

Time to end the scourge of corruption in India

National Campaign Against Corruption

(<http://www.killcorruption.org>)

Campaign Goals

- Cancel 2G spectrum allocations
- Get our money back (\$37 billion dollars!!)
- Enact laws for future protection
 - Automatic cancellation if corruption is proved
 - Windfall profits tax on natural resources
 - False Claims Act
 - **Independent Anti-Corruption Commission**

Angry and outraged over corruption in India?

Channelize it constructively to achieve tangible institutional changes.

Join others in the campaign against corruption!!
