

DATA CENTER RULES AND REGULATIONS

- Quality Technology Services ("QualityTech") reserves the right to exclude anyone from the facility, with or without cause and with or without notice. Anyone requested to leave the Premises must peacefully do so immediately.
- All Visitors are subject to constant surveillance while on the Premises.
- By attempting to enter the Premises, Visitors are consenting to reasonable search of themselves and their possessions.
- All Customers and Visitors agree to report any violation of these Rules and Regulations, or any other suspicious or improper activity to Quality.
- Visitors may not be under the influence of any alcohol, illegal drugs or other intoxicants.
- Visitors must carry proper identification with them at all times while on the Premises. Falsifying or withholding ones identity or refusing to cooperate with security personnel is a violation of these Rules.
- Customers and Visitors are solely responsible for their personal belongings and property while on the Premises. Quality assumes no liability for missing, lost, or stolen property of any Customer or Visitor, and Customers and Visitors agree to hold QualityTech, its employees, agents, contractors, subcontractors, and affiliate companies harmless for and from any claims arising out of missing, lost or stolen property
- Check In/Check Out: Upon entering Quality Technology Services, you will be greeted at the front desk by a Security Officer. You must present a valid photo ID and receive a visitor's badge. This badge must be worn at all times. You must also remember to check out with Security when you leave the building.
- Smoking: No smoking in the building or on the property except for the designated smoking area. Please see Security for the location. Chewing tobacco is also prohibited on the data center floor.
- Food and Drink: All food and beverages are banned on the data center floor. Food and beverages may be served in designated areas of the office space.
- Cell Phones: Cellular phones may not function on the data center floor due to physical impediments. Cell phones may be used in the front office and Auditorium areas.
- Cameras: Cameras are not permitted at Quality without prior approval. Visitors, clients or guests are to request a Photo Application form from the Front Desk security and the application must be approved prior to any photos being taken.
- Floor Tiles: At no time may visitors, clients or guests remove the floor tiles on the data center. Should the need arise to get under the data center floor, contact the FSC agent and they will assist you.
- Safety Issues: No children under the age of 16 are allowed on the Data Center Floor. Open toed shoes are not permitted on the Data Center Floor.
- Additional Caveats: Touching, inspection, documenting or any form of tampering with equipment is strictly prohibited. Persons seen engaging in such activity will be reported to Security and may be subject to expulsion from the facility and possible arrest.
