

# Annual Welding Seminar 2014

## Welding – Advances in Welding & joining Technology

Date: Saturday, February 14, 2015 (9 AM to 4 PM)

Venue: The Regenza by Tunga, Vashi, Navi Mumbai

Organized by Indian Institute of Welding, Mumbai Branch

- Inaugural Session: Chief Guest - Mr. Satish Bhatt, Managing Director, Ador Welding Limited
- Plenary Session: GL Goswami Memorial Keynote address by Mr. Vivek Pavaskar

For delegate registration, please contact Mr. Neeraj Tiwari (9004973152)/ S. Krishnan (9920735865) or mail to [iiwmum01@gmail.com](mailto:iiwmum01@gmail.com).

### Main Sponsors:

Event Supported by: Shanti Metals, Weldwell Speciality & Voestalpine Bohler

# Annual Welding Seminar 2014

## Welding – Advances in Welding & joining Technology

Date: Saturday, February 14, 2015 (9 AM to 4 PM)

Venue: The Regenza by Tunga, Vashi, Navi Mumbai

Organized by Indian Institute of Welding, Mumbai Branch

### Technical Paper Session

- Challenges faced in mechanized pipeline welding with flux cored wires: **Bohler**
- Challenges in Corrosion Testing ASTM G-48 Method-A for SDSS: **Sandvik**
- Advances in NDT: **BARC**
- Green Engineering and Global Warming: **Dr. Ram Chattopadhyay**
- Spatter reduction of CO<sub>2</sub> welding by the active wire feed process: **Panasonic**
- Current status of Numerical Modeling in Laser Additive Manufacturing: **IIT**
- Automation in GTAW: **L&T**
- Advanced Power source for Header to pipe welding with GMAW: **Fronius**
- Advances in Shielding gases for welding processes: **Linde**
