Selling for NPR 5,000

150AH/12V Exide tubular battery and 675 VA Luminous inverter, battery still with one year warranty. We have always been able to run the TV, lights in 6 rooms and 2 plugs on it at the same time (for charging phones, laptops etc.) without any problem

Bought for NPR 28,500  
Selling for NPR 15,000

Table with 6 chairs (the blue ones). Big enough for 6 – 8 people. One small damage (see first photo). Other than that no stains or damages

Bought for NPR 20,000  
Selling for NPR 10,000

Manual 3-in-1 (runner, stepper, twister) treadmill from "Health Track". Electronic display to measure speed, distance, pulse rate, time and calories. On wheels so can be easily moved around and foldable for easy storage. Just over one year old, used for 6 months (did miracles for losing weight in no time thanks to it being manual!). Treadmill oil included

Bought for NPR 21,000  
Selling for NPR 14,000

Pick up in Swoyambhu
