2015

HOLA AMIGAS Y AMIGOS DE JB ARGENTINA, BRASIL Y CHILE!

In January we'll have the JB SULR Workshop and we're really excited about it!

JB Sulr is a 16++ workshop developed by JBers from the JB South neighborhood (JB Argentina, Brasil and Chile) and you are more than invited to join us!!!

When and Where?

The workshop will be held in Itu, a small city next to São Paulo from the 25th of January until the 1st of February.

A collage of images showing hands with painted flags of Chile and Brazil. The Chilean flag is painted on a hand in the center, and the Brazilian flag is painted on a hand to the right. The background is a red triangle.

"JB Sulr 2014
was one of the
most gratifying CISV
experiences I've ever had"

Be part of the Content Staff!

We believe JB Sulr to be a place for to grow and learn. That's why for this Workshop, it was agreed for it to be a space from JBers, for JBers and by JBers. The facilitation space will be open to anyone interested, and who believes that has something to add to the discussion.

For this we have created a facilitators form, which the NJRs will see, evaluate and select a group who will contribute with a diverse perspective towards the workshop.

If you are interested in being part of the group of facilitators, please submit this form (<http://goo.gl/1ksbqG>) until the 15th of November.
