulously researched and painstakingly written to be the one Kindle resource you cant live without, Decoding the Kindle was written by Jim Cheshire, a passionate Kindle owner. It is a thorough guide covering all aspects of the Kindle. Unlike many of the other Kindle resources available, Decoding the Kindle is not a brief article on the Kindle. Its a comprehensive e-book designed to teach you everything you need to know about the Amazon Kindle. Decoding the Kindle was written for all Kindle users, even those who have absolutely no technical expertise and are inexperienced in using a computer. Here are just a few of the many things youll learn in this book: Tips and tricks to help make your basic Kindle reading experience more enjoyable. Details on where you can locate free books as well as tips on how you can search for hard-to-find free books. How you can use free software to convert books and edit author name, title, and other information. How you can use

your own pictures for the Kindle screensaver, including details on what format of image you should use, how to convert your images, and links to free software you can use for image manipulation for the Mac and the PC. The best ways to take advantage of the Kindles built-in Web browser, including how to use email, blog readers, eBay, social networking, and even manage your Netflix movie queue. How to listen to music while you read. How to listen to podcasts on your Kindle (and how to make the Kindle automatically remember your current place in your favorite podcast.) A comprehensive FAQ on the Kindle using carefully researched questions asked by Kindle users. Innovative ideas on using the Kindle for an information-storage device. Much, much more! Much of the information available on the Amazon Kindle is actually misinformation. If you want a comprehensive guide with step-by-step, detailed instructions on how to get the most from your Kindle without all the fluff, theres only one clear choice: *Decoding the Kindle: A Comprehensive Guide to Getting the Most Out of Your Kindle* . Spend more time reading what you want and less time trying to figure out the Kindle.

[Punto Y Aparte Student Edition, Sharon Foerster, Anne Lambright](#) , 2010, 0077350219, 9780077350215. Punto y aparte began as a set of materials that the lead author, Sharon Foerster, created for the fourth-semester of Spanish at the University of Texas, Austin. After an initial custom-publishing version, it was then published as a mainstream Spanish title. It has since enjoyed great success, becoming the top-selling Spanish textbook for fourth-semester Spanish. What makes it stand apart from other intermediate Spanish books is its effectiveness in bridging the gap between low-intermediate and advanced Spanish. The title punto y aparte is a Spanish expression used to refer to the beginning of a new paragraph. Indeed, this program very successfully moves students from sentence level production to paragraph level production. It does so in part by providing an abundance of communicative tasks and activities, involving engaging, contemporary, and relevant cultural topics that are integrated throughout the chapter. Thus, students studying with this book can more easily break out of the second-year plateau and move into a more advanced level, towards fluency. The other unique characteristic of this book is its approach to grammar. Key grammatical structures (los puntos clave) are presented in a novel way, as tools for communication, rather than as ends in themselves. The authors have identified seven communicative functions or goals (las siete metas comunicativas) that are central to intermediate-level study. These functions are: By organizing the text around key communicative functions and the grammatical structures that support them, Punto y aparte, follows a logical and manageable progression. The continual reinforcement and recycling of all seven communicative functions offer students many opportunities to communicate, produce, and create with the language, rather than to simply review the

[Normal Organizational Wrongdoing: A Critical Analysis of Theories of Misconduct in and by Organizations, Donald Palmer](#) , 2012, 019957359X, 9780199573592. Instances of wrongdoing in and by organizations have featured heavily in news headlines in recent years. Why do organizational participants - employees, managers, senior officials - engage in illegal, unethical, and socially irresponsible behavior? The dominant view of wrongdoing as an abnormal phenomenon assumes

that the perpetrator is a rational, proactive actor, working in isolation. However, Palmer develops an alternative approach in this book examining wrongdoing as a normal occurrence, produced by actors with no positive inclinations to engage in this practice, but whose behaviour is shaped by the immediate social context over a period of time. The book provides a comprehensive critical review of the theory and research on organizational wrongdoing. By using rich case study material, it illuminates different perspectives, potential explanations, policy implications, and suggestions for the way forward for the improvement of organizational efficiency and effectiveness.

[John Lennon: The Life, Philip Norman](#) , 2009, 0061980560, 9780061980565. For more than a quarter century, Philip Norman's internationally bestselling *Shout!* has been unchallenged as the definitive biography of the Beatles. Now, at last, Norman turns his formidable talent to the Beatle for whom belonging to the world's most beloved pop group was never enough. Drawing on previously untapped sources, and with unprecedented access to all the major characters, here is the comprehensive and most revealing portrait of John Lennon that is ever likely to be published. This masterly biography takes a fresh and penetrating look at every aspect of Lennon's much-chronicled life, including the songs that have turned him, posthumously, into a near-secular saint. In three years of research, Norman has turned up an extraordinary amount of new information about even the best-known episodes of Lennon folklore: his upbringing by his strict Aunt Mimi; his allegedly wasted school and student days; the evolution of his peerless creative partnership with Paul McCartney; his Beatle-busting love affair with a Japanese performance artist; his forays into painting and literature; his experiments with Transcendental Meditation, primal scream therapy, and drugs. The book's numerous key informants and interviewees include Sir Paul McCartney, Sir George Martin, Sean Lennon whose moving reminiscence reveals his father as never before and Yoko Ono, who speaks with sometimes shocking candor about the inner workings of her marriage to John. Honest and unflinching, as John himself would wish, Norman gives us the whole man in all his endless contradictions: tough and cynical, hilariously funny but also naive, vulnerable and insecure and reveals how the mother who gave him away as a toddler haunted his mind and his music for the rest of his days.

[The Step by Step Guide to Planning Your Wedding, Lynda Wright](#) , 1999, 0952465299, 9780952465294. Containing all the necessary wedding planning information, this text is designed to be used as a workbook. It is produced using the Hextrabind method of binding which ensures it lies flat when open, and combines tick boxes in the action plans and the checklist section to make it easy to use. Topics include engagement, wedding expenses, wedding rings, photography, flowers and invitations and guest list, and there are also sections on the appropriate clothes for bridesmaids, pageboys and the bride.

[Beneath the Clouds, Jackie Stuart](#) , 2012, 0946148945, 9780946148943. Beneath the Clouds - A Social History of the Men of the US Army Air Forces based in the UK 1942-45. There have been many books published about the Eighth Air Force in the United Kingdom in the years of the Second World War. A good number of these have been specific to East Anglia. This book seeks to complement that literature, dealing not with specific aspects of combat but how war-time life in Britain affected the fighting men and the ground personnel. It looks at the psychology of life in a different country, the morale of the men and the comparison between the lives of those who flew and those who provided support on the ground. It contains primarily the words of the men themselves, the words of those who met and mingled with them. The strength of the original interviews ensures that it is a unique resource for social historians. It is also essential reading for surviving veterans and their many descendants who want to understand just what they went through.

[Full Bloom: Cultivating Success, Amy Goodman, Anne Hagerman Wilcox, Amy Osmond Cook](#) , 2011, 098410688X, 9780984106882. edited by Amy E. Gooman, Anne Hagerman Wilcox, and Amy Osmond Cook, Ph.D. "What is success ? And how do I cultivate it?" are two questions asked by nearly every young woman today. In this timely collection of essays, 27 highly accomplished women, from doctors to business owners to stay-at-home moms, speak candidly about success and how to get there. All past participants of Distinguished Young Women, formerly America's Junior Miss, these amazing women offer a variety of perspectives on what success means and how they have achieved it. They have dreamed big, failed often, and continually learned from their experiences every step of the way. So whether you need a pep talk, some perspective about living a happy life, or savvy practical advice on how to get good grades, this book has something for you. Amy E. Goodman is a nationally recognized media maven. Her journalistic career as an editor, author, host and lifestyle expert spans magazines, news programs, and online media outlets. She's demoed yoga, interviewed celebs, cleaned out closets, and whipped up hors d'oeuvres for national outlets like Good Morning America, The Early

Show, The View, The Rachael Ray Show, CNN, Access Hollywood, ET! and VH1. A multi-faceted expert, she has appeared on NBC's Today show over 75 times. View her complete profile at www.amyegoodman.com

[Non-governmental Organizations and Rural Poverty Alleviation, Roger Riddell, Mark Robinson](#) , 1995, 0198233302, 9780198233305. There has been considerable interest in recent years in the ability of non-governmental organisations to work with the rural poor in developing countries in order to improve their quality of life and economic status through the provision of credit, skills training, and other inputs for income-generation programmes. This book brings together the results of 16 evaluations in 4 countries (Bangladesh, India, Uganda, and Zimbabwe) to provide a detailed assessment of the contribution that NGOs make to rural poverty alleviation. The results indicate that NGO projects are successful when they build in a high degree of participation, when the staff are committed to the goals of the project, and when they are managed by strong and competent leaders. Many of the projects studied contributed to increases in income and welfare. However, not all projects were successful, contrary to received wisdom about the efficacy of NGO interventions. Many failed to reach the very poorest, most were costly to implement, and few of the projects demonstrated an ability to continue once external funding was withdrawn. These findings provide strong support for viewing NGOs as a mechanism for helping to reduce rural poverty, but also demonstrate that many of the interventions are isolated or one-off. The impact of NGOs could be heightened by increasing the size of the intervention, encouraging greater cooperation among NGOs, and by fostering closer cooperation with governments. This study will make an impact in the development community, and its conclusions will help shape NGO and poverty agendas in the coming years. The book will appeal to all those concerned with rural development, NGOs, and development programmes.

[Go to Helena Handbasket, Donna Moore](#) , 2006, 0809557363, 9780809557363. On her latest case, wisecracking Private Investigator, Helena Handbasket, is faced with a lot of tough questions. Did Robin Banks have a hand in the theft of Evan

Stubezzi's jewels? And if so, was the hand one of those packed in ice in the freezer box that was delivered to his brother, Owen? Is there a serial killer on the loose? Or are all those handless corpses with scarlet fish sewn into their chest cavities purely coincidental? What shoes should you wear for a meeting with a killer? Why does her next-door neighbour smell of cheese? Which of her true loves is her real true love? And, more importantly, is there anything in the fridge for dinner? Can our man-loving, cocktail-loving, food-loving, not-so-very-intrepid heroine answer these questions-any of them-without leaving a cliché unturned?

[The Sixth Black Book of Horror, Reggie Oliver, David A. Riley](#) , 2010, 0955606152, 9780955606151. The latest volume of Britain's premier horror anthology series contains 15 new tales of terror. Contents: SIX OF THE BEST - John Llewellyn Probert, TRAFFIC STREAM - Simon Kurt Unsworth, IMAGINARY FRIENDS - Steve Lockley, AN UNCONVENTIONAL EXORCISM - R. B. Russell, THE DOOM - Paul Finch, KEEPING IT IN THE FAMILY - Gary Fry, SPANISH SUITE - Craig Herbertson, MR PIGSNY - Reggie Oliver, THE RED STONE - Alex Langley, ROOM ABOVE THE SHOP - Stephen Bacon, THEIR CRAMPED DARK WORLD - David A. Riley, GNOMES - Mick Lewis, BAGPUSS - Anna Taborska, THE SWITCH - David Williamson, KEEPING YOUR MOUTH SHUT - Mark Samuels. .."a series which is rapidly becoming an essential read for Horror fans." - Tales From the Black Abyss.

[A Time to Laugh, a Time to Cry, Don Emmitte](#) , 2012, 0985326301, 9780985326302. The only reason to yell is if the house is on fire! A simple statement but a powerful truth for any parent who seeks the best for his/her children. Don Emmitte has discovered that life is filled with times for both happiness and sorrow when it comes to raising children. The key is to learn to appreciate both. This book will help you... Experience grace rather than guilt Understand parenting as a joy rather than a nightmare Overcome the mistakes your parents made Pass on a blessing to your children Help your children develop honor The goal of parenthood is to see children develop into positive, affirmative Christians. We want to hear words like confident, positive, well-liked, strong, competent, and bright used to describe our children. As Don invites you to observe his journey with his sons, you will discover a new joy that can only be experienced by successful parents. "Throughout the book I hope you will see the pilgrimage of our lives as an illustration of one way of developing these characteristics in your family. I do not believe that the means is important at all. It is the resulting knowledge and application that are essentials. God teaches all of us in different ways." Don Emmitte is the Founder and Executive Director of Grace Restoration Ministries (www.gracerestoration.org) located near Nashville, Tennessee. He has been involved in Christian ministry for nearly forty years, including specific roles with college students, prisons, and at-risk-children. Don has also served in vocational ministry for over twenty years as a Senior/Lead Pastor of multiple churches in Texas and Tennessee. His focus has always included an emphasis on ministry to families, most recently through counseling and life coaching by way of GRM. Don continues to write Morning Devotionals, a daily inspirational thought

distributed by email subscription to over 3,000 readers across the United States.

[Black Cow, Magdalena Ball](#) , 2012, 1479284327, 9781479284320. Freya and James Archer live the high life in a luxury home in Sydney's poshest suburb, with money, matching Jags, two beautiful teenage kids ... and they couldn't be more

despondent. James wakes weeping each morning, dreading the pressures of a long and grueling work day ahead, and Freya is struggling with her foundering real estate career. Global recession is biting in Australia, and the Archers are afraid. In a desperate bid for happiness and security they shed the fragile trappings of success and cruise over into the slow lane to take an unmapped turn-off on a country road and live off the land in a remote old farmhouse on the peaceful southern island of Tasmania.

[Improving Vocabulary for Ages 5 - 6, Andrew Brodie](#) , 2012, 1408174022, 9781408174029. Improving Vocabulary contains a wealth of vocabulary for pupils to discover, discuss and use in appropriate contexts, helping them to prepare for the new English grammar, punctuation and spelling test. Series of photocopiable books to use both as a tool for extending vocabulary and as a stimulus for speaking and listening activities. Each book will feature sets of illustration cards together with matching word cards, becoming increasingly complex throughout the series. Teachers will use the cards as the focus for discussion sessions, in which they will ask the pupils to identify the illustration which best represents each word. Pupils will be encouraged to explain why they feel that word is most appropriate. Pupils will use the cards to play matching games, etc.

[Hidden History, Daniel Joseph Boorstin, Ruth Frankel Boorstin](#) , 1989, 0679722238, 9780679722236. In this provocative new collection, the Pulitzer Prize-winning author Daniel J. Boorstin explores the essential "hidden history" of the American experience that is overlooked by most historians. In twenty-four essays -- divided into five sections, "The Quest for History," "A By-Product Nation," "The Rhetoric of Democracy," "Unsung Experiments," and "The Momentum of Technology" -- Daniel J. Boorstin examines significant rhythms, patterns, and institutions of everyday American life: from his intimate portraits of such legendary figures as Paul Revere, Abigail Adams, and Thomas Jefferson, to more expansive discussions of historical phenomena, such as the Therapy of Distance and the Law of Survival of the Unread.

[Rhinoceros: Poems, Kevin Ducey](#) , 2004, 0971898162, 9780971898165. Kevin Ducey's Rhinoceros was selected from over 1,000 manuscripts by Yusef Komunyakaa for the APR/Honickman First Book Prize. With lyrical turns and metaphorical sways, Rhinoceros embodies mythologies that are brought down to earth and riffs on history, desire, death, sex and food. We have lunch with Hawking and Disney before stopping in to see how Robert Browning's recording session with Thomas Edison is getting on. (They hate each other.) Komunyakaa writes in his introduction: "Rhinoceros has a playfulness that pulses alongside a seriousness, and this rippling effect resonates beneath the skin. . . . A keen imagination drives these impressive poems." Kevin Ducey teaches creative writing at the University of Notre Dame and lives in South Bend, Indiana.

[Remember When - Wilbur the Beach Pig, Heidi Fagerberg](#) , 2012, 0983297878, 9780983297871. Wilbur the beach pig lived to almost 12 years old on the island of St Kitts. During his life Wilbur made many friends and had many adventures with the other animals he met on the beach; Lion Paw, Oliver and Shylo just to name a few. He was loved by all of his friends. In fact, if you visit Reggae Beach in St. Kitts you can see a beautiful memorial that Wilbur's friends have built in his honor. Wilbur wanted to share his memories with us so he left behind this fun photo journal of his life, "Remember When." You can read more about Wilbur and his friends in other books in the 'Living the Beach Life' series like book 1, "Lion Paw and Oliver, An Unlikely Friendship."

[Government Is the Problem: Memoirs of Ronald Reagan's Welfare Reformer, Robert B. Carleson](#) , 2010, 0978650239, 9780978650230. When Barack Obama with great fanfare signed the 2009 stimulus bill, he quietly gutted America's most successful domestic policy achievement--the 1996 welfare reform. This revolutionary policy had freed millions of Americans from the shackles of dependency. There was no legitimate reason to undo what had succeeded, and the moral and economic costs will be huge. The facts are clear: welfare reform worked for America. And we urgently need to relearn "why." "Government Is the Problem" is the story of a broken welfare system that needed to be fixed, of a great leader named Ronald Reagan who said that it "could" be fixed, of doubters who said that it could not be fixed, and of the man--Robert B. Carleson--who fixed it. Carleson pioneered the true reform that reversed a growing dependence on the welfare state and moved America away from the ruinous path of income redistribution. Much has been written about welfare reform over the years - a lot of it by people who had no involvement with the process. But in this book the real story of how welfare was fixed is told. Bob Carleson has left a fascinating memoir of the insights and ideas that motivated welfare reform; of the controversies and obstacles that threatened to derail it; and of the principles that must be followed to direct scarce public resources to the truly needy. With the country in economic crisis, Americans are asking questions about government intervention in the economy, about individual responsibility, and about the future of our children's freedom. What could be more poignant than a testimonial from the man who proved that government is, indeed, the problem?

[Resonant Echoes: The Art of Basil Alkazzi, Dennis Wepman, Basil Alkazzi](#) , 2007, 095551830X, 9780955518300. Basil

Alkazzi's imagery expresses a mysterious and complex personal vision with a magnetic force that draws us inward and at times into infinite space.

[Three Crimes, Georges Simenon](#) , 2006, 1843914212, 9781843914211. Based on his own experiences, Georges Simenon tells of a period in his youth when he was befriended by three men. Unbeknownst to him, these three would go on to commit a series of wholly reprehensible crimes. Yet it was only by chance that these travesties inspired Simenon to become a crime writer, rather than tread the path of evil himself. One of the 20th century's most prolific and widely read authors, Georges Simenon (1903-1989) is widely recognized as one of the most skillful and literate writers of detective fiction, famed for his Commissaire Maigret novels.

[Fair Interviewing, Annie Hedge, Barbara Darling](#) , 1992, 0948080809, 9780948080807. This handbook is designed to help organizations ensure that they appoint the right applicants for the right post. Only by following clearly prescribed procedures will interviewing panels identify what applicants are capable of, and make the most appropriate selection. The procedures detailed here will also protect panels from irregular practices which could land them facing industrial tribunals or court action. Drawing on their work with the Industrial Language Training Service, authors Annie Hedge and Barbara Darling set out the principles of good staff selection procedures in line with equal opportunities policy and legislation. Each step of interviewing, from planning to deciding is illustrated with examples - positive and negative - taken from their work as trainers.

[Raw Vision 123: Historic Archive Reprint of Raw Vision's First Three Issues, John Maizels](#) , 2005, . Raw Vision magazine was first published in 1989 at a time when Outsider Art was almost a clandestine, secret area of art, only just a few people around the world knew about. The first editions of Raw Vision magazine presented works that have since become world famous but which, at the time, were shown to a wide audience for the first time. The early editions of Raw Vision soon sold out and over the years became expensive and sought-after collectors' items. Features include: The Art of Entrancement: the mediumistic and spiritual in Outsider Art; Word and Image in American Folk Art: a survey of Southern folk artists; Nek Chand's Rock Garden of Chandigarh: the world's largest sculpture park and visionary environment. Autour de l'Art Brut: an exploration of Dubuffet's theories of Art Brut. The work of SPACES, the Los Angeles based conservation organisation who were instrumental in saving the famous Watts Towers. Schroder-Sonnenstern: the

demented erotic vision of this German draughtsman. Haiti and the school of Saint Soleil - contemporary works form the vibrant artistic world of Haiti. Willem van Genk: powerful Dutch visionary. Gustav Mesmer: Outsider and his flying machines, a latter day Icarus. Billy Morey - creating against all the odds - how art rescued him from a cycle of crime and punishment.

[The Limits of Freedom of Contract, Michael J. Trebilcock](#) , 1997, 0674534301, 9780674534308. Our Legal System is committed to the idea that private markets and the law of contracts that supports them are the primary institutions for allocating goods and services in a modern economy. Yet the market paradigm, Michael Trebilcock argues, leaves substantial room for challenge. For example, should people be permitted to buy and sell blood, bodily organs, surrogate babies, pornography, or sexual favors? Is it fair to allow people with limited knowledge about a transaction and its consequences to enter into it without guidance from experts? Finally, do people always know their own preferences, many of which may be socially conditioned? These are only a few of the issues Trebilcock explores in this sweeping analysis of the private ordering model of contract law and the major theoretical camps critiquing it, including the communication and the feminist. He examines the implication that the private ordering paradigm simultaneously promotes autonomy and welfare values, and argues that in many contexts the convergence of these values is much more contestable than its proponents claim. The book treats all the conflicting perspectives with care, acknowledging both their strengths and their weaknesses, and using them to illuminate many specific dilemmas. Trebilcock also pays close attention to how various theories may be translated into practice, revealing that ideas which appear to oppose each other at an abstract level are in fact similar when implemented at the institutional level. In conclusion, Trebilcock argues that we need to be more alert to the possibility of adopting public policies that broaden access to market opportunities for the disadvantaged. Economists, lawyers, political scientists, philosophers, and policy analysts will all benefit from reading this brilliant synthesis and reinterpretation of contract law.

[The Shadow-Line, Joseph Conrad](#) , 1986, 0140180974, 9780140180978. Written in 1915, The Shadow-Line is based upon events and experiences from twenty-seven years earlier to which Conrad returned obsessively in his fiction. A young sea captain's first command brings with it a succession of crises: his sea is becalmed, the crew laid low by fever, and his deranged first mate is convinced that the ship is haunted by the malignant spirit of a previous captain. This is indeed a work full of "sudden passions," in which Conrad is able to show how the full intensity of existence can be experienced by the man who, in the words of the older Captain Giles, is prepared to "stand up to his bad luck, to his mistakes, to his conscience." A subtle and penetrating analysis of the nature of manhood, The Shadow-Line investigates varieties of masculinity and desire in a subtext that counters the tale's seemingly conventional surface.

[The Pediatric Chemotherapy and Biotherapy Curriculum, Nancy E. Kline, Ed.](#) , 2011, 0966619366, 9780966619362. The Pediatric Chemotherapy and Biotherapy Provider Program is a 2-day course designed to provide nurses with the

knowledge base needed to safely care for children and adolescents receiving chemotherapy or biotherapy. Nurses will learn both the theoretical knowledge and key principles needed to safely, competently, and consistently administer chemotherapy and biotherapy. Nurses who have successfully completed the APHON Pediatric Chemotherapy and Biotherapy Providers program will have been provided with information about the highest standards and practices in pediatric chemotherapy and biotherapy.

[Heaven Ready When He Calls, Tiffany Atkins](#) , 2012, 0983818908, 9780983818908. Know the Lord for yourself. That's just one of the important messages in the blisteringly frank "Heaven Ready When He Calls." The Church has become everything except what God intended it to be. Christians need to rely more on God than anything or anyone else. The Bible lays out standards and rules for people who walk under the banner of Christianity. The Church should go back to trying to get people on the right path to heaven instead of being so concerned about worldly goods. 6) But godliness with contentment is great gain. 7) For we brought nothing into this world, and it is certain we can carry nothing out. 1 Timothy 6:6-7 We can't take these earthly riches with us when the Lord calls us home. Let us do what is meaningful down here on this earth to secure a place in heaven.

[Women Who Run, Shanti Sosienski](#) , 2010, 078675060X, 9780786750603. Women run for all kinds of reasons. We run for health, to ease tension, for strength, to challenge ourselves, to be social with friends, as professional athletes or the dream of being one, to turn our minds on, and to turn them off. Whether running a marathon, taking a quick jog around the neighborhood, or trying to reach the top of Pikes Peak, women of all ages and abilities have discovered running. In *Women Who Run* a wide range of women, including Olympians, marathoners, ultra runners, young track phenoms, and recreational runners, talk about why they run, what drives them, and what continues to spark their interest in the sport. *Women Who Run* features Bobbi Gibb, the first woman to run the Boston Marathon; Louise Cooper, breast cancer survivor and finisher of the grueling 135-mile Badwater Marathon; Kristin Armstrong, who found solace and camaraderie in running with other women post-divorce; Olympic runner and two-time LA Marathon winner and Kenyan Lornah Kiplagat, Wall Street Journal reporter and Muslim women's activist, Asra Nomani; Pam Reed who ran 300-miles in one run and many more. This book will inspire and motivate you to get off the couch and find your inner runner.

[Aaron Brooks: Rise Above, Aaron Brooks, Greg Brown](#) , 2004, 0963465090, 9780963465092. Aaron Brooks New Orleans Saints star quarterback Aaron Brooks takes us on his life journey from starting at The Bottom-the name for his childhood neighborhood in Newport News, Virginia-to being one of the elite 32 NFL quarterbacks. Aaron emphasizes the positive

vision he had about his future and details how he, step by step, achieved his dreams. Aaron's story portrays the true perseverance he had in creating a path up and out of a tough existence. He also reveals that underneath his steadfast exterior burns the heart of a determined winner who lives the motto rise above.

[Ethics Into Action: Henry Spira and the Animal Rights Movement, Peter Singer](#) , 2000, 0847697533, 9780847697533.

Henry Spira is a lifelong activist and founder of the modern animal rights movement. Inspired by the thinking of Peter Singer in the early 1970s, Henry turned Singer's ethical lessons into action, launching campaigns against organisations whose practices caused unnecessary suffering to animals. He has taken on some of the most powerful companies in America, including Revlon, Avon, Perdue, and McDonald's with extraordinary success. His respectful, though forceful, dialogue with these opponents convinces them that they can change their procedures without losing face or profit. This inspiring story of Henry's life and his campaigns proposes that his remarkable successful method of action can be adopted by activists of all kinds.

[It All Started When the Toilet Fell Over, Dessie Pierce](#) , 2004, .

[How to Do Everything and Be Happy: Your Step-By-step, Straight-talking Guide to Creating Happiness in Your Life, Peter Jones](#) , 2013, 0007501935, 9780007501939. Do you ever feel that you could be well just that little bit happier? This simple book reveals how you can be happy every day, through these surprisingly easy tips and advice. Whoever you are, whatever you do, and whatever is holding you back, you can do it AND be happy.
