

[The Constant Gardener, John le Carr](#) , 2010, 0143183036, 9780143183037. Love. At any cost. Tessa Quayle-young, beautiful, and dearly beloved to husband Justin-is gruesomely murdered in northern Kenya. When Justin sets out on a personal odyssey to uncover the mystery of her death, what he finds could make him not only a suspect but also a target for Tessa's killers. A master chronicler of the betrayals of ordinary people caught in political conflict, John le Carr portrays the dark side of unbridled capitalism as only he can. In The Constant Gardener he tells a compelling, complex story of a man elevated through tragedy as Justin Quayle-amateur gardener, aging widower, and ineffectual bureaucrat-discovers his own natural resources and the extraordinary courage of the woman he barely had time to love.

The Common Core State Standards for mathematics are a set of expectations and skills that students need to master to succeed in college and the real world. BarCharts Math Common Core Standards series aligns with those specific standards to help guide students through their classes. Each guide in the series features real-world problems and examples, illustrations, and tables to help students retain information. The Math Common Core Standards 6th Grade QuickStudy guide focuses on the critical areas of the curriculum so that students can develop fluency and understanding. Topics covered include: Ratios & Proportions Rate Conversions Division Multi-Digit Number Operations Greatest Common Factor & Least Common Factor Integers Coordinate Plane Expressions & Equations and more!

[Dirk Gently's Holistic Detective Agency, Douglas Adams](#) , 2009, 0330514180, 9780330514187. What do a dead cat, a computer whiz-kid, an Electric Monk who believes the world is pink, quantum mechanics, a Chronologist over 200 years old, Samuel Taylor Coleridge (poet), and pizza have in common? Apparently not much; until Dirk Gently, self-styled private investigator, sets out to prove the fundamental interconnectedness of all things by solving a mysterious murder, assisting a mysterious professor, unravelling a mysterious mystery, and eating a lot of pizza not to mention saving the

entire human race from extinction along the way (at no extra charge). To find out more, read this book (better still, buy it, then read it) or contact Dirk Gently's Holistic Detective Agency. A thumping good detective-ghost-horror-whodunnit-time travel-romantic-musical-comedy epic. The author

[The Trouble with Trillions, Jesse Russel, Ronald Cohn](#) , 2013, 5510681748, 9785510681741. High Quality Content by WIKIPEDIA articles! "The Trouble with Trillions" is the twentieth episode of the ninth season of the animated television series The Simpsons, which originally aired April 5, 1998. It was written by Ian Maxtone-Graham and directed by Swinton O. Scott III. The episode sees Homer being sent by the Federal Bureau of Investigation to try to obtain a trillion dollar bill that Montgomery Burns failed to deliver to Europe during the post-war era.

An examination of pre-twentieth-century Ohio Moravian music and its development in the Tuscarawas Valley in Indian missions that later become white settlements. Extensive research of period writings and oral history interviews and discussions bring to light many musicians whose names had been lost over the decades and musical compositions heretofore unknown.

[Human Rights and the United Kingdom Supreme Court, Brice Dickson](#) , 2013, 0191655864, 9780191655869. How does the UK Supreme Court approach human rights law? This book presents the first comprehensive overview of the human rights jurisprudence of the Court, analysing the opinions expressed by the current Justices and their predecessors, both judicially and extra-judicially. It criticizes the judges for not developing the common law in a way which supplements the Human Rights Act, for not making imaginative enough use of that Act, and for adopting an attitude to Convention rights which is often out of step with the jurisprudence of the European Court of Human Rights in Strasbourg. After setting the scene by explaining the constraints which are placed on the Supreme Court Justices, the book considers how human rights are conceptualized by the Court in general and how in particular the procedural questions thrown up by the Human Rights Act have been dealt with so far. It then examines on a right-by-right basis the Justices' position on all the Convention rights and those additional international human rights standards which have been incorporated into UK law. Focusing on the views expressed by individual judges, the book details the many differences of opinion which have come to light and characterizes the prevailing positions, before attempting to predict what stance may be adopted in future on new issues. The book offers an invaluable resource for any practitioners bringing human rights cases before the Court, and its critical arguments on the state of UK human rights law will be essential reading for all academics working in European human rights law.

No matter what questions arise in practice or while preparing for boards, Pain Management Secrets, 3rd Edition has the answers. A two-color page layout, portable size, and a list of the "Top 100 Secrets" in pain management help you better meet the challenges you face today. You'll find all the features you rely on from the Secrets Series—a question-and-answer format, lists, mnemonics, tables and an informal tone—that make reference fast and easy. Expedites reference and review with a question-and-answer format, bulleted lists, mnemonics, and practical tips from the authors. Features a two-color page layout, "Key Points" boxes, and lists of useful web sites to enhance your reference power. Presents a chapter containing "Top 100 Secrets", providing you with an overview of essential material for last-minute study or self-assessment. Fits comfortably in the pocket of your lab coat so you have it conveniently on hand at all times. Features new editors, Charles E. Argoff, MD and Gary McCleane, MD who present a thorough update on the latest in pain management. Presents a new contemporary internal design that helps you navigate the text easier.

[Aussie Surfing Heroes, Mark Occhilupo, Tim Baker, Mick Fanning](#) , 2011, 1742755941, 9781742755946. Two surfing legends in one book! Occy is the magically talented child star who crashed and burned, then miraculously crawled from the wreckage to claim his destiny. Mick is the ferociously determined, disciplined athlete, who overcame personal tragedy and devastating injury to pursue his dreams. Australian surfing has produced many great champions, but few have overcome so much, and inspired so many, as Mark Occhilupo and Mick Fanning. Though dramatically contrasting characters, Occy and Mick's life stories both serve as powerful primers in the power of dreams, the importance of never

giving up, and the courage required to claw your way out of the deepest trough and climb all the way up to the highest peak. *Occy : the Rise and Fall and Rise of Mark Occhilupo and Mick Fanning's Surf For Your Life*, both written together with renowned surf writer Tim Baker, have become modern Australian classics, within the surfing community and beyond. They have inspired elite athletes from all walks of life, launched innumerable grommets on their first forays into the surf and spurred countless mature age surfers to get off the couch and back into the waves. Now combined into an inspirational omnibus, *Occy and Surf For Your Life*, are essential reading for anyone wanting to overcome adversity, blast through their personal limits and achieve their goals.

[A Celtic Eucharist.](#) , 2002, 0819228222, 9780819228222. I bless you, in the name of the Father, the Son, and the Sacred Spirit, the One and the Three. May God give you to drink of his cup, the sun shine bright upon you, may the night call down peace and when you come into his household may the door be wide for you to go in to your joy. from *A Celtic Eucharist* A Celtic Eucharist presents a unique contemporary Eucharist that remains similar to the liturgy celebrated in a Celi De community in the early ninth century. Following the classic shape of the Eucharist Entrance, The Ministry of the Word, The Peace, The Offertory, The Holy Communion, and the Dismissal this compilation draws together texts from Scripture, mainstream Irish, Scottish, and Welsh traditions, and contemporary Celtic spirituality to create a remarkably original service that encourages fresh appreciation of the Eucharist. An optional Ceremony of Light is included for evening celebrations, a selection of alternative prayers and sentences allows for seasonal and pastoral variation, and helpful notes for the celebrant suggest possible uses for this service. Easily adaptable to formal or informal settings, A Celtic Eucharist can be used in conjunction with modern lectionary cycles.

[Greed is Good and Other Fables: Office Life in Popular Culture, Tony Osborne](#) , 2012, 0313385750, 9780313385759. The office in popular culture is often depicted as a topsy-turvy parallel universe where psychological disorders are legitimized as "managerial styles" and comically depraved bosses torment those who do the actual work. During the 1950s, the Beats chose denim and the open road over gray flannel suits and office jobs, but today their grandchildren--Generation Y--aggressively covet desk jobs. ""Greed Is Good" and Other Fables: Office Life in Popular Culture" examines how office life is both extolled and lampooned in popular culture. The book tracks how business values ascended to cultural dominance in the United States today, revealing our incessant struggle between financial and spiritual goals in the pursuit of "freedom" and the fulfillment of the American dream. By drawing upon sources as varied as books, newspapers, magazines, television shows, movies, blogs, message boards, documentaries, public speeches, corporate training films, and employee newsletters, the author provides compelling insights into the range of competing values and ideals interwoven throughout office life.

[Pamphlet Architecture 19: Reading Drawing Building.](#) , 1996, 1568980795, 9781568980799. Number 19 in the Pamphlet Architecture series, Reading Drawing Building, is an exquisitely designed volume that juxtaposes two projects; the Library and the Drawing Machine. Together, these projects explore reading and drawing as activities occurring within, on, about, and through architecture. In collapsing the separation between language and architecture, the projects trace an indivisible continuity between these seemingly distinct modes of representation. As Stan Allen explains in his introduction, the projects' "meaning is in the way [they] work, and vice-versa." Reading Drawing Building also examines the place of the book in a world increasingly dominated by computers and the way chance determines structure and operation of the metropolis. Pamphlet Architecture, begun in 1978 by William Stout and Steven Holl, has become a popular venue for publishing the works and thoughts of a younger generation of architects. Small in scale, low in price, but large in impact, these books present and disseminate new and innovative theories.

[If Olaya Street Could Talk: Saudi Arabia : the Heartland of Oil and Islam, John Paul Jones](#) , 2007, 0979043603, 9780979043604. If Olaya Street Could Talk is a portrait of Saudi Arabia and its people, encompassing a 25-year period during the era of its dynamic transformation from being one of the poorer countries in the world to becoming a state with a modern physical and economic infrastructure. It is also a story about the western expatriates who worked and lived in the country--from the "free and easy 70's"--to the period when they became specific targets for execution by certain religious fundamentalists. The book addresses western perceptions of the country and how those perceptions were formed, from TE Lawrence and Wilfred Thesiger to NY Times columnists Thomas Friedman, Maureen Dowd and David Brooks. The book's fundamental purpose is to examine the issue which dominates today's headlines: the "Islamic-Western cultural divide" and places this concept within the context of American issues, such as the experience with the black-white cultural divide as well as America's last significant conflict, the Vietnam War. It is in parts a travelogue, a sociological examination, a historical documentary, a love story, health care development and political commentary. The author is one of few Americans to have lived in the country during this period of time who had access to Saudis at all levels of society and freely traveled throughout a large portion of the country. No other book, in English or Arabic, covers this period of Saudi Arabia's transformation to a modern nation, the period from 1978 to 2003. The motivation for writing the book was to render a realistic image of the people of Saudi Arabia, as well as to examine some of the basis for the American misperceptions of this country and region, in the hope that it will inspire others to take steps towards ending the current policy of war without end.

[A Star Called Henry, , Roddy Doyle](#) , 2010, 0307375382, 9780307375384. An historical novel like none before it, A Star Called Henry marks a new chapter in Booker Prize-winner Roddy Doyle's writing. It is a vastly more ambitious book than any he has previously written. A subversive look behind the legends of Irish republicanism, at its centre a passionate love story, this new novel is a triumphant work of fiction. Born in the slums of Dublin in 1902, his father a one-legged warehouse bouncer and settler of scores, Henry Smart has to grow up fast. By the time he can walk he's out robbing, begging, charming, often cold, always hungry, but a prince of the streets. At fourteen, already six foot two, Henry's in the General Post Office on Easter Monday 1916, a soldier in the Irish Citizen Army, fighting for freedom. A year later he's ready to die for Ireland again, a rebel, a Fenian, and, soon, a killer. With his father's wooden leg as his weapon, Henry becomes a republican legend - one of Michael Collins' boys, a cop killer, an assassin on a stolen bike, a lover. From the Hardcover edition.

[Calvin and His Influence, 1509-2009, Irena Backus, Philip Benedict](#) , 2011, 0199751854, 9780199751853. The year 2009 marked Calvin's 500th birthday. This volume collects papers initially written as the plenary addresses for the largest international scholarly conference held in connection with this anniversary, organized in Geneva by the Institute of Reformation History. The organizers chose as theme for the conference "Calvin and His Influence 1509-2009," hoping to stimulate reflection about what Calvin's ideas and example have meant across the five centuries since his lifetime, as well as about how much validity the classic interpretations that have linked his legacy to fundamental features of modernity such as democracy, capitalism, or science still retain. In brief, the story that emerges from the book is as follows: In the generations immediately after Calvin's death, he became an authority whose writings were widely cited by leading "Calvinist" theologians, but he was in fact just one of several Reformed theologians of his generation who were much appreciated by these theologians. In the eighteenth century, his writings began to be far less frequently cited. Even in Reformed circles what was now most frequently recalled was his action during the Servetus affair, so that he now started to be widely criticized in those quarters of the Reformed tradition that were now attached to the idea of toleration or the ideal of a free church. In the nineteenth century, his theology was recovered again in a variety of different contexts, while scholars established the monument to his life and work that was the Opera Calvini and undertook major studies of his life and times. Church movements now claimed the label "Calvinist" for themselves with increasing insistence and pride. (The term had largely been a derogatory label in the sixteenth and seventeenth centuries.) The movements that identified themselves as Calvinist or were identified as such by contemporaries nonetheless varied considerably in the manner in which they drew upon and understood Calvin's thought. Calvin and His Influence should become the starting point for further scholarly reflection about the history of Calvinism, from its origin to the present.

[Immigration Chaos: Solutions to an American Crisis, Neville W. Cramer](#) , 2007, 0976282011, 9780976282013. A former

INS special agent divulges the real causes of America's seemingly uncontrollable immigration problems, and suggests practical solutions. His descriptions of the happenings inside INS and now the Department of Homeland Security are mind-boggling. The anecdotes and straightforward reasoning make this book a must read for anyone who is concerned about America's failing immigration policies. This book gives great insight into such nebulous terms as "employer sanctions", "guest workers," and "comprehensive immigration reform." It is a great read for everyone - U.S. citizens and aliens alike!

[Singing Waters, Ann Bridge](#) , 2013, 1448211573, 9781448211579. Ann Bridge takes the little-known country of Albania for her background recreating the primitive grandeur of the country. The Albanian way of life demonstrates a noble

standard of values that is rapidly disappearing under the pressure of modern materialism. Our protagonist is an unhappy and disillusioned young widow who travels to Albania as the result of a chance encounter on the Istanbul express. A fellow passenger tells her that there she will find a life that contains something far more satisfying than the restless gaiety of her cosmopolitan clique. Later, living in the feudal household of an Albanian prince, absorbing an atmosphere of immemorial dignity, and enjoying the friendship of two remarkable women one a mature and cultured English writer, the other a wise old American doctor she comes to understand what he had meant. And when, for the second time, she is faced with a tragic outcome to hopes of happiness in love, she is able to find solace among the granite heights and singing waters of Albania.

[Tales for Very Picky Eaters](#), 2011, 0547149565, 9780547149561. 2012 Winner of the Theodor Seuss Geisel Award!

James is a very picky eater. His dad has to get creative every creative in order to get James to eat foods he thinks he doesn't like. He presents James with a series of outlandish scenarios packed with fanciful and gross kid-friendly details like pre-chewed gum as an alternative to broccoli and lumpy oatmeal that grows so big it eats the dog in an effort to get James to eat. But it is eventually James himself who discovers that some foods are not so bad, after all, if you're willing to give them a try. This irreverently hilarious early reader, illustrated in full color, explores a universal point of contention between parent and child in a playful, satisfying way.

[This Is Your Brain on Music: Understanding a Human Obsession](#), Daniel J. Levitin, 2008, 1843547163, 9781843547167.

In this groundbreaking union of art and science, rocker-turned-neuroscientist Daniel J. Levitin explores the connection between music's performance, its composition, how we listen to it, why we enjoy it and the human brain. Drawing on the latest research and on musical examples ranging from Mozart to Duke Ellington to Van Halen, Levitin reveals: ? How composers produce some of the most pleasurable effects of listening to music by exploiting the way our brains make sense of the world ? Why we are so emotionally attached to the music we listened to as teenagers, whether it was Fleetwood Mac, U2, or Dr. Dre ? That practice, rather than talent, is the driving force behind musical expertise ? How those insidious little jingles (called "earworms") get stuck in our heads And, taking on prominent thinkers who argue that music is nothing more than an evolutionary accident, Levitin argues that music is fundamental to our species, perhaps even more so than language. "This Is Your Brain on Music" is an unprecedented, eye-opening investigation into an obsession at the heart of human nature.

[Soldier of the Pharaoh: Middle Kingdom Egypt 2055-1650 BC, Nic Fields](#) , 2007, 1846031060, 9781846031069. Osprey's survey of the soldiers of Ancient Egypt. The pharaohs of Egypt have captured the imagination of readers throughout the ages. Their existence and power have been given a mythical status. In this book, Nic Fields reveals the truth behind these myths, and explores the lives of the ordinary soldiers who were the might of Middle Kingdom Egypt. Using rare artifacts, he pieces together the day-to-day existence of the pharaoh's army, from archers and hand-to-hand fighters, through to the "sole-companions" of the pharaoh. Quoting from ancient sources Dr Fields depicts the battles on land and at sea in dramatic detail, whilst all the time providing a rare insight into the minutiae of the soldier's life: from the food he ate through to the gods he worshipped. This book is a delight for any reader interested in the mystery of Ancient Egypt.

[Red Cavalry And Other Stories, Isaac Babel](#) , 2006, 0140449973, 9780140449976. One of the most powerful short-story writers of the twentieth century, Isaac Babel expressed his sense of inner conflict through disturbing tales that explored the contradictions of Russian society. Whether reflecting on anti-Semitism in stories such as "Story of My Dovecote" and "First Love," or depicting Jewish gangsters in his native Odessa, Babel's eye for the comical laid bare the ironies of history. His masterpiece, "Red Cavalry," set in the Soviet-Polish war, is one of the classics of modern fiction. By turns flamboyant and restrained, this collection of Babel's best-known stories vividly expresses the horrors of his age.

[The Marriage of Sticks, Jonathan Carroll](#) , 2012, 1453264930, 9781453264935. After a high school reunion, a woman loses her grip on reality Miranda marches into her high school reunion with the confidence of a professional at the top of her field. But inside she is lost, disenchanted with her career, and as alone as a person can possibly be. As a teenager in Cranes View, she fell in love with unrepentant bad boy James Stillman, and though they never slept together, he thrilled her as no man has since. She returns to her hometown hoping to reconnect with him, but learns at the reunion that he was killed in a car crash years ago. In the weeks that follow, Miranda is haunted by visions of the past. First she sees James, alive and healthy, and more chilling hallucinations follow. Seeking distraction, she dives into an ill-advised love affair that turns darker than she could ever imagine. To find peace, Miranda must learn to walk the razor-thin line that separates this world from the one that follows. This ebook contains an all-new introduction by Jonathan Carroll, as well as an exclusive illustrated biography of the author including rare images from his personal collection.

[Three Ways to Capsize a Boat: An Optimist Afloat, Chris Stewart](#) , 2009, 0956003834, 9780956003836. If you're wondering what Chris Stewart did before he and Ana moved to El Valero, their Spanish farm, here's one of the answers. He took to the sea, landing a job as skipper for the summer, sailing a Cornish Crabber around the Greek islands. It was his dream job - and there was just one tiny problem. He hadn't ever sailed before and had not the foggiest how to start. In a series of madcap and hilarious adventures we follow Chris from a shaky start in Chichester harbour to his epic Odyssey to Spetses (a bucket would have been handy), and then on to the journey of a lifetime - battening down the

exercises, practice quizzes, homework and review exercises, videos for analysis, Understanding Research exercises (in which students read and interpret research articles), and supplementary readings. All of the many features of the text and its abundant resources help readers actually see development, not simply read about it preparing educators and those working with children and adolescents to apply development concepts to actual practice.

[The Encyclopedia of Australian Architecture, Philip Goad, Julie Willis](#) , 2011, 0521888573, 9780521888578. Behind the iconic images of Australian homesteads, beach houses and the billowing sails of the Sydney Opera House lies a rich and enthralling history of how Australians have responded to natural and urban environments, and in turn shaped Australian culture and society. The Encyclopedia of Australian Architecture is the first major work of reference to be published on Australian architecture. This magnificent book documents and analyses Australian architecture and architects from indigenous beginnings to colonial, modern and contemporary eras. With over 1000 entries from 200 contributors, and 500 photographs and drawings, The Encyclopedia of Australian Architecture provides an unparalleled compendium of architectural knowledge. It is essential reading for all who care about the built environment.

The book includes balanced international and

regional American menus with 100 recipes from Ratatouille to Moroccan Tagine, New England Chowder to a Japanese Bento Box. With quick and easy recipes, fruit and veggie ideas for even the pickiest eaters, and an allergen-free index, Vegan Lunch Box Around the World is essential for every family raising healthy kids-and for anyone who packs a lunch.

[Identification of Damage Using Lamb Waves: From Fundamentals to Applications, Zhongqing Su, Lin Ye](#) , 2009, 1848827849, 9781848827844. This book provides vital know-how for developing Lamb-wave-based damage identification techniques, addressing fundamentals such as the mechanisms of Lamb wave activation, propagation and acquisition, the selection of transducers and design of active sensor networks, and the development of signal processing for de-noising, compression and feature extraction in different time domains. It provides descriptions of signal fusion algorithms for the quantitative determination of damage parameters. Additional topics include: finite element modelling and experimental techniques for Lamb waves; active sensor network technology using various agents, e.g., piezoelectric actuator/sensor and fibre Bragg grating sensor; identification algorithms based on fusion of extracted signal features; software-hardware systems for implementation of Lamb-wave-based damage identification including Lamb wave signal generation, acquisition and processing; and representative case studies and diverse engineering applications.

[Deep in the Shade of Paradise, John Dufresne](#) , 2007, 0393331148, 9780393331141. Welcome to Shiver-de-Freeze, a boot-shaped precinct deep in the Louisiana swamp, famous for its healing waters and curious fauna. Grisham Loudermilk is marrying Ariane Thevenot at Paradise, the familys ancestral home, and we're here for the wedding. But reason and love, it would seem, keep little company in Paradise these days: Grishams cousin Adlai Birdsong has fallen desperately in love with the bride-to-be. Adlais ill-advised courtship proceeds even as his daddy, Royce, struggles to recall his past in the face of Alzheimers; as Father Pat McDermott realizes his passion for the mother of the bride; as the conjoined twins, Tous-les-Deux, train their eyes on Boudou Fontana, the last of the star-crossed Fontana clan. And just when it seems that Adlai must resign himself to a prolonged season of bachelorhood, Miranda Ferry, Grishams recent lover, wanders into town unawares. With his signature tragic-comic voice and cast of unforgettable and lively characters, Dufresne explores love, death, imagination, and memory. Reading group guide available.

[Draft Defamation Bill: session 2010-12 report, together with formal minutes, Great Britain: Parliament: Joint Committee on the Draft Defamation Bill](#) , 2011, 0108473813, 9780108473814. The Joint Committee on the Draft Defamation Bill welcomes many of the reforms proposed in the draft Bill. However, the report proposes many detailed amendments to the defences available against libel claims, mainly designed to strike a fairer balance between the protection of reputation and freedom of speech. For example, greater protection is proposed for scientists and academics writing in peer-reviewed articles. The Government's proposals do not do enough to address the key problems in defamation law - the "unacceptably" high costs which make access to justice difficult for many. The Committee proposes a series of reforms

aimed at ensuring that disputes are generally resolved rapidly by mediation or arbitration, rather than via the courts. An essential step in encouraging early resolution of disputes is the abolition of jury trials in defamation actions, in all but exceptional cases. Judges will then be required to take key decisions affecting the outcome of the case at an early stage, before massive legal costs are incurred. Trivial cases should be weeded out at an early stage. A new notice and take-down procedure for the internet is proposed. Internet hosts gain the protection of the law provided they act responsibly by following the new procedure. Any anonymous postings must be taken down upon complaint, unless authors are prepared to identify themselves or there is an overriding public interest in publication. Furthermore, it should be made more difficult for companies to use their financial muscle and the threat of court action to silence critics.

[Medical Coding Fundamentals, Susan Goldsmith, Marc Leib](#) , 2012, 0073374989, 9780073374987. Medical Coding Fundamentals provides a fresh approach to medical coding that reflects the way real medical coders succeed in their jobs. An introductory chapter refreshes students on the basics of A&P and medical terminology. Authentic examples clearly illustrate key areas, from the basics of CPT, ICD and HCPCS through complex topics such as modifiers and E/M. In order to train students to become proficient, accurate coders who are well-prepared to take the steps towards coding certification, exercises throughout each chapter and the entire final chapter provide plenty of coding practice, as well as critical thinking to prepare the next generation of coders. Don't worry about ICD-10, either. Medical Coding Fundamentals tackles the transition head on, providing you with just the right blend of coverage.

A Christian Science Monitor Best Book of the Year Winner of the Philadelphia Athenaeum Literary Award In the Shadow of the Law is the story of Morgan Siler, a powerful Washington, D.C., law firm that has transformed itself from a traditional practice serving those most in need into a shrewd giant serving the interests of the wealthy. Through the intertwined stories of a pro bono murder case and a class action lawsuit brought against a large chemical company, we meet the fascinating, engaging, and conflicted characters that make up this world: Mark Clayton, the rookie; Walker Eliot, the prodigy; Katja Phillips, the idealist; and Harold Fineman, the brilliant and burned-out partner, leader of the chemical company's defense team. With a thorny and breathtakingly paced narrative, In the Shadow of the Law marks the arrival of a writer who "stakes a firm claim to the literary territory of Scott Turow" (The Times-Picayune, New Orleans).

[The Society's Traitor, , V. K. Finnish](#) , 2012, 098522021X, 9780985220211. Eleven-year-old Arthur Grey has always wanted to be a hero, and a day has not ended right if he hasn't dug for treasure, plotted to stop thieving magicians, or

written clues in his trusty notebook. But the real excitement begins when he's sucked through a transporting doorway and makes an amazing discovery: an entire society that investigates the truth behind all the legends and myths we've always thought were just stories. Now Arthur is launched into an adventure that takes him all the way to the mountains and jungles of Peru in search of a mysterious dragon-bird and the fabulous secret it guards. The problem is ... someone else is after it, too. Arthur's chance to be a hero has finally come, but first he has to convince others of the truth before it's too late.

[The Ever-Loving Truth: Can Faith Thrive in a Post-Christian Culture?, Voddie Baucham, Jr.](#) , 2004, 0805427880, 9780805427882. Voddie Baucham has a message for Christians in today's culture: it's time to take a stand for the truth. In *The Ever-Loving Truth*, this powerful preacher and teacher addresses the cost of being a twenty-first century Christian and helps adults apply the unchanging truth of God's Word to contemporary life issues. *The Ever-Loving Truth* draws parallels between committed Christians in our society and the New Testament writers, Peter and John, as followers of Christ who proclaimed and stood for truth in their non-Christian environment. Participants will find this compelling study leads them to evaluate what it means to be a Christian today and how to apply God's unchanging truth to a variety of circumstances.

[Mercenary Abduction: \(Sci-Fi Romance\), Eve Langlais](#) , 2013, 1481958798, 9781481958790. Makl is looking to become the greatest mercenary the universe has known. In true family tradition, he leaves a trail of mayhem and bodies wherever he goes. He steals the most priceless of items, ravishes females left and right. But that all ends the day he comes across the biggest prize of all: a human barbarian. Fooled into thinking her a priceless virgin and captivated by her pale-skinned, two-breasted form, he abducts her, or at least means to. His plan goes somewhat awry. The not-so-innocent human becomes his partner in crime instead of his prisoner, and together they form an unstoppable duo. Tales of their misdeeds and budding passion become a universal sensation, but there's no room in a mercenary's life for a mate. Or is there? For the first time in his life, the Mercenary's Guide to Prosperity doesn't have an answer to Makl's questions, and there's no visible threat for him to kill. What's a poor, purple mercenary to do? Admit he's in love or ditch the delectable human?

[Plum Deadly, Ellie Grant](#) , 2013, 1451689578, 9781451689570. CHOCOHOLIC CREAM. BOUNTIFUL BLUEBERRY. LOTS A LEMON MERINGUE. EVEN DANGEROUSLY DAMSON. Who could resist such pies? Who would even want to resist the pie shop that makes them? Certainly not the residents of Durham, North Carolina, and the little bakery and caf called Pie in the Sky is one of the most popular meet-up places in town. Unjustly accused of cooking the books, Maggie Grady is forced to retreat from her high-flying New York financial career to the town where she grew up. Her aunt Clara greets her with open arms and a job at the family-owned business that has baked the best pies in the South for over forty

years. Unfortunately, while Maggie is determined to return to banking, her reputation there seems permanently in the pits. That is, until her old boss, Lou, visits with news that hes found the real crook. Before he can reveal the details, though, Maggie finds his body right behind the pie shop. With only her own word that Lou planned to exonerate her, Maggie is in the spotlight. The police seem to suspect that Aunt Claras damson pie may not be just dangerously delectable, but downright deadly. Maggie doesnt just have her own name to clear; she has to make sure that her aunts beloved business isnt harmed, either. Yummy local reporter Ryan Summerour appears eager to help, and Maggie cant help hoping that its not just the police who find her a person of interestbut Ryan, as well. Shed thought it challenging to make the perfect pie crust that Aunt Clara demands, but that turns out to be nothing compared with finding a murderer.

[Willie Mays: The Life, The Legend, James S. Hirsch](#) , 2010, 1439171653, 9781439171653. Willie Mays is arguably the greatest player in baseball history, still revered for the passion he brought to the game. He began as a teenager in the Negro Leagues, became a cult hero in New York, and was the headliner in Major League Baseballs bold expansion to California. He was a blend of power, speed, and stylistic bravado that enraptured fans for more than two decades. Now James Hirsch reveals the man behind the player. Mays was a transcendent figure who received standing ovations in enemy stadiums and who, during the turbulent civil rights era, urged understanding and reconciliation. More than his records, his legacy is defined by the pure joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game. With meticulous research and drawing on interviews with Mays himself as well as with close friends, family, and teammates, Hirsch presents a brilliant portrait of one of Americas most significant cultural icons.
