

Wild West Weekend 2016

- with global goals to sustainable growth?

London • Great Britain

C'mon, grab your travel card and join us on our journey into the urban maze that is London, where throughout the weekend we will be exploring different areas of sustainable development through its three tracks; ecological, economical and social sustainability. So, what are you waiting for, hop on the tube and help us make this ride a good one.

international

building global friendship

junior branch
