Dear Shri Senthilji,

At the outset, I express my gratitude and sincere thanks to you and your team for unstinting support towards implementing CCRT's mission at the grassroot level. The CCRT more or less, met the set & approved targets.

The efforts of your entire team in deputing teachers for participation and responses to CCRT's other requests regarding scholarships, fellowships were really overwhelming.

You are kindly aware the Centre for Cultural Resources and Training (CCRT) is one of the premier institutions in the country working in the field of "Linking Education with Culture". Its main objective is to organize a variety of training programmes for in-service teachers from Primary to Senior Secondary level, teacher educators (including DIET Lecturers) and administrators in order to emphasize the need of integrating Cultural Inputs in Pedagogy.

The participating teachers/teacher educators are made aware of incorporating a cultural component in pre-service and in-service training by using methodologies prepared by the CCRT for cultural orientation and preparation of teaching-learning material under the mandated objectives allotted to CCRT.

The Ministry of Culture, Government of India has entrusted the responsibility to CCRT of organizing training programmes for Teachers/Teacher Educators on Linking Education with Culture, apart from awarding national scholarships, fellowships, art management, cultural mapping (India) and dissemination of culture.

In order to achieve its objectives, the CCRT organises the following training programmes for in-service teachers/teacher educators to help them achieve integrated approach to education and provide methodologies for cultural inputs in Curriculum:

1. Orientation Course for
 - In-service Teachers and
 - Teacher Educators
2. Thematic Workshops on :
 - 'Role of Puppetry in Education'
 - 'Role of Schools in Conservation of the Natural and Cultural Heritage'
 - 'Integrating Craft Skills in School Education' and
 - 'Our Cultural Diversity'

The CCRT has planned to organize the training programmes for the year 2016-17 as per the details given in Annex- I.

Annex-II gives information about the objectives, content and eligibility criteria for deputation of teachers for Training Programmes from in-service school teachers of Government and Government-aided schools and teacher educators working in Teacher Training Institutions/B.ed Colleges and DIETs of your State/UT.

As the workshops on "Our Cultural Diversity" are organized in collaboration with State Education Departments and Zonal Cultural Centres, as and when the dates and venues of these Workshops are finalized with the concerned departments, the same will be uploaded on our website (www.ccrindia.gov.in) and will also be sent to you separately.

I would therefore, request you to get deputed 10 (Ten) in-service school teachers of Government and Government aided schools of your State/UT in each of these Training Programmes as per eligibility criterion. I hope while deputing teachers, preference will be given to female teachers as well as teachers belonging to Schedule Castes/Schedule Tribes/Other Backward Classes. It may kindly be noted that only those teachers who are working on regular basis are eligible to participate in the training programmes of the CCRT. In case, para-teachers or the teachers working on contract-basis are deputed, they may attend the training programme however a letter, alongwith their relieving order from respective schools, with clear assurance of their regular appointment at a later date by the concerned Education Department may be sent for CCRT's record.
