Naomi Wolf

Expression/Suppression: The Sexual Author and
the Law, 1855-1885

Naomi Wolf is the author of eight books, including the New York Times bestsellers *The Beauty Myth*, *The End of America* and *Give Me Liberty*; and the recently published, *Vagina: A New Biography*. She has toured the world speaking to audiences of all walks of life about gender equality, social justice, and, most recently, the defense of liberty in America and internationally.
