[The Mary Shelley Reader: Containing Frankenstein, Mathilda, Tales and Stories, Essays and Reviews, and Letters, Mary Wollstonecraft Shelley](#) , 1990, 0195062590, 9780195062595. Renewed interest in the life and works of Mary Wollstonecraft Shelley has in recent years generated new biographical studies, complete editions of her letters and short stories and journals, and fresh critical assessments of "Frankenstein" and her other fiction. Until now, however, there has been no anthology of her work. "The Mary Shelley Reader" is a unique collection that fills this gap. In addition to the original and complete 1818 version of her masterpiece "Frankenstein," the book offers a new text of Mary Shelley's novella "Mathilda" - an extraordinary tale of incest, guilt, and atonement that was not published until 1959 and has been out of print since then. Also included are seven of Mary Shelley's Short stories that range from gentle satire to fantastic tales of reanimation, diabolical transformation, and immortality. Eight of her essays and reviews are reprinted here for the first time since their original publication, and eleven representative letters help bring to life a remarkable literary and historical figure - author, daughter of William Godwin and Mary Wollstonecraft, and wife of Percy Bysshe Shelley. An illuminating introduction, a chronology, explanatory notes, and a bibliography make "The Mary Shelley Reader" an indispensable resource for students of English Romantic literature.

[Eccentric Obstinate and Fabulous!: A Memoir from Lyngen, Norway to Palos Verdes, California, Elin Vanderlip](#) , 2008, 0978812824, 9780978812829. A wonderful memoir from Lyngen, Norway to Palos Verdes, California. Elin Vanderlip takes the reader on a fascinating journey through the 20th century, meeting an impressive list of historical characters as she recounts the highlights and hardships of her charmed life.

Unlike many other texts, this READING SKILLS FOR COLLEGE STUDENTS serves as an excellent resource for the rest of students'college careers by providing instruction on reading in six different major content areas. The author has included specific chapters on reading for: Literature, History Psychology Biology Computers and Data Processing Business

[The Beloved Disciple in Conflict?: Revisiting the Gospels of John and Thomas, Ismo Dunderberg](#) , 2006, 0199284962, 9780199284962. Was the Gospel of John written in critical response to the Gospel of Thomas, an early collection of Jesus's sayings? Or was it directed to the Christians among whom Thomas originated? Ismo Dunderberg challenges these views, arguing that the two gospels were written at about the same time but without knowledge of each other. He also offers a thorough discussion of the identity and functions of the enigmatic Beloved Disciple in the Gospel of John, throwing new light on this figure by comparing it to other 'beloved' disciples of Jesus in early Christian literature. This part of Dunderberg's analysis also helps to evaluate the portrayal of Judas in the recently published Gospel of Judas, although this text was not yet available, when this study was completed.

Charla kept her unsettling hatred towards her daughter Amelie a secret for so long, but over time it became harder for her to quench her morbid impulses without raising concerns. One lonely dawn, Charla ...divorced, pained, unhappy... ignited events which invoked a horrible demon to disrupt her twenty-five year old's picture perfect life. She put her terrifying scheme into action ... and the demon began its wave of hell.

[Roderick Random, Tobias George Smollett](#) , 1995, 0140433325, 9780140433326. Roderick Random was published in 1748 to immediate acclaim, and established Smollett among the most popular of eighteenth-century novelists.Narrated by an unheroic, apparently rudderless hero named Random, Smollett's wildly energetic and entertaining novel is held together not least by the narrator's outrage and dismay. Although Roderick Random was first published anonymously, the secret of Smollett's authorship was soon discovered, with the result that many readers thought they recognized

similarities between the life of the hero and that of his creator. Certainly Roderick Random's early years - disinherited and without wealth and influence - and his university career, apprenticeship and service as a naval surgeon, vividly reflect the experiences of the author. How Random learns to survive the fickle hand of fortune, recovers his long-lost father, marries his beloved Narcissa, and dispatches his enemies is the stuff, not of autobiography but of a novel which profoundly satirizes the moral chaos of its times. Dickens and Thackeray, among other great Victorians, applauded Smollett for his wit and invention, and in Roderick Random we enjoy the novel of a pioneer opening up the frontiers of fiction.

[Lady Fortescue Steps Out, M.C. Beaton](#) , 2013, 1472104862, 9781472104861. What do you do if you are of noble stock - but impoverished, and living in London with a certain style to maintain? One has to work... but One's relatives will be appalled when One turns One's hand to trade - and opens a hotel, The Poor Relation, offering employment to others of the same social standing and in the same awkward situation. This is precisely what Mrs Fortescue decides upon and, together with friend Colonel Sandhurst, transforms her decrepit Bond Street home into a posh hotel, offering guests the pleasure of being waited upon by the nobility. So with the help of other down-and-out aristocrats they do just that - and London's newest - and most fashionable! - hotel is born... much to the dismay of the Duke of Rowcester, Lady Fortescue's nephew, who is convinced his aunt's foray into trade will denigrate the illustrious family name!

[Kenya: Policies for Prosperity, Christopher Adam, Paul Collier, Njuguna Ndung'u](#) , 2011, 0199595402, 9780199595402. This is the first volume in a new series Africa: Policies for Prosperity. For the first time in more than a generation, sustained economic growth has been achieved across the continent - despite the downturn in global economic fortunes since 2008 - and in many countries these gains have been realized through policy reforms driven by the decisive leadership of a new generation of economic policymakers. The process of reform is continuous, however, and the

challenge currently facing this new generation is how to harness these favourable gains in macroeconomic stability and turn them into a coherent strategy for sustainable growth and poverty reduction over the coming decades. These challenges are substantial and encompass the broad remit of economic policy. Each volume in this series brings leading scholars into the policy arena to examine these challenges and to lay out, in a rigorous but accessible manner, key challenges and policy options facing policymakers on the continent. This first volume on Kenya explores the challenges facing an economy standing at a crossroads. Kenya has experienced a period of high and sustained growth since the mid 1990s, growth which involved economic transformation away from a heavy reliance on traditional economic activities towards an emerging manufacturing economy. But this process, and the economic and social stability that had come to characterize Kenya, have been severely tested by the post-election violence of 2008. Restoring equitable growth and sustaining the structural transformation of the economy is essential if Kenya is to leave this dark period behind. The chapters in this volume address the key issues that will face economic policy makers in the coming years. They cover the conventional but central question of finance and macroeconomic management, but also much deeper structural issues of trade, employment generation and education; of land policy, migration and urbanization; and the fiscal challenges facing an ageing but increasingly urbanized (and increasingly affluent) society.

[Robert Schumann : Herald of a "New Poetic Age": Herald of a "New Poetic Age", John Daverio Associate Professor of Music and Chairman of the Department of Music History and Literature Boston University](#) , 1997, 0198025211, 9780198025214. Forced by a hand injury to abandon a career as a pianist, Robert Schumann went on to become one of the world's great composers. Among many works, his Spring Symphony (1841), Piano Concerto in A Minor (1841/1845), and the Third, or Rhenish, Symphony (1850) exemplify his infusion of classical forms with intense, personal emotion. His musical influence continues today and has inspired many other famous composers in the century since his death. Indeed Brahms, in a letter of January 1873, wrote: "The remembrance of Schumann is sacred to me. I will always take this noble pure artist as my model." Now, in Robert Schumann: Herald of a "New Poetic Age," John Daverio presents the first comprehensive study of the composer's life and works to appear in nearly a century. Long regarded as a quintessentially romantic figure, Schumann also has been portrayed as a profoundly tragic one: a composer who began his career as a genius and ended it as a mere talent. Daverio takes issue with this Schumann myth, arguing instead that the composer's entire creative life was guided by the desire to imbue music with the intellectual substance of literature. A close analysis of the interdependence among Schumann's activities as reader, diarist, critic, and musician reveals the depth of his literary sensibility. Drawing on documents only recently brought to light, the author also provides a fresh outlook on the relationship between Schumann's mental illness--which brought on an extended sanitarium stay and eventual death in 1856--and his musical creativity. Schumann's character as man and artist thus emerges in all its complexity. The book concludes with an analysis of the late works and a postlude on Schumann's influence on successors from Brahms to Berg.

This well-researched study of Schumann interprets the composer's creative legacy in the context of his life and times, combining nineteenth-century cultural and intellectual history with a fascinating analysis of the works themselves.

[Ararat: In Search of the Mythical Mountain, Frank Westerman](#) , 2010, 0099512785, 9780099512783. A brilliant fusion of travel writing with writing about science and religious scepticism. Mount Ararat in Turkey is where, as biblical tradition has it, Noah's Ark ran aground and God made his covenant with mankind. Now it stands astride the fault-line between religion and science, a geographical, political and cultural crossroads, bound up with the centuries-old history of warfare between different cultures in this region. Frank Westerman takes a pilgrimage from the mountain's foot to its highest slopes, meeting along the way geologists, priests and an expedition in search of the Ark's remains, as well as a Russian astronaut who observes that 'there is something between heaven and earth about which we humans know nothing'. Ararat is a dazzling, highly personal book about science, religion and all that lies between, by one of Europe's most celebrated young writers. From the Hardcover edition.

[The Future of Modern Music: A Philosophical Exploration of Modernist Music in the 20th Century and Beyond, James L. McHard](#) , 2008, 0977819523, 9780977819522. A selective survey of the major pioneering composers of the 20th century, this resource focuses on the development of the new emphases in music creation, including tone color and

density-elements which prior to 1900 had been subordinated in their treatment and given secondary importance compared to melody and harmony. In addition to presenting general biographies and a list of each of the 123 featured composer's most prominent works, this sourcebook examines the philosophies and the aesthetic considerations behind the new techniques involved in these primary treatments of density and timbre. From Claude Debussy, Gustav Mahler, and Karlheinz Stockhausen to Julio Estrada, Luigi Russolo, and Otomo Yoshihide, this review provides a means of understanding and appreciating the music predominant in the repertoires of most major, modern-day orchestras.

[Shortchanged: Why Women Have Less Wealth and What Can Be Done about It, Mariko Lin Chang](#) , 2010, 0195367693, 9780195367690. Women now receive more college degrees than men, and enter the workforce with better job opportunities than ever before. Indeed, the wage gap between men and women has never been smaller. So why does the typical woman have only 36 cents for every dollar of wealth owned by the typical man? How is it that never-married women working full-time have only 16% as much wealth as similarly situated men? And why do single mothers have only 8% of the wealth of single fathers? The first book to focus on the differences in wealth between women and men, Shortchanged is a compelling and accessible examination of why women struggle to accumulate assets, who has what, and why it matters. Mariko Lin Chang draws on the most comprehensive national data on wealth and on in-depth interviews to show how differences in earnings, in saving and investing, and, most important, the demands of care-giving all contribute to the gender-wealth gap. She argues that the current focus on equal pay and family-friendly workplace policies, although important, will not ultimately change or eliminate wealth inequalities. What Chang calls the "wealth escalator"--comprised of fringe benefits, the tax code, and government benefits--and the "debt anchor" must be the targets of policies aimed at strengthening women's financial resources. Chang proposes a number of practical suggestions to address the unequal burdens and consequences of care-giving, so that women who work just as hard as men will not be left standing in financial quicksand. A comprehensive portrait of where women and men stand with respect to wealth, Shortchanged not only sheds light on why women lack wealth, but also offers solutions for improving the financial situation of women, men, and families.

[Social Justice and Social Work: Oxford Bibliographies Online Research Guide, Oxford University Press](#) , 2010, 0199802661, 9780199802661. This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations

about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related. A reader will discover, for instance, the most reliable introductions and overviews to the topic, and the most important publications on various areas of scholarly interest within this topic. In social work, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Social Work, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.aboutobo.com.

[Beginner's Guide to Crewel Embroidery, Jane Rainbow](#) , 1999, 085532869X, 9780855328696. Starting with just four of these stitches, this guide clearly demonstrates, with detailed step-by-step photographs, how to work up a complete project. Instructions follow on showing how to stretch and mount your first embroidery. Using further projects she helps you build up skills, introducing new stitches in each section. Line drawings accompany each design and are used as a guide for the stitches. The designs and colors used are traditional - reminiscent of the embroidery worked by embroiderers during the Tudor period, wonderful floral pictures worked in wool and soft colors. The book is a comprehensive introduction to this lovely technique and at the same time it offers embroiderers practical help with presentation and finishing.

[Blacked Out: Government Secrecy in the Information Age, Alasdair Roberts](#) , 2006, 1139448927, 9781139448925. Nearly forty years ago the US Congress passed the landmark Freedom of Information Act (FOIA) giving the public the right to government documents. This 'right to know' has been used over the past decades to challenge overreaching Presidents and secretive government agencies. The example of transparency in government has served as an example to nations around the world spawning similar statutes in fifty-nine countries. This 2006 book examines the evolution of the move toward openness in government. It looks at how technology has aided the disclosure and dissemination of information. The author tackles the question of whether the drive for transparency has stemmed the desire for government secrecy and discusses how many governments ignore or frustrate the legal requirements for the release of key documents. Blacked Out is an important contribution during a time where profound changes in the structure of government are changing access to government documents.

[A Companion to the Works of Arthur Schnitzler, Dagmar C. G. Lorenz](#) , 2003, 1571132139, 9781571132130. This volume of specially commissioned essays takes a fresh look at the Viennese Jewish dramatist and prose writer Arthur Schnitzler. Fascinatingly, Schnitzler's productive years spanned the final phase of the Habsburg monarchy, World War I, the First Austrian Republic, and the rise of National Socialism, and he realized earlier than many of his contemporaries the threat that racist anti-Semitism posed to the then almost complete assimilation of Austrian Jews. His writings also reflect the irresolvable conflict between emerging feminism and the relentless "scientific" discourse of misogyny, and he chronicles the collapse of traditional social structures at the end of the Habsburg monarchy and the struggles of the newly founded republic. In the 1950s Schnitzler's powerful literary record assumed model character for Viennese Jewish intellectuals born after the Shoah, and his portrayal of gender relations and role expectations and casual sex are received with the same fascination today as they were by the audiences of his own time. Schnitzler remains a major figure in contemporary European culture, as his works are still widely read, performed, and adapted -- witness Stanley Kubrick's adaptation of Schnitzler's Traumnovelle as the 1999 film *Eyes Wide Shut*. In this volume a team of international scholars explores Schnitzler's dramas and prose works from contemporary critical vantage points, but within the context of Austria's multicultural society at a time of unprecedented change. Contributors: Gerd Schneider, Evelyn Deutsch-Schreiner, Elizabeth Loentz, Iris Bruce, Felix Tweraser, Elizabeth Ametsbichler, Hillary Hope Herzog, Katherine Arens, John Neubauer, Imke Meyer, Susan C. Anderson, Eva Kuttenberg, and Matthias Konzett. Dagmar C. G. Lorenz is professor of German at the University of Illinois-Chicago.

[Critical Theory in the Twenty-First Century, Darrow Schecter](#) , 2013, 1441128956, 9781441128959. Critical Theory in the Twenty-First Century provides a thorough overview of critical theory, looking at its history and shortfalls. First, the book explains the developments from the Frankfurt School and from more recent schools of thought, including Derrida, Deleuze, deconstruction, and post-structuralism. Then it looks at how critical theory has not kept pace with the changes and conflicts brought on by the post-Cold War world and globalization and how its deficits can be addressed. For the author, more than ever critical theory needs to synthesize theoretical perspective and empirical research. It also needs to be reconfigured in the light of the demands of new social movements, post-colonialism, and globalization. This volume is part of Critical Theory and Contemporary Society, a series that uses critical theory to explore contemporary society as a complex phenomenon and includes works on democracy, social movements, and terrorism. A unique resource, Critical Theory in the Twenty First Century will interest anyone researching issues in political theory, international relations theory, social theory, and critical theory.

[A Proper Place for Boogers, Ucal P. Finley](#) , 2011, 0983430705, 9780983430704. In the colorful rhyming spirit of Dr. Seuss, with a twist of reality, A Proper Place for Boogers teaches young children how to properly dispose of "nose mucus." This charming and yet educational story was inspired by a high school student who was so engrossed while digging in his nose and rubbing his boogers on his sweatshirt, he had no idea he was being watched. The disgusting act prompted the writing on this funny rhyming book, complete with colorful multicultural illustrations by renowned artist Brenda Stroud. A Proper Place for Boogers is sure to teach the importance of cleanliness and how to prevent germs from spreading. The story follows Jamie's experience in class with a cold. Although her mother tells her to stay home from school, Jamie insists that she must attend. Upon digging in her nose and pulling out a "huge booger," the children in class have an explosive experience that is only extinguished by the lesson the teacher creates out of the incident.

[The Punishment of Virtue: Inside Afghanistan After the Taliban, Sarah Chayes](#) , 2006, 0702235881, 9780702235887. An eyewitness account of the return to warlordism in Afghanistan after the TalibanSarah Chayes was an overseas correspondent for America's National Public Radio network (NPR) when war broke out in Afghanistan in 2001. Reporting from the Taliban's home base of Kandahar, Chayes gained access to leading members of the Taliban, Afghan politicians and warlords, US military and diplomatic troops. She saw the US government and armed forces unwittingly aiding the return to power of corrupt warlords, as well as the re-infiltration of bands of Taliban forces supported by US ally Pakistan. The Punishment of Virtue is not just a book about the Afghan conflict. It's an illuminating look at what happens when superpowers impose their might on countries they do not understand, without proper plans or knowledge of how to deal with post-conflict situations. Afghanistan, Kosovo, Iraq - we see it happen time and time again.

Explores how our brains learnt to read. This work presents a discussion ranging from the history of the earliest known examples of written language, to whether reading online really is making us 'stupider', and why dyslexia can be a gift.

[Basic English for Computing, Volume 2, , Eric Hunter Glendinning, John McEwan](#) , 2003, 0194574717, 9780194574716.

Basic English for Computing is intended for both students of computing and those working in the computing sector. It is suitable for learners at elementary to pre-intermediate level who need to upgrade their knowledge of English in a professional context. It is designed for use in universities, colleges, and technical schools, and on in-company training programmes. This edition has been carefully revised to take account of recent developments in this fast-moving sector, and ensure that the material is up to date. Authentic texts, visuals, tasks, and listening scripts have been upgraded where appropriate to reflect changes in such areas as technical specifications, new technologies, and working practices.

The glossary has also been updated. The Teacher's Book contains unit-by-unit teaching notes, including a technical introduction to each topic, answer key, and listening script.

[High Price: A Neuroscientist's Journey of Self-Discovery That Challenges Everything You Know About Drugs and Society, Carl Hart](#) , 2013, 0062198939, 9780062198938. A pioneering neuroscientist shares his story of growing up in one of Miami's toughest neighborhoods and how it led him to his groundbreaking work in drug addiction. As a youth, Carl Hart didn't realize the value of school; he studied just enough to stay on the basketball team. At the same time, he was immersed in street life. Today he is a cutting-edge neuroscientistColumbia University's first tenured African American professor in the scienceswhose landmark, controversial research is redefining our understanding of addiction. In this provocative and eye-opening memoir, he recalls his journey of self-discovery and weaves his past and present. Hart goes beyond the hype of the antidrug movement as he examines the relationship among drugs, pleasure, choice, and motivation, both in the brain and in society. His findings shed new light on common ideas about race, poverty, and drugs, and explain why current policies are failing. Though Hart escaped neighborhoods that were dominated by

entrenched poverty and the knot of problems associated with it, he has not turned his back on his roots. Determined to make a difference, he tirelessly applies his scientific research to help save real lives. But balancing his former street life with his achievements today has not been easya struggle he reflects on publicly for the first time.A powerful story of hope and change, of a scientist who has dedicated his life to helping others, High Price will alter the way we think about poverty, race, and addictionand how we can effect change.

[Anxiety Disorders: Psychological Approaches to Theory and Treatment, Michelle Genevieve Craske](#) , 1999, 0813332508, 9780813332505. Anxiety Disorders: Psychological Approaches to Their Theory and Treatment is a distinctive textbook combining theoretical research developments with a discussion of the nature and treatment of anxiety disorders. Designed for advanced undergraduate and graduate courses, as well as for mental health professionals, the book

presents psychological approaches to the conceptualization and treatment of adult anxiety disorders. Emphasizing theoretical and research developments in the areas of cognitive psychology, neuroscience, learning theory, and clinical psychology, Michelle G. Craske provides a cohesive presentation of issues that have a direct treatment application. Anxiety disorders discussed include: panic disorder and agoraphobia, social phobia, specific phobias, generalized anxiety disorder, and obsessive compulsive disorder. The first half of the book covers clinical and diagnostic presentation, etiological models, empirically supported treatment approaches, mechanisms of therapeutic change, methods for enhancing treatment effectiveness and efficiency, and integration of psychological and pharmacological treatment approaches. Recent theoretical and research developments are related to each topic. The second half of the book covers each anxiety disorder in detail, including conceptualization, treatment outcome data, application of research developments, and areas in need of further research. In addition, a detailed analysis of the most effective treatment is included for each anxiety disorder. A thorough list of references and resources appears at the end of the book. Thanks to its coverage of theoretical and empirical issues as well as treatment methods, *Anxiety Disorders and Their Treatment* is sure to be of relevance to researchers and mental health professionals as well as students.

[Jam & the Box, Robert B. Wyatt](#) , 2009, 0982502702, 9780982502709. Veteran book editor Robert B. Wyatt in his first novel delivers a story about books, computers, cats, and friendships in upstate New York. Jamison "Jam" James, a bookstore owner discovers a carton containing a MacBook left behind after the death of his wife, Bay. At first reluctant to deal with the computer, he ceremoniously opens the box at the insistence of the Macs, a circle of his wife's friends

devoted to Macintosh technologies. The opening of the box heralds a new life for the grieving bookseller as the motley Macs—a radio announcer, a musician, a writer, two students, and a businessman—share their knowledge of Jam's late wife, a charismatic village do-gooder who has concealed her past. Jam's increasing curiosity is piqued when Rosa, a glamorous stranger, comes to town in hopes of writing an article about Bay. Jam's life is beset by complications provoked by the Macs, Rosa, and other friends from Bay's past, as well as a couple of over-sensitive cats, who harbor additional secrets. As old memories merge with discoveries, Jam's quiet attraction to the young woman provides an unexpected understanding of his wife's amazing hidden life, bringing him back around to happiness. [Success in Small and Medium-Scale Enterprises: The Evidence from Colombia, Mariluz Cortes, R. Albert Berry, Ashfaq Ishaq](#) , 1987, 0195205936, 9780195205930. Contrary to expectations, small- and medium-scale manufacturing enterprises in Colombia grew very fast during the 1970s—considerably faster than large industry—creating many jobs and aiding the country's economic health. The most detailed study to date of this growth, this book focuses on the metalworking and food processing industries to analyze the determinants of economic efficiency in small- and medium-scale firms, the extensive technological change that took place within them, and the nature of the entrepreneurs who directed them. The authors draw from the Colombian experience relevant lessons for other developing countries where such enterprises could also contribute to economic growth.

[10 Principles for Studying Your Bible, Charles F. Stanley](#) , 2008, 1418536792, 9781418536794. What would you give to have true contentment, joy without end, and lasting peace? Most of us would say, Anything! especially when we are dealing with the stormy pressures of life. In 10 Principles for Studying Your Bible, Dr. Charles Stanley provides practical insight into Gods word by walking you through the highlights of his own personal Bible study. He explains, You dont have to go through life wondering if the next storm will be the one that washes your life out to sea. God has an answer for your greatest need, but it is only found in the study of His Word. God tells us that if we seek Him, we will find Him, writes Dr. Stanley. And when we uncover His truth, we gain clear direction for our lives and circumstances. Those who begin this journey into understanding the Bible quickly realize His Word is a doorway to divine principles and lifes greatest blessings.

[Spirituality and the Healthy Mind : Science, Therapy, and the Need for Personal Meaning: Science, Therapy, and the Need for Personal Meaning, Division of Alcoholism and Drug Abuse New York University Medical Center Marc Galanter M.D. Professor of Psychiatry and Director](#) , 2005, 0198039247, 9780198039242. Spirituality has emerged as a prominent theme in contemporary culture. It is seen in issues as diverse as Eastern philosophies and religious awakenings; its psychological impact is apparent in alternative medicine, Alcoholics Anonymous, and meditation. In their own ways, each of these has helped people get relief from the problems psychiatrists often treat. But the mental health profession has generally ignored these isues, focusing on specific target symptoms, from anxiety to heavy drinking. Their efforts rely increasingy on medications and brief therapies as they succumb to the chilling influence of managed care. This raises an important question: Can the spiritual and professional, two perspectives that seem different, be reconciled? This book is designed to provide an answer to this question. It draws on recent findings in psychology, neuroscience, and innovative therapies to understand how people in America and worldwide express their spiritual needs. It then shows how the mentally ill, substance abusers, and people troubled by a sense that something is missing in their lives can be helped by developing a sense of personal meaning, while still benefitting from contemporary therapy and medications. Finally, it examines shortcomings in both the biomedical and spiritually-oriented approaches. The book draws on clinical experience and recent research studies, including the author's work over thirty years. This is enhanced by case studies drawn from patients, mental health professionals, the lay public, and even cult members. All this is brought together to create a vivid understanding of how mental health treatment can be made more effective by giving meaning to people's lives.

[Mama Mortality Corridos: Poems and Drawings, Lisa Samuels, Tara McLeod](#) , 2010, 0986461814, 9780986461811. "Lisa Samuels writes: Spanish, drawings, and dislocated English come together in this book's poetic experiments with writing death, that 'global language I can't speak.' The poems of Mama Mortality Corridos dwell in the realm of error that seems to characterize the relation of death to the human consciousness, 'dense and fell y verdaderamente / o.k. her straight

and bones made / strong and well ...' In its lyrics and fragments, moments and aftermaths, allusions and adornos, Mama Mortality Corridos slides 'acidly through troth.' Lisa Samuels' books include: Tomorrowland, Shearsman (UK), 2009, Throe, Oystercatcher (UK), 2009, The Invention of Culture, Shearsman, 2008, Increment (a family romance), Bronze Skull Press (USA), 2006, Paradise for Everyone, Shearsman, 2005. Mama Mortality Corridos is her first New Zealand book"--Website of Holloway Press.

[Essence of Wisdom for Parents, Ted LaFemina](#) , 2012, 0985010215, 9780985010218. "Essence of Wisdom for Parents" is the perfect book for parents and expecting parents that have a strong desire to be great parents to their young children. This book provides an eclectic collection of both modern and ancient wisdom that every parent needs to know to be that great parent - in a lighthearted, simple to read format. Raising a child in today's world is both a joy and a serious endeavor. "Essence of Wisdom for Parents" will help prepare and support you well in this great adventure.

[Literature, Cinema and Politics 1930-1945: Reading Between the Frames, Lara Feigel](#) , 2010, 074864265X, 9780748642656. This book tells the story of a generation of writers who were passionately engaged with politics and with cinema, exploring the rise and fall of a distinct tradition of cinematic literature. Dismayed by the rise of fascism in Europe and by the widening gulf separating the classes at home, these writers turned to cinema as a popular and hard-hitting art form. Lara Feigel crosses boundaries between high modernism and social realism and between 'high' and 'popular' culture, bringing together Virginia Woolf with W.H. Auden, Elizabeth Bowen with John Sommerfield, Sergei Eisenstein with Gracie Fields. The book ends in the Second World War, an era when the bombs and searchlights rendered everyday life cinematic. Feigel interrogates the genres she maps, drawing on cultural theories from the 1920s onwards to investigate the nature of the cinematic and the literary. While it was not possible directly to transfer the techniques of the screen to the page any more than it was possible to 'go over' to the working classes, the attempts nonetheless reveal a fascinating intersection of the visual and the verbal, the political and the aesthetic. In reading between the frames of an unexplored literary tradition, this book redefines 1930s and wartime literature and politics. Key Features * Offers new interpretations of well-known texts and writers such as W.H. Auden, Elizabeth Bowen, Christopher Isherwood, Louis MacNeice, George Orwell and Virginia Woolf * Offers substantial readings of less well-known writers including working-class writers John Sommerfield and James Barke * Offers a new perspective on Spanish Civil War and Second World War writing

[Unfed, Kirsty McKay](#) , 2013, 0545536758, 9780545536752. Fresh meat! From a hospital of horrors to a runaway zombie train, it's an all-new onslaught of the slavering undead in the sequel to Kirsty McKay's killer debut! Just when you think you're out...it's the morning after the night of the return of the living dead. Or something like that. After running/bus-driving/snowboarding for her life alongside rebel Smitty, geeky Pete, and popular Alice, Bobby thought she'd found the antidote to the Carrot Man Veggie Juice that had turned the rest of their classmates into zombies. When Smitty (mmm...nom, nom) got chomped, Bobby pumped a syringe full of it into him herself. But now Bobby's a prisoner in some hospital of horrors, with no clue how she got there. And Smitty is missing. What if he isn't cured after all? Bobby knows she's got to find him, even if it means facing Scotland's hungry hordes -- plus Alice's buckets of snark -- again. And this time, zombies aren't the only evil stressing her out. The brain-dead are bad enough, but how can Bobby stop the big pharma business behind the epidemic? Especially when her own mom works for the company?

[Concise Herbal Handbook: A Quick Reference to Constituents, Properties, Uses, Dosages, and Cautions of Over 800 Herbs, Spices, Essential Oils, Lipids, Etc, Gazmend Skenderi](#) , 2007, . The second edition, revised and enlarged, includes also dosages. It is intended to serve as a quick-reference for professionals and lay people interested in properties, uses, dosages, cautions (contraindications, side effects, possible interactions with drugs), and active constituents of Botanicals (herbs, spices, essential oils, resins, balsams, fixed oils, fats, gums, etc.) used worldwide in Food, Pharmaceutical and Cosmetic Industries, and Family Practice. Botanicals are grouped into concise Monographs listed alphabetically based on the Common Names of plant sources. In the Therapeutic Checklist, at the end of the book, Botanicals are grouped according to the organ systems and disorders, and Various Effects and Uses. It also includes Glossaries of Medical and

Chemical Terms, References, and the Index (Monographs, Common Names, Latin Botanical Names, Disorders and Various Effects and Uses). "Drawing on 30 years as a pharmacognosist and phytopharmacist, the author has a knack for emphasizing reliable research, practical uses and pertinent contraindications." "It should be announced to be a standard literature for our industry, the retailer and alternative health professionals." "A quick reference of great value to phytotherapists, physicians, nurses, students of biomedical sciences, and lay people interested in knowing the principal therapeutic uses of plants from diverse origins around the world." "It describes up-to-date and accurate details on plant chemistry, the most important actions and uses, and reasoned judgments on safety consideration." "A practical and extremely useful guide that Herbalists, Physicians, Pharmacists, and Pharmacognosists and researchers need on a nearby shelf."

[Searching for the Beaumont Children: Australia's Most Famous Unsolved Mystery, Alan J. Whiticker](#) , 2011, 174031106X, 9781740311069. On Wednesday, 26 January 1966 "Australia Day" the three Beaumont children left their home in the Adelaide suburb of Somerton Park for a morning at the beach. By the end of the day, the worst fears of every Australian parent were realised when Jane, aged 9, her sister Arnna, 7, and their four-year-old brother, Grant, did not return home. The "Beaumont Children Case" remains Australia's most famous unsolved mystery. The unknown fate of the three siblings has become an integral part of Australia's urban mythology. More than any other crime, the disappearance of the Beaumont children has become one of the defining events in the history of this country.

[American moderns on paper: masterworks from the Wadsworth Atheneum Museum of Art, Elizabeth Mankin Kornhauser, Erin Monroe, Carol Troyen, Amon Carter Museum of Western Art, Wadsworth Atheneum Museum of Art, Portland Museum of Art](#) , 2010, 0300151667, 9780300151664. American Moderns on Paper presents a selection of approximately 100 of the finest watercolors, pastels, and drawings by leading American modernists from the Wadsworth Atheneums renowned collection of American art. Works by Sloan, O'Keeffe, Hopper, Marin, Dalí, and Wyeth, among many others, serve as notable examples of the various styles and subjects pursued by artists in America from 1910 to 1960. The catalogue entries are accompanied by artist biographies. Organized chronologically, and generously illustrated throughout,

the catalogue is introduced by two essays exploring the historical significance of the collection and the importance to American modernists of working on paper, rather than canvas. Providing a rich history of the collection, the volume illuminates not only its historic roots, but also the concurrent national evolution of interest in watercolor and drawings.

[Reading Boyishly: Roland Barthes, J. M. Barrie, Jacques Henri Lartigue, Marcel Proust, and D. W. Winnicott, Carol Mavor](#) , 2008, 0822339625, 9780822339625. DIVAn intricate text filled to the brim with connotations of desire, home, and childhoodnests, food, beds, birds, fairies, bits of string, ribbon, goodnight kisses, appetites sated and deniedReading Boyishly is a story of mothers and sons, loss and longing, writing and photography. In this homage to four boyish men and one boyJ. M. Barrie, Roland Barthes, Marcel Proust, D. W. Winnicott, and the young photographer Jacques Henri LartigueCarol Mavor embraces what some have anxiously labeled an over-attachment to the mother. Here, the maternal is a cord (unsevered) to the night-light of boyish reading.To read boyishly is to covet the mothers body as a home both lost and never lost, to desire her as only a son can, as only a body that longs for, but will never become Mother, can. Nostalgia (from the Greek nostos = return to native land, and algos = suffering or grief) is at the heart of the labor of boyish reading, which suffers in its love affair with the mother. The writers and the photographer that Mavor lovingly considers are boyish readers par excellence: Barrie, creator of Peter Pan, the boy who refused to grow up; Barthes, the professor of desire who lived with or near his mother until her death; Proust, the modernist master of nostalgia; Winnicott, therapist to good enough mothers; and Lartigue, the child photographer whose images invoke ghostlike memories of a past that is at once comforting and painful.Drawing attention to the interplay between writing and vision, Reading Boyishly is stuffed full with more than 200 images. At once delicate and powerful, the book is a meditation on the threads that unite mothers and sons and on the writers and artists who create from those threads art that captures an irretrievable past./div

[Bluewater Seven South from Alaska, Donald McLain, Ray, Donald Ray McLain](#) , 2005, 0977677516, 9780977677511. From the physical trials of the Alaskan winter, to the political turbulence of sunny California . Non-stop action as Jeff McDonald leads his crew of men in an epic fight to move an offshore drilling rig in the dead of an Alaskan winter, they will battle

the worst nature and man can throw at them as thirty-foot tides and savage currents fight their every move. Snow and ice show no mercy to the crew struggling to move the rig down Cook Inlet to its rendezvous with the heavy lift ship, Swordfish. Rogue fishermen and barroom brawls add to the challenges faced by Jeff and his men. Ferocious storms hammer the Swordfish's harrowing crossing of the Gulf of Alaska, and at times it seems all is lost as the crew fights to save the rig. They arrive in the placid waters of California only to face a different type of danger. All the while Scott Parker, an inexperienced shipping agent overseeing the loading of Blue Water Seven onto the Swordfish, faces his own trials as his quest for adventure lands him in more trouble than he counted on. The woman of his dreams leaves him not only heartbroken but broke as well. After a late night encounter with an irate fisherman, Scott is counting the days until he's back in California. Enter into the day to day life of offshore oilfield workers as they brave the cold and place their lives on the line to provide the fuel that's needed to sustain America's way of life.

[Good things for organizing, Martha Stewart Living Magazine, Martha Stewart](#) , 2001, 0609805940, 9780609805947. Who wouldn't like their living space to be more organized? Tapping into the popularity of the "Good Things" column in Martha Stewart Living, Good Things for Organizing provides practical, efficient, and pretty solutions for organizing just about everything, from spools of thread and the silverware drawer to your entire wardrobe and home office. It is a law of nature: stuff accumulates. Good Things for Organizing shows how to live with stuff comfortably and creatively. In chapters organized room by room, Good Things for Organizing offers a wide range of ingenious ways to tame the clutter, from the basement to the garden shed. With sections such as "Cleamng Up the Countertop" in the kitchen chapter, "Linen Closet 10" in the closet chapter, and "Organizing Correspondence" in the home office chapter, the editors of Martha Stewart Living have tested all of the possibilities and have created perfect solutions to the most frustrating organizing problems. Included are projects for every level of commitment, from tidying the junk drawer to building the right shelves to display a beloved collection.

[Before European hegemony: the world system A.D. 1250-1350, Parts 1250-1350, Janet L. Abu-Lughod](#) , 1989, 0195058860, 9780195058864. By the end of the thirteenth century the regions of Europe, the Middle East, the Indian Ocean area, and China were becoming integrated--through activities in an archipelago of cities located along major land and sea routes--into a world system of commerce and production, albeit one in which Europe still played a minor role. This book traces the formation of the system and explores how the Black Death, circa 1350, and the subsequent isolation

of China under the Ming dynasty interrupted its further development. Abu-Lughod argues that demographic, geographic, and political factors, rather than any unique qualities of Western capitalism or "personality," account for the eventual triumph of "the West" during the ensuing period of six hundred years, and suggests that current transformations in the world system may signal the end of this aberrant phase of world history.

Claudia, who pays more attention to her art than her grades, feels she can't compete with her perfect sister. Janine studies nonstop, makes straight As, and even takes college-level courses. The girls are nothing alike, and they can't agree on anything. While Janine devotes all her time to working on her Web site, The Baby-sitters Club is busy with their new summer play group. But when something terrible happens to their grandmother, Mimi, the two sisters discover they're more alike than they originally thought.

[Alone with Someone: Connecting Verses for Inspiration, John E. Murray, III](#) , 2008, 0979445116, 9780979445118. Bill, a self-contained, romantic poet, becomes engulfed within the placidity of music. He finally finds hope for inspiration in a little more than a Melody. Feelings grow strong and so do little voices as Bill tries to engage in more than just writing about romance. He thinks that Melody may be the one inspiration that connects him to his soulmate but, does he truly feel this is true, or will his inner reflection, that little voice, silence the symphonies and cause him to be alone, with someone. Listen within as Bill tries to answer the questions we all face: How much do we question; How much do we debate; How long do we wait, Before our hearts Stop making memories Of our true soulmate.

Pamela Slim, a former corporate training manager, left her office job twelve years ago to go solo and has enjoyed every bit of it. In her groundbreaking book, based on her popular blog Escape from Cubicle Nation, Slim explores both the emotional issues of leaving the corporate world and the nuts and bolts of launching a business. Drawing on her own career, as well as stories from her coaching clients and blog readers, Slim will help readers weigh their options, and make a successful escape if they decide to go for it.

[The New Winter Soldiers: GI and Veteran Dissent During the Vietnam Era, Richard Moser](#) , 1996, 0813522420,

9780813522425. Richard Moser uses interviews and personal stories of Vietnam veterans to offer a fundamentally new interpretation of the Vietnam War and the antiwar movement. Although the Vietnam War was the most important conflict of recent American history, its decisive battle was not fought in the jungles of Vietnam, or even in the streets of the United States, but rather in the hearts and minds of American soldiers. To a degree unprecedented in American history, soldiers and veterans acted to oppose the very war they waged. Tens of thousands of soldiers and veterans engaged in desperate conflicts with their superiors and opposed the war through peaceful protest, creating a mass movement of dissident organizations and underground newspapers. Moser shows how the antiwar soldiers lived out the long tradition of the citizen soldier first created in the American Revolution and Civil War. Unlike those great upheavals of the past, the Vietnam War offered no way to fulfill the citizen-soldier's struggle for freedom and justice. Rather than abandoning such ideals, however, tens of thousands abandoned the war effort and instead fulfilled their heroic expectations in the movements for peace and justice. According to Moser, this transformation of warriors into peacemakers is the most important recent development of our military culture. The struggle for peace took these new winter soldiers into America rather than away from it. Collectively these men and women discovered the continuing potential of American culture to advance the values of freedom, equality, and justice on which the nation was founded.

[Justice: Book One of the Galilee Falls Trilogy, Jennifer Harlow](#) , 2013, 0989394417, 9780989394413. It's hard being a regular police officer in Galilee Falls, a city with the highest concentration of superheroes and villains in the country. It's even harder watching your best friend, the man you're secretly in love with your whole life, planning to marry another woman. Detective Joanna Fallon has to contend with both. When the vilest supervillain in the city's history, Alkaline, the former crime boss who can shoot acid from his wrists, escapes from the maximum security prison, the whole city is gripped by panic. Leading the pursuit is Captain Harry O'Hara, Joanna's boss and secret lover, and the city's champion superhero Justice, who caught the villain last time, much to Joanna's chagrin. Before her father was murdered in a mugging twenty years earlier, Joanna worshiped the hero, but when he disappeared and failed to save her father, that adoration turned to contempt for all supers. After Alkaline attacks too close to home and targets Joanna as his next victim, tough-as-nail Joanna has to contend with her increasing fear while struggling to choose between her life-long crush and her new-found love. At turns vulnerable and fierce, equally mordant and winsome, Joanna is an earnest yet emotionally damaged heroine, who despite the tough breaks of her childhood sees the good in people and vow to protect her beloved city at all costs. An ass-kicking petite firecracker with no superpowers of her own, she charges after supervillains unflinchingly, never losing her wit even when facing her toughest fight. With a coy blend of whimsy and

vivid imagination, she delivers both humor and thrills in an action-packed and edgy blend of comic book cool, fantasy-noir, and bitter-sweet romance.

[House of Horrors: The Shocking True Story of Anthony Sowell, the Cleveland Strangler, Robert Sberna](#) , 2012, 0985247827, 9780985247829. House of Horrorsexposes the perverse world of Anthony Sowell, a sexual sadist who murdered 11 women on Cleveland's East Side. To his neighbors, Sowell was a quiet and helpful former Marine who played chess and hosted summer barbeques in his front yard. But there was a dark side to Sowell - and a horrific secret inside his house. From 2007-2009, Sowell lured homeless and drug-addicted women to his home. He raped, tortured and strangled them -- and then lived amongst their corpses. Numerous other women were attacked, but escaped death. Sowell's gruesome killing spree shocked the nation and revealed the tragic plight of his victims. Cleveland journalist Robert Sberna brings readers into the mind of the killer through the firsthand accounts of his survivors -- and also through several interviews with Sowell. Sowell's murderous frenzy ended on Oct. 29, 2009 when a SWAT team entered his house to arrest him on a sex charge. They discovered the nightmare within, leading the nation to ask "why did this happen?"

[Treating Attachment Abuse: A Compassionate Approach, Steven Stosny](#) , 1995, 082618961X, 9780826189615.

Attachment abuse can involve both physical and emotional violence between people in close relationships, which includes couples, parents and their children, and adult children and their aging parents, among others. Attachment abusers blame their victims for their own feelings of shame, inadequacy, or inability to love. Dr. Stosny's innovative and integrative approach to the treatment of attachment abuse emphasizes the importance of compassion for both the abused and the abuser. This hands-on manual provides a series of treatment modules designed to teach the perpetrators and the victims how to cope with their feelings and to end attachment abuse. This volume will be of interest to psychotherapists, group therapists, social workers, and counselors working with abusive clients and their victims.

[Mastering Leptin: The Leptin Diet : Solving Obesity and Preventing Disease!, Byron J. Richards, Byron Richards](#) , 2004, 0972712119, 9780972712118. Mastering Leptin contains exciting health advancements in solving obesity and weight

problems, fatigue and low energy, low thyroid function, hypothyroidism, stress eating and food cravings, hormonal imbalance, menopausal weight gain, accelerated aging, fibromyalgia. More than a diet book, Mastering Leptin includes lifestyle solutions that will help individuals lose weight, increase energy, and reduce risk for disease.

[The Art of Storytelling: Easy Steps to Presenting an Unforgettable Story, John D. Walsh](#) , 2003, 1575674920, 9781575674926. Whether speaking in front of a small gathering or a large congregation, public speaking strikes fear into the heart of the bravest person. Plagued by stuttering and resultant school problems, John Walsh still found himself called to be a preacher. He has written The Art of Storytelling to encourage and teach anyone with a fear of public speaking how to speak successfully, confidently, and compellingly. This book is especially relevant for anyone preparing any form of weekly Bible teaching.

[Chapter Wise Solutions Of Mh-Cet Medical Entrance Examination \(5th Edition\), Panel Of Experts](#) , 2009, 0100004385, 9780100004382. Chapter-Wise Solutions of MH-CET MEDICAL ENTRANCE EXAMINATION These Chapter-wise Solutions books are designed to assist and equip the students with the right kind of study material for MH-CET MEDICAL ENTRANCE EXAMINATION. One can't grasp the subject only at coachings / tuitions, so just after learning a topic in the class a student can prepare the same topic through these books. The Chapter-wise presentation of these very important questions will enable a student to prepare each topic thoroughly and deeply. Moreover, these books will prove highly beneficial for the students studying independently to provide relief from burdensome task of making notes. Now, just plan out your studies with Oswaal series of reference books presto and reach for the maximum results. Salient Features of the Book Questions from Last Previous Years solved papers Chapters are strictly according to latest syllabus. Includes all possible types of questions in each chapter. These books have been formulated by high profile academics specializing in various disciplines who have endeavored to bring success at your every doorstep, year after year. The unique feature of this book is that a last Previous years solved papers have been collectively given for every chapter. Other relevant questions have been framed in such a manner that the content of the chapter is completely covered in them.

[Becoming Fine: An Adult Daughter's Tale of Climate Change, Delia Bradshaw](#) , 2003, 0975040103, 9780975040102. Autobiographical account of a daughter's relationship with her mother. Through the entries in her personal diary, the author traces the many confrontations and battles of will with her elderly mother during the final decade of her life. Demonstrates the need for compromise, reconciliation and forgiveness in all mother-daughter relationships. Melbourne author has written several professional education books. This is her first personal work.

[The Cult of the Black Virgin, Ean Begg](#) , 2006, 1888602392, 9781888602395. There are many icons of Mary that show black faces and hands. In France, these are called Vierge Noires-Black Virgins. Elsewhere, may be called Black Madonnas or the "other Mary." Jung called her Isis, while others claim she is the symbolic remains of a prehistoric worship of the Earth Mother. She is generally connected with Cybele, Diana, Isis, and Venus, as well as with Kali, Inanna, and Lilith. Historically she is connected with the Crusades, the Islamic occupation of Spain, the Conquistadors, as well as the

Merovingians and Knights Templars, who viewed her as Mary Magdalene. Why are more than five hundred of the world's Madonna images black or dark? Why is so little known about them? Black Virgins-a resurfacing of the powerful pagan goddesses of sexuality, the underworld, and earth wisdom-they are symbols of power and majesty, the other side of the traditional Madonna's virginity or tender maternity. They personify the Holy Grail and the Ark of the Covenant in a quest for lost feminine wisdom and the search for soul. Ean Begg's fascinating book investigates the pagan origins of the phenomenon as well as the heretical Gnostic-Christian underground stream that flowed west with the cult of Mary Magdalene and resurfaced in Catharism at the time of the Crusades, especially with the Templars.

[Marc Chagall on Art and Culture: Including the First Book on Chagall's Art by A. Efros and Ya. Tugendhold \(Moscow, 1918\),](#) , 2003, 0804748314, 9780804748315. Marc Chagall (1887-1985) traversed a long route from a boy in the Jewish Pale of Settlement, to a commissar of art in revolutionary Russia, to the position of a world-famous French artist. This book presents for the first time a comprehensive collection of Chagall's public statements on art and culture. The documents and interviews shed light on his rich, versatile, and enigmatic art from within his own mental world. The book raises the problems of a multi-cultural artist with several intersecting identities and the tensions between modernist form and cultural representation in twentieth-century art. It reveals the travails and achievements of his life as a Jew in the twentieth century and his perennial concerns with Jewish identity and destiny, Yiddish literature, and the state of Israel. This collection includes annotations and introductions of the Chagall texts by the renowned scholar Benjamin Harshav that elucidate the texts and convey the changing cultural contexts of Chagall's life. Also featured is the translation by Benjamin and Barbara Harshav of the first book about Chagall's work, the 1918 Russian The Art of Marc Chagall.

[Hal Leonard Heavy Metal Lead Guitar Method, Troy Stetina](#) , 1987, 0793532124, 9780793532124. inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James,Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

[Antarctic Act 2013, Part 15, Great Britain](#) , 2013, 0105415138, 9780105415138. The Antarctic Treaty establishes a mechanism for international co-operation to protect and preserve Antarctica for peaceful purposes. The Protocol on Environmental Protection to the Antarctic Treaty ("the Protocol") provides for the comprehensive protection of the Antarctic environment. It requires all human activities undertaken in Antarctica to be planned and conducted so as to limit adverse impacts on the Antarctic environment. Its Article 7 prohibits any activity relating to mineral resources other than scientific research. Annex VI to the Protocol, "Liability Arising from Environmental Emergencies" ("the Liability Annex"), was adopted by the Antarctic Treaty Consultative Parties in 2005. It obliges States Parties to require their Antarctic operators (governmental and non-governmental) to take preventative measures to reduce the risk of environmental emergencies in Antarctica, to establish contingency plans and to take prompt and effective response action to environmental emergencies arising from their activities. It imposes financial liability on operators which fail to take such response action, effectively establishing a "polluter pays" mechanism. Part 1 of the Act implements the Liability Annex. Part 2 of the Act amends the Antarctica Act 1994, primarily to respond to the increasing internationalisation of Antarctic expeditions, to protect historic sites and monuments and address the increasing vulnerability of the Antarctic environment as a result of climate change.

[Helluva Luxe, Natalie Essary](#) , 2012, 1590211979, 9781590211977. On the corner of 13th and Fascination stands one helluva perfect Goth bar, where there's always a seductive selection of fashion, music, and drama. But when an unknown DJ shows up at the door and lands the best gig in town without paying her dues, everyone's curiosity is piqued higher than Morrissey's hair. Especially that of the model who falls for her, the bartender who befriends her, and the doorman who'd kill to keep the family together. Helluva Luxe is a humorous, dark and sexy story about making strangers into family and seeing the world the way you want to see it. So if you've ever grilled a cheese with a blowtorch, painted teeth down the side of your '59 Chevy, or borrowed your dog's collar to wear out on a Saturday night, then you'll dig the Luxe.

[Progress in Improving Government Efficiency,, Great Britain: National Audit Office](#) , 2006, 0102937087, 9780102937084. Government departments have been set targets for implementing efficiency gains of 21.5 billion a year by 2007-08, as part of the Treasury's Efficiency Programme following on from the recommendations of the Gershon Review of public sector efficiency (available at http://www.hm-treasury.gov.uk/spending_review/spend_sr04/associated_documents/spending_sr04_efficiency.cfm) published in July 2004. This NAO report examines the progress made towards improving efficiency and highlights examples of good practice from which departments and the wider public sector can learn. A companion volume of case studies is available separately (HCP 802-II, session 2005-06, ISBN 0102937095). The report finds that good progress is being made towards achieving the 21.5 billion target and departments are managing their efficiency programmes well. However, some caution

is needed in assessing the gains reported so far (due to the time lags in reporting of data and limitations in measurement methodologies) and therefore these should be considered provisional and subject to further verification. Six key areas are highlighted for future improvements in public sector efficiency, including in relation to strategic leadership, staff expertise and greater collaboration to share good practice across the public sector.

[When Our Parents Live With Us: Remembering the Sweetness, Lynnita Mattock](#) , 2005, 0974047236, 9780974047232. In spite of their busy lives, two sisters choose to take care of their elderly parents. When their terminally ill father dies, their mother moves in with the youngest daughter and life changes for the entire family. They juggle the care of their mother, several households, a full time job, a new business, and unexpected crises. The balancing act revolves around their mother's needs, and with the help of friends and out-of-state family members they are able to maintain the momentum for three years. In the process they learn how to remember the sweetness and let the past go. When Our Parents Live with Us: Remembering the Sweetness is a poignant story about accepting challenges, grieving the past, moving forward, and achieving a sense of peace with the passing of loved ones.

[La Tarde Que Los Muertos Cruzaron la Frontera, Daz Hernndez Daz, Pedro Diaz Hernandez, Cosmos Productions](#) , 2003, 0974546348, 9780974546346. "La Tarde Que Los Muertos Cruzaron La Frontera".. Es una de las narrativas mejor lograda del autor. Porque sta le presenta a los lectores un cuadro triste y desastroso en el municipio de Guananico, Provincia Puerto Plata, Repblica Dominicana; un cuadro donde la hirsuta vegetacin se va muriendo poco a poco sobre la tierra seca. Producto de tres meses y medio de sequa, mientras la lluvia y el viento parecieran detenerse junto al tiempo y a las las nubes que se desprenden desde lo alto del cielo, cuando el viento choca con las faldas de la montaa y extiende sus rafagas sobre la tierra seca. Es por ello que el autor penetra con solidez a la verdadera crtica de una sociedad rural, donde los hombres mueren llenos de prejuicios tradicionales, por el simple hecho de tenencia de tierras. En ella, da muestra de gran madurez en esttica de la realidad entre los escritores de su generacin de este Siglo xxI; ya que a travs de esa profunda visin, mezcla lo real con lo imaginario dentro del concepto narrativo.

Even older readers may be surprised to learn something new as they read again of the Messiah's birth.

[The Spud from Outer Space, Susan Gates](#) , 2004, 0141928190, 9780141928197. This is a potato with attitude! It's come from outer space and it's landed in the council rubbish tip. It's growing bigger by the minute and it's looking round for things to eat. Only Cruncher, his grandad and a potato-obsessed professor are around to stop it before it wipes out the human race. The bad news is that the crash has upset the rules of space and time and Silas Smite, the mad preacher, has been brought from the past to hunt down all potato lovers. The good news is that Grandad has a secret weapon: Gloria, the super bin van designed to collect space junk. It's chaos out there - expect anything!

[The Longest Winter: The Epic Story of World War II's Most Decorated Platoon, Alex Kershaw](#) , 2006, 0141018496, 9780141018492. A cold winter morning in the Ardennes Forest, 1944, and Hitler launches his last and most audacious attack on the unprepared Allies. Standing between the German forces and the desperately regrouping Allies were just eighteen young Americans, hidden in fox holes. In a fierce day-long battle, this small band of soldiers repulsed the German attack three times, inflicting severe casualties and defending a strategically vital hill despite being vastly outnumbered. They surrendered only when they ran out of ammunition. But then the real battle for survival began ...; Alex Kershaw's brilliant account draws on the words of the decorated men who fought this heroic action, bringing vividly to life their struggle on the battlefield and later off it - as POWs.

[The Oxford Handbook of Continental Philosophy, Brian Leiter, Michael Rosen](#) , 2009, 0199572992, 9780199572991. The Oxford Handbooks series is a major new initiative in academic publishing. Each volume offers an authoritative and up-to-date survey of original research in a particular subject area. Specially commissioned essays from leading figures in the discipline give critical examinations of the progress and direction of debates. Oxford Handbooks provide scholars and graduate students with compelling new perspectives upon a wide range of subjects in the humanities and social sciences. The Oxford Handbook of Continental Philosophy is the definitive guide to the major themes of the continental European tradition in philosophy in the nineteenth and twentieth centuries. Brian Leiter and Michael Rosen have assembled a stellar group of contributors who provide a thematic treatment of continental philosophy, treating its subject matter philosophically and not simply as a series of museum pieces from the history of ideas. The scope of the volume is broad, with discussions covering a wide range of philosophical movements including German Idealism, existentialism, phenomenology, Marxism, postmodernism, and critical theory, as well as thinkers like Hegel, Marx, Nietzsche, Freud, Heidegger, and Foucault. This Handbook will be an essential reference point for graduate students and professional academics working on continental philosophy, as well as those with an interest in European literature, the history of ideas, and cultural studies.

[The Sermon on the Mount, R. T. Kendall](#) , 2011, 1441232486, 9781441232489. One of the most influential teachings in Christian history is Matthew 5-7, Jesus's Sermon on the Mount. Many pastors have delved into this passage, but none has offered such a comprehensive, up-to-date, and accessible exposition. Until now. Known for his keen insight and biblical understanding, Dr. R. T. Kendall offers an in-depth, verse-by-verse, and lay-friendly exposition of this matchless sermon. In fact, he gives the most thorough and comprehensive interpretation of this passage to date. His compelling, devotional-style writing brings the words of Jesus to life, and he shows readers how to put these teachings to work in their own lives. An unforgettable book for the lay reader and pastor alike.

[The Sayings of Luzemily - The 7-Year Old Sage, Luzemily Prosper](#) , 2010, 094384519X, 9780943845197. "The Sayings of Luzemily - The 7-Year Old Sage" is a beautiful and poignant book of profound and wise sayings which chronicles the thoughts of an incredibly gifted young girl from her 7th year to 11 years old. Luzemily, at age 8, 9 and 10, explains in very simple and easy-to-understand language, such things as: the nature of life, God, time, space, money, wealth and happiness, just to name a few. This little book is destined to become a classic in the spirit of "The Prophet" or "Jonathan Livingston Seagull." It is not a book that is just quickly read, but rather slowly meditated upon. Read it, and allow Luzemily to have you see the world may have never seen it before.

[Nanoreactor Engineering for Life Sciences and Medicine, Agnes Ostafin](#) , 2008, 1596931590, 9781596931596. This trail-

blazing volume covers nanoreactor essentials, including a review of synthetic procedures and materials used to develop various nanoreactor configurations. It explores nanoreactor theory and design, highlighting the fundamental differences between molecular events in macroscale and nanoscale reactors. The book offers a clear look at the dominating role of interfaces and how they affect nanoreactor properties and processes. Moreover, it shows how chemical reaction engineering can be applied in analyzing thermodynamics of self-assembly, colloidal stability, reaction kinetics and stochastic effects, and nanoreactor optimization. The book explores integrated nanoreactor systems, covering a theoretical treatment of how nanoreactors can be mobilized inside cells and tissues or as nanostructured films or coatings. Supported by over 100 diagrams and 250 equations, this definitive resource spotlights 14 bionanoreactor systems in development, including organic polymers, vesicles, polymer-stabilized liposomes, artificial protein cages, stem cells, DNA architectures, and others.

[Vagina: A Cultural History, Naomi Wolf](#) , 2012, 0062096966, 9780062096968. An astonishing work of cutting-edge science and cultural history that radically reframes how we understand the vagina and consequently, how we understand women from one of our most respected cultural critics and thinkers, Naomi Wolf, author of the modern classic *The Beauty Myth*. When an unexpected medical crisis sends Naomi Wolf on a deeply personal journey to tease out the intersections between sexuality and creativity, she discovers, much to her own astonishment, an increasing body of scientific evidence that suggests that the vagina is not merely flesh, but an intrinsic component of the female brain and thus has a fundamental connection to female consciousness itself. Utterly enthralling and totally fascinating, *Vagina: A New Biography* draws on this set of insights about "the mind-vagina connection" to reveal new information about what women really need, and considers what a sexual relationship and a relationship to the self transformed by these insights could look like. Exhilarating and groundbreaking, *Vagina: A New Biography* combines rigorous science, explained for lay readers, with cultural history and deeply personal considerations of the role of female desire in female identity, creativity, and confidence, from interviewees of all walks of life. Heralded by Publishers Weekly as one of the best science books of the year, it is a provocative and deeply engaging book that elucidates the ties between a woman's experience of her vagina and her sense of self; her impulses, dreams, and courage; and her role in love and in society in completely new and revelatory ways sure to provoke impassioned conversation. A brilliant and nuanced synthesis of physiology, history, and cultural criticism, *Vagina: A New Biography* explores the physical, political, and spiritual implications of this startling series of new scientific breakthroughs for women and for society as a whole, from a writer whose conviction and keen intelligence have propelled her works to the tops of bestseller lists, and firmly into the realms of modern classics.

[Skating Sensation, , Rachel Rene Russell ,](#) 2012, 085707119X, 9780857071194. Nikki Maxwell isn't at all surprised to find out that her crush Brandon volunteers at a local animal shelter. He's such a sweet guy - of course he wants to help those adorable puppies! Then Brandon tells her that the shelter is in danger of closing, and Nikki knows she can't let that happen. Especially when she discovers a shocking secret about Brandon that makes keeping that shelter open more important than ever. So Nikki and her friends Chloe and Zoey enter an ice skating competition to help raise money for the shelter, but (big surprise) Mackenzie has to stick her nose in and cause trouble so that she can be the one to swoop in and save the day. No way will Nikki let that happen: She'll just have to come up with some extra creative ideas this time!

[A Life Removed: Hunting for Refuge in the Modern World, Rose George ,](#) 2004, 0141019050, 9780141019055. 'Asylum-seeker', 'refugee', 'Immigrant' . All the major British political parties have brought these words to the top of the political agenda. Some newspapers shout about the 'swarms' of refugees arriving on our shores; others criticise our government's lack of humanitarian principles. But what do we know about the refugees themselves - what it means to leave your home, your family, your past? Rose George has travelled to Liberia and Ivory Coast and also met refugees in Britain to discover what really happens when you are uprooted by war, greed and guns, or - as Liberians put it - when you've been 'running, running, running' for fourteen years non-stop; when you've rebuilt your house five times, and its been looted six times, so you don't bother putting glass in the windows any more; when, like Francis Flade Nemlin, you're a well paid NGO worker one minute, and a refugee in a transit centre with sixteen dependants only two weeks later. 'Anyone can become a refugee,' he says. 'Why not?'

[Horse Soldiers: Cavalry in the Civil War, Jean F. Blashfield ,](#) 1998, 053120300X, 9780531203002. This highly praised series of books has been in print since the 1950s (launched originally by Franklin Watts himself). Today's First Books provide engaging, in-depth introductions to subjects in all areas of the middle-grade curriculum, including science, social studies, and the arts. Illustrated with color and historical photography and art, each First Book is chaptered, includes an index, a for-further-reading list and, where appropriate, a glossary and original maps.

[The Famine Plot: England's Role in Ireland's Greatest Tragedy, Tim Pat Coogan ,](#) 2012, 1137045175, 9781137045171.

During a Biblical seven years in the middle of the nineteenth century, Ireland experienced the worst disaster a nation could suffer. Fully a quarter of its citizens either perished from starvation or emigrated, with so many dying en route that it was said, "you can walk dry shod to America on their bodies." In this grand, sweeping narrative, Ireland's best-known historian, Tim Pat Coogan, gives a fresh and comprehensive account of one of the darkest chapters in world history, arguing that Britain was in large part responsible for the extent of the national tragedy, and in fact engineered the food

shortage in one of the earliest cases of ethnic cleansing. So strong was anti-Irish sentiment in the mainland that the English parliament referred to the famine as "God's lesson." Drawing on recently uncovered sources, and with the sharp eye of a seasoned historian, Coogan delivers fresh insights into the famine's causes, recounts its unspeakable events, and delves into the legacy of the "famine mentality" that followed immigrants across the Atlantic to the shores of the United States and had lasting effects on the population left behind. This is a broad, magisterial history of a tragedy that shook the nineteenth century and still impacts the worldwide Irish diaspora of nearly 80 million people today.

[The Hallowed Ones, Laura Bickle](#) , 2012, 0544088735, 9780544088733. Katie is on the verge of her Rumspringa, the time in Amish life when teenagers can get a taste of the real world. But the real world comes to her in this dystopian tale with a philosophical bent. Rumors of massive unrest on the Outside abound. Something murderous is out there. Amish elders make a rule: No one goes outside, and no outsiders come in. But when Katie finds a gravely injured young man, she can't leave him to die. She smuggles him into her family's barn at what cost to her community? The suspense of this vividly told, truly horrific thriller will keep the pages turning.

[The Faerie's Honeymoon and Date Night, Emma Holly](#) , 2012, 0984916210, 9780984916214. THE FAERIE'S HONEYMOON: Duvall of Talfry adores his new human bride. She's smart, she's sexy, and they love each other flaws and all. The half-magic city of Resurrection seems ideal for a honeymoon. It's less dangerous than Faerie, and Belle can get her first real glimpse of his fae nature. Problem is, Belle gets a glimpse of more than he counted on. Will this down-to-earth junkshop owner decide an entitled prince of enchantments isn't who she signed on to wed? DATE NIGHT: Olivia Forster never dreamed she'd serve as queen of an enchanted city beneath the sea - something her three sexy husbands know. Though she adores her shapeshifter mates, she's shy by nature, and they can tell the strain of always being "on" is beginning to wear on her. Sneaking away from their responsibilities won't be easy, but come hell or high water, they'll treat her to a night she won't soon forget!

[The Medici Boy, John L'Heureux](#) , 2014, 1938231503, 9781938231506. The worlds of art, politics and passion collide in John L'Heureux's masterful new novel, The Medici Boy. With rich composition, L'Heureux ingeniously transports the reader to Donatello's Renaissance Italy directly into his bottega, (workshop), as witnessed through the eyes of Luca Mattei, a devoted assistant. While creating his famous bronze of David and Goliath, Donatello's passion for his enormously beautiful model and part-time rent boy, Agnolo, ignites a dangerous jealousy that ultimately leads to Agnolo's brutal murder. Luca, the complex and conflicted assistant, will sacrifice all to save the life of Donatello, even if it means the life of the master sculptor's friend and great patron of art, Cosimo de Medici. John L'Heureux's long-awaited novel delivers both a monumental and intimate narrative of the creative genius, Donatello, at the height of his powers. With incisive detail,

LHeureux beautifully renders the master sculptors forbidden homosexual passions, and the artistry that enthralled the powerful and highly competitive Medici and Albizzi families. The finished work is a sumptuously detailed historical novel that entertains while it delves deeply into both the sacred and the profane within one of the Italian Renaissances most consequential cities, fifteenth century Florence.

[The Fast Diet Recipe Book: 150 Delicious, Calorie-controlled Meals to Make Your Fasting Days Easy, Mimi Spencer, Sarah Schenker](#) , 2013, 1780721870, 9781780721873. Is it possible to eat what you like, most of the time, and get thinner and healthier as you do it? Simple answer: yes. From the authors of the #1 bestselling Fast Diet, this fabulous cookbook offers more than 150 carefully crafted, nutritious and low-calorie recipes to enable you to incorporate the 5:2 weight-loss system easily into your daily life. Scientific trials have revealed that if you eat normally for five days a week but reduce your calorie intake for only two days, you will not only lose weight but potentially lower your risk of cancer, diabetes and other age-related diseases. In The Fast Diet Recipe Book, Dr Michael Mosley, the medical journalist whose BBC Horizon programme first alerted the world to the Intermittent Fasting phenomenon, and Mimi Spencer, award-winning food and fashion writer, offer a groundbreaking guide to following this diet in a safe, effective and sustainable way - you will never have to worry about planning your fast days again. The recipe section contains a range of breakfast and supper dishes - all expertly balanced with plenty of protein and moderate complex carbohydrates - designed to fill you up and stave off the WC dreaded hunger pangs. There are also detailed menu plans and plenty of encouraging tips - including kitchen cupboard essentials, the latest nutritional advice, a user-friendly calorie counter, and a whole section of speedy meals that can be quickly made for those busier days.
