

EVENT

Online Seminar

Thursday

September 29th

2022

Discussion session on microbial transformations of Hg - follow-up to session “Meta-omic and geochemical approaches to linking microbial activity to biogeochemical mercury cycling”

Chairs

Benjamin Peterson, Ph.D.
Postdoctoral Associate
University of California - Davis

Caitlin M. Gionfriddo, Ph.D.
Secretary's Scholar
Smithsonian Environmental Research Center

Time

14:00 - 15:00 UTC time
Thursday, September 29th, 2022

Entry

Free entry via Zoom
