

COLOSSUS 2017

Venue:
B-30, Academic Block, Sector 62
CDAC, Noida

Date:
22nd March, 2017

COLOSSUS 2017

Introduction

COLOSSUS 2017 is an initiative by Centre for Development of Advance Computing, Noida to provide the common platform where students from various streams can showcase their knowledge, skills, and abilities. COLOSSUS promises to test grits, spirit and grandeur of students with a right blend of EQ and IQ.

With lots of events, from challenging problems to dedicated visions, amazing ideas to perfect execution, **COLOSSUS** has something to offer every student.

This is aimed to enhance the creativity and the imagination of the students. **COLOSSUS** is an effort to redirect and excite the young minds with a paradigm opportunity to showcase their talent and support their ideas which may lay the groundwork for the upcoming technology.

Beyond the realms of academics, **COLOSSUS, 2017** will provide an opportunity to inspire the thought process of emerging youth, nurtured techno-artistic students and also become a platform for students to stretch out the imagination & creativity to scale new heights.

We would request you to kindly be with us on 22nd March, 2017 at 9:00AM venue: B-30, Academic Block, Sector 62, CDAC, Noida

We eagerly look forward to your confirmation and presence for the event.
