My dear friends,

With your kind support and encouragement, HANDA has been striving to work with the people affected by leprosy to fight against stigma and physical challenge to live a dignified life.

This year, HANDA participated in the Philanthropy Star Award campaign. With your support and our joint effort, we are selected as one of the 15 finalists in final round. Now, the campaign has just started the global online voting. The voting result will affect the result of the final winner of the Award.

On behalf of HANDA and people affected by leprosy, I would like to urge all our supporters and friends to support us by voting for us! One click and you will be making a difference to the people affected by leprosy, and those who are still suffering from disability and poverty.

The voting instructions are as below:

1. Browse the official voting website of One Foundation at :

<http://www.onefamily.org.cn/dianfanvote/index.jsp> or <http://sinaurl.cn/h9aCQI>

2. Look over the **left** side of the web page

3. Find the logo of HANDA  (shown on the left side, first column at the fourth line)

4. Tick the small box under the logo of HANDA [广东省汉达康福协会](#)

5. Click on "submit" at the **left** side of bottom page.  And it's done.

6. One IP is allowed to give one vote each day and the votes will be accumulated by 15th October. Please remember to vote for us every day.

When the voting completes, candidates will enter into the final section held in Beijing: interview and oral defense by the panel of judges. The voting result will be included in the overall evaluation. The final winner list will be announced at the beginning of November on One Foundation official website.

We appreciate your support and walking hand in hand with us as always!

Thank you.

Sincerely yours,

Dr. Michael Chen
