## God is on the Move!

Around the world, people's lives are being transformed as they encounter Jesus through Scripture in a language and format they clearly understand. But Bible translation today looks very different than it has in the past. Today, local believers and churches are not only asking for God's Word, they are taking ownership of the work, too. As the global Church has increased vision of and ownership in the work of Bible translation, there has been an unprecedented level of growth and impact.

### Praise!

- For God's faithfulness in bringing his Word to the nations.
- For Mom's gentle passing and the legacy of her faith.
- For you, dear partners in my Wycliffe ministry.

Through Global Partnerships (a multi-organizational collaboration), Wycliffe Bible Translators engaged with almost 500 new languages in 2022. This was a significant increase from the 150 new languages engaged in 2020.

This exponential growth is bigger than any of us. Bible translation cannot be done without God's hand at work in the lives of people joining together through prayer, giving, personnel resourcing and local ownership. Through your prayers and gifts for my Wycliffe ministry, you are a part of what God is doing around the world! Thank you!

### & Prayer

- For wisdom in handling Mom's estate.
- For discernment as I seek my next home in Indy.
- For continued growth as I learn new tasks for my member finance role with Wycliffe.

## Personal Update

I am so grateful for the many faithful prayers and encouragements the Lord provided before and after Mom's passing (Dec 22). God has been gracious to bring the right people to help at exactly the right time for each step of this journey.

To answer questions that seem to be in the minds of many, I plan to stay in Indiana now. Though I loved Florida and the people I know there, my family is here and it is time to be near them. And, with all that I know now, Lord willing, I hope to work until I am 70... and then, I hope to volunteer both with Wycliffe and at Faith Church, as long as I am still helpful and able!

Serving with you,

*Lisa*
