

**C**HINESE-**A**MERICAN **L**UNG **A**SSOCIATION

Dear **CALA** colleagues and friends:

You are cordially invited to join our online brainstorm forum related with basic and translational research on COVID-19 and SARS-CoV-2. The goal is to share resources and build collaborative efforts to fight against the global COVID-19 pandemic.

**Presenters:**

**Dr. Lin Mantel, Professor, M.D/Ph.D, St. John's University College of Pharmacy; " Roles of Oxidative Stress in COVID-19"**

**Dr. Hongmei Hou, Assistant Professor, Ph.D., Massachusetts General Hospital, Harvard Medical School. "Model COVID-19 Pneumonia in vitro in Human Bronchoalveolar Epithelial Platform"**

**Dr. Yin Chen, Associate Professor, Ph.D., University of Arizona. " Interferon Signaling in SARA-CoV-2 infection"**

**Dr. Ke Yuan, Assistant Professor, Ph.D., Boston Children Hospital, Harvard Medical School. "COVID-19 related pulmonary vasculature changes"**

**Format:** Zoom link below ( 10 min /each ) + 5 min Q/A + 30 min group discussion in the end.

**Time:** 4/14/2020, 8am PST, 11am EST, 11pm(Beijing time)
