Fail*	Fail*	N/A direct	Single
Fail*	Fail*	N/A direct	Single
Not tested as no 44 pin interface exists			

* Simply cannot reliably run direct plug-in IDE adapters

¹ Pin 20 removed or not connected

² No connector exists for External Power

³ Pin 20 N/C but powered as 44 pin device

† Initially possible issue, but upon retest OK

‡ adapters on one 60cm cable together as Master/Slave
